1. The Tableland Road Board may, subject to the provisions of the Road Districts Act, 1919-1951, establish and maintain a pound or pounds for the impounding of dogs seized pursuant to the provisions of the Dog Act, 1903-1948.

(a) Subject to compliance with the first proviso to section 19 of the Dog Act, 1903-1948, such dog may be destroyed or sold by an authorised officer of the Board at any time after expiration of 48 hours from time of seizure, unless the owner thereof or a person authorised by him shall have paid the fees hereinafter provided for, and shall have taken delivery of the dog, and upon such sale the purchaser shall become the lawful owner of the dog.

(e) A person applying for release of any such dog shall prove to the satisfaction of the authorised officer in charge of the pound the ownership of the dog and his authority to take delivery. Such officer may accept such proof as he considers satisfactory, and no person shall have any right of action against him or the Road Board in respect of a delivery pursuant thereto.

4. If the Road Board shall at the request of the owner destroy any dog, whether seized as aforesaid or not, such owner shall pay to the Road Board a fee of five shillings.

5. The proceeds of the sale of any dog sold pursuant to these by-laws shall be the property of the Road Board and receipt of such proceeds shall not relieve the owner of liability for fees.

7. No person shall release any dog from a pound except in accordance with these by-laws.

8. Any owner or person having the charge or control of any dog, shall keep such dog chained or under effective control from sunset to sunrise.

By-laws governing Long Service Leave to be granted to Employees of the Geraldton-Greenough Road Board.

L.G. 221/53.

THE Geraldton-Greenough Road Board, under and by virtue of the powers conferred on it in that behalf by the Road Districts Act, 1919-1951, and all other powers enabling it, doth hereby make and publish the following by-laws:—

1. In the interpretation of the by-laws, the following words shall have the meanings assigned to them hereunder:—

(a) "Board" means the Geraldton-Greenough Road Board.

"Employee" means and includes all persons employed in any capacity by the Board, and who are in the regular and full-time employ of the Board.

(b) "Continuous service" means service in the employment of the Board during which an employee has not been absent from the service of the Board for a continuous period of more than two days or an aggregate period of more than 10 days without leave of absence being granted by the Board, provided that an employee who was employed by the Board on a permanent basis immediately prior to entering continuous full-time service with the Armed Forces of the Commonwealth of Australia, or who was directed by the Manpower Directorate to serve elsewhere between the 3rd day of September, 1939, and the 3rd day of March, 1947, shall have such service counted as continuous service with the Board, provided the requisite proof is produced.

2. All present and future employees of the Board shall, after each period of 10 years' continuous service as permanent full-time employees thereof commencing from the date of employment with either the Geraldton Road Board or the Greenough Road Board or the Geraldton-Greenough Road Board be entitled to three months' long service leave, and no long service leave shall be granted to an employee without a qualifying period of 10 years being first completed.

3. (a) The Board may grant long service leave to an employee of the Board who has been granted long service leave for 10 years' continuous service if, before a further period of 10 years' continuous service is reached, such employee retires from the Board's service owing to having reached the retiring age of 65 years, or is retired on the grounds of ill-health, or dismissed through staff retrenchments, in which case the long service leave may be adjusted *pro rata*.

Provided that no such grant shall be made to an employee of the Board who prior to completing a further period of 10 years' continuous service resigns his employment with the Board.

(b) The long service leave which may be granted under this by-law shall be for a period not exceeding one and three-tenths weeks for every completed year of service since the conclusion of the period of service which qualified the employee for his previous long service leave, and shall be on full pay.

4. An employee dismissed by the Board for neglect of duty or for irregular practices shall not be paid any sum in pursuance of the preceding by-law.

5. Absence on account of sickness shall not be deemed to be a break in continuity of service, providing the period of absence shall not exceed three months in any year, unless otherwise decided by the Board.

6. Long service leave shall be taken at the convenience of the Board, who will, as far as possible meet with the wishes of the employee, but the Board may require the employee to take leave by giving not less than three months' notice.

7. In the event of the retirement or death of an employee, the Board may pay to such employee (or in the case of death, to his personal representatives, or if there be none, to his dependants) a sum of money equal to his wages or salary for the period of long service leave which the Board is empowered under these by-laws to grant to such employee at the date of his retirement or death, or if the Board after consideration of all the circumstances, direct that the death of an employee be presumed, the Board may authorise the payment to the dependants of the employee a sum equivalent to the amount of wages or salary which would under this by-law have been granted the employee immediately prior to the date of his death, such date to be determined by the Board.

8. (a) Employees due to take long service leave shall be paid their salary or wage for the period thereof at the rate equivalent to the salary paid in the week immediately preceding the taking of long service leave.

(b) The Board may, at its discretion, either (1) pay to an employee his wages or salary periodically during long service leave, or (2) pay to the employee in advance a sum representing the amount of his wages or salary for the period of his long service leave.

9. All annual leave to which an employee is entitled or will become entitled before the expiration of his long service leave shall be taken by the employee in conjunction with his long service leave, but any public holidays which may occur during the taking of his long service leave are not to be paid for over and above the long service leave, but are to form part of such long service leave.

10. Long service leave shall be considered as a special period of recuperation after a lengthy term of service with a view to fitting the employee for a further term, and during such leave no employee shall undertake any form of employment for hire or reward, unless by special permission of the Board. Any contravention of this subclause shall entitle the Board to dismiss the employee from its service and to cease paying or to recover any amounts paid in advance on account of long service leave.

## INDUSTRIAL AGREEMENT.

No. 9 of 1953.

Registered 28th May, 1953.

THIS Agreement, made in pursuance of the Industrial Arbitration Act, 1912-1950, this 10th day of April, one thousand nine hundred and fifty-three (1953), between the West Australian Branch of the Australasian Meat Industry Employees' Union Industrial Union of Workers, Perth (hereinafter called "the Union") of the one part, and Broome Freezing and Chilling Works (hereinafter called "the Management") of the other part, witnesseth that, for the considerations hereinafter appearing, the parties hereto mutually covenant and agree the one with the other as follows:—

1. This Agreement shall apply in respect of the rates of wages and conditions of labour in connection with the tasks hereinafter mentioned at the Broome Meatworks for the 1953 season and shall operate for 12 months from the abovementioned date.

## Definitions.

2. In this Agreement, unless the context otherwise indicates, the following terms have the meanings respectively set out against them, that is to say:—

(a) "Week days"—Mondays, Tuesdays, Wednesdays, Thursdays and Fridays.

(b) "A week" shall mean Monday to Friday, inclusive.

(c) "A day's work" shall mean eight hours on week days, Monday to Friday.

(d) "Shift work" shall mean work done in time preceding, during and following ordinary working hours by separate relays of employees.

(e) "Mutually agreed" or "mutual arrangement" implies agreed between the Management of the Works and the Union or its representatives, in writing.

## General Conditions.

3. Clauses under this heading are to be operative except where otherwise provided herein.

4. Any worker carrying out work classified at a higher rate than the rate pertaining to his recognised task shall be paid for that day at the highest rate of such tasks.

5. Wages shall be paid weekly in cash on Wednesday afternoon at "smoko."

6. The Management shall give the delegate reasonable notice of workers required to work overtime. The delegate shall be then responsible, on behalf of the Union, for supplying such workers. Overtime shall be distributed on a roster system, but any employee shall have the right to forego his place on the roster providing he obtains a suitable replacement for that period of time required by the Management in excess of ordinary hours. The application of this provision, however, will not affect the normal operation of the roster in ordered sequence. In all cases of overtime sufficient men for the work required must be supplied.

7. The employment and rates of pay of boys shall be a matter of mutual arrangement.

8. Employees shall be provided without charge with accommodation in the quarters erected for that purpose, including stretcher, mattress and pillow.

9. Each employee who boards at the Works can-teen shall have an amount equal to twenty-seven per cent. (27%) of the district basic wage per week deducted from his wages weekly.

10. All delegates shall be officially recognised by the Management.

11. Shifts of eight hours may be worked in departments where operations are continuous or where they require attention for more than 12 hours in the 24.

12. Except as provided in this clause, shift workers (other than engine room employees) shall be entitled to the prescribed overtime rates for the work done during Sundays and holidays, anything to the contrary notwithstanding shift workers shall only be entitled to rate and a half for any time worked in excess of eight hours per shift, but in (3)—65898

any case where such excess is caused through sickness, non-arrival, or late arrival of relieving shiftmen, or in connection with the change-over or rotation of shifts, ordinary rates shall apply.

13. Notwithstanding that the rates of pay are set forth on a weekly basis, there shall be no obligation on the part of the Management or the employees to give a week's notice or any other notice to determine the employment, the position being in this respect the same as if the employee was employed at a daily wage.

## Preference.

14. Preference of employment in respect of tasks for which rates of wages are specified in this Agreement shall be given to members of the Union who are parties to this Agreement, provided they are competent workmen for the task for which they are selected and do their work to the satisfaction of the Management.

15. Subject to preference to members of the Union who are parties to this Agreement, the Management shall have the right—

(a) to select employees with due regard to their qualifications for their respective tasks;

(b) to allot to employees their respective tasks, to dispense with the services of any employee for incompetence, drunkenness, misconduct.

(c) In the event of the work of an employee being unsatisfactory at the task to which he has been transferred, the Management shall have the right to place such employee on waiting time in accordance with clause 34.

Employees engaged in Perth shall be selected from the lists supplied by the Union.

## Transfer.

16. The Management may transfer employees from one department to another. In this case the rates payable shall be those specified for the task performed, subject to clause 4 of General Conditions. In the case of alleged unreasonableness, the local joint delegates can discuss with the Management.

## Hours of Labour.

17. Unless otherwise specifically mentioned, forty (40) hours shall constitute a week's work, divided into five (5) working days, as follows:—

Five week days, each eight (8) hours—40 hours.

18. Except in the case of shift workers or slaughter floor employees or otherwise mutually agreed upon, ordinary starting time shall be 7.30 a.m. and ordinary ceasing time, 4.30 p.m.

19. Except where otherwise provided herein, "ordinary working hours" shall comprise the hours between the ordinary starting time on any day and the ordinary ceasing time, except meal times and smokos, except in any case of alteration by mutual agreement.

20. Except in the case of shift workers and slaughter floor employees, "outside ordinary working hours" on any day means between midnight and ordinary starting time, and/or between ordinary ceasing time and midnight, also meal hours and smokos.

## Meal Times.

21. (a) Except in the case of shift workers and slaughter floor employees, or otherwise mutually agreed, meal times shall be:—

6.30 a.m. to 7.30 a.m.

11.30 a.m. to 12.30 p.m.

4.30 p.m. to 5.30 p.m.

11 p.m. to 12 midnight.

(b) When loading out, meal times shall be in accordance with the schedule of the vessel's meal times, but may be given within one hour either before or after such meal times.

(c) This clause shall not apply to engine and boiler room shift workers.

## Smokos.

22. Except as provided in clause 23, or otherwise mutually agreed, smokos of 15 minutes each shall be allowed and paid for as working time, as follows:—

9.30 a.m. to 9.45 a.m.  
2.30 p.m. to 2.45 p.m.

And one smoko after every two hours' continuous work done outside ordinary working hours. Provided, further, that employees in the cold storage department who are working in a temperature not above 20 degrees Fahrenheit shall be allowed four periods of 10 minutes each day in addition to the recognised smokos. This clause shall not apply to engine and boiler room shift workers.

23. For employees when loading out, the smokos shall, unless otherwise mutually agreed, be:—

9 a.m. to 9.15 a.m.  
2 p.m. to 2.15 p.m.  
7 p.m. to 7.15 p.m.  
9 p.m. to 9.20 p.m.  
2 a.m. to 2.15 a.m.  
4 a.m. to 4.20 a.m.

24. When reasonably required by the Management, owing to exigencies of work, employees shall forego their smoko until a convenient time.

## Cribs.

25. Employees engaged unloading and discharging steamers will be supplied with cribs, as follows:—

One crib at second smoko after commencing work after tea.  
One crib at second smoko after commencing work at 12 midnight.

## Overtime Rates.

26. Overtime rates shall be paid in respect of all work done:—

(a) After ordinary ceasing time (clause 18) and up to ordinary starting time (clause 18), rate and a half; provided that in case of "shift work" outside of ordinary working hours, ordinary rates and conditions shall apply.

(b) During meal hours and smokos, except as provided in clauses 24 and 27, double ordinary rates.

When an employee has worked 16 hours continuously, double the rate applicable shall be paid until stood down for at least four hours, and the Management shall have the right to stand any worker down accordingly.

(c) Similar provision shall apply to shift workers outside their ordinary rostered periods of work.

27. Provided that ordinary rates and conditions shall apply during ordinary working hours, and rate and a half for one hour or portion thereof before ordinary starting time, or for one hour or portion thereof after ordinary ceasing time, to men doing preparatory or finishing work in preserving, cook room, cellar men handling meats for canning purposes, open air boners, retort and traymen, chill-room men, and other work of a like nature.

Employees doing preparatory and/or finishing work shall be provided with a minimum period of one-half hour's work or shall be entitled to payment for such.

## Minimum of Overtime.

28. Subject to any mutual arrangement, employees called back to work after the meal time following ordinary ceasing time shall be provided with a minimum period of two hours' work, or shall be entitled to payment for such. Employees called out on Sundays or holidays shall be provided with a minimum period of two hours' work or shall be entitled to payment for such, payment for such minimum periods to be at overtime rates as appearing in clauses 26 and 29.

## Holidays and Holiday Rates.

29. (a) Except as hereinafter provided, each of the following days or the days observed in lieu thereof shall be allowed as a holiday to all workers and be paid for, namely:—

New Year's Day, Australia Day (26th January), Good Friday, Easter Saturday, Easter Monday, Anzac Day, Labour Day, Broome Cup Day, King's Birthday, Christmas Day and Boxing Day.

(b) Whenever any holiday falls on an employee's ordinary working day and the employee is not required to work on such day, he shall be paid

for the ordinary hours he would have worked on such day if it had not been a holiday. Work performed on these days and on Sundays shall be paid for at double ordinary rates.

(c) In the case of workers working a five-day week, no payment or a day in lieu shall be granted for any public holiday falling on a Saturday.

(d) Payment for holidays shall be at the rate pertaining to each employee's task.

(e) When a worker is off duty owing to leave without pay or sickness, including accidents on or off duty, except time for which he is entitled to claim sick pay, any holiday falling during such absence shall not be treated as a paid holiday. Where the worker is on duty or available on the working day immediately preceding a holiday, or resumes duty, or is available on the working day immediately following a holiday, as prescribed in this clause, the worker shall be entitled to a paid holiday on all such holidays.

(f) A casual worker shall not be entitled to payment for any holiday referred to in this clause.

## Annual Leave.

30. (a) Except as hereinafter provided, a period of two consecutive weeks' leave with payment of ordinary wages as prescribed shall be allowed annually to a worker by his employer, after a period of 12 months' continuous service with such employer.

(b) If any award holiday falls within a worker's period of annual leave and is observed on a day which in the case of that worker would have been an ordinary working day, there shall be added to that period one day being an ordinary working day for each such day observed as aforesaid.

(c) (i) Subject to paragraph (ii), when computing the annual leave due under this clause, no deduction shall be made from such leave in respect of the period that the worker is on annual leave and/or holidays: Provided that no deduction shall be made for any approved period a worker is absent from duty through sickness with or without pay, unless the absence exceeds three (3) calendar months, in which case deduction may be made for such excess only.

(ii) Approved periods of absence from work caused through accidents sustained in the course of employment shall not be considered breaks in continuity of service, but the first six months only of any such period shall count as service for the purpose of computing annual leave.

(d) In the event of a worker being employed by an employer for portion only of a year, he shall only be entitled to such holidays on full pay as are proportionate to his length of service during that period with such employer.

(e) Any worker who may resign or be dismissed from the service for any cause, other than for peculation or theft, shall be entitled to receive payment for any annual leave which may have been due up to the time of leaving the service: Provided always that if the worker has been dismissed for peculation or theft, no claim for annual leave shall be recognised. Misconduct herein referred to shall not affect accumulated annual leave or payment therefor.

(f) When work is closed down for the purpose of allowing annual leave to be taken, workers with less than a full year's service shall only be entitled to payment during such period for the number of days' leave due to them. Provided that nothing herein contained shall deprive the employer of his right to retain such worker to work during the close-down period as may be essential.

(g) Workers regularly working for the Works North of South latitude 26 shall be allowed to accumulate annual leave for two years, subject to the convenience of the employer. Such workers who proceed to Fremantle and Geraldton during the period of such leave shall be allowed once in each two years reasonable travelling time on the forward and return journeys between the place of their employment and either of the said ports.

(h) "Ordinary wages," for the purpose of sub-clause (a) hereof, shall mean the average rate of wage the worker has received over the period of his employment in respect of his ordinary hours of work.

(i) The provision of this clause shall not apply to casual workers.

31. Each employee (excepting those engaged at Broome) shall be entitled to—

- (a) passage from place of engagement to Broome and travelling time allowance;
- (b) passage (and travelling time allowance) by first available steamer or plane at discretion of Management from Broome to place of engagement after termination of work in his department, or when his services are not further required by the Management: Provided that his duties have been performed to the satisfaction of the Management.

This clause operative for trip forward to Broome, but return journey to Perth is subject to discussion and agreement.

32. Travelling time allowance referred to in clause 31 shall be at the rate of 17s. 6d. per day.

#### Waiting Time Allowances.

33. When no employment is available for an employee at his usual tasks, such employee shall, if so required by the Management, do any other work available and be paid whichever rate shall be the highest, for the task performed or the workers' recognised usual task.

Payment hereunder may be adjusted at the end of each calendar year, or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

(b) A worker shall not be entitled to receive any wages from his employer for any time lost through the result of an accident not arising out of or in the course of his employment or for any accident, wherever sustained, arising out of his own wilful default, or for sickness arising out of his own default.

#### 11.—Casual Workers.

"Casual Worker" shall mean and include a worker competent to do the work he is engaged to do, who is, without any fault of his own, dismissed or refused work (as it is hereby agreed he may be) before the expiration of one (1) week from and including the date he starts work.

Casual workers shall be paid ten per cent. (10%) in addition to the rates set out in Clause 5 hereof.

#### 12.—Mixed Functions.

Where a worker is engaged on higher grade work in any day he shall be paid for the whole day at the higher rate: Provided he works in such higher grade for a period of four (4) hours at the least, and, in cases where he is employed on higher grade work for more than twenty-two (22) hours in any one week he shall be paid for the full week at the higher rate.

A worker required to work as steam cross-cut driver and winch driver as one job shall be entitled to receive the higher margin.

#### 13.—Time Book.

Each employer shall keep a time book, or sheets, or cards, showing the names of the workers, the number of hours worked, the rates of pay and the wages paid to each worker from week to week, and the Secretary of the Union or any official thereunto authorised by the Union shall be allowed at all reasonable times to inspect such records so far as it relates to any member or members of his organisation. Such time book shall be kept available for the last preceding twelve (12) months.

#### 14.—Definitions.

For the purpose of this Award:—

(a) "Engine driver" shall mean and include any person who operates or drives any engine or engines the motive power of which is either steam, gas, oil, water, compressed air, or electricity.

(b) "Engine driver in charge".—When a driver, being the only person of his class employed on the plant, does the general repair work of the plant in addition to the work of engine driving, but not when he merely assists the fitter or engineer to do such work.

## 15.—Contract of Service.

All workers, except those engaged on piecework or on casual work, shall be employed on a weekly engagement subject to the following terms:—

- (a) A worker shall perform such work as the employer shall from time to time require on the usual days and within the prescribed hours.
- (b) Employment during the first week of such engagement shall be from day to day, at the weekly rate prescribed, except in the case of re-engagement within one month after the termination of a previous service of the worker under the employer.
- (c) A worker, to become entitled to payment of the weekly wage, must be ready and willing to work on the days and during the hours usually worked by the class of worker affected. A worker shall not be entitled to payment for any time during which he is absent from his employment, except as provided for in clause 10.
- (d) Subject to the provisions of the two next succeeding paragraphs, a week's notice of the termination of such engagement shall be given on either side. Such notice may be given on any day during the week to terminate such engagement on the corresponding day of the following week or on any later day thereof: Provided that, in the case of work in the bush and at bush mills, such notice may be dispensed with by the consent in writing of the employer and worker.
- (e) The employer may dismiss any worker peremptorily without notice for malingering, inefficiency (otherwise than through temporary illness), neglect of duty or misconduct, and pay the worker's wages up to the end of the preceding pay period.
- (f) The employer may deduct payment for any day or portion of a day the worker cannot be usefully employed because of any strike by or participation in any strike by the Union, by any branch of the Union, or by any members or member of the Union employed by the employer, or because of any strike by or participation in any strike by any other Union, branch of any other Union, or members or member of any other Union employed by the employer, or because of any break-down of machinery, or because of any other stoppage of work for any other cause for which the employer cannot be held responsible: Provided that no deduction shall be made unless such stoppage exceeds two (2) hours.

## 16.—Rents of Houses and Huts.

(a) The employer may charge such rents for the use and occupation of the huts or houses owned or controlled by him as may be agreed upon by the employer and worker and the Union, and, in default of agreement, such rent (not exceeding the amount ascertained by the application of the Commonwealth Statistician's figures as the average rental for four and five roomed houses in the four country town statistics for the State) as the Board of Reference may think fair and reasonable.

(b) In determining what is a reasonable and fair rental the Board of Reference shall:—

- (i) First ascertain the capital value of the building. Such capital value shall be the actual cost to the employer of the building: Provided that, where the building has been erected prior to the 30th day of June, 1921, there shall be added twenty per cent. (20%) to the cost of the building.
- (ii) From the capital value so assessed there shall be deducted such amount as shall be estimated to equal the depreciation in actual value of the building, in so far as such depreciation diminishes the letting value: Provided that the depreciation shall not be assessed as an amount exceeding three per centum (3%) per annum.

(c) The reasonable and fair rental shall be deemed to be not more than the total for the following items:—

- (i) The percentage on the capital value at the rate of nine per cent. (9%) per annum.
  - (ii) The amount of the rates and taxes.
  - (iii) The amount estimated to be required annually for repairs, including painting, maintenance and renewal (not exceeding the average amount expended for repairs during the last succeeding five (5) years) where the house has been so long erected.
  - (iv) The cost of insurance.
  - (v) Any other cost, charge or outgoing considered by the Board of Reference to be fair and/or reasonable.
- (d) The amounts ascertained above shall be reduced to a weekly basis.

- (a) No room shall have a floor space less than ten (10) feet by twelve (12) feet. This requirement shall not apply to existing buildings having a floor space of not less than ten (10) feet by eight (8) feet, which have been approved by the Union, or which, in cases where there has been no approval by the Union, have been or are approved by the Board of Reference.
- (b) No room shall have a height of less than eight (8) feet, but this shall not apply to existing buildings the rooms of which have a height of not less than seven (7) feet.

## 18.—Payment of Wages.

(a) All wages due and payable to workers in the bush and at bush saw mills shall be paid in such manner as may be agreed upon between the employer, the worker, and the Union, or in default of such agreement—

- (i) where a bank exists within five (5) miles of the mill or place where the work is performed weekly, in cash, at the mill or such place;
- (ii) Where a bank exists within five (5) miles of such mill or place, fortnightly or bi-monthly, in cash, at such mill or place.

Over and above that becoming due on each such period, as the case may be, not more than six (6) days' pay shall be kept in hand by the employer.

(b) If any worker be kept waiting for payment of his wages after working hours for more than fifteen (15) minutes, he shall be paid at ordinary rates for all time he is kept waiting from the termination of his working hours until he is paid.

(c) Should any worker, wherever employed, be dismissed during the course of a week, he shall be paid at the usual place of payment on demand there by him any wages which are legally due to him within fifteen (15) minutes of dismissal: Provided that, if the usual place of payment be on the work in the bush, then such place of payment shall be deemed to be the nearest office of such employer thereto.

## 19.—Aged and Infirm Workers.

(a) Any worker who by reason of old age or infirmity is unable to earn the minimum wage may be paid such lesser wage as may from time to time be agreed upon in writing between the Union and the employer.

(b) In the event of no agreement being arrived at, the matter may be referred to the General Board of Reference for determination.

(c) After application has been made to the Board, and pending the Board's decision, the worker shall be entitled to work for and be employed at the proposed lesser rate.

## 20.—Transport of Workers.

Where means of transport to the bush or bush saw mills is provided by the employer, on the termination of service of a worker, that worker, his

family, and his goods and chattels shall be transported free of charge within forty-eight (48) hours of receipt by the employer of notice that such transport is required. But a worker shall not be entitled to free transport on a route along which the public is regularly transported for payment: On the other hand, he shall not be charged a rate on such route in excess of that regularly charged to the public.

#### 21.—Board of Reference.

The Court appoints for the purpose of the Award:—

- (d) Each Board shall consist of a Chairman and two (2) representatives, one representative to be nominated by each party.
- (e) Separate Boards may be appointed where deemed necessary or advisable for different branches of the industry and/or for different localities.

#### 22.—Camping Allowance.

A worker who is required by his employer to camp in the bush away from a town or away from the mill site and where accommodation is not provided in accordance with the standards provided in Clause 17 of this Award, shall be paid a camping allowance at the rate of five shillings (5s.) per week.

#### 23.—Part-Time Employment.

Notwithstanding anything contained in this Award to the contrary the employer and the Union are hereby empowered in the case of emergency or for other cause which to them may seem sufficient, to provide for a shorter working week at the rate of wages specified in this Award, but proportioned to the time to be worked. If such agreement is arrived at, the workers affected shall cease to come within the scope of Clause 15, as to weekly hiring and shall be deemed to be employed under contract of daily hiring for the period mentioned in the agreement. Any agreement hereunder shall be in writing and signed by both the employer and the Secretary or other authorised officer of the Union. Provided that in the case of any disagreement the matter may be referred to the Board of Reference.

#### COMPANIES ACT, 1943-1946.

Pursuant to Section 66.

City Motors Pty. Ltd., 367 Murray Street, Perth.  
Notice of Increase in Share Capital beyond  
the Registered Capital.

1. CITY MOTORS PTY. LTD. hereby gives notice that by a resolution of the Company passed on the 11th day of June, 1953, the nominal capital of the Company was increased by the addition thereto of the sum of £50,000 divided into 50,000 shares of £1 each beyond the registered capital of £50,000.

2. The additional capital is divided as follows:—  
(a) Number of shares—50,000; (b) class of shares—ordinary shares, "C" shares, "D" shares and preference shares; (c) nominal amount of each share—£1.

3. The conditions subject to which the new shares have been or are to be issued are as follows:—The shares may be issued from time to time by the directors at their absolute discretion as ordinary shares, "C" shares, "D" shares and preference shares. Shares other than "D" shares shall not confer on the holders the right to attend or vote either in person or by proxy at any general meeting, or to have notice of any such meeting, or to have any voice in the management of the Company, or to interfere in the management and control, or to inspect the account books and documents of the Company (except as by law entitled), and holders shall be bound by the accounts from time to time furnished by the directors and passed at general meeting. Save as otherwise specially stipulated, all shares other than preference shares shall rank *pari passu* with each other with regard to dividends, return of capital and for all other purposes. "C" shares shall be issued only to an employee of the Company in pursuance of article 102 hereof, and shall not be transferable, except subject to the conditions and in the manner hereinafter provided. Whenever any "C" share is allotted, or, pursuant to this clause is transferred to any employee of the Company, such employee shall be entitled to retain and hold the same so long as he remains an employee of the Company; and if by death, resignation, withdrawal, dismissal or otherwise he ceases to be an employee of the Company he or his personal representatives shall be bound upon request in writing of the directors to transfer such share to such person as the directors may nominate, and if such person is not an employee of the Company, such person shall at any time upon the request of the directors transfer such share to any employee of the Company. "D" shares shall not be transferable except upon the conditions and in the manner hereinafter provided. Whenever a "D" share is allotted, or pursuant to this clause is transferred to any person, and such shareholder shall be desirous of transferring the share, and shall notify the directors accordingly, or if by death or operation of law the benefit of the share shall have vested in his personal representative or other person, as the case may be, then he, or his personal representative or the person in whom by operation of law the benefit of such share shall have vested, shall be bound, upon the request in writing of the directors, to transfer the share to such person as the directors may nominate. The consideration payable to the holder of a "C" or "D" share upon transfer as provided for by Articles 6 and 7 shall be the reasonable value thereof as determined by the auditors of the Company, but the amount so fixed for each £1 share shall not exceed the sum of £2. If any person who ought in conformity with Articles 6 and 7 to transfer any "C" or "D" share makes default in transferring the same immediately, the directors may by writing under the common seal, appoint any person to make the transfer on behalf of the person in default, and a transfer by such an appointee shall be as effective as if it were duly executed by the person in default. A certificate under the common seal that such power of appointment has arisen shall be conclusive for all purposes. "C" and "D" shares shall rank for repayment of capital and distribution of any surplus assets in a winding-up equally with the ordinary shares of the Company until the holder thereof shall have received the sum of £2 in respect of each share

held, after which such holder shall not be entitled to any further participation in the assets of the Company.

4. The rights attaching to the preference shares or to each class of preference share are as follows:—Preference shareholders shall receive an annual dividend of 6 per centum per annum, cumulative. Preference shares shall be redeemable at the option of the Company from time to time and at any time. Within three months from the redemption of a preference share, the shareholder may apply for the issue of one ordinary share for each preference share redeemed and thereupon the same shall be issued to him upon payment of the nominal value of such ordinary share. At any time after one year from the date of issue of a preference share, the shareholder thereof may apply and have any such share converted to an ordinary share paid up to a like amount as the preference share. Preference shareholders shall rank *pari passu* with ordinary shareholders in every respect other than for dividends.
