Dominion Civil Service Fellowships—British

THE Commonwealth Fund Fellowships for study  
and travel in the United States were inaugurated

the universities of the United Kingdom, to selected  
officers from the Home, Colonial and Dominion

Appointments to the Dominion Civil Service Fel-

3. General:—

- (b) "Permanent worker" means a worker other than a casual worker employed under the terms of this Agreement.

#### 6.—Contract of Service.

(a) No worker, other than a casual, shall leave the Commission until the expiration of fourteen (14) days' written notice of his intention so to do without the approval of the Commission.

(b) Except in the case of summary dismissal for misconduct, peculation or theft, fourteen (14) days' written notice shall be given by the Commission to any worker other than a casual whose services are no longer required and the reason for dismissal shall be stated in such notice.

(c) The Commission shall be entitled to deduct payment for any day or portion of a day on which the worker cannot be usefully employed because of any strike by the Union party to this Agreement, or by a union or unions affiliated with it or by any other association or union associated with it or through the breakdown of the Commission's machinery or any stoppage of work by any cause which the Commission cannot reasonably prevent.

#### 7.—Absence from Duty.

(a) Any worker losing time through sickness or injury shall as soon as possible notify his foreman, or other officer-in-charge in sufficient time to permit of arrangements being made for the performance of his duties.

(b) Subject to the provisions of clause 8 (Payment for Sickness) any worker losing time through sickness or special leave shall be reduced in wages only to the extent of the time actually lost through sickness or granted as special leave.

#### 8.—Payment for Sickness.

(a) (i) A worker shall be entitled to payment for non-attendance on the ground of personal ill-health for one-twelfth (1/12th) of a week's pay for each completed month of service.

(ii) The liability of the Commission shall in no case exceed one (1) week's wages during each calendar year in respect of each worker, but the sick leave herein provided shall be allowed to accumulate and any portion unused in any year may be availed of in the next or any succeeding year.

(iii) Payment hereunder may be adjusted at the end of each calendar year, or at the time the worker leaves the service, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred.

(b) This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

(c) No worker shall be entitled to the benefit of this clause unless he produces proof to the satisfaction of the Commission or its representative of sickness, but the Commission shall not be entitled to a medical certificate unless the absence is for three (3) consecutive working days or more.

(d) No payment will be made for any absence due to a worker's own fault, neglect or misconduct.

#### 9.—Annual Leave.

(a) Except as hereinafter provided, a period of two (2) consecutive weeks' leave with payment of ordinary wages as prescribed shall be allowed annually to a worker by the Commission after a period of twelve (12) months' continuous service with the Commission.

(b) If any award holiday falls within a workers' period of annual leave and is observed on a day which in the case of that worker would have been an ordinary working day, there shall be added to that period one day being an ordinary working day for each such holiday observed as aforesaid.

(c) (i) Subject to paragraph (ii), when computing the annual leave due under this clause, no deduction shall be made from such leave in respect of the period that a worker is on annual leave and/or holidays: Provided that no deduction shall be made for any approved period a worker is absent from duty through sickness with or without pay, unless the absence exceeds an aggregate of thirteen (13) weeks, in which case deduction may be made for such excess only.

(ii) Approved periods of absence from work caused through accident sustained in the course of employment shall not be considered breaks in continuity of service, but the first six months only of any such period shall count as service for the purpose of computing annual leave.

(d) In the event of a worker being employed by the Commission for portion only of a year, he shall only be entitled to such holidays on full pay as are proportionate to his length of service during that period with the Commission.

(e) Any worker who may resign or be dismissed from the service for any cause other than for peculation or theft shall be entitled to receive payment for any annual leave which may have been due up to the time of leaving the service: Provided always that if the worker has been dismissed for peculation or theft no claim for annual leave shall be recognised. Misconduct herein referred to shall not affect accumulated annual leave or payment therefor.

(f) When work is closed for the purpose of allowing annual leave to be taken, workers with less than a full year's service shall be entitled to payment during such period for the number of days leave due to them: Provided that nothing herein contained shall deprive the Commission of its right to retain such workers at work during the close-down period as may be essential.

(g) "Ordinary wages" for the purpose of sub-clause (a) hereof shall mean the rate of wage the worker has received for the greater proportion of the calendar month prior to his taking the annual leave.

(h) The provisions of this clause shall not apply to casual workers.

(b) (i) Whenever any holiday falls on an employee's ordinary working day and the employee is not required to work on such day, he shall be paid for the ordinary hours he would have worked on such day if it had not been a holiday. If he is required to work on a holiday he shall be paid for the time worked as if it were an ordinary working day and shall, in addition, be allowed a day's leave with pay to be added to the annual leave, or to be taken at some subsequent date if the worker so agrees.

(ii) If any worker is required to work on a public holiday prescribed as a holiday under this Agreement, which falls on a non-working day, he shall be paid the rate which he would have been paid if the day had not been a public holiday, and in addition shall have one day for each holiday so worked added to his annual leave.

(c) In the case of workers working a five-day week, no payment or a day in lieu shall be granted for any public holiday falling on a Saturday.

(d) Payment for holidays shall be in accordance with the usual hours of work.

(e) When a worker is off duty owing to leave without pay or sickness, including accidents on or off duty, except time for which he is entitled to claim sick pay, any holiday falling during such absence shall not be treated as a paid holiday. Where the worker is on duty or available on the whole of the working day immediately preceding a holiday, or resumes duty or is available on the whole of the working day immediately following a holiday as prescribed in this clause, the worker shall be entitled to a paid holiday on all such holidays.

(f) Day workers employed on Sunday work will be entitled to half ( $\frac{1}{2}$ ) of one day extra on their annual leave for every four (4) Sundays worked during the year. Sunday work shall not be counted for the purpose of this subclause unless at least three (3) hours' actual work is done.

(g) A casual worker shall not be entitled to payment for any holiday referred to in this clause.

## 11.—Rest Period.

(a) Subject to the provisions hereinafter contained, a rest period of seven (7) minutes from the time of ceasing to the time of resumption of work shall be allowed each morning. This interval shall be counted as time off duty without deduction of pay and shall be arranged at a time and in a manner to suit the convenience of the Commission. Morning tea may be taken by employees during this interval, but the period of seven (7) minutes shall not be exceeded under any circumstances. Upon proof of breach by any employee of any provision hereinbefore expressed or implied, the Court may grant the Commission exemption from liability to allow the rest period aforesaid.

(b) Worker engaged on essential emergency work or on some process in course may be required to take the prescribed tea break at such time and in such manner as considered necessary by the officer-in-charge of the job, or in his absence, by the foreman.

## 12.—Long Service Leave.

The conditions relating to full-time Government wages employees generally as in force as at the date of this Agreement, and as may be amended from time to time, shall apply to all workers employed under the provisions of this Agreement.

## 13.—No New Designation.

No new designation shall be introduced during the currency of this Agreement so as to reduce the status of any worker covered thereby.

## 14.—Shop Stewards.

Subject to the recognition of properly constituted authority, shop stewards to be appointed by the Union shall be recognised by the Commission.

## 15.—Hours of Duty.

1. (a) Forty (40) hours, exclusive of Saturday and Sunday work shall constitute a week's work. No day's work shall exceed eight (8) hours.

(b) The ordinary hours of duty shall be between the hours of 7.30 a.m. and 5 p.m., Monday to Friday.

(c) The usual hours of duty within the scope as provided in subclause (b) hereof shall not be altered without consultation with the union concerned party to this Agreement.

2. (i) The Commission may require any worker to work reasonable overtime at overtime rates, and such worker shall work overtime in accordance with such requirement.

(ii) The Union or any worker or workers covered by this Agreement shall not in any way, whether directly or indirectly, be party to or concerned in any ban, limitation or restriction upon the working of overtime in accordance with the requirements of this subclause.

(iii) This subclause shall remain in operation until otherwise determined by the Court.

## 16.—Guaranteed Week.

(a) The Commission shall guarantee to each worker, other than a casual, a full week's work, exclusive of Saturday and Sunday work, except during such period as by reason of any action of the part of any section of its workers, or for any other cause beyond its control, the Commission is unable wholly or partially to continue operations at the generating stations and/or at any of its undertakings. Each week shall stand by itself.

(b) The guaranteed period may be reduced or affected as follows:—

(i) Where a worker is suspended, the provisions of clause 17 (Wages During Suspension) shall apply.

(ii) In respect of any day when, as a result of a vote taken by the workers concerned, with the consent of the Commission or by agreement between the Commission and the Union, a holiday is taken.

(iii) In respect of any day a worker is absent, except through sickness as provided for in clause 8.

## 17.—Wages During Suspension.

(a) Where a worker is suspended and the charge is not proven, full wages for the period of suspension shall be paid.

(b) Where the charge is admitted or proven, the worker may be deprived of wages for the whole or any portion of the period of suspension, but in such case the Commission shall decide the amount of wages of which it is intended to deprive the worker, and any such deprivation shall be recorded and regarded as part of the punishment.

(c) Unless proceedings on any charge are commenced within seven (7) days of the first laying of the charge and finalised within one month of such date, the charge shall lapse and full payment of wages made to the worker for the complete period, unless proceedings are delayed by causes outside the control of the Commission.

## 18.—Overtime and Sunday Work.

1. Any worker who is called upon to work overtime for more than two (2) hours shall be paid an allowance of three shillings (3s.) for a meal or shall be supplied by the Commission with a reasonable meal in lieu of such payment.

2. Any worker who has left the premises at which he is employed and is recalled to work after the usual ceasing time for less than one (1) hour shall receive payment for one (1) hour at overtime rates.

3. If a worker is required to work during the recognised meal period so that the commencement of the meal period is postponed for more than half ( $\frac{1}{2}$ ) an hour, that worker shall receive payment at double time rates until he gets his meal.

4. Subject to the preceding subclause, if a worker who is required to work during the recognised meal period does not in consequence obtain during the shift the full continuous meal period, or loses any portion of the meal period, he shall be paid at double time rates for the period not obtained or any portion lost.

5. The expression "recognised meal period" means the period customarily observed as the meal period between fixed times on the job, or at the works, as the case may be, except where the time of commencement of the customary period is altered by mutual consent of the Commission and the workers on a job to suit the convenience of the workers or the Commission, in which case the altered times shall be the basis of any rights under the preceding subclauses (3) and (4).

6. A worker who commences at or after midnight shall be paid double time until 6 a.m. the following morning, and subject thereto, all work performed outside the normal limits of the hours of labour shall be paid for at the rate of time and a half for the first two (2) hours and double time thereafter.

Subject to the provisions of subclause (2) of this clause, for the purpose of this subclause, the normal limits of the hours of labour shall be ascertained by reference to the time of commencement and time of finishing generally observed in regard to the worker in question for the particular job on which he is engaged.

7. All time worked on Sunday shall be paid for at the rate of double time.

#### 19.—Away from Home and Camp Allowance.

(a) When a worker is instructed to proceed on duty from the place where he is then or is usually employed, the employer shall pay all fares, including sleeper and, except when a camp allowance is paid under clause (b) hereof, proper allowance at current rates for all necessary meals and board and lodging. Fares shall be second class except when travelling by coastal boat when saloon fares shall be paid and shall include return fares on completion of job.

(b) (i) When a worker is required to live in a tent or hut away from his usual residence or home station he shall be paid a camping allowance of 4s. for each working day he is required to hold himself and does hold himself available in a camp throughout the said day, whether or not work is done on the said day. Provided, however, the total amount payable under this provision shall not exceed 20s. per week.

(ii) Provided further that if suitable accommodation, not being a tent or hut, is provided for a married worker and his dependants there shall be no obligation to pay any allowance under the previous subclause.

(iii) Rent may be charged for any tent or huts or other accommodation supplied, at rates to be fixed, or failing agreement, as decided by the Board of Reference.

#### 20.—Payment for Travelling Time.

(a) A worker going to work away from or returning to his home station shall be paid at ordinary rates for the actual travelling or waiting time for the first eight (8) hours, and thereafter at half the ordinary rates in any one period of twenty-four (24) hours.

(b) Where waiting time exceeds four (4) hours and suitable accommodation is made available at the Commission's expense, the worker shall be deemed to be booked off duty, and shall not be entitled to payment for the time he is booked off.

(c) Sunday travelling time shall be paid at the same rates and on same conditions as on week days.

(d) In respect of a worker who is provided with a sleeping berth in a passenger train, travelling time shall not count between 10 p.m. and 7 a.m.: Provided this shall not operate to reduce the travelling time to be paid for below four (4) hours in any one (1) day: Provided further that where by virtue of the length or nature of the journey the sleeping berth is available for six (6) hours or less, travelling time shall be paid for such period with a minimum of four (4) hours.

(e) A worker residing within the suburban area who is required to start work at some place other than his home station within the suburban area shall—

- (i) if notified the previous evening, travel one way from or to work in his own time, provided that there is suitable transport available;

- (ii) if not so notified, the worker shall travel both ways in the Commission's time.

The Commission shall provide free travelling from the home station: Provided, however, that no worker sent on relief duty within the suburban area shall claim or be allowed extra travelling time if the station at which he is to work is nearer his residence than his home station.

#### 21.—No Reduction.

This Agreement shall not in itself operate to reduce the wages of any worker who is at present receiving above the minimum rates prescribed for his class of work.

#### 22.—Preference to Unionists.

Preference of employment shall be given to financial members of the Union. Before being engaged an applicant in the metropolitan area shall produce evidence that he is a financial member. This provision shall also apply outside the metropolitan area, provided however, that if the applicant is unable to produce satisfactory evidence immediately he shall furnish same within a reasonable period.

#### 23.—Boards of Reference.

(a) The Court appoints, for the purpose of the agreement, Boards of Reference. The boards shall each consist of a chairman and two (2) other representatives nominated by the parties. (b) Separate boards may be appointed for different sections corresponding to the occupations, callings or vocations referred to in this Agreement and/or for different districts.

(c) The provisions of regulation 92 of the Industrial Arbitration Act, 1912-1952 (Appeal from Board) shall be deemed to apply to any board of reference appointed hereunder.

#### 24.—Right of Entry.

On notifying the officer in charge, any officer of the Union authorised in writing by the President and Secretary of such Union shall have the right to enter any place or premises, during ordinary working hours wherein members of such Union covered by this Agreement are engaged, for the purpose of conversing with or interviewing the workers in such place or premises.

Provided that such officer shall not hamper or otherwise hinder the workers in the carrying out of their work. The officer in charge shall determine whether workers are being hampered or hindered in their work.

#### 25.—Allowances, Special Provisions, etc.

1. A casual hand shall be paid ten per (10%) in addition to the minimum rate specified.

"Confined space" means one of which the dimensions are such that the workmen must work in an unusually stooped or cramped position or without adequate ventilation or where confinement within a limited space is productive of unusual discomfort to them.

4. Workers employed on the following work shall be paid at the rate of two pence (2d.) per hour in addition to the prescribed rate whilst so employed:—

(a) Working for more than one (1) hour continuously in the shade in places where the temperature is raised by artificial means to between 115 and 130 degrees F.

5. Workers, while working in any place where water is continually dripping, so that the workers' clothing becomes wet with soakage, or where there is water underfoot so that the workers' feet become wet, shall be paid at the rate of ten per cent. (10%) in addition to the prescribed rate whilst so employed. This shall not apply to natural surface made wet by rain.

6. Provision of boiling water.—The employer shall provide on each job boiling water for the use of his workers, including for the morning tea and lunch period.

16. Painting chimney stacks.—Painters employed on painting chimney stacks at Metropolitan Power Stations or working at a height exceeding 50 feet and up to 100 feet above the nearest main horizontal roof shall be paid two shillings and sixpence (2s. 6d.) per day extra, and three shillings and sixpence (3s. 6d.) per day extra when over 100 feet.
