[Published by Authority at 2.35 p.m.]

[REGISTERED AT THE GENERAL POST OFFICE, PERTH, FOR TRANSMISSION BY POST AS A NEWSPAPER.]

No. 105]

PERTH : TUESDAY, 10th NOVEMBER.

[1953.

### PRICES CONTROL ACT, 1948-1952.

#### Prices Control Order No. 890.

#### Retail Prices of Groceries.

IN pursuance of the powers conferred upon me by the Prices Control Regulations, 1949, I, Constantin Paul Mathea, Prices Control Commissioner, hereby make the following Order:—

#### Citation.

1. This Order may be cited as Prices Control Order No. 890.

#### Revocation.

2. Prices Control Order No. 845, as amended by Prices Control Orders Nos. 867 and 878 is hereby revoked.

#### Definitions and Interpretations.

3. In this Order and the schedules thereto, unless the contrary intention appears—

“Perth Metropolitan Area” means, all that area of Western Australia comprised within a radius of fifteen miles from the General Post Office at Perth;

“bulk container” means any container specified as “bulk” in Column 1 of the Schedule to this Order and includes any container other than packet containers, tin or metal containers or glass, china and earthenware containers;

“glass container” means containers of glass, china or earthenware;

“packet container” means paper bags, paper wrappings, cardboard containers, pergas, paper or cellophane containers, or wrappings, cloth or jute bags or sacks and plastic containers, but does not include any container defined herein as a bulk container;

“tin container” means tin or metal containers and includes containers of tin or metal in combination with cardboard or other materials, but does not include any container defined herein as a bulk container;

“distance from the point of delivery to the retail seller” means—

(a) where there is a railway station in the place in which the retailer seller's place of business is situated—then the distance in railway miles by the shortest railway route from the point of delivery, to that railway station, or

(b) where there is no railway station in the place in which the retail seller's place of business is situated, then the distance from the point of delivery, to the retail seller's place of business by the cheapest available alternative means of transport;

Provided that where the point of delivery is situated within the Perth Metropolitan Area, such distance shall be calculated from the Fremantle Railway Station.

“nearest railway station” means, the nearest railway station or siding by the shortest railway route, from the point of delivery to the retail seller, to the retail seller's place of business;

“nominal net weight of goods per unit” means the actual weight of the contents of any container;

“point of delivery” means in relation to any of the goods specified in this Order, the place at which liability for payment of transport charges in relation to such goods passed to the purchaser from the person from whom such goods were purchased.

reference in the schedules to this Order to any container by means of the expression “bottle,” “tin” or any similar expression, or the expression “large,” “small” or any similar expression shall be deemed to be a reference to the container customarily so described at the commencement of this Order;

where any container (such as jar, tin, packet, carton, drum, perga or bottle) is, in the schedules to this Order, designated by reference to its capacity (in weight or otherwise) the reference to such container shall be deemed to include a reference to other containers of the same capacity.

#### Specified Goods.

4. I fix and declare the maximum price at which any goods of the types or descriptions set out in Column 1 of the First Schedule to this Order may be sold by retail south of the 26th parallel of south latitude, to be—

- (a) in respect of sales by any person whose place of business is situated within the area comprised within the Perth Metropolitan Area, the amount per unit specified in Column 2 of that schedule;
- (b) in respect of sales by any person whose place of business is not situated within the Perth Metropolitan Area—

- (i) in the case of any goods, the point of delivery of which to the retail seller is at his nearest railway station or place of business, the amount per unit for such goods set forth in Column 2 of the First Schedule;

- (ii) in the case of any goods, the point of delivery of which to the retail seller is at any place other than his nearest railway station or place of business, the sum of—

- (a) the amount per unit for such goods set forth in Column 2 of the First Schedule;

- (b) the transport and packing allowance specified in the Second Schedule to this Order according to—

the classification of transport and packing allowance specified in Column 3 of the First Schedule;

the nominal net weight of goods per unit and type of container specified in Column 1 of the Second Schedule;

the distance from the point of delivery to the retail seller; and

the classification for transport or packing allowance according to such distance set forth in Columns 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15 or 16 of the Second Schedule.

Provided that in computing the transport and packing allowance specified in subparagraph (b) (ii) of this paragraph in relation to any goods received by the retail seller from any source outside Western Australia, no amount shall be included in such transport and packing allowance in respect of—

- (a) the cost of transport of those goods to the place or port of entry into Western Australia; or

- (b) in the case of any retail seller whose place of business is situated within a radius of five miles from the principal Post Office at any such place or port of entry—the cost of transport or other charges incurred in transporting such goods to his place of business.

#### Unspecified Goods or New Brands or Sizes.

5. I fix and declare the maximum price at which any goods which are similar to the goods specified in the First Schedule to this Order, but which differ from those goods in respect of the size of the container or the quantity contained therein, or are merely different brands or different varieties of those goods, to be the maximum price fixed by or under the provisions of Prices Control Order No. 503.

#### Exhibition of Price List.

6. Every person who sells or has for sale by retail any of the goods specified in the First Schedule to this Order, the maximum price of which is fixed by or under the provisions of this Order, shall exhibit in a prominent position in his place of business or if he has more than once place of business, in each of his places of business, and in such manner as to be easily legible to persons contemplating making any purchase or conducting any business at his place or places of business, particulars of the maximum prices fixed by or under the provisions of this Order for the sale by him of those goods.

#### Variation of Maximum Prices by Notice.

7. Notwithstanding the foregoing provisions of this Order, I declare the maximum price at which any goods, a maximum price for the sale of which is fixed by or under the foregoing provisions of this Order and which are specified in a notice given in pursuance of this paragraph, may be sold by any person to whom such notice is given, to be such price as is fixed by the Commissioner by notice in writing to that person.

## First Schedule.

Column 1.		Column 2.	Column 3.
Description.	Unit.	Amount per Unit.	Classification for transport and packing allowance.
<b>Butter (Canned).</b>			
Falcon Butter	16 oz. tin	s. d. 6 9	D
Sisters Butter	16 oz. tin	6 9	D
