By-laws Governing Long Service Leave to be
Granted to Employees of the Dardanup Road
Board.

L.G. 1430/52.

THE Dardanup Road Board, under and by virtue of the powers conferred on it in that behalf by the Road Districts Act, 1919-1951, and all other powers enabling it, doth hereby make and publish the following by-laws:—

1. In the interpretation of the by-laws, the following words shall have the meanings assigned to them hereunder:—

(a) "Board" means the Dardanup Road Board.
"Employee" means and includes all persons employed in any capacity by the Board, and who are in the regular and full time employ of the Board.

(b) "Continuous Service" means service in the employment of the Board during which an employee has not been absent from the service of the Board for a continuous period of more than two days or an aggregate period of more than 10 days without leave of absence being granted by the Board.

2. All present and future employees of the Board shall, after each period of 10 years' continuous service as permanent full time employees thereof, commencing from the 1st day of January, 1943, be entitled to three months' long service leave.

3. (a) The Board may grant long service leave to an employee of the Board who has been granted long service leave for 10 years' continuous service, if, before a further period of 10 years' continuous service is reached, such employee leaves the service of the Board, or retires from the Board's service owing to having reached the retiring age of 65 years, or is retired on the grounds of ill-health, or is dismissed through staff retrenchments, in which case the long service leave may be adjusted pro rata.

(b) The long service leave which may be granted under this by-law shall be for a period not exceeding one and three-tenths weeks for every completed year of service since the conclusion of the period of service which qualified the employee for his previous long service leave, and shall be on full pay.

4. An employee dismissed by the Board for neglect of duty or for irregular practices shall not be paid any sum in pursuance of the preceding by-law.

5. Absence on account of sickness shall not be deemed to be a break in continuity of service, provided the period of absence shall not exceed three months in any year, unless otherwise decided by the Board.

6. Long service leave shall be taken at the convenience of the Board, who will, as far as possible, meet with the wishes of the employee, but the Board may require the employee to take leave by giving not less than three months' notice.

7. In the event of the retirement or death of an employee, the Board may pay to such employee (or in the case of death, to his personal representatives, or if there be none, to his dependants) a sum of money equal to his wages or salary for the period of long service leave which the Board is empowered under these by-laws to grant to such employee at the date of his retirement or death, or if the Board, after consideration of all the circumstances, direct that the death of an employee be presumed, the Board may authorise the payment to the dependants of the employee a sum equivalent to the amount of wages or salary which would under this by-law have been granted the employee immediately prior to the date of his death, such date to be determined by the Board.

8. (a) Employees due to take long service leave shall be paid their salary or wage for the period thereof at the rate equivalent to the salary paid in the week immediately preceding the taking of long service leave.

(b) The Board may, at its discretion, either (1) pay to an employee his wages or salary periodically during long service leave, or (2) pay to the employee in advance a sum representing the amount of his wages or salary for the period of his long service leave.

9. All annual leave to which an employee is entitled or will become entitled before the expiration of his long service leave shall be taken by the employee in conjunction with his long service leave, but any public holidays which may occur during the taking of his long service leave are not to be paid for over and above the long service leave, but are to form part of such long service leave.

10. Long service leave shall be considered as a special period of recuperation after a lengthy term of service with a view to fitting the employee for a further term, and during such leave no employee shall undertake any form of employment for hire or reward, unless by special permission of the

Board. Any contravention of this subclause shall entitle the Board to dismiss the employee from its service and to cease paying or to recover any amounts paid in advance on account of long service leave.
