## ROAD DISTRICTS ACT, 1919-1951.

West Arthur Road Board.  
Long Service Leave By-laws.

L.G. 1997/52.

THE West Arthur Road Board under and by virtue of the powers conferred on it in that behalf by the Road Districts Act, 1919-1951, and all other powers enabling it in that behalf doth hereby make and publish the following by-laws:—

(1) In the interpretation of these by-laws the following words shall have the meanings assigned to them hereunder:—

(a) "Board" means the West Arthur Road Board.

(b) "Continuous service" means service in the employment of this Board during which an employee has not been absent from the service of the Board for a continuous period of more than two days or an aggregate period of more than 10 days without leave of absence being granted by the Board, provided that an employee who was employed by the Board on a permanent basis immediately prior to entering continuous full-time service with the armed forces of the Commonwealth of Australia, or who was directed by the Manpower Directorate to serve elsewhere, between the 3rd day of September, 1939, and 3rd March, 1947, shall have such service counted as continuous service with this Board, provided that the requisite proof is produced.

(2) All present and future employees of the Board shall, after each period of 10 years' continuous service as permanent full-time employees thereof, commencing as from 15th day of September, 1949, be entitled to thirteen (13) weeks' long service leave, and the employee shall be entitled to full pay for the said 13 weeks.

(3) Long service leave shall be taken at the convenience of the Board, which will, as far as possible, meet with the wishes of the employees, but the Board may require the employee to take leave by giving not less than three months' notice.

(4) Absence on account of sickness shall not be deemed to be a break in continuity of service, provided the period of absence shall not exceed three months in any year, unless otherwise decided by the Board.

(5) Where any employee resigns, retires, or in the event of the death of an employee, the Board may pay to the employee (or in the case of death, to his personal representatives, or if there be none, to his dependants), a sum of money equal to his wages or salary for the period of long service leave which the Board was empowered under these by-laws to grant to such employee at the date of his resignation, retirement, or death, or if the Board, after consideration of all the circumstances, directs that the death of an employee be presumed, the Board may authorise the payment to the dependants of the employee a sum equivalent to the amount of wages or salary which would under this by-law have been granted the employee immediately prior to the date of his death, such date to be determined by the Board.

(6) An employee dismissed by the Board, except in the matter of retrenchment, shall not be paid any sum in pursuance of the preceding by-law.

(7) (a) Employees due to take long service leave shall be paid their salary or wages for the period thereof at the rate equivalent to the salary paid in the week immediately preceding the taking of long service leave.

(b) The Board may, at its discretion, either—

(i) pay to an employee his wages or salary periodically during long service leave; or

(ii) pay to the employee in advance a sum representing the amount of his wages or salary for the period of his long service leave.

(8) All annual leave to which an employee is entitled or will become entitled before the expiration of his long service leave shall be taken by the employee in conjunction with his long service leave, but any public holidays which may occur during the taking of his long service leave are not to be paid for over and above the long service leave, but are to form part of such long service leave.

(9) Long service leave shall be considered as a special period of recuperation after a lengthy term of service, with a view to fitting the employee for a further term, and during such leave no employee shall undertake any form of employment for hire or reward, unless by special permission of the Board. Any contravention of this by-law shall entitle the Board to dismiss the employee from its service, and to cease paying or to recover any amounts paid in advance on account of long service leave.

Provided that where any employee leaves the service of the Board, who has served continuously for one period of 10 years next before his retirement, he shall be paid long service leave *pro rata* for any additional period of service.

Payment hereunder may be adjusted at the end of each calendar year or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

(b) A worker shall not be entitled to receive any wages from his employer for any time lost through the result of an accident not arising out of or in the course of his employment or for any accident, wherever sustained, arising out of his own wilful default, or for sickness arising out of his own wilful default.
