EMERGENCY NOTICE TO MARINERS.

Western Australia—Port of Fremantle.

Royal Visit, 1954.

Issued under the Authority of the Naval Officer in Charge, West Australian Area, and the Fremantle Harbour Trust.

1.—General.

During the visit of Her Majesty the Queen and His Royal Highness the Duke of Edinburgh to Western Australia certain special arrangements for the control of water traffic in the Port of Fremantle will be necessary. These special arrangements are detailed below and the instructions contained therein must be observed by all masters and owners of ships and vessels and skippers and owners of small craft.

2.—S.S. Gothic—Security Arrangements.

(a) Passes Required to Board.—During the period Monday, 29th March, 1954, to Thursday, 1st April, 1954 (inclusive) S.S. Gothic will be berthed between B and C berths, Victoria Quay. The berth will be

barricaded off on the landward side and only those persons having official business on board and holding a special pass issued by competent authority will be permitted to pass the barricades or board the vessel. Persons (other than Service personnel) whose business requires them to pass the barricades or board the vessel should apply to the ship's agents (Shaw, Savill and Albion Co. Ltd.) by 15/3/1954; Service personnel should apply to the Naval Officer in Charge.

(b) Approach of Craft Prohibited.—During the period given in (a) above, a prohibited area extending approximately 100ft. to seaward of the vessel will be established, marked by buoys and patrolled by an armed naval launch. No vessel or craft, unless specially authorised to do so by the Naval Officer in Charge, may enter the prohibited area.

3.—Departure of Her Majesty the Queen and His Royal Highness The Duke of Edinburgh.

(a) Port to be Closed.

(i) The inner harbour of Fremantle will be closed to all movements of shipping from 12 noon on Thursday, 1st April, until about 6 p.m. on that day. The "Port Closed" signal (three black balls one below the other, and 6ft. apart), will be hoisted

at the Signal Station at 12 noon and hauled down when the port is re-opened after S.S. Gothic and the naval escort are clear of the harbour.

(ii) During this period no vessel or craft other than those specially authorised to do so by the Naval Officer in Charge or the Fremantle Harbour Trust and small craft taking part in the marine farewell (see paragraph 4 below) may move within the inner harbour.

(b) Prohibited Area in Vicinity of Saluting Battery.

A gun salute will be fired from a battery at the outer extremity of the north mole as Her Majesty departs in S.S. Gothic. All craft are prohibited from approaching within 200 yards to seaward of the battery from 4.30 p.m. on 1st April, 1954, until completion of the salute.

(c) Vessels and Craft to keep clear of S.S. Gothic and Naval Escort.

The naval escort will commence leaving the inner harbour at 3.45 p.m. and will form up in Gage Roads. S.S. Gothic with Her Majesty on board will proceed about 5.10 p.m. Mariners and others concerned are warned that while proceeding and taking up escort formation the vessels will not be fully free to manoeuvre and care is to be taken not to impede their movements. (See also Prohibited Area, paragraph 6 below.)

4.—Special Arrangements for Yachts and Small Craft.

Special Notice to be Issued.

Arrangements have been made for a marine farewell to Her Majesty to take place on Thursday, 1st April, with a rehearsal on Sunday, 21st March, 1954. A special notice giving full details of these arrangements will be issued, but the following outline is published for the information of those concerned.

5.—Area set apart for Small Craft.

(a) For Craft at Anchor.

(i) Between No. 1 berth, North Wharf, and No. 5 berth, North Wharf, and within a line parallel to the wharf marked by buoys laid 150ft. from the face of the wharf.

(ii) Between the South Mole and the beacon and buoys marking the southern edge of the shipping channel.

(b) For Craft under Way.

(i) The area to the eastward of an imaginary line drawn from the light tower on the North Mole to Hall Bank buoy and thence to a position one mile eastward of Fairway buoy and thence to the shore but excluding the prohibited area in the vicinity of the North Mole saluting battery. (See paragraph 3 (b) above.)

(ii) The area to the southward of an imaginary line formed by the transit of the light tower on the South Mole and the war memorial extended to a point 261° (true) one to three miles from the light tower and to the eastward of a line drawn from this point northwards to a position one mile west of Hall Bank buoy and thence to a position one mile westward of Fairway buoy.

Note.—In the event of adverse weather being experienced it may be necessary to close certain of the above areas. Instructions in this regard will be given by the patrol craft to all concerned.

6.—Prohibited Area for Vessels and Small Craft.

From 3.30 p.m. on Thursday, 1st April, 1954, until S.S. Gothic and the escort are clear, the area delineated below is prohibited to vessels and small craft.

The area enclosed by imaginary lines drawn from the light tower on the North Mole to Hall Bank buoy thence in a northerly direction to a position one mile eastward of Fairway buoy thence in a Westerly direction to a position one mile westward of Fairway buoy thence in a southerly direction to a point one mile westward of Hall Bank buoy thence in a south-easterly direction to a point 261° (true) one to three miles from the light tower on the South Mole thence in an easterly direction to the light tower on South Mole.

7.—Patrol Craft.

Patrol craft (to be distinguished by a white flag with the letter "M" in red in the centre) will patrol the areas allocated to small craft and the prohibition area and instructions issued by the officers in charge of these craft are to be followed by all concerned. The officers in charge are authorised to remove, by force if necessary, any craft failing to carry out instructions.

8.—Craft to be Seaworthy, etc.

All craft taking part in the marine farewell are to be in a seaworthy condition and provided with efficient anchors and ground tackle sufficient for anchoring in 40ft. of water. The officers in charge of patrol craft are authorised to remove any craft considered to be overloaded, or otherwise unseaworthy or without adequate anchors.

9.—Closing of Harbour Bridge.

The railway bridge will be closed to all water traffic (other than official craft specially authorised) from 3 p.m. on Thursday, 1st April, until S.S. Gothic is clear of the inner harbour. All craft from up river wanting to take part in the marine farewell must clear the bridge by 3 p.m.

10.—Departure of S.S. Gothic.

A close escort of naval work-boats will be provided for S.S. Gothic as the vessel leaves the harbour. No other craft is to approach within 100 yards of the vessel and all craft are to take particular care not to impede her safe navigation and to carry out immediately any instructions given by officer in charge of the close escort or patrol craft.

11.—Dispersal of Small Craft.

At approximately 5.30 p.m. the dispersal signal for small craft (a large black cone from the north yardarm) will be exhibited from the Signal Station. Small craft will then be required to clear the inner harbour and entrance channel as soon as possible.

ROAD DISTRICTS ACT, 1919-1951.

Mundaring Road Board.

By-laws Governing Long Service Leave to be Granted to Employees of the Mundaring Road Board.

L.G. 903/53.

THE Mundaring Road Board, under and by virtue of the powers conferred on it in that behalf by the Road Districts Act, 1919-1951, and all other powers enabling it, doth hereby make and publish the following by-laws:—

1. In the interpretation of the by-laws, the following words shall have the meanings assigned to them hereunder:—

(a) "Board" means the Mundaring Road Board.

"Employee" means and includes all persons employed in any capacity by the Board, and who are in the regular and full-time employ of the Board.

(b) "Continuous service" means service in the employment of the Board during which an employee has not been absent from the service of the Board for a continuous period of more than two days or an aggregate period of more than 10 days without leave of absence being granted by the Board.

2. All present and future employees of the Board shall, after each period of 10 years continuous service as permanent full-time employees thereof commencing from the 1st day of January, 1944, be entitled to three months' long service leave, and no long service leave shall be granted to an employee without a qualifying period of 10 years being first completed.

3. (a) The Board may grant long service leave to an employee of the Board who has been granted long service leave for 10 years' continuous service if, before a further period of 10 years' continuous service is reached, such employee retires from the Board's service owing to having reached the retiring age of 65 years, or is retired on the grounds of ill-health, or dismissed through staff retrenchments, in which case the long service leave may be adjusted pro rata.

Provided that no such grant shall be made to an employee of the Board who prior to completing a further period of 10 years' continuous service resigns his employment with the Board.

(b) The long service leave which may be granted under this by-law shall be for a period not exceeding one and three-tenths weeks for every completed year of service since the conclusion of the period of service which qualified the employee for his previous long service leave, and shall be on full pay.

4. An employee dismissed by the Board for neglect of duty or for irregular practices shall not be paid any sum in pursuance of the preceding by-law.

5. Absence on account of sickness shall not be deemed to be a break in continuity of service, providing the period of absence shall not exceed three months in any year, unless otherwise decided by the Board.

6a. Long service leave shall be taken at the convenience of the Board, who will, as far as possible, meet with the wishes of the employee, but the Board may require the employee to take leave by giving not less than three months' notice.

6b. Long service leave shall be taken by every employee within 12 months of its becoming due, and if not so taken, the employee shall not begin to qualify for further long service leave until resumption of duty after taking the long service leave already due to him. Provided that with the express approval of the Board, an employee may be allowed to accumulate long service leave up to, but not exceeding six months.

7. In the event of the retirement or death of an employee, the Board may pay to such employee (or in the case of death, to his personal representatives, or if there be none, to his dependants) a sum of money equal to his wages or salary for the period of long service leave which the Board is empowered under these by-laws to grant to such employee at the date of his retirement or death, or if the Board after consideration of all the circumstances, direct that the death of an employee be presumed, the Board may authorise the payment to the dependants of the employee a sum equivalent to the amount of wages or salary which would under this by-law have been granted the employee immediately prior to the date of his death, such date to be determined by the Board.

8. (a) Employees due to take long service leave shall be paid their salary or wage for the period thereof at the rate equivalent to the salary paid in the week immediately preceding the taking of long service leave.

(b) The Board may, at its discretion, either (1) pay to an employee his wages or salary periodically during long service leave, or (2) pay to the employee in advance a sum representing the amount of his wages or salary for the period of his long service leave.

9. All annual leave to which an employee is entitled or will become entitled before the expiration of his long service leave shall be taken by the employee in conjunction with his long service leave, but any public holidays which may occur during the taking of his long service leave are not to be paid for over and above the long service leave, but are to form part of such long service leave.

10. Long service leave shall be considered as a special period of recuperation after a lengthy term of service, with a view to fitting the employee for a further term, and during such leave no employee shall undertake any form of employment for hire or reward, unless by special permission of the Board. Any contravention of this subclause shall entitle the Board to dismiss the employee from its service and to cease paying or to recover any amounts paid in advance on account of long service leave.
