Issued under the Authority of the Naval Officer in Charge, West Australian Area, and the Fremantle Harbour Trust.

1.—General.

During the visit of Her Majesty The Queen and His Royal Highness the Duke of Edinburgh to Western Australia certain special arrangements for the control of water traffic in the Port of Fremantle will be necessary. These special arrangements are detailed below and the instructions contained therein must be observed by all masters and owners of ships and vessels and skippers and owners of small craft.

2.—S.S. Gothic—Security Arrangements.

(a) Passes Required to Board.—During the period Monday, 29th March, 1954, to Thursday, 1st April, 1954 (inclusive) S.S. Gothic will be berthed between B and C berths, Victoria Quay. The berth will be barricaded off on the landward side and only those persons having official business on board and holding a special pass issued by competent authority will be permitted to pass the barricades or board the vessel. Persons (other than Service personnel) whose business requires them to pass the barricades or board the vessel should apply to the ship's agents (Shaw, Savill and Albion Co. Ltd.) by 15/3/1954; Service personnel should apply to the Naval Officer in Charge.

(b) Approach of Craft Prohibited.—During the period given in (a) above, a prohibited area extending approximately 100ft. to seaward of the vessel will be established, marked by buoys and patrolled by an armed naval launch. No vessel or craft, unless specially authorised to do so by the Naval Officer in Charge, may enter the prohibited area.

3.—Departure of Her Majesty The Queen and His Royal Highness The Duke of Edinburgh.

(a) Port to be Closed.

(i) The inner harbour of Fremantle will be closed to all movements of shipping from 12 noon on Thursday, 1st April, until about 6 p.m. on that day. The "Port Closed" signal (three black balls one below the other, and 6ft. apart), will be hoisted at the Signal Station at 12 noon and hauled down when the port is re-opened after S.S. Gothic and the naval escort are clear of the harbour.

(ii) During this period no vessel or craft other than those specially authorised to do so by the Naval Officer in Charge or the Fremantle Harbour Trust and small craft taking part in the marine farewell (see paragraph 4 below) may move within the inner harbour.

(b) Prohibited Area in Vicinity of Saluting Battery.

A gun salute will be fired from a battery at the outer extremity of the north mole as Her Majesty departs in S.S. Gothic. All craft are prohibited from approaching within 200 yards to seaward of the battery from 4.30 p.m. on 1st April, 1954, until completion of the salute.

(c) Vessels and Craft to keep clear of S.S. Gothic and Naval Escort.

The naval escort will commence leaving the inner harbour at 3.45 p.m. and will form up in Gage Roads. S.S. Gothic with Her Majesty on board will proceed about 5.10 p.m. Mariners and others concerned are warned that while proceeding and taking up escort formation the vessels will not be fully free to manoeuvre and care is to be taken not to impede their movements. (See also Prohibited Area, paragraph 6 below.)

(b) For Craft under Way.

(i) The area to the eastward of an imaginary line drawn from the light tower on the North Mole to Hall Bank buoy and thence to a position one mile eastward of Fairway buoy and thence to the shore but excluding the prohibited area in the vicinity of the North Mole saluting battery. (See paragraph 3 (b) above.)

(ii) The area to the southward of an imaginary line formed by the transit of the light tower on the South Mole and the war memorial extended to a point 261° (true) one to three miles from the light tower and to the eastward of a line drawn from this point northwards to a position one mile west of Hall Bank buoy and thence to a position one mile westward of Fairway buoy.

Note.—In the event of adverse weather being experienced it may be necessary to close certain of the above areas. Instructions in this regard will be given by the patrol craft to all concerned.

From 3.30 p.m. on Thursday, 1st April, 1954, until S.S. Gothic and the escort are clear, the area delineated below is prohibited to vessels and small craft.

The railway bridge will be closed to all water traffic (other than official craft specially authorised) from 3 p.m. on Thursday, 1st April, until S.S. Gothic is clear of the inner harbour. All craft from up river wanting to take part in the marine farewell must clear the bridge by 3 p.m.

10.—Departure of S.S. Gothic.

A close escort of naval work-boats will be provided for S.S. Gothic as the vessel leaves the harbour. No other craft is to approach within 100 yards of the vessel and all craft are to take particular care not to impede her safe navigation and to carry out immediately any instructions given by officer in charge of the close escort or patrol craft.

11.—Dispersal of Small Craft.

At approximately 5.30 p.m. the dispersal signal for small craft (a large black cone from the north yardarm) will be exhibited from the Signal Station.
