Payment hereunder may be adjusted at the end of each calendar year or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Worker's Compensation Act.

(b) A worker shall not be entitled to receive any wages from his employer for any time lost through any accident wherever sustained arising out of his own wilful default, or for sickness arising out of his own wilful default.

(c) No worker shall be entitled to the benefits of this clause unless he produces proof satisfactory to his employer of sickness, but the employer shall not be entitled to a medical certificate unless the absence is for three (3) days or more.

#### 17.—Hours.

(c) No worker under sixteen (16) years of age shall be employed as a shift worker.

#### 19.—Overtime.

(a) Except in the case of pieceworkers, all work performed before the usual starting time or after the usual finishing time or beyond eight (8) hours on any day, Monday to Friday inclusive, and all work performed on Saturday shall be paid for at the rate of time and a half.

(b) All work performed on the holidays prescribed in Clause 21 (a) hereof shall be paid for at the rate of double time.

(c) All work performed on Sunday shall be paid for at the rate of double time: Provided that in the event of workers being required to work on Saturday, the workers may, if the employer and the workers mutually agree, work on Sunday in lieu of Saturday, in which case payment shall be made at the rate of time and a half for the first four (4) hours and double time thereafter.

(b) On any public holiday not prescribed as a holiday under this Award, the employer's establishment or place of business may be closed, in which case a worker need not present himself for duty and payment may be deducted, but if work be done ordinary rates of pay shall apply.

(c) Except as hereinafter provided, a period of two (2) consecutive weeks' leave with payment of ordinary wages as prescribed shall be allowed annually to a worker by his employer after a period of twelve (12) months' continuous service with such employer.

(d) If any Award holiday falls within a worker's period of annual leave and is observed on a day which in the case of that worker would have been an ordinary working day, there shall be added to that period one day being an ordinary working day for each such holiday, observed as aforesaid.

(e) If after one month's continuous service in any qualifying twelve-monthly period a worker lawfully leaves his employment, or his employment is terminated by the employer through no fault of the worker, the worker shall be paid one-sixth of a week's pay at his ordinary rate of wage in respect of each completed month of continuous service.

(f) Any time in respect of which a worker is absent from work, except time for which he is entitled to claim sick pay or time spent on holidays or annual leave as prescribed by this Award, shall not count for the purpose of determining his right to annual leave.

(g) In the event of a worker being employed by an employer for portion only of a year, he shall only be entitled, subject to subclause (e) of this clause, to such leave on full pay as is proportionate to his length of service during that period with such employer, and if such leave is not equal to the leave given to the other workers he shall not be entitled to work or pay whilst the other workers of such employer are on leave on full pay.
