"Temporary worker" shall mean a worker employed for a full week or more continuously, but not appointed to the permanent staff.

"Permanent worker" shall mean a worker who has been appointed to a position on the regular staff.

"Drivers and conductors" shall include all workers operating buses in the service for passengers, and taking any such vehicle from and returning it to the depot, but does not include shedmen when shunting or running vehicles for test purposes, or changing vehicles or any other operations necessary to provide drivers and conductors with a bus in good running condition.

"Worker" in the Agreement means a worker who is a member of the Union.

5.—Hours of Duty and Overtime.

(a) Forty (40) hours shall constitute a week's work, but the Board shall have the right to work its workers eighty (80) hours per fortnight in alternate weeks of forty-eight (48) and thirty-two (32) hours respectively, provided that when this right is exercised a worker shall not be required to work the forty-eight (48) hour week on afternoon shift more than once in four weeks.

(b) The time of duty for drivers, conductors and trafficmen shall not exceed eight hours per day unless extra rates be paid for overtime. The extra rate for any excess of eight hours shall be calculated at time and a quarter for the first hour and time and a half thereafter.

(c) The Board shall have the right to work workers other than drivers, conductors and trafficmen either forty (40) hours per week or eighty (80) hours per fortnight. All duty performed by such workers working the forty (40) hour week shall not exceed eight hours per day unless overtime rates be paid. The overtime rates shall be time and a quarter for the first hour and time and a half thereafter. Work done between the hours of midnight and 6.30 o'clock a.m. and on Sundays, shall be paid at the rate of double time with a minimum of one (1) hour. This clause shall not apply to washers who ordinarily work at night, nor to workers whose duties rotate.

(d) For all duty between 1 a.m. and 5 a.m., drivers and conductors shall be paid at the rate of double time except for the portion of existing shifts after 1 a.m.

6.—Spread of Hours.

(a) The spread of hours from beginning to end of the day's work for drivers, conductors and trafficmen, shall not exceed nine consecutive hours, except on Sundays, when it shall not exceed eleven consecutive hours.

(b) This provision does not apply to such drivers and conductors not exceeding 20 per cent. of the whole number (or such other proportion as may be allowed by the Board of Reference) as are required to do duty on broken shifts. In their case, the spread of hours shall not exceed twelve consecutive hours.

(c) For any excess of the hours specified in sub-clauses (a) and (b), payment shall be made at the rate of time and a half.

(d) This clause shall not apply to call-forward and call-back duty covered by clauses 10 (a) and 10 (b).

7.—Meal Relief.

(a) Except in such cases as may be permitted by the Union or by the Board of Reference, no driver or conductor shall be on duty for more than five consecutive hours without meal relief.

(b) Meal relief shall be not less than thirty minutes.

8.—Duty Rosters.

(a) No worker shall be required to come back for another shift after his duty is over for the day until he has had ten hours at least off duty.

(b) No driver or conductor shall be called upon to work more than five night shifts consecutively.

(c) Drivers and conductors (except such as work broken shifts) shall have their duty on day shifts and on night shifts in each consecutive week.

(d) When a worker is required by roster or directed to attend duty and attends, he shall be paid for his hours of duty but not for less in any case than four hours. This shall not apply to any case where the Board has given to the worker two hours before the time fixed a notice stating that he is not required.

(e) Except in the case of misconduct, every driver and conductor who signs on for duty and does not leave duty for his own purpose shall be entitled to a full day's pay. This shall not apply in matters beyond the control of the management.

(f) The Board shall have the right, subject to the usual staff being insufficient to meet requirements, to call on any workshop worker to act as an emergency driver or conductor, in the event of any ordinary driver or conductor failing to appear for duty owing to sickness or other causes, or in cases of exceptional traffic.

(g) Drivers and conductors may be called upon to do vehicle body cleaning or other work in the depot.

(h) Drivers and conductors arriving late for duty shall report to the inspector on duty, who shall instruct whether they will be required or not. If detained for duty the worker may be allowed at the first opportunity to take up his rostered shift, the time actually lost to be deducted from the day's minimum. Should a shift other than the worker's rostered shift be worked, he shall be paid for the actual time worked.

9.—Sundays and Days Off.

(a) For duty on Sundays, workers shall be paid at the rate of double time with a minimum of eight hours; except in the case of workers covered by Clause 5 (c).

(b) Each traffic worker shall be entitled to four (4) days off duty in each fortnight without pay. For all duty done on his days off, he shall be paid for his hours on duty but for not less than eight hours, and at the rate of time and a half unless—

- (1) He will be given two days' notice in writing that he will be required. Or—
- (2) The necessity for him to work arises from the illness of a fellow worker or a member of a fellow worker's family.

and in these cases the rate shall be time and a quarter. This shall not apply to Sunday football or other specials governed by Clause 13 (a).

(c) Workers may change shifts or days off provided application is made in writing and approved of by the Chief Traffic Inspector.

10.—Signing On and Signing Off Time.

Payment at ordinary rates shall be made as follows:—

11.—Reports.

(a) Any time occupied by a worker attending by direction at the head office of the Board's business, or to answer complaints or reports shall be paid for at ordinary rates unless his attendance is owing to his own misconduct.

(b) Any time occupied by a worker in making a report in writing as to any accident or incident (other than a usual daily report) shall be paid for at ordinary rates.

12.—“Call Forward” and “Call Back” Duty.

15.—Higher Duties.

A worker shall perform such work as the Board may from time to time require, but where a worker is used for mixed functions or other than his previous or usual functions, provided that he works not less than two (2) hours on such work, he shall be treated for the purpose of calculating his pay for the day as if he were employed only to perform such functions as carry the higher, or highest, rate as the case may be, provided that where the worker works at such higher duties for less than two (2) hours, he shall be paid for such time worked at the higher, or highest, rates.

16.—Under-rate Workers.

A worker who is unable to earn the minimum rate hereinafter prescribed may be employed at a lower rate, which shall be agreed upon in writing between the worker, the secretary of the Union, and the management.

17.—Payment for Sickness.

(a) A worker shall be entitled to payment for non-attendance on the grounds of personal ill-health for one half (½) day for each completed month of service.

Payment for such absence through such ill-health shall be cumulative to a maximum of eighteen days after not less than three years' continuous service.

Payment hereunder may be adjusted at the end of each calendar year, or at the time a worker leaves the service, in the event of that worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred.

This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

(b) No worker shall be entitled to the benefits of this clause unless he produces proof to the satisfaction of the management of sickness.

In all cases a doctor's certificate shall be produced for absence in excess of two days.

(c) No payment will be made for any absence due to a worker's own fault, neglect or misconduct.

18.—Payment of Wages.

Wages shall be paid fortnightly. Pay day shall be on every alternate Thursday for the wages earned during the fortnight ending the preceding Sunday.

(b) Whenever any holiday falls on a worker's ordinary working day, and the worker is not required to work on such day, he shall be paid for eight (8) hours at ordinary time for such day. If he is required to work on a holiday, he shall be paid for a minimum of eight (8) hours at double time.

(c) A holiday which falls on a worker's "day off" or on a day on which a worker is on paid annual leave shall be treated as if it fell on the worker's ordinary working day.

20.—Annual Leave.

(a) After twelve months' continuous service in the employ of the Board, all workers other than casuals shall be allowed three (3) weeks' leave, at the ordinary rate of pay for 120 hours.

(b) All workers, other than casuals, shall be entitled to the holidays set out in the preceding subclause, in proportion as the number of completed months of service is to the full twelve months.

(c) Holidays may, subject to agreement between the worker, the Union and the Management, be allowed to accumulate for two years.

(d) Any worker who has been engaged on mixed functions during the year shall, when taking his annual leave, be paid for such leave due, at a rate computed on his average weekly rate of pay, overtime and penalty rates excluded, for the twelve months preceding such leave.

(e) Any worker who may resign or be dismissed from the service for any cause other than for peculation or theft or wilful misconduct shall be entitled to receive payment for any holidays which may have been due up to the time of leaving the service. Provided always that, if the worker has been dismissed for peculation or theft or wilful misconduct, no claim for holidays or leave shall be recognised. Such peculation or theft or wilful misconduct herein referred to shall not affect accumulated holidays or payment thereof.

(f) No deduction shall be made from annual holidays for the period any worker is off duty through sickness, unless the absence exceeds one calendar month. Any worker losing time through sickness shall be reduced in wages only to the extent of the time actually lost through such sickness.

21.—Long Service Leave.

(a) All full time workers after serving the Eastern Goldfields Transport Board continuously for ten (10) years, as from and including the 1st December, 1947, will be entitled, subject to the following conditions, to three (3) months' long service leave on full pay, to be granted at the convenience of the employer.

Any worker who served the Board continuously for a period not less than three (3) years and who leaves the service of the Board for the reason that—

- (i) he has been retrenched; or
- (ii) he is retired on reaching the age limit; or
- (iii) he is unable to continue such service by reason of ill health, such ill health to be proven by a doctor's certificate;

shall be entitled to be paid for long service leave pro rata at the date of such cessation of service.

Provided that any worker who has served for less than ten (10) years, whose service with the Board terminates for any reason other than for such retrenchment, age-retirement or ill health, shall not be entitled to such pro rata payment.

(b) Workers will be similarly entitled to a further period of three (3) months' long service leave in respect of every subsequent ten (10) years' service.

(c) Long service leave is granted solely for recuperative purposes. During long service leave no worker shall undertake any form of employment for hire or reward. Contravention of this condition will be followed by dismissal.

(d) Workers shall be paid their wages in advance at the rate of pay equal to the daily rate over the preceding twelve (12) months, provided that in assessing average daily rate overtime and penalty rates will not be included.

(e) If a public holiday as set out in Clause 19 (a) hereof falls within the period of a worker's long service leave, such public holiday shall be added to the period of long service leave.

22.—Uniforms.

(a) Upon the completion of twelve (12) months' continuous service with the employer, drivers and conductors shall be paid uniform allowance of fifteen pounds (£15) per annum.

(b) When a worker is entitled to a uniform allowance as prescribed in subclause (a) hereof, it shall be paid on a pro rata basis to part-time workers and to workers who are engaged on mixed functions only in respect of those periods when they are required to perform the duties of a driver or conductor.

23.—Contract of Service.

(a) The services of a worker other than casual workers or those employed until the completion of specific work, shall not be terminated for other than grave misconduct without one week's notice in writing or one week's pay in lieu thereof; and a worker shall give the Management one week's notice in writing of his intention to terminate his employment or in lieu thereof one week's pay may be forfeited to the Board.

The Management and the worker may by mutual consent agree to waive the notice required to be given by this clause.

(b) The Board shall be under no obligation to pay for any day not worked upon which the worker is required to present himself for duty except such absence from work is due to illness and comes within the provisions of Clause 17, or such absence is on account of holidays to which the worker is entitled under the provisions of this Agreement.

(c) The Board shall be entitled to deduct payment for any day or portion of a day upon which the worker cannot be usefully employed because of any strike by the Union or Union affiliated with it or by any other Association or Union, or through the breakdown of the Board's machinery, or any stoppage of work by any cause which the Board cannot reasonably prevent.

24.—Medical Certificates.

All permanent workers shall, and temporary workers may on appointment, furnish a medical certificate to the Board's requirements. Any expense incurred in connection with the initial medical certificate shall be borne by the worker.

28.—Water Bags and Meal Relief Room.

(a) The Board shall provide, where practicable, keep clean and filled, water bags for workers.

(b) The Board shall provide a meal relief room at the depot and will be responsible to keep the room supplied with a wash basin, soap, water and clean towel.

29.—Union Activities.

(a) Members of the Union shall be at liberty to wear the present badge of their Union.

(b) Officers and members of the Union shall not be prevented from collecting subscriptions or doing any business of the Union, provided that they do not thereby interfere with the workings of the Board or (if they are workers) fail in their duties.

(c) The Union secretary shall be entitled at all reasonable times to inspect the Board's records of the hours worked by and of the amounts paid to the various workers covered by this Agreement.

30.—Seniority Lists.

At each depot a list of the staff employed thereat in order of seniority as to the service shall be kept exhibited in a conspicuous place to which all workers have access.

31.—Promotion.

Promotion shall be made on capability, suitability, seniority and record. Due notice shall be posted at the depot when any position under this Agreement and also when any position of inspector becomes vacant. Every consideration shall be given, all things being equal, to members of the Union.

Promotion shall be probationary for a period of three (3) months and in the event of a member of the Union having been promoted and proving unsatisfactory he will be reinstated to a designation not lower than that which he occupied before his probationary promotion.

32.—Disputes.

(a) When a charge is made against a worker by any person whether inside or outside the service of the Board, the worker shall be notified forthwith of the charge in writing and shall be permitted to give and call evidence in his defence, and shall (so far as it lies within the Board's power) be confronted with his accuser. Workers who have been summoned in respect of charges shall, unless the charge be established, be entitled to payment for the time of attending at ordinary rates, and to payment of any expenses reasonably incurred by their witnesses.

(b) If the Union dispute the finding of the Board, as to the charge or dispute as to the expenses reasonably incurred, the dispute may be referred either by the Union or by the Board to the Board of Reference.

33.—Board of Reference.

(a) For the purpose of this Agreement so far as it relates to the Eastern Goldfields Transport Board, a Board of Reference is appointed.

(b) The functions of the Board shall be from time to time—

- (i) to allow and fix under Clause 6 (b) the proportions of men required to do duty in broken shifts.
- (ii) to approve and fix cases under Clause 7 (a) in which drivers and conductors may be on duty for more than five consecutive hours without meal relief.
- (iii) to determine a dispute under Clause 32.
- (iv) to endeavour to settle amicably any dispute between Union and Board.

(c) The Board shall consist of two representatives of the Eastern Goldfields Transport Board and two representatives nominated by the Union with the addition of the Registrar, or such person as he may nominate in case the votes are equally divided or the members invite his assistance.

(d) The Board shall sit at such times and place as the members may agree upon or as the Registrar shall fix, and may adjourn from time to time and from place to place.
