Between 20 and 21 years of age	90

(d) Casual worker shall mean a worker employed for less than one (1) week and he shall be paid at the rate of ten per cent. (10%) in addition to the abovementioned rates.

9.—Higher Duties.

A worker engaged for more than half of one day or shift on duties carrying a higher rate than his ordinary classification shall be paid the higher rate for such day or shift. If employed for less than half of one day or shift he shall be paid the higher rate for the time so worked.

10.—Contract of Service.

(a) The contract of service shall be by the day, and shall be terminable by one day's notice on either side, except in the case of a casual worker, when one hour's notice shall suffice.

(b) The employer shall be under no obligation to pay for any day not worked upon which the worker is required to present himself for duty, except such absence from work is due to illness and comes within the provisions of Clause 12, or such absence is on account of holidays to which the worker is entitled under the provisions of the Award.

(c) This clause does not affect the right to dismiss for misconduct, and in such case wages shall be paid up to the time of dismissal only.

11.—Breakdowns.

The employer shall be entitled to deduct payment for any day or portion of a day upon which the worker cannot be employed because of any strike by the Union or Unions affiliated with it, or by any other Association or Union, or through the breakdown of the employer's machinery, or any stoppage of work by any cause which the employer cannot reasonably prevent.

12.—Absence Through Sickness.

(a) A worker shall be entitled to payment for non-attendance on the ground of personal ill-health at the rate of one-twelfth (1/12th) of a week's pay for each completed month of service: Provided that, subject to subclause (g) hereof, payment for absence through such ill-health shall be limited to one (1) week's pay in each calendar year.

(b) Payment hereunder may be adjusted at the end of each calendar year or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred.

(c) This clause shall not apply when the worker is entitled to compensation under the Workers' Compensation Act.

(d) A worker shall not be entitled to receive any wages from his employer for any time lost through any accident not arising out of or in the course of his employment or for any accident wherever sustained arising out of his own wilful default or for sickness arising out of his own wilful default.

(e) No worker shall be entitled to the benefits of this clause unless he produces proof satisfactory to his employer of sickness, but the employer shall not be entitled to a medical certificate unless the absence is for three (3) days or more.

(f) Notwithstanding the provisions of subclause (e) hereof, a worker, who in any calendar year, has already been allowed paid sick leave on one occasion for one day only, or less, shall not be entitled to payment for any further absence of one day only or less, unless he produces to the employer a medical certificate stating that he was unable to attend for duty on account of ill-health.

(g) Sick leave shall accumulate from year to year so that any balance of the period specified in subclause (a) of this clause which has in any year not been allowed to any worker by his employer as paid sick leave may be claimed by the worker and, subject to the conditions hereinbefore prescribed, shall be allowed by his employer in any subsequent year without diminution of the sick leave prescribed in respect of that year. Provided that sick leave which accumulates pursuant to this subclause shall be available to the worker for a period of two (2) years but no longer from the end of the year in which it accrues.

13.—Holidays and Annual Leave.

(a) The following days or the days observed in lieu shall, subject to Clause 7 (c) hereof be allowed as holidays without deduction of pay, namely, New Year's Day, Australia Day, Good Friday, Easter Saturday, Easter Monday, Anzac Day, Labour Day, State Foundation Day, Christmas Day and Boxing Day.

(b) On any public holiday not prescribed as a holiday under this Award the employer's establishment or place of business may be closed, in which case a worker need not present himself for duty and payment may be deducted, but if work be done ordinary rates of pay shall apply.

(c) Except as hereinafter provided a period of two (2) consecutive weeks' leave with payment of ordinary wages as prescribed shall be allowed annually to a worker by his employer after a period of twelve (12) months' continuous service with such employer.

(d) If any Award holiday falls within a worker's period of annual leave and is observed on a day which in the case of that worker would have been an ordinary working day, there shall be added to that period one day being an ordinary working day for each such holiday observed as aforesaid.

(e) If after one month's continuous service in any qualifying twelve-monthly period a worker lawfully leaves his employment, or his employment is terminated by the employer through no fault of the worker, the worker shall be paid one-sixth of a week's pay at his ordinary rate of wage in respect of each completed month of continuous service.

(f) Any time in respect of which a worker is absent from work except time for which he is entitled to claim sick pay or time spent on holidays or annual leave as prescribed by this Award shall not count for the purpose of determining his right to annual leave.

(g) In the event of a worker being employed by an employer for portion only of a year, he shall only be entitled, subject to subclause (e) of this clause, to such leave on full pay as is proportionate to his length of service during that period with such employer, and if such leave is not equal to the leave given to the other workers, he shall not be entitled to work or pay whilst the other workers of such employer are on leave on full pay.

(h) A worker who is dismissed for misconduct or who illegally severs his contract of service shall not be entitled to the benefit of the provisions of this clause.

(i) The provisions of this clause shall not apply to casual workers.

14.—Country Work.

(a) When a worker is engaged on outside work, the employer shall pay all fares, and a proper allowance at current rates shall be paid for all necessary meals. Fares shall be second-class, except when travelling by coastal boats, when saloon fares shall be paid.

(b) When a worker is engaged at such a distance that he cannot return at night, suitable board and lodging shall be found at the employer's expense.

15.—Special Rates and Provisions.

- (a) Leading-hand: A leading hand in charge of:
- (a) not less than three and not more than 10 other workers shall be paid fifteen shillings (15s.) per week extra;
 - (b) more than 10 and not more than 20 other workers shall be paid thirty shillings (30s.) per week extra;
 - (c) more than 20 other workers shall be paid forty-five shillings (45s.) per week extra.
- (b) Reasonable washing facilities and lunch-rooms shall be provided for the workers.
- (c) All tools required shall be supplied by the employer.

16.—Junior Workers.

Junior workers may be employed in all branches of the industry in the proportion of one junior to each of the first three adult workers employed and thereafter one junior to every three or fraction of three adult workers employed under this Award: Provided always, that the foregoing proportions shall not apply to the employment of junior workers on link-mesh machines, in which case the employment of junior workers shall be unrestricted.

17.—Junior Worker's Certificate.

Junior workers, upon being engaged, shall furnish the employer with a certificate showing the following particulars:—Name in full, age and date of birth. This certificate shall be signed by the worker.

No worker shall have any claim on the employer for additional wages, in the event of his age or date of birth being wrongly stated on his certificate.

18.—Under-Rate Worker.

(a) Any worker who by reason of old age or infirmity is unable to earn the minimum wage may be paid such lesser wage as may from time to time be agreed upon in writing between the Union and the employer.

(b) In the event of no agreement being arrived at the matter may be referred to the Board of Reference for determination.

(c) After application has been made to the Board, and pending the Board's decision, the worker shall be entitled to work for and be employed at the proposed lesser rate.

19.—Record.

(a) Each employer shall keep a time and wages book showing the name of each worker, and the nature of his work, the hours worked each day, and the wages and allowances paid each week. Any system of automatic recording by means of machines shall be deemed a compliance with this provision, to the extent of the information recorded.

(b) The time and wages record shall be open for inspection to a duly accredited official of the Union, during the usual office hours, at the employer's office, or other convenient place, and he shall be allowed to take extracts therefrom.

20.—Representative Interviewing Workers.

In the case of a disagreement existing or anticipated concerning any of the provisions of this Award, an accredited representative of the Association shall be permitted to interview the workers during the recognised meal hour, on the business premises of the employer, but this permission shall not be exercised without the consent of the employer more than once in any one (1) week.

21.—Posting of Award.

The employer shall keep a copy of this Award placed in a convenient place in the workshop.

22.—Board of Reference

(a) The Court hereby appoints for the purpose of this Award a Board of Reference.

(b) The Board shall consist of a chairman, to be appointed by the Court and two (2) other representatives, one to be nominated by each of the parties.

(c) The Board is hereby assigned the following functions in the event of a disagreement between the parties bound by this Award:—
