(b) "Basic Rate" shall mean in the case of—

- (i) Male or female officers employed in the metropolitan area: the nearest £ to the result obtained by multiplying the male or female basic wage respectively for that

area as declared from time to time by the Court of Arbitration of Western Australia, by fifty-two and one sixth (52 1/6th).

- (ii) Male or female officers whose headquarters are in an area for which an independent basic wage is declared: the nearest £ to the result obtained by multiplying the male or female basic wage respectively for that area as declared from time to time by the Court of Arbitration of Western Australia by fifty-two and one sixth (52 1/6th).

This provision shall only apply in cases of employees being transferred from an undertaking to the Commission without break in continuity of Service.

5.—Classification of Offices and Officers.

(a) The classification of offices and officers employed by the Commission and the fixing of salaries of officers shall be vested in the Commission subject to the right of appeal as provided in clause 38 of this agreement.

(b) In making a classification under this clause the Commission shall classify an officer in either the Professional, Clerical, or General Section according to the class of work required to be performed and shall adhere to the salary scales provided in this Agreement.

(c) The fundamental basis for the determination of the marginal rates in this Agreement is the marginal rate payable to a male adult clerical division officer on attaining the age of 27 years. The marginal rate has been determined as the margin of two hundred and sixty-five pounds (£265) per annum over the basic rate (as defined in Clause 4 (b) of this Agreement), and it has been arrived at from the average of the respective margins over the Commonwealth Basic Wage for the capital cities of Queensland, New South Wales, Victoria, South Australia and Tasmania for male adult clerical officers on the maximum of the automatic ranges or at the age of 27 if the maximum is reached at a later age, in the Public Service of those States.

Where necessary, and in the manner prescribed hereunder, the margins contained in this Agreement shall be subject to adjustment half-yearly, as from the commencement of the first pay period in the months of January and July each year, commencing with the first pay period in January, 1956, according to the margins of the other States, over the respective Commonwealth Basic Wage as at the 1st January and 1st July respectively for male adult clerical division officers on attaining the age of 27 years or such earlier age as may be prescribed for the maximums of the male adult automatic range.

The manner of adjustment shall be—

- (i) Margins of £265 per annum and/or above £265 for male officers and margins of £212 per annum and/or above £212 for female

officers—The difference between the average (to the nearest £1) of the margins for the other States and the margin, over the Commonwealth Basic Wage for Perth, payable in the metropolitan area to male adult clerical division officers on the maximum of the automatic range. Provided that if the amount determined would result in an adjustment of less than £5 per annum from the last current adjustment, if any, then no variation shall be made.

- (ii) Margins below £265 per annum for males. Pro rata (to the nearest £1) with the gross rate (margin plus basic rate) payable in the metropolitan area to a male adult clerical officer on the maximum of the automatic range. Provided that no adjustment shall be made for an amount of less than three pounds (£3) per annum.
- (iii) Margins below £212 per annum for females. Adjustment to these margins for females shall be according to the adjustments applicable to males on the basis of the following table:—

A male clerk who is a married man or who is the support of those related to him, on the approval of the Commission shall be entitled to an allowance equivalent to the difference between his margin and the next higher margin as prescribed in Clause 9 (a) of this Agreement until he attains the maximum margin of his grading, when such allowance shall cease and be converted to salary.

29.—Annual Leave and Holidays.

(a) The following days shall be observed as paid holidays: New Year's Day, Australia Day, Labour Day, Good Friday, Easter Saturday, Easter Monday, Anzac Day, Foundation Day, Royal Show Day, for officers stationed in the metropolitan area and any alternative day observed as a Public Service holiday in any town outside the metropolitan area where officers are stationed, Queen's Birthday, Christmas Day, Boxing Day and other days which may be proclaimed as Public Service holidays.

(b) A period of two weeks' annual leave with pay shall be granted annually to an officer after a period of twelve months' continuous service.

(c) Annual leave shall be calculated to the 30th of June each year and shall be paid for at the salary the officer is in receipt of immediately prior to the time such annual leave is taken.

(d) Annual leave is to be applied for and shall be taken out at a time convenient to the Commission not later than the 30th June following the year for which it falls due unless such leave is deferred by the Commission or the approval of the Commission has been obtained for its accumulation.

(e) Should any of the holidays referred to in sub-clause (a) hereof occur during the period an officer is on annual leave, a day in lieu of any holidays shall be added to the period of annual leave.

(f) An officer with more than six months' service who may resign from the service, shall be entitled to receive payment for pro-rata annual leave to the date of resignation from the service.

(g) The next of kin of a deceased officer shall be granted payment for pro-rata annual leave to the date of the decease of the officer.

(h) The provisions of this clause shall not apply to shift workers.

30.—Leave Without Pay.

(a) On the application of any officer the Commission may grant to him leave of absence without pay for any period not exceeding twelve months.

(b) The period during which any officer is absent on leave granted pursuant to sub-clause (a) hereof shall not for any purpose be included as part of such officer's period of service, provided that such leave without pay shall not in any way affect the officer's seniority.

31.—Short Leave.

(a) The Commission may on sufficient cause being shown grant an officer leave of absence not exceeding two days but all such periods of leave shall be properly recorded and at the discretion of the Commission shall or shall not be deducted from the officer's next annual leave or accumulated leave.

(b) Provided that if the leave granted under sub-clause (a) hereof exceeds three days in any one year the excess shall be deducted from the officer's next annual leave or accumulated leave.

32.—Long Service Leave.

(a) An officer who has completed seven years' continuous service in a permanent capacity or ten years' continuous service in a temporary capacity, or eight and one half years' continuous service, of which not less than eighteen months shall have been served in a temporary capacity or as a member of the wages staff and the balance in a permanent capacity, shall be entitled to three calendar months' long service leave on full pay or six calendar months on half pay.

(b) For each subsequent period of seven years continuous service in a permanent capacity, an officer shall be entitled to an additional three calendar months' long service leave on full pay or six calendar months on half pay.

(c) The provisions as set out in Clause 31 (c) of Industrial Agreement No. 23 of 1948 and Clause 31 (c) of Industrial Agreement No. 20 of 1949 shall continue to operate and be deemed to be part of this Agreement.

(d) Continuous service shall not include the period during which an officer is on long service leave, or any period exceeding two weeks an officer is absent on leave without pay or any service an officer may have had before reaching the age of eighteen years.

(e) An officer who resigns (except a female officer who resigns because of marriage or approaching marriage) or is dismissed, shall not be entitled to long service leave or payment for long service leave other than that leave that had actually accrued to him prior to the date on which he resigned or the date of the offence for which he is dismissed.

(f) Any public holidays occurring during the period in which an officer is on long service leave will be treated as part of the long service leave and extra days in lieu thereof shall not be granted.

(g) Long Service leave shall be taken as it falls due at the convenience of the Commission but the Commission may approve the accumulation of long service leave not exceeding six (6) months in all in any particular case, provided that in the case of an officer who, on the 5th March, 1948, had accumulated or within five years of such date shall accumulate at least six months' long service leave on full pay the Commission may approve the accumulation of his long service leave entitlement (inclusive of the long service leave already accumulated) up to a maximum of 12 months.

(h) A lump sum payment for long service leave accrued in accordance with this clause and for pro-rata long service leave shall be made in the following cases:—

- (i) To an officer who retires at or over the age of sixty years or who is retired on the grounds of ill-health, provided that no payment shall be made for pro-rata long service leave unless the officer has completed not less than twelve months' continuous service.
- (ii) To a female officer who resigns on marriage or approaching marriage, provided that no payment shall be made for pro-rata long service leave unless the officer had completed not less than three years' continuous service before the date on which her resignation becomes effective and provided further that she produces her marriage certificate before any payment is made.

(iii) To an officer who is retired for any other cause provided that no payment shall be made for pro-rata long service leave unless the officer had completed not less than three years continuous service before the date of his retirement.

(iv) To the widow of an officer or to such other person as may be approved by the Commission in the event of the death of an officer, provided that no payment shall be made for pro-rata long service leave unless the officer had completed not less than twelve months' continuous service prior to the date of his death.

(i) The calculation of the amount due for long service leave accrued and for pro rata long service leave shall be made at the rate of salary of an officer at the date of retirement, resignation or death whichever applies and no such payment shall exceed the equivalent of twelve months' salary.

33.—Sick Leave.

(a) An officer who is incapacitated for duty in consequence of illness or injury shall as soon as possible, advise his superior officer in sufficient time to admit of arrangements being made for the performance of his duties. Any such officer who fails to do so shall be treated as absent without leave.

(b) An officer so incapacitated for duty shall also notify his superior officer in sufficient time of the date on which he will resume duty, to enable any necessary arrangements to be made.

(c) Should the absence be prolonged beyond two days, the officer shall forward to his superior officer as soon as possible thereafter, a certificate from any legally qualified medical practitioner, showing the nature of the illness and the probable duration.

(d) An officer who finds that he is unable to resume duty on the expiration of the period shown on the first certificate shall thereupon furnish a further certificate and shall continue to do so upon the expiration of the period respectively covered by such certificates: Provided however, that the maximum period between the dates of furnishing any two medical certificates shall be 14 days.

(e) Any officer shall, if so directed, present himself for examination by a medical officer at such time and place as may be fixed. All expenses incurred by the officer undergoing such examination may be paid by the Commission.

(f) An officer employed in a permanent capacity who has conformed to the foregoing shall be granted sick leave (exclusive of annual and long service leave) on the following basis:—

Under three years' service—one month on full pay, four months on half pay, and nine months on third pay.

Over three years' service—three months on full pay, eight months on half pay and three months on third pay.

(g) Sick leave as above may be granted in one or more periods but the aggregate amount of leave on full, half and third pay should not exceed 14 months in any one triennial period. A triennial period to be the three years preceding the date of the application under consideration.

(h) In exceptional cases such as where an officer in discharge of his duties sustains injuries of a nature as to incapacitate him for all duty the scale set out in subclause (f) hereof may be varied by the Commission to allow a greater period of sick leave on full pay.

(i) An officer employed in a temporary capacity may on production of an adequate medical certificate be granted sick leave as follows:—

Continuous service not exceeding six months—three working days on full pay.

Exceeding six months but not exceeding eighteen months—ten working days on full pay.

Exceeding 18 months but not exceeding three years—ten working days on full pay and ten working days on half pay.

Exceeding three years and for each triennial period after the expiration of the first three years—one month on full pay.

(j) An officer whose permanent appointment to the staff of the Commission is subject to a period of probationary service shall for the purposes of this clause be regarded as being employed in a temporary capacity during his period of probationary service.

(k) Indisposition not necessitating confinement to the house shall not be regarded as illness in respect of which leave of absence may be granted under this clause excepting under special circumstances as may be approved by the Commission.

(l) Sick leave shall not be granted in respect of any absence due to an officer's own fault, neglect or misconduct.

(m) Where an officer is absent as the result of injuries sustained in the discharge of his duties and is paid compensation in accordance with the provisions of the Workers' Compensation Act, half the period of absence shall be debited against sick leave entitlements.

34.—Promotions.

(a) All promotions shall be subject to the provisions of the Government Employees (Promotions Appeal Board) Act.

(b) The selection of officers for promotion or to act in a position of higher classification shall be governed by relative ability, suitability, record and experience. If everything else is deemed equal, the senior officer shall be selected.

(c) Where the Commission considers it necessary in the interests of the Commission, a person from outside the service may be appointed to any position: Provided there is no officer in the service considered capable of filling such position.

(d) An officer promoted to a higher position shall serve a probationary period of six months. At the end of such period the head of the branch shall report to the Commission as to the fitness of the officer to fill the higher position. If the report is satisfactory the appointment shall be confirmed as from the date of taking up the duties, if unsatisfactory, the officer shall be provided for at the salary he was in receipt of prior to promotion to the higher position.

(e) Subject to the provisions of subclause (d) hereof, an officer promoted to a higher position shall be paid the minimum rate of salary prescribed for that position, provided that an officer who has been in receipt of a salary equivalent to such minimum rate for 12 months or over shall be paid on the basis of the next higher grade. If in receipt of such minimum salary for a period of less than 12 months then advancement to the next higher grade shall be made 12 months from the date the officer first received the salary equivalent to the minimum of his new position.

(f) All vacancies and new positions shall be notified to the staff by a notice exhibited on the salaried staff notice board in the head office and all depots where salaried officers are employed for at least seven days prior to filling of such vacancies or new positions.

(g) The Association shall be notified of all promotions and new appointments within 14 days of such promotions and new appointments.

35. Resignations, Retirements and Dismissals.

(a) No officer, other than a temporary officer or an officer serving a probationary period, shall leave the Commission until the expiration of one month's written notice of his intention so to do without the approval of the Commission: Provided that a temporary officer or an officer serving a probationary period shall give two weeks' notice.

(b) Except as hereinafter provided one month's written notice shall be given by the Commission to an officer, other than a temporary officer or an officer serving a probationary period, whose services are no longer required and the reason for such termination shall be stated in such notice: Provided that in the case of a temporary officer or an officer serving a probationary period two weeks' notice shall be given.

(c) (i) Notwithstanding the provisions of subclause (b) hereof, the general manager on behalf of the Commission may summarily dismiss an officer for wilful misconduct committed during the course of or in connection with the performance of the officer's duties: Provided that the officer shall be charged in writing with the offence and shall be allowed 24 hours in which to make his written answer to the charge: Provided further that the general manager shall consider the charge and answer before a decision to dismiss becomes effective.

(ii) The 24 hours referred to in subparagraph (i) hereof shall not include week ends, service holidays, or days on which an officer is rostered off duty.

(d) Unless the head of the section recommends and the general manager certifies that her continuance in office is required in the public interest, a female officer upon her marriage, shall tender her resignation as an officer of the Commission subject to the provisions of subclause (a) hereof: Provided that nothing in this clause shall debar the Commission from subsequently re-employing such officer in a temporary capacity.

36.—Payment of Salaries.

(a) Salaries shall be paid fortnightly on each alternate Friday except where the usual pay day falls on a public holiday when payment shall be made on the previous Thursday.

(b) For an officer working a five day week a day's salary shall be calculated as one two hundred and sixty-first of the annual salary rate.

(c) A fortnight's salary shall be computed by dividing the annual salary rate by two hundred and sixty-one and multiplying the result by ten.

(d) The hourly rate of pay shall be calculated as one seventy-fifth of a fortnight's salary for those officers working a 37½ hour week and one eightieth of a fortnight's salary for those officers working a 40-hour week.

37.—Channel of Communication.

The Association shall be recognised as the channel of communication within the ambit of this Agreement between the staff of the Commission and the Commission, and no complaint or other communication from any other organised body will be received.

38.—Rights of Appeal.

(a) An Appeal Board consisting of a Chairman, mutually agreed between the parties to this Agreement, or, failing agreement, selected by the Court from the nominees of the parties, and two other representatives, one to be nominated by each of the parties, shall be set up, as may be required from time to time, to hear and determine any appeal by a member of the Association against a decision of the Commission in respect of—

- (i) the title, classification, reclassification or salary of such member
- (ii) the application of any provisions of this Agreement affecting such member.

(b) Written notice of appeal shall be lodged with the Commission as follows—

- (i) In respect of appeals under (a) (i), within one (1) month of the publication of such title, classification, reclassification or salary.
- (ii) In respect of appeals under (a) (ii), within one (1) month from the time when the cause of action arose.

(c) The decision of the Board shall be final and binding on all the parties.

39.—Taking Over of Employees

The Commission reserves the right to absorb into its salaried staff employees of any undertaking which the Commission may at any time take over.

Should the Union not agree with the classification granted to any such new employee, it shall have the right of appeal to the Appeal Board.

40.—Special Provisions for Shift Workers.

(1) The following conditions shall apply to shift workers only. For the purpose of this Agreement a "shift worker" shall mean an officer who is required to work shifts on a rotating roster system.

(2) Hours of Duty: The normal working hours of officers referred to in this clause shall be 40 hours per week, to be worked in shifts of 8 hours each in accordance with a roster as mutually agreed upon by the parties to this Agreement. Provided that where agreement cannot be reached by the parties, either party may refer the matter in dispute to the Court of Arbitration for settlement.

(3) Overtime:

(a) Overtime shall mean time worked in excess of the rostered hours of duty in any day. Overtime shall be paid for as follows:—

(i) Monday to Friday inclusive, at the rate of time and a half for the first four hours and double time thereafter.

(ii) Saturday or Sunday on which the officer is rostered for duty—at the rate of double time.

(iii) Saturday or Sunday on which the officer is brought on for duty when such day is his rostered day off duty—at the rate of double time.

(b) Provided that where an officer is called back to duty after completing his ordinary day's work he shall be paid a minimum of two hours at overtime rates.

(c) In computing the number of hours worked time absent on sick leave and holidays, when paid for, shall be treated as time worked.

(d) Notwithstanding the provisions of subclause (a) of this clause, any excess hours worked by an officer that is occasioned by late relief or as a result of arrangements between the officers themselves with the approval of the officer in charge shall not be recognised as overtime.

(e) Double time (that is to say twice the ordinary rate) shall be the maximum rate payable for overtime under any of the provisions of this Agreement.

(4) Saturday Time: Time worked by an officer on his rostered Saturday shift shall be paid for at ordinary rate plus 50 per cent. extra. The time worked on such Saturday up to a maximum of eight (8) hours only shall be included in the week's work, but the extra rate of 50 per cent. shall stand alone and be paid for in addition to any working time at ordinary rate to which he is entitled.

(5) Sunday Time: Time worked by an officer on his rostered Sunday shift shall be paid for at ordinary rate plus 50 per cent. extra. The time worked on such Sunday up to a maximum of eight (8) hours only shall be included in the week's work, but the extra rate of 50 per cent. shall stand alone and be paid for in addition to any working time at ordinary rate to which he is entitled.

(6) (a) The daily salary rate shall be ascertained by dividing the annual salary rate by two hundred and sixty-one.

(b) The hourly salary rate shall be ascertained by dividing the daily salary rate by eight.

(c) The fortnightly salary rate shall be ascertained by multiplying the daily salary rate by ten.

7.—Holidays.

(a) (i) After twelve months' continuous service officers shall be granted three (3) consecutive weeks' annual leave on full pay, provided that any officer who works shifts on a rotating roster which does not provide for work on Saturdays and Sundays shall be entitled to two consecutive weeks' annual leave on full pay, and in addition all officers shall be granted public holidays as gazetted by the Western Australian Government.

(ii) Any officer required to work on any of the public holidays referred to in subparagraph (i) hereof shall be paid for the time so worked as if

it was an ordinary working day, and shall in addition be allowed a day's leave with pay, to be added to the annual leave or to be taken at some subsequent date if the worker so agrees.

(b) Annual leave shall be calculated to the 30th of June of each year, and shall be paid for at the salary the officer is in receipt of immediately prior to the time such leave is taken but an officer occupying a higher position temporarily shall only be entitled to the higher rate whilst on annual leave, providing such officer resumes in the same or any higher position.

(c) Annual leave is to be applied for and shall be taken at a time convenient to the Commission, not later than the thirtieth of June following the year for which it falls due. At the expiration of that time the leave shall lapse, unless such leave is deferred by the Commission or the approval of the Commission has been obtained for its accumulation.

Each application for leave to accumulate must be supported by good and sufficient reason, and the granting of such shall be subject to the recommendation of the Officer in Charge and to the approval of the Commission.

(d) Should any of the public holidays referred to in sub-clause (a) (i) hereof occur during a period an officer is on annual leave a day in lieu of any such holiday shall be added to the period of leave or taken at some future time if the Commission so approves.

(e) An officer who may resign from the service or whose services have been dispensed with shall be entitled to receive payment for pro-rata annual leave to the date of leaving the service: Provided any officer who for drunkenness, speculation, or any such irregularity has been dismissed shall forfeit all claim to annual leave.

41.—Probationary Service Prior to Appointment to Staff.

Each newly engaged officer shall serve to the satisfaction of the Commission a probationary period of 6 months before he or she is considered for appointment to the permanent salaried staff. All notices of engagements and appointments shall be given in writing.

42.—Term of Agreement.

This Agreement shall be for a term of two years commencing from the 1st July, 1956.

Provided that either party to this Agreement may at any time after the date of this Agreement, negotiate with the other party to amend or add to this Agreement, and if both parties agree, such Agreement may be amended by a supplementary Agreement which shall be concurrent with this Agreement.

In witness whereof the parties hereto have hereunto set their hands and seals the day and year hereinbefore written.
