This Award shall be limited to the area occupied by the Home of Peace (Inc.).

5.—Definitions.

"Orderly" shall be any male worker not covered by any other Award employed in and/or around a hospital or other institution who is not otherwise classified in this Award.

6.—Hours.

Laundry Workers.—Forty (40) hours shall constitute a week's work. Such hours shall be worked in five (5) days of eight (8) hours each, Monday to Friday inclusive.

All Others.—Forty (40) hours shall constitute a week's work and shall be worked on any five (5) days of the week; provided that eighty (80) hours may be worked in ten (10) days each fortnight at the option of the employer.

7.—Spread of Shifts.

No more than three breaks shall be allowed in any one shift, including meal breaks, and the spread of the shift shall not exceed eleven (11) hours.

"Spread of the shift" shall mean the period of time which elapses from the time when a worker signs on duty for the day and the time he signs off duty on that day or the day immediately following.

8.—Rosters.

(a) A roster shall be posted in a convenient place where it can be readily seen by the workers concerned, setting out the time each worker starts and finishes each shift and also each break in the shift together with the days each worker is booked off duty.

(b) When a worker is rostered off duty for any meal it shall not be for a lesser period than thirty (30) minutes for each meal.

(c) The roster shall be posted at least forty-eight (48) hours before the time it comes into operation and shall only be altered on account of any contingency that the employer could not reasonably foresee, and such altered time shall then become the rostered time.

9.—Overtime.

(a) All time worked in any day in excess of the time for which the worker is rostered shall be regarded as overtime and paid for at the rate of time and a half for the first two (2) hours and thereafter double time, provided that if the overtime is occasioned through the failure of another worker to report for duty, equivalent time off duty may be granted in lieu of paying for overtime.

(b) Workers required to work on any day on which they are rostered off duty shall be paid at the rate of double time for all time worked.

(c) Notwithstanding anything contained herein—

(i) an employer may require any worker to work reasonable overtime at overtime rates and such worker shall work overtime in accordance with such requirement;

(ii) no organisation, party to this Award or worker or workers covered by this Award shall in any way, whether directly or indirectly, be a party to or concerned in any ban, limitation, or restriction upon the working of overtime in accordance with the requirements of this subclause.

10.—Record.

(a) A time book, or books, or records, to be open for inspection by the Union Secretary, or his nominee at any reasonable time, shall be provided. Each worker must record in such books the exact time he or she starts and finishes duty on each day and also the time booked off for meals or breaks in shifts.

(b) A wages sheet, which shall clearly show the aggregate wage, deductions made, and cash paid to each worker, shall be kept at the head office of the institution, and shall be open for inspection by the Union Secretary or his nominee at all reasonable times.

11.—Holidays.

(a) The following days shall be observed as holidays, namely:—New Year's Day, Easter Monday or Good Friday at the option of the employer, Anzac Day, Labour Day, Christmas Day, and Boxing Day, provided that at the option of the employer one other day may be observed in lieu of either Christmas Day or Boxing Day. Any worker required to work on any of the foregoing days shall be paid for the time so worked at the rate of double time with a minimum of four (4) hours' ordinary time, or shall have one day added to his annual holiday for each day so worked, at the option of the employer.

(b) If any of these foregoing public holidays fall on a day on which a worker is rostered off duty such worker shall be granted an additional day off in lieu thereof.

(c) A holiday of three (3) weeks on full pay shall be granted to each worker on the completion of each year of service. A worker not completing one year of service shall be granted pay in lieu of holidays in proportion to the length of his or her service. Provided always that if the worker be dismissed for misconduct or any offence or illegally severs the contract of service, no payment for annual leave or holidays will be granted. A worker who has not completed one month's continuous service shall not be entitled to the benefits of this subclause.

(d) Before going on annual leave each worker shall be given at least two (2) weeks' notice of the date when such leave is to commence and such leave shall be taken in an unbroken period.

(e) Leave shall be paid for in advance at the rate of wage the worker has received for the greater proportion of the calendar month prior to his taking the leave.

12.—Sick Leave.

(a) Sick leave with pay shall be granted on the following scale on production of a medical certificate, or, in regard to leave not exceeding two (2) days, other evidence satisfactory to the management.

Workers with two (2) years' service and over—
42 days.

(b) The total sick leave in any one triennial period shall not exceed forty-two (42) days; the triennial period to be the three (3) years preceding the date of illness for which leave is claimed.

(c) No payment for sick leave shall be made when the illness is due to the worker's own misconduct, or to an accident met with off duty.

(d) Sick leave, if granted, will only be recognised provided a medical certificate be placed in the hands of the hospital secretary within forty-eight (48) hours of the rostered time for commencement of duty.

(e) The foregoing paragraphs of this clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

(f) If the absence exceeds one week, the employment shall be deemed to have terminated after the expiration of the first week's absence, without prejudice to the worker's rights under the other paragraphs of this clause.

13.—Uniforms.

(a) All uniforms, i.e., uniformity of dress, shall be supplied free of cost to all workers required to wear them. Aprons shall be provided for all female workers on the kitchen and general staff.

14.—Contract of Service.

(a) Subject as hereinafter provided, no employee shall be dismissed unless he or she has received fourteen (14) days' previous notice of his or her dismissal or pay for such period in lieu thereof.

(b) No employee shall, without the consent of the employer, resign without first having given fourteen (14) days' previous notice of his or her intention so to do; and in the absence of such notice the employer may withhold holiday or other pay up to the amount of fourteen (14) days' wages.

(c) The employer may at any time without prior notice dismiss a worker for refusal or neglect to obey orders or for misconduct, or if after receiving the notice prescribed in subclause (a) hereof the worker does not carry out his or her duties in the same manner as he or she did prior to such notice.

(d) The employer shall be under no obligation to pay for any day not worked upon which the worker is required to present himself or herself for duty, except such absence from work is due to illness and comes within the provisions of Clause 12 (Sick Leave) or such absence is on account of holidays to which the worker is entitled under the provisions of this Award.

(e) The preceding provisions of this clause shall not apply to casual workers. One day's notice shall be sufficient to terminate the services of a casual worker, except where such a worker is dismissed for misconduct.

15.—Accommodation.

(a) Resident employees shall be provided with suitable healthy accommodation. The Union Secretary or his nominee shall be permitted to inspect the accommodation at all reasonable times and in the event of a dispute arising with respect to the suitability of the accommodation it shall be referred to the Board of Reference for decision. Provided that whether any employee lives in shall be a matter which shall be left to the decision of the employer.

A sitting room suitably furnished and sufficiently large to accommodate the resident staff shall be provided for their common use, provided that this shall apply only where there are four (4) or more domestics employed and living in.

Laundry facilities shall be available to all resident staff for the laundering of private clothes.

(a) Wages shall be paid fortnightly, and overtime, if any, shall be paid at least monthly.

(b) Overtime rates shall be calculated and based upon the aggregate wage, i.e., the amount provided for in the wages schedule before any deduction is made for board and/or lodging.

(c) A worker who is required to do work which carries a higher minimum rate than that which such worker usually performs shall be entitled to the higher minimum rate while so employed, provided that if engaged in such higher grade of work for more than half a day he shall be paid at the higher rate for the day.

(d) All workers engaged for a period of less than six (6) days in any one week shall be paid at the rate of ten per cent. (10%) in addition to the rates hereunder prescribed with a minimum engagement of one (1) day; provided that this shall not apply in the case of a worker summarily dismissed for misconduct.

(e) The foregoing paragraphs of this clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

(f) If the absence exceeds one week, the employment shall be deemed to have terminated after the expiration of the first week's absence, without prejudice to the worker's rights under the other paragraphs of this clause.
