(d) Leading hands appointed as such by the employer shall be entitled to receive one shilling (1s.) per day in addition to the rates prescribed herein.

11.—Mixed Functions.

(a) A worker called upon to perform work carrying a higher rate than his usual rate of pay shall be entitled to payment at such higher rate for the period he is actually engaged upon such work.

(b) A worker called upon to do work carrying a lower rate than his usual rate of pay for less than one half day shall be paid for such work at his usual rate of pay.

## 12.—Engagement.

Except in the case of junior workers, in whose case one week's notice shall be required, one (1) day's notice on either side shall be necessary to terminate the engagement. If the required notice of termination is not given, one day's wages shall be paid or forfeited: Provided that an employer may at any time dismiss a worker for misconduct.

For the purposes of this clause, notice shall be given at or before the usual starting time on any ordinary working day and shall be deemed to expire at the completion of that day's work.

## 13.—Breakdowns, etc.

The employer shall be entitled to deduct payment for any day or portion of a day upon which a worker cannot be usefully employed because of any strike by the Union or Unions affiliated with it or by any other Union or Association, or through the breakdown of the employer's machinery or through any stoppage of work by any cause which the employer cannot reasonably prevent.

## 14.—Under-Rate Workers.

(a) Any worker who by reason of old age or infirmity is unable to earn the minimum wage may be employed at such lesser wage as may be agreed upon in writing between the employer and the Union.

(b) In the event of no agreement being arrived at the matter may be referred to the Board of Reference for determination.

(c) After application has been made to the Board and pending the Board's decision, the worker shall be entitled to work for and be employed at the proposed lesser rate.

## 15.—Holidays.

(a) The following days, or days observed in lieu, shall subject to clause 8 be allowed as holidays without reduction of pay, namely, New Year's Day, Australia Day (26th January), Good Friday, Easter Saturday, Easter Monday, Anzac Day, Labour Day, State Foundation Day, Christmas Day, Boxing Day.

(b) On any public holiday not prescribed as a holiday under this Award the employer's establishment or place of business may be closed, in which case a worker need not present himself for duty and payment may be deducted, but if work is done ordinary rates of pay shall apply.

(c) Except in the case of sickness, any worker absenting himself from work on the whole or any portion of the working day preceding or on the whole or any portion of the working day succeeding a holiday provided for herein shall not be entitled to payment for such holiday.

(d) Except as hereinafter provided a period of two consecutive weeks' leave with payment of ordinary wages as prescribed shall be allowed annually to a worker by his employer after a period of 12 months' continuous service with such employer.

(e) If any prescribed holiday falls within the worker's period of annual leave and is observed on a day which in the case of that worker would have been an ordinary working day, there shall be added to that period one day being an ordinary working day for each such holiday observed as aforesaid.

(f) If after one month's continuous service in any qualifying 12-monthly period a worker lawfully leaves his employment, or his employment is terminated by the employer through no fault of the worker, the worker shall be paid one-sixth of a week's pay at his ordinary rate of wage in respect of each completed month of continuous service.

(g) Any time in respect of which a worker is absent from work except time for which he is entitled to claim sick pay or time spent on holidays or annual leave as prescribed by this Award shall not count for the purpose of determining his right to annual leave.

(h) In the event of a worker being employed by an employer for portion only of a year, he shall only be entitled, subject to subclause (f) of this clause, to such leave on full pay as is proportionate

to his length of service during that period with such employer, and if such leave is not equal to the leave given to the other workers he shall not be entitled to work or pay while the other workers of such employer are on leave on full pay.

(i) A worker who is dismissed for misconduct or who illegally severs his contract of service shall not be entitled to the benefit of the provisions of this clause.

## 16.—Payment for Sickness.

(a) A worker shall be entitled to payment for non-attendance on the ground of personal ill-health at the rate of one-twelfth (1/12th) of a week's pay for each completed month of service: Provided that subject to subclause (g) hereof, payment for absence through such ill-health shall be limited to one week's pay in each calendar year.

(b) Payment hereunder may be adjusted at the end of each calendar year or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred.

(c) This clause shall not apply when the worker is entitled to compensation under the Workers' Compensation Act.

(d) A worker shall not be entitled to receive any wages from his employer for time lost through any accident not arising out of or in the course of his employment or for any accident wherever sustained arising out of his own wilful default or for sickness arising out of his own wilful default.

(e) No worker shall be entitled to the benefits of this clause unless he produces proof satisfactory to his employer of sickness, but the employer shall not be entitled to a medical certificate unless the absence is for three (3) days or more.

(f) Notwithstanding the provisions of subclause (e) hereof, a worker, who in any calendar year has already been allowed paid sick leave on one occasion for one day only, or less, shall not be entitled to payment for any further absence unless he produces to the employer a medical certificate stating that he was unable to attend for duty on account of personal ill-health.

(g) Sick leave shall accumulate from year to year so that any balance of the period specified in subclause (a) of this clause which has in any year not been allowed to any worker by his employer as paid sick leave may be claimed by the worker, and subject to the conditions hereinbefore prescribed, shall be allowed by his employer in any subsequent year without diminution of the sick leave prescribed in respect of that year. Provided that sick leave which accumulates pursuant to this subclause shall be available to the worker for a period of two (2) years but no longer from the end of the year in which it accrues.

An appeal shall lie from any decision of such Board in the manner and subject to the conditions prescribed in the regulations to the Industrial Arbitration Act, 1912-1952, which for this purpose are embodied in and form part of this Award.

Junior workers upon being engaged shall furnish the employer with a certificate containing the following particulars:—

(i) Name in full.

(ii) Age and date of birth.

No worker shall have any claim upon an employer for additional pay in the event of the age of the worker being wrongly stated either on the certificate or, if no such certificate is furnished, verbally to the employer. If any junior worker shall wilfully mis-state his age either verbally to the employer or in the certificate, he alone shall be guilty of a breach of this Award, and in the event of a worker having received a higher rate than that to which he was entitled he shall make restitution to the employer.

19.—Time and Wages Record.

The employer shall keep, or cause to be kept and entered up, a record containing the following particulars:—

Payment for the said holidays shall be at the rate of pay the worker is receiving immediately before the holiday is taken or employment terminated. Provided further that, where the worker is dismissed for wilful misconduct, he shall not be entitled to the benefits of the provisions of this clause.

(c) Continuous process workers shall be granted one (1) week's leave on full pay in addition to the leave prescribed in subclause (a) hereof. Workers who have worked as continuous process workers for less than two hundred and forty-two (242) shifts at ordinary rates of pay shall be granted the proportion of the additional week. The quantum of annual leave to be allowed to a worker shall, for service prior to the 2nd day of April, 1957, be calculated in accordance with the provisions of the Award applicable before that date, and for service subsequent to the 2nd day of April, 1957, in accordance with the provisions of this subclause.

(d) It shall not be lawful for an employer to give or the employee to receive payment in lieu of such annual holidays except where the engagement of the worker is terminated.

(g) The following shall be paid holidays:—Christmas Day, Easter Monday, Labour Day and one additional day in each calendar year to be nominated by the employer. If Christmas Day falls on a Sunday, the following Monday shall be kept. Provided that any worker who does not present himself for work (if required) on the working day following any of the abovementioned holidays shall not be entitled to be paid for such

holiday unless he produces proof satisfactory to the employer that he was prevented by sickness from presenting himself for work on any such day and that such sickness was not due to intemperance or misconduct. All work performed on any of the aforementioned holidays shall be paid for at double time, except work in connection with repairs to machinery which has broken down and has caused a stoppage of operations, when the rates shall be time and a half throughout.

#### 18.—Shift Work.

(c) Work other than day shift shall not be recognised as afternoon or night shift unless in either case five (5) consecutive afternoons or nights are worked, but shall be deemed to be overtime. On completion of the fifth consecutive afternoon's or night's work, the worker shall be deemed to have been employed on afternoon or night shift, as the case may be, during the preceding four (4) afternoons or nights, and thereafter during any subsequent consecutive afternoons or nights he is so employed.

#### 19.—Payment for Sickness.

(a) A worker shall be entitled to payment for non-attendance on the ground of personal ill-health for 1/10th of a week's pay at the Award rate for each 23.7 shifts actually worked, at ordinary rates of pay. Provided that payment for absence through such ill-health shall be limited to one week's pay in each calendar year. Payment hereunder may be adjusted at the end of each calendar year, or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

(b) A worker shall not be entitled to receive any wages from his employer for any time lost through the result of an accident not arising out of or in the course of his employment or for any accident wherever sustained arising out of his own wilful default, or for sickness arising out of his own wilful default.

(c) No worker shall be entitled to the benefits of this clause unless he produces proof satisfactory to his employer of sickness, but the employer shall not be entitled to a medical certificate unless the absence is for three days or more.

#### 20.—Payment of Wages.

(a) Payment of wages shall be fortnightly if practicable.

(b) Any worker leaving or being discharged shall where practicable be paid the full amount of wages due to him within two (2) hours of ceasing work, or within two (2) hours of the opening of the mine office if such office was closed at the time of his ceasing work.

(b) A worker engaged for more than two (2) hours in any one day on duties carrying a higher rate than his ordinary classification, shall be paid the higher rate for such day.

## 22.—Full Payment for Shift.

(a) After beginning a shift, workers shall not be paid less than for a full shift, unless they leave of their own accord or are dismissed for misconduct. This shall not apply in matters beyond the control of the management.

(b) If before a worker leaves the works at the end of his shift, and because he is not so informed, he attends at the next shift willing to work it, and there is no suitable work which he is allowed to perform, he shall be paid the wages he would have been entitled to if he had worked the shift he was ready and willing to work. This shall not apply in matters beyond the control of the management.

(c) If a worker, after having attended his place of employment, is sent home and instructed to attend at some subsequent later shift, he shall be paid two (2) hours at ordinary time for his first attendance if he complies with such instruction.

## 23.—Record Book.

A time and wages book shall be kept by each employer, in which shall be entered the name of each worker, the nature of the work he is doing, the hours worked each day, and the amount of wages received by him each week. The employer shall be responsible for the proper posting of the book each week; the said book shall be open to the authorised representative of the Union at any time during working hours, and he shall be allowed to take necessary extracts therefrom.

Provided that any system of automatic recording by means of machines shall be deemed a compliance with this provision to the extent of the information recorded.

## 24.—Representative Interviewing Workers.

In the case of disagreement existing or anticipated concerning any of the provisions of this Award, an accredited representative of the Union shall be permitted to interview the workers during the recognised meal hour, on the business premises of the employer, but this permission shall not be exercised without the consent of the employer more than once in any one week.

Any worker who as a result of his employment suffers an accident and following treatment is certified by his doctor as fit to resume work, shall be re-employed if and when practicable.

## 30.—Employment.

(a) Subject to the provisos contained hereunder, preference of employment in the industry to which this Award relates shall be given to members of the Federated Engine Drivers' and Firemen's Union of W.A., or to members of any other registered industrial Union which is a party to an Award or Industrial Agreement in the industry,

or to persons who give the employer an undertaking in writing to make application to join any such registered Union within one month of accepting employment.

Provided that—

(i) there are members of the relevant Union, or intending members, applying as aforesaid, equally qualified with other workers offering their services to perform the particular work to be done and ready and willing to undertake the same; and

(ii) the rules of such Union shall permit any worker of good character with the requisite qualifications (if any) coming within the scope of this Award, to become a member of the Union upon payment of the subscription and/or entrance fee prescribed by the registered rules.

(b) Where a worker, not having been a member of the relevant Union at the time of his engagement, applies for membership of the Union within one month of his engagement, it shall be deemed that no question of preference has arisen.

(c) If during the continuance of this Award, anything in the nature of a strike occurs in the industry hereby regulated, or if there is any restriction in output by the workers or any sections thereof acting in concert, the benefit of this clause shall thereupon cease and determine insofar as the particular Union or Unions involved is, or are, concerned.

For further assurance, and without modification of or prejudice to the foregoing provisions of this subclause, the employer may at any time apply to the Court, upon giving seven (7) day's notice to the Union, for a declaration hereunder and the consequential cancellation of this clause and the Court, upon cause being shown, shall make a declaration and order accordingly, appropriate to the particular case.

(d) The provisions of this clause shall not apply to junior workers, apprentices, or to members of the staff of any mine.

## 31.—No Reduction.

Nothing herein shall in itself operate to reduce the wage of any worker below the rate actually received by him at the date hereof.

## 32.—Board of Reference.

(a) The Court hereby appoints for the purposes of the Award a Board of Reference. Such Board shall consist of a chairman to be appointed by the Court and two (2) other representatives, one to be nominated by each of the parties.

7.—Payment of Wages.

(a) The wages set out in clause 5 (b) above are to be paid under a contract of daily service.

Pay day shall be on a day mutually agreed upon between the employer and the workers concerned and the customary period shall be allowed between the closing of the pay period and the pay day. Any worker leaving or being discharged shall be paid the full amount of wages due to him within one hour of ceasing work, or within one hour of the opening of the mine office, if such office was closed at the time of his ceasing work, or if the work done requires to be measured or assessed he shall be paid at the prescribed rates within two (2) hours of ceasing work. Provided that in the case of a

piece worker who leaves during a pay period any settlement in excess of his wages rates shall be made on the next succeeding pay day.

#### 8.—Hours (other than Continuous Process Workers).

(b) Thirty-seven and one-half (37½) hours shall constitute a week's work underground, including crib time.

(c) For workers employed on a forty (40) hour week, a week's work shall consist of eight (8) hours per day, Mondays to Fridays, exclusive of crib time.

(d) In the case of underground workers, the hours of each such shift shall comprise seven (7) hours thirty (30) minutes on Mondays to Fridays inclusive.

(a) For work done beyond the hours of duty on any ordinary day, payment shall be at the rate of time and a half for the first two (2) hours and double time thereafter.

(b) Work done on Saturdays and Sundays shall be paid for at the rate of time and a half for the first two (2) hours and double time thereafter, except work in connection with repairs to machinery which has broken down and caused a stoppage of operations, when the rate shall be time and a half throughout.

(c) When a worker is recalled to work after leaving the job, he shall be paid for at least two (2) hours at overtime rates.

(d) When computing overtime, the district allowances shall not be computed as an addition to the day's pay.

(e) These overtime rates shall not apply to excess time due to private arrangement between the workers themselves, or which is necessary for affecting periodical rotation of shifts, or which is owing to a relieving man not coming on at the appointed time. The time for which any worker may be paid at ordinary rates instead of overtime, due to a relieving man not coming on at the proper time shall not exceed two (2) hours, after the expiration of which overtime rates shall apply for the whole shift.

(f) When a worker, without being notified on the previous day, is required to continue working after the usual knock-off time for more than one (1) hour or (in the case of a day-worker) after 5.30 p.m., whichever is the later, he shall be provided with any meal required or shall be paid three shillings and sixpence (3s. 6d.) in lieu thereof.

(g) When a worker is required for duty during any meal time, whereby his meal time is postponed for more than one hour, he shall be paid at overtime rates until he gets his meal.

(h) (i) Within the limits prescribed by the Mines Regulation Act and any regulations made thereunder, an employer may require any worker to work reasonable overtime at overtime rates and such worker shall work overtime in accordance with such requirement.

(ii) No organisation party to this Award, or worker or workers covered by this Award, shall in any way, whether directly or indirectly, be a party to or concerned in any ban, limitation, or restriction upon the working of overtime in accordance with the requirements of this subclause.

#### 10.—Continuous Process Workers.

(a) Forty (40) hours shall constitute a week's work, to be worked in five (5) shifts of eight (8) hours each, inclusive of crib time.

(b) A worker called upon to work a sixth shift in any week shall be paid at the rate of time and a half.

(c) For work done beyond the hours of duty on any day except a holiday, payment shall be at the rate of time and a half for the first two (2) hours and double time thereafter.

(d) When computing overtime, the district allowances shall not be computed as an addition to the day's pay.

(e) These overtime rates shall not apply to excess time due to private arrangement between the workers themselves, or which is necessary for effecting periodical rotation of shifts, or which is owing to a relieving man not coming on at the appointed time. The time for which any worker may be paid at ordinary rates instead of overtime, due to a relieving man not coming on at the proper time, shall not exceed two (2) hours after the expiration of which overtime rates shall apply for the whole shift.

(f) When a worker, without being notified on the previous day, is required to continue working after the usual knock-off time for more than one (1) hour or (in the case of a day-worker) after 5.30 p.m., whichever is the later, he shall be provided with any meal required, or shall be paid three shillings and sixpence (3s. 6d.) in lieu thereof.

(g) All work done on Sundays during the ordinary hours of duty shall be paid for at the rate of time and a half.

#### 11.—Rest Period After Overtime.

(a) When overtime work is necessary, it shall, whenever reasonably practicable, be so arranged that workers have at least eight (8) consecutive hours off duty between the work of successive days.

(b) Where a worker (other than a casual worker) has not had at least eight (8) consecutive hours off duty between his usual finishing time on one day and his usual starting time on the next day, the following provisions shall apply:—

(i) He shall, if he so desires, be entitled to have eight (8) consecutive hours off duty from the completion of his overtime work until he next commences work, but shall not be paid for such time off duty.

(ii) If on the instructions of the employer, he continues or resumes work at his ordinary starting time without having such eight (8) hours break, he shall be paid at overtime rates for the balance of the hours less than eight (8) which he has not had off duty. Hours of overtime actually worked since his last usual finishing time shall be counted in computing the actual rate of overtime under this paragraph.

(iii) If a worker, of his own volition, continues or resumes work at his ordinary starting time, without such break, he shall be paid at ordinary rates.

#### 12.—Shift Work.

(a) Men working shifts not subject to weekly rotation shall be paid for such shift other than day shift, at the rate of time and a quarter. The roster known as the Great Boulder Roster and other accepted variations thereof, shall be deemed to be subject to weekly rotation.

(b) A worker employed on any shift other than day shift, shall be paid five per cent. (5%) in addition to his ordinary rate.

(c) Work other than day shift shall not be recognised as afternoon or night shift unless in either case five (5) consecutive afternoons or nights are worked; but shall be deemed to be overtime;

on completion of the fifth consecutive afternoon's or night's work, the worker shall be deemed to have been employed on afternoon or night shift, as the case may be, during the preceding four (4) afternoons or nights, and thereafter during any subsequent consecutive afternoons or nights he is so employed.

#### 13.—Holidays.

(a) The following shall be paid holidays:—Christmas Day, Easter Monday, Labour Day and one additional day in each calendar year to be nominated by the employer. If Christmas Day falls on a Sunday, the following Monday shall be kept. Provided that any worker who does not present himself for work (if required) on the working day following any of the abovementioned holidays shall not be entitled to be paid for such holiday unless he produces proof satisfactory to the employer that he was prevented by sickness from presenting himself for work on any such day and that such sickness was not due to intemperance or misconduct. All work performed on any of the aforementioned holidays shall be paid for at double time, except work in connection with repairs to machinery which has broken down and has caused a stoppage of operations, when the rates shall be time and a half throughout.

(b) Liberty is hereby reserved to the Union to apply to amend the clause in respect of an additional holiday.

#### 14.—Annual Leave.

(a) Annual holidays shall be taken at the convenience of the management of the mine; workers to receive one (1) month's notice of the date on which the holiday is to commence; a committee of three (3) to be appointed at each mine to assist the management in the arrangement of a suitable roster.

(b) Three (3) weeks' holiday, including fifteen (15) working days, on full pay, shall be granted once in each year to every worker; provided that he has worked two hundred and forty-two (242) shifts at ordinary rates of pay, and should he have worked less than two hundred and forty-two (242) such shifts when the said holiday is taken, or at the termination of his employment, he shall be paid for a proportionate number of holidays. Payment for the said holidays shall be at the rate of pay the worker is receiving immediately before the holiday is taken or employment terminated. Provided further that, where the worker is dismissed for wilful misconduct, he shall not be entitled to the benefits of the provisions of this clause.

(c) Continuous process workers shall be granted one (1) week's leave on full pay in addition to the leave prescribed in subclause (b) hereof. Workers who have worked as continuous process workers for less than two hundred and forty-two (242) shifts at ordinary rates of pay shall be granted the proportion of the additional week. The quantum of annual leave to be allowed to a worker shall, for service prior to the 2nd day of April, 1957, be calculated in accordance with the provisions of the Award applicable before that date, and for service subsequent to the 2nd day of April, 1957, in accordance with the provisions of this subclause.

(d) A pieceworker shall be entitled to be paid, when on holiday, the minimum rate for his grade.

(e) This clause shall not apply to casual workers.

(f) If any of the holidays prescribed in clause 13 of this Award falls during a worker's period of annual leave, and is observed on a day which in the case of that worker would have been an ordinary working day, the worker shall be paid one extra day at ordinary rates for that day, or at his option have one day on full pay added to that period for each such holiday.

#### 15.—Mixed Functions.

(i) An engine driver shall be paid for the whole of the shift at the highest rate for any engine classified in this Award on which he has been employed during any portion of the shift.

(ii) A worker, other than an engine driver, engaged for more than half ( $\frac{1}{2}$ ) of one (1) day or shift on duties carrying a higher rate than his

ordinary classification, shall be paid the higher rate for such day or shift. If employed for less than half ( $\frac{1}{2}$ ) of one (1) day or shift, he shall be paid the higher rate for the time so worked.

#### 16.—Accident Pay.

In the event of a worker meeting with an accident during the shift, or being required to attend to one who has met with an accident, he shall be deemed to have rendered duty during the whole of the shift, and be paid accordingly.

#### 17.—Full Payment for Shift.

(a) After beginning a shift, workers shall not be paid less than for a full shift, unless they leave of their own accord or are dismissed for misconduct. This shall not apply in matters beyond the control of the management.

(b) If before a worker leaves the works at the end of his shift, and because he is not so informed, he attends at the next shift willing to work it, and there is no suitable work which he is allowed to perform, he shall be paid the wages he would have been entitled to if he had worked the shift he was ready and willing to work. This shall not apply in matters beyond the control of the management.

(c) If a worker, after having attended his place of employment, is sent home and instructed to attend at some subsequent later shift, he shall be paid two (2) hours at ordinary time for his first attendance if he complies with such instruction.

#### 18.—Union Official.

A duly accredited official of the Union shall be allowed to collect Union fees at the offices of the mine on pay days, and shall be allowed to inspect time sheets and pay sheets relating to any worker affected by this Award, and make extracts therefrom.

#### 19.—Casual Workers.

Any worker dismissed through no fault of his own before the expiration of one week of his employment shall be considered casual and shall receive ten per cent. (10%) above the rates specified for the work performed.

#### 20.—Relieving Engine Drivers.

Relieving engine drivers who are not employed full time at relieving shall be found other suitable work to make up full time, for which they shall be paid at the rate for the highest classification worked during the shift.

#### 21.—Dirty Work.

Workers engaged inside in cleaning the inside of producers, scrubbers or engine crank cases, shall be paid eightpence (8d.) per hour extra whilst employed at such work.

#### 22.—Definition.

"Leading fireman" shall mean a fireman who attends to feed pumps, feed water, gauge glasses, etc. and/or where only one fireman is employed on more than one boiler, he shall be classed as in charge.

#### 23.—Board of Reference.

(a) The Court hereby appoints for the purposes of the Award a Board of Reference for each mine.

(b) The Board shall consist of a chairman who, failing agreement between the parties, shall be appointed by the Court, and two (2) other representatives, one to be nominated by each of the parties.

(c) There shall be assigned to each such Board the functions of:—

- (i) deciding matters specifically referred to in the Award as being the subject matter of a decision of the Board;
- (ii) adjusting any matters of difference which may arise between the parties from time to time; except such as involve interpretations of the provisions of the Award or any of them;
- (iii) deciding all matters and questions referred to in the award as being the subject of mutual agreement, if not agreed upon;

(iv) deciding any other matter that the Court may refer to such Board from time to time.

(d) An appeal shall lie from any decision of such Board in the manner and subject to the conditions prescribed in the regulations to the Industrial Arbitration Act, 1912-1952, which for this purpose are embodied in and form part of this Award (regulation 106).

(e) There shall be no cessation of work pending the reference to and the settlement of any dispute by the Board.

#### 24.—Payment for Sickness.

(a) A worker shall be entitled to payment for non-attendance on the ground of personal ill-health for 1/10th of a week's pay at the Award rate for each 23.7 shifts actually worked at ordinary rates of pay, provided that, subject to subclause (d) hereof, payment for absence through such ill-health shall be limited to one week's pay in each calendar year. Payment hereunder may be adjusted at the end of each calendar year, or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

(b) A worker shall not be entitled to receive any wages from his employer for any time lost through the result of an accident not arising out of or in the course of his employment or for any accident wherever sustained arising out of his own wilful default, or for sickness arising out of his own wilful default.

(c) No worker shall be entitled to the benefits of this clause unless he produces proof satisfactory to his employer of sickness, but the employer shall not be entitled to a medical certificate unless the absence is for three (3) days or more.

(d) Sick leave shall accumulate from year to year, so that any balance of the period specified in subclause (a) of this clause which has in any year not been allowed to any worker by his employer as paid sick leave may be claimed by the worker and, subject to the conditions hereinbefore prescribed, shall be allowed by his employer in any subsequent year without diminution of the sick leave prescribed in respect of that year. Provided that sick leave which accumulates pursuant to this subclause shall be available to the worker for a period of two (2) years but no longer, from the end of the year in which it accrues.

#### 25.—Employment.

(a) Subject to the provisos contained hereunder, preference of employment in the industry to which this Award relates shall be given to members of the Federated Engine Drivers and Firemen's Union of W.A., or to members of any other registered industrial Union which is a party to an Award or Industrial Agreement in the Leadmining industry, or to persons who give the employer an undertaking in writing to make application to join any such registered union within one month of accepting employment.

Provided that—

(i) there are members of the relevant Union, or intending members, applying as aforesaid, equally qualified with other workers offering their services to perform the particular work to be done and ready and willing to undertake the same; and

(ii) The rules of such Union shall permit any worker of good character with the requisite qualifications (if any) coming within the scope of this Award, to become a member of the Union upon payment of the subscription and/or entrance fee prescribed by the registered rules.

(b) Where a worker, not having been a member of the relevant Union at the time of his engagement, applies for membership of the Union within one month of his engagement, it shall be deemed that no question of preference has arisen.

(c) If during the continuance of this Award, anything in the nature of a strike occurs in the industry hereby regulated, or if there is any restriction in output by the workers or any section thereof acting in concert, the benefit of this clause shall thereupon cease and determine insofar as the particular Union or Unions involved is, or are, concerned. For further assurance, and without modification of or prejudice to the foregoing provisions of this subclause, the employer may at any time apply to the Court, upon giving seven (7) days' notice to the Union, for a declaration hereunder and the consequential cancellation of this clause and the Court, upon cause being shown, shall make a declaration and order accordingly, appropriate to the particular case.

(d) The provisions of this clause shall not apply to junior workers, apprentices, or to members of the staff of any mine.

#### 26.—First Aid.

In all engine rooms on mines where first aid men are not employed continuously on three (3) shift rosters, a first aid kit, containing bandages and padding or similar requisites shall be provided.

#### 27.—Resumption of Work after Annual Leave.

When a worker is not notified prior to taking his annual leave that no further work is available on the mine, he shall be re-engaged on his return for a minimum period of two (2) weeks or be paid two (2) weeks' wages in lieu thereof, unless dismissed for misconduct.

#### 28.—Resumption of Work after Accident.

Any worker who, as a result of his employment, suffers an accident, and following treatment is certified by his doctor as fit to resume work, shall be re-employed if and when practicable.

#### 29.—Crib Places.

Each employer shall provide suitable facilities at which the workers may eat their cribs.

I certify pursuant to section 65 of the Industrial Arbitration Act, 1912-1952, that the foregoing is a copy of the agreement arrived at between the parties mentioned above.

(e) Casual workers—Adults and juniors shall be paid at the rate of twenty per cent. (20%) in addition to the rates prescribed for the class of work performed or in the case of junior workers, the age of the worker.

## 8.—Mixed Functions.

A worker shall be paid the higher rate if engaged on a higher classification for more than three and a half (3½) hours per day for Monday to Friday or two and a half (2½) hours on a Saturday, but if engaged on a higher classification for less than three and a half (3½) hours Monday to Friday or two and a half (2½) hours on a Saturday, he shall then be entitled to payment at the higher rate only for the time so employed.

## 9.—Contract of Service.

The employment shall be weekly and a week's notice shall be given on either side to terminate the engagement or a week's wages paid or forfeited in lieu of same; such notice may be given before 12 o'clock noon on any day. Provided that nothing in this Clause shall prevent an employer summarily dismissing a worker for misconduct or dereliction of duty.

## 10.—Casual Workers.

All or any casual workers starting at any time during the day shall be paid full rate for the day, and casual rates shall be paid unless the worker shall have been notified by the employer before 5 p.m. on the day of engagement that he is to be employed as a permanent hand; but in the event of any casual hand who has been engaged to start at the ordinary starting time not reporting himself for duty at the starting time, he shall be paid proportionately for the hours worked.

## 11.—Annual Leave.

(a) Except as hereinafter provided a period of two (2) consecutive weeks' leave with payment of ordinary wages as prescribed shall be allowed annually to a worker by his employer after a period of twelve (12) months' continuous service with such employer. An employer shall give at least four (4) weeks' notice to a worker of the date that he requires him to commence his annual leave.

(b) If any award holiday falls within a worker's period of annual leave and is observed on a day which in the case of that worker would have been an ordinary working day, there shall be added to that period one day being an ordinary working day for each such holiday observed as aforesaid.

(c) If after one month's continuous service in any qualifying twelve-monthly period a worker lawfully leaves his employment or his employment is terminated by the employer through no fault of the worker, the worker shall be paid one-sixth of a week's pay at his ordinary rate of wage in respect of each completed month of continuous service.

(d) Any time in respect of which a worker is absent from work except time for which he is entitled to claim sick pay or time spent on holidays or annual leave as prescribed by this Award shall not count for the purpose of determining his right to annual leave.

(e) A worker who is dismissed for misconduct or who illegally severs his contract of service shall not be entitled to the benefit of the provisions of this clause.

(f) The provisions of this clause shall not apply to casual workers.

#### 12.—Sick Leave.

(a) A worker shall be entitled to payment for non-attendance on the ground of personal ill-health at the rate of one-twelfthth (1/12th) of a week's pay for each completed month of service. Provided that, subject to subclause (g) hereof, payment for absence through such ill-health shall be limited to one (1) week's pay in each calendar year.

(b) Payment hereunder may be adjusted at the end of each calendar year or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred.

(c) This clause shall not apply when the worker is entitled to compensation under the Workers' Compensation Act.

(d) A worker shall not be entitled to receive any wages from his employer for any time lost through any accident not arising out of or in the course of his employment or for any accident wherever sustained arising out of his own wilful default or for sickness arising out of his own wilful default.

(e) No worker shall be entitled to the benefits of this clause unless he produces proof satisfactory to his employer of sickness, but the employer shall not be entitled to a medical certificate unless the absence is for three (3) days or more.

(f) Notwithstanding the provisions of subclause (e) hereof, a worker, who in any calendar year, has already been allowed paid sick leave on one occasion for one day only, or less, shall not be entitled to payment for any further absence of one day only or less, unless he produces to the employer, if requested, a medical certificate stating that he was unable to attend for duty on account of personal ill-health.

(g) Sick leave shall accumulate from year to year so that any balance of the period specified in subclause (a) of this clause which has in any year not been allowed to any worker by his employer as paid sick leave may be claimed by the worker and, subject to the conditions hereinbefore prescribed, shall be allowed by his employer in any subsequent year without diminution of the sick leave prescribed in respect of that year. Provided that sick leave which accumulates pursuant to this subclause shall be available to the worker for a period of two (2) years but no longer from the end of the year in which it accrues.

#### 13.—Time and Wages Book.

The employer shall provide a time book, to be kept where the worker or workers usually start work, in which each worker shall enter his starting and finishing time each day. The employer shall enter a record in a book showing the time worked by and the wages and overtime paid to each worker. Such time and record books shall be open to inspection by the secretary of the Union or such other persons authorised in writing by the president of the Union, during working hours on any day.

#### 14.—First Aid.

(c) After application has been made to the Board, and pending the Board's decision, the worker shall be entitled to work for and be employed at the proposed lesser rate.

#### 17.—Breakdowns.

The employer shall be entitled to deduct payment for any day or portion of a day upon which the worker cannot be usefully employed because of any strike by the Union or Unions affiliated with it, or by any other association or union, or through the breakdown of the employer's machinery, or any stoppage of work by any cause which the employer cannot reasonably prevent.

(5) Apprentices may be taken to (a) general butchering; (b) smallgoodsmaking; and (c) slaughtering.

Where in any shop the operations of general butchering and smallgoodsmaking are carried on by the employer, he shall undertake to teach both to the apprentice.

(6) Notwithstanding anything contained in this Award to the contrary, if through lack of orders or through financial difficulties the employer is unable at any time to find employment and training for an apprentice, and if a transfer to another employer cannot be arranged, the obligations and duties imposed by the indenture may, with the concurrence of the apprentice and his guardian, be suspended for a period agreed upon or, if no such agreement be arrived at may, with the consent of the Board of Reference, be cancelled by the employer.
