By the Court,
[L.S.] (Sgd.) R. V. NEVILLE,
President.

Schedule of Amendments.

Clause 7—Hours.—Delete this clause and insert in lieu thereof:—

7.—Hours.

(a) Day Workers.

(i) Subject to clause 8 hereof, forty (40) hours shall constitute a week's work to be worked in five (5) days of eight (8) hours per day, Monday to Friday inclusive, between the hours of 7 a.m. and 5.30 p.m.

(ii) Lunch interval shall not exceed one (1) hour.

(b) Shift Workers.

Forty (40) hours shall constitute a week's work to be worked in five (5) shifts of eight (8) hours each: Provided that this clause shall be deemed to have been complied with if the ordinary working hours do not exceed eighty (80) hours per fortnight to be worked in shifts of eight (8) hours each. For the purposes of this clause a "fortnight" means any two (2) consecutive pay weeks.

Clause 8—Overtime.—Delete this clause and insert in lieu thereof:—

8.—Overtime.

(a) Day Workers.

(i) Except as hereafter mentioned, all work performed in excess of eight (8) hours in any one (1) day, Monday to Friday inclusive, and all work performed on Saturday, shall be paid for at the rate of time and one-half for the first four (4) hours and double time thereafter.

(ii) Except as hereafter mentioned, work performed on Sundays or the holidays prescribed in clause 14 (a) shall be paid for at the rate of double time.

(b) Shift Workers.

(i) All work performed in excess of the hours prescribed in clause 7 (b) shall be paid for at the rate of time and one-half for the first four (4) hours and double time thereafter.

(ii) Rest Period After Overtime.—When overtime work is necessary, it shall, wherever reasonably practicable, be so arranged that workers have at least eight (8) consecutive hours off duty between the work of successive days.

Where a worker (other than a casual worker) has not had at least eight (8) consecutive hours off duty between his usual finishing time on one day and his usual starting time on the next day, the following provisions shall apply:—

(a) He shall, if he so desires, be entitled to have eight (8) consecutive hours off duty from the completion of his overtime work until he next commences work, but shall not be paid for such time off duty.

(b) If, on the instructions of the employer, he continues or resumes work at his ordinary starting time without having such eight (8) hour break, he shall be paid at overtime rates for the balance of the hours less than eight (8) which he has not had off duty. Hours of overtime actually worked since his last usual finishing time shall be counted in computing the actual rate of overtime under this paragraph.

(c) If, of his own volition, he continues or resumes work at his ordinary starting time without such break, he shall be paid at ordinary rates.

(iii) Subject to the provisions of subclause (iv) hereof, all work performed on any of the days mentioned in clause 14 (a) shall be paid for at the rate of time and one-half.

(iv) All work performed on any of the days mentioned in clause 14 (a) or on Sundays in excess of the hours prescribed in clause 7 (b) shall be paid for at the rate of double time.

(v) Overtime on shift work shall be based on the rate payable for shift work in accordance with clause 9. This shall not apply to the week-end penalty rates prescribed in clause 10.

(c) In the calculation of overtime rates, each day shall stand alone.

(d) (i) When a worker is recalled to work after leaving the job, he shall be paid for at least two (2) hours at overtime rates.

(ii) When a worker is required to hold himself in readiness for a call to work after ordinary hours, he shall be paid at ordinary rates for the time he so holds himself in readiness.

(e) When a worker, other than a shift worker, is required for duty during any meal time, whereby his meal time is postponed for more than one (1) hour, he shall be paid at overtime rates until a full meal break is allowed.

(f) A worker shall not be compelled to work for more than six (6) hours without a break for a meal.

(g) These overtime rates shall not apply to excess time worked due to private arrangement between the workers themselves or owing to a relieving man failing to come on duty at the proper time, or where such time is worked to effect the periodical rotation of shifts. The time for which any worker may be paid at ordinary rates instead of overtime due to a relieving man failing to come on duty at the proper time shall not exceed two (2) hours, after the expiration of which overtime rates shall apply for the whole of the extra time worked.

(h) (i) The employer may require any worker to work reasonable overtime at overtime rates, and such worker shall work overtime in accordance with such requirement.

(ii) No organisation, party to this Award, or worker or workers covered by this Award, shall, in any way, whether directly or indirectly, be a party to or concerned in any ban, limitation, or restriction upon the working of overtime in accordance with the requirements of this subclause.

Clause 9—Shift Work.—Delete this clause and insert in lieu thereof:—

9.—Shift Work.

(a) Workers employed on other than day shift shall be paid five per cent. (5%) for afternoon shift and ten per cent. (10%) for night shift in excess of the rates prescribed in clause 25 hereof.

(b) Where a shift commences between 10.45 p.m. and midnight, then the whole shift shall be paid for at the rate which applies to the major portion of the shift.

Clause 10—Week-end Penalty Rates.—Delete this clause and insert in lieu thereof:—

10.—Week-end Penalty Rates.

(a) All work performed by shift workers during ordinary hours on Saturday or Sunday shall be paid for at the rate of time and one-half.

(b) The rates prescribed in subclause (a) hereof shall be paid in lieu of the shift allowances prescribed in clause 9 of this Award.

Clause 12—Meal Allowance.—Delete this clause and insert in lieu thereof:—

12.—Meal Allowance.

When a worker, without being notified on the previous day, is required to continue working after the usual knock-off time for more than two (2) hours or (in the case of a day worker or worker on day shift) after 6 p.m., whichever is the later, he shall be provided with any meal required or shall be paid three shillings and sixpence (3s. 6d.) in lieu thereof. Provided that such payment need not be paid to workers living in the same locality as their place of employment who can reasonably return home for a meal.

Clause 14—Holidays.—Delete this clause and insert in lieu thereof:—

14.—Holidays.

(a) The following days, or the days observed in lieu, shall, subject to clause 8 hereof, be allowed as holidays without deduction of pay, namely, New Year's Day, Australia Day, Good Friday, Easter Saturday, Easter Monday, Anzac Day, Labour Day, State Foundation Day, Christmas Day and Boxing Day.

Any worker absenting himself from work without reasonable cause, proof of which shall lie upon him, on the whole or any portion of the working day succeeding a holiday provided for herein, shall not be entitled to payment for such holiday.

(b) On any public holiday not prescribed as a holiday under this Award, the employer's establishment or place of business may be closed, in which case a worker need not present himself for duty and payment may be deducted, but if work be done, ordinary rates of pay shall apply.

(c) Except as hereinafter provided, a period of two (2) consecutive weeks' leave with payment of ordinary wages as prescribed shall be allowed annually to a worker by his employer after a period of twelve (12) months' continuous service with such employer.

(d) Seven-day shift workers, that is, shift workers who are rostered to work regularly on Sundays and holidays, shall be allowed one (1) week's leave in addition to the leave prescribed in subclause (c) hereof. Where a worker with twelve (12) months' continuous service is engaged for part of a qualifying twelve-monthly period as a seven-day shift worker, he shall be entitled to have the period of two (2) consecutive weeks' annual leave prescribed in subclause (c) hereof increased by one-twelfth (1/12th) of a week for each completed month he is continuously engaged as aforesaid.

(e) If any prescribed holiday falls within a worker's period of annual leave and is observed on a day which, in the case of that worker, would have been an ordinary working day, there shall be added to that period one (1) day being an ordinary working day for each such holiday observed as aforesaid.

(f) If after one (1) month's continuous service in any qualifying twelve-monthly period a worker lawfully leaves his employment or his employment is terminated by the employer through no fault of the worker, the worker shall be paid one-sixth (1/6th) of a week's pay at his ordinary rate of wage in respect of each completed month of continuous service.

(g) Any time in respect of which a worker is absent from work, except time for which he is entitled to claim sick pay, or time spent on holidays or annual leave as prescribed by this Award, shall not count for the purpose of determining his right to annual leave.

(h) In the event of a worker being employed by the employer for portion only of a year, he shall only be entitled, subject to subclause (f) of this clause, to such leave on full pay as is proportionate to his length of service during that period with such employer, and if such leave is not equal to the leave given to the other workers, he shall not be entitled to work or pay whilst the other workers of such employer are on leave on full pay.

(i) A worker who is dismissed for misconduct or who illegally severs his contract of service shall not be entitled to the benefit of the provisions of this clause.

(j) The provisions of this clause shall not apply to casual workers.

Clause 15—Absence Through Sickness.—Delete this clause and insert in lieu thereof:—

15.—Absence through Sickness.

(a) A worker shall be entitled to payment for non-attendance on the ground of personal ill-health for one-twelfth (1/12th) of a week for each completed month of service: Provided that payment for absence through such ill-health shall be limited to one (1) week in each calendar year. Payment hereunder may be adjusted at the end of each calendar year, or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

(b) A worker shall not be entitled to receive any wages from his employer for any time lost through the result of an accident not arising out of or in the course of his employment, or for any accident, wherever sustained, arising out of his own wilful default, or for sickness arising out of his own wilful default.

(c) No worker shall be entitled to the benefits of this clause unless he produces proof satisfactory to his employer of sickness, but the employer shall not be entitled to a medical certificate unless the absence is for three (3) days or more.

(d) Notwithstanding the provisions of subclause (c) hereof, a worker who, in any calendar year, has already been allowed paid sick leave on one occasion for one day only, or less, shall not be entitled to payment for any further absence unless he produces to the employer a medical certificate stating that he was unable to attend for duty on account of personal ill-health.

(e) Sick leave shall accumulate from year to year, so that any balance of the period specified in subclause (a) of this clause which has in any year not been allowed to any worker by his employer as paid sick leave may be claimed by the worker and, subject to the conditions hereinbefore prescribed, shall be allowed by his employer in any subsequent year without diminution of the sick leave prescribed in respect of that year. Provided that sick leave which accumulates pursuant to this subclause shall be available to the worker for a period of two (2) years but no longer from the end of the year in which it accrues.

Delete Clause 20—Representative Interviewing Workers, and insert in lieu thereof:—

20.—Inspections.

Subject to the observance of the security and safety regulations in force from time to time at the Refinery, the Secretary or other full-time representative of the Union, authorised in writing by

the President or Secretary of the Union, shall be allowed to enter the Refinery not more than once in any week for the purpose of inspecting working places and shall be permitted to interview workers during the recognised meal period and at the change of shifts. Such secretary or representative may, if he so desires, be accompanied by any other member of the Union employed by the respondent, not actually on duty.

Add the following new clause:—

26.—Liberty to Apply.

Liberty is reserved to either party to apply to further amend Clause 9—Shift Work.
