ALBANY HARBOUR BOARD ACT, 1926-1955. Albany Harbour Board—Resolution.

C.S.D. 16/53, Ex. Co. No. 1353.

THE ALBANY Harbour Board constituted under and by virtue of the Albany Harbour Board Act, 1926-1955, doth hereby amend in the manner mentioned in the Schedule hereunder the regulations made under the Act and published in the *Government Gazette* on the 30th day of March, 1951, and amended from time to time thereafter by notices published in the *Government Gazette*.

Schedule.

The abovementioned regulations are amended as follows:—

- (1) By inserting in regulation 2 after the word "month" the words "or upon such other days and"
- (2) By deleting from regulation 2a the words "subject to section 12 of the Act".
- (3) By deleting from regulation 2a the figures and symbols "£2 10s." and "£1 17s. 6d." and inserting in lieu thereof the words "four guineas" and "three guineas" respectively.
- (4) By adding to regulation 2a the following paragraph:—

Provided that the fees payable to the Chairman shall not in any one year exceed the sum of two hundred pounds and that those payable to any member other than the Chairman shall not exceed in any one year the sum of one hundred and fifty pounds.

The foregoing amendments shall have force and effect as from the 1st day of March, 1957.

Passed by a resolution of the Albany Harbour Board at a duly convened meeting of the Board held on the 8th day of May, 1957.

The Common Seal of the Albany Harbour Board was at the same time affixed and impressed hereto by order and in the presence of—

CHAS. E. BOLT,
Chairman.

T. G. GILMOUR,

HEALTH ACT, 1911-1956.

Resolution.

Ex. Co. No. 1358.

WHEREAS it is provided in the Health Act, 1911, as amended, that a local authority may, of its own motion, by resolution, adopt with or without modification, the whole or any portion of by-laws caused to be prepared by the Governor under the provisions of section 343 (1) of that Act; and whereas Model By-laws described as Series "A" prepared in accordance with those provisions, and duly amended, have, pursuant to the Reprinting of Regulations Act, 1954, been reprinted with amendments to and including that published in the *Government Gazette* on 18th May, 1955, and as so reprinted have been published in the *Government Gazette* on 9th August, 1956: Now, therefore, the Midland Junction Municipality, being a local authority within the meaning of the Act, doth hereby resolve and determine that the said Model By-laws, as so reprinted and published in the *Government Gazette* on the 9th August, 1956, shall be adopted with the modifications as follows:—

Schedule of Amendment and Modifications to Model By-laws.

Part I.—General Sanitary Provisions.

1. Part 1.—Insert after by-law 1B a new by-law 1C as follows:—

1C.—Provision of Apparatus for the Bacteriolytic Treatment of Sewage.

(a) By-law 1C shall apply to the part of Midland Junction Municipality described in the Schedule hereto.

(b) Every house constructed in the said part of the municipality after the date of the coming into operation of this by-law which is not within three hundred feet of an existing sewer shall be provided with a water closet or water closets to the number required by law and such water closet or water closets shall be connected to apparatus for the bacteriolytic treatment of sewage. Plans and specifications lodged with the municipality for approval after the date of the coming into operation of this by-law shall include water closet or water closets as required by this by-law.

(c) The installation of the apparatus shall be carried out in conformity with the requirements from time to time of the Metropolitan Water Supply, Sewerage and Drainage Department and shall be installed in a manner that will most facilitate the subsequent connection of such house to a public sewer.

The Schedule.

Commencing at a point at the boundary of this municipality at the corner of Croyden and Ruby Streets and following such boundary in a Northerly direction along Ruby Street to Great Eastern Highway; thence in a Westerly direction following the boundary of this Municipality along Great Eastern Highway to a point in the centre of the Junction of the Great Eastern Highway and Robinson Road; thence Southerly along the centre of Robinson Road to a point in the centre of the junction of Robinson Road and Rason Parade; thence in a Westerly direction along Rason Parade to the North-East corner of lot 11, Edward Street, and following the Northern boundary of lot 11, Edward Street, in a Westerly direction along the Northern boundaries of lot 2, Ridgeway Street, and continuing in a Westerly direction along the Northern boundary of lot 1 and continuing along the Northern boundary of Fergie Road and continuing along the Northern boundary of lot 25, Vincent Street, and continuing in a Westerly direction along the Northern boundary of that parcel of land owned by the Commonwealth Defence Department to the North-West corner, and continuing in a Westerly direction on a prolongation of this boundary to a junction with Jamieson Road; thence in a general Southerly direction along Jamieson Road to the Southern boundary of this municipality; thence following the Southern boundary of this municipality in a general Easterly direction to the junction of this boundary and the Western boundary of reserve 2101; thence in a Northerly direction along the Western boundary of reserve 2101 and following a prolongation of this boundary to the point of commencement.

2. By-law 3 is amended by adding a new paragraph after paragraph (b) to stand as paragraph (c) and to read as follows:—

(c) The owner, contractor and builder of any premises or any other place or lot where work is being carried out shall maintain the panstead within the earth closet or privy in a flyproof condition.

3. By adding after subparagraph (2) of by-law 4A of Part I a new subparagraph to be known as subparagraph (3) and to read as follows:—

4A. (3) At least one sink to be installed in the kitchen or scullery. Such sink to be properly supported at a suitable height, and to be so constructed as to facilitate the draining of all excess water from utensils on to an approved impervious surface which shall have a fall sufficient to allow such water to be drained back into such sink.

4. After by-law 4B insert a new by-law 4C as follows:—

4C. In relation to cooking facilities to be provided in houses or public places or private places in accordance with the provisions of section 99 of the Act, the following provisions shall apply:—

(1) Every house used for human habitation shall be provided with

(a) a wood cooking stove properly installed to provide for the escape of smoke through a properly constructed brick chimney, or

- (b) a gas or electric cooking stove. Where a stove operated by gas or any type of oil fuel is used for cooking or heating purposes, the waste products of combustion shall be conducted by an approved flue to the outside air without creating a nuisance. And where in any house common cooking facilities are used by more than three separate family units a separate stove shall be provided for each three family units or part of that number.
- (2) The stove or stoves provided in accordance with paragraph (1) hereof and all brickwork, chimneys or approved flues, recesses and other parts thereof shall at all times, whilst such house is occupied or used or available for occupation or use, be kept and maintained in good order and condition and properly repaired and fit for use.
5. By deleting the word "or" after the word "washhouse" in the second line of by-law 21 of Part I, and by adding the words "or trade" after the word "domestic" in the second line of by-law 21 of Part I.
- By inserting the words "owner or" before the word "occupier" in the first line of by-law 23 of Part I.

HEALTH ACT, 1911-1956.
Municipality of Geraldton.
By-laws.

P.H.D. 850/38.

WHEREAS under the Health Act, 1911-1956, the Governor may cause to be prepared Model By-laws for any of the purposes for which by-laws may be made by a local authority; and whereas Model By-laws described as Series "A" were prepared pursuant to such power and were published in the *Government Gazette* on 8th day of April, 1927, and were amended from time to time; and whereas such by-laws as amended from time to time prior to the 9th March, 1956, were reprinted pursuant to the Reprinting of Regulations Act, 1954, and (as so printed) were published in the *Government Gazette* on the 9th August, 1956; and whereas a local authority may adopt the whole or any portion of such by-laws with or without modification; and whereas a local authority may repeal or alter any by-law made or adopted by it: Now, therefore, Municipality of Geraldton, being a local authority within the meaning of the said Act doth hereby:—

- (a) Repeal all the by-laws heretofore made or adopted by it under and by virtue of the powers in that behalf contained in the said Act.
- (b) Adopt the aforesaid Model By-laws as reprinted and published in the *Government Gazette* on the 9th August, 1956, with the following modifications:—

Part 1, By-law 23—Subparagraph (c) of paragraph (2A) is deleted and the following paragraph is added to follow paragraph (3):—

- (4) Nothing in this by-law contained shall be deemed to authorise or require the disposal according to any of the methods set out in this by-law of any mixture of liquids and undissolved solid matter.

Part 1—The following headings and additional by-laws are inserted to follow By-law 23:—

Plumbing and House Fittings.

23A. (1) All fixtures and fittings installed in any house for the purpose of sewerage, drainage or disposal of liquid refuse after this by-law comes into operation shall—

- (a) be installed by a plumber registered pursuant to this by-law;
- (b) be of such description, materials, nature and construction and shall be so installed as to comply with the requirements of the by-laws made under the Country Towns Sewerage Act, 1948-1951, and for the time being in force notwithstanding that, for the purposes of that Act, such by-laws may not apply to the said house and, in the case of any fixture or fitting in respect of which none of such by-laws is applicable, shall be approved in writing by a health inspector;
- (c) not be deemed to comply with the requirements of this by-law or be used until they have been inspected by a health inspector and such inspector has by writing under his hand certified that in respect of the said house the requirements of this by-law have been complied with;
- (d) be left exposed and uncovered until so certified.

(2) For the purposes of this by-law—

- (a) "Fixtures" means any apparatus, together with its necessary appurtenances, which may be attached to the plumbing or drainage system of any property and which is intended for the collection or retention of any wastes or waste waters for ultimate discharge into the sewerage system or a septic tank or for disposal under By-law 23 of this part, such as closet pans, urinals, baths, sinks, basins, troughs and the like.
- (b) "Fittings" means all pipes, cisterns, traps, syphons, manholes, ventilators and all other apparatus connected with and requisite to secure the safe and proper working of any sewer, drain, septic tank, soak well or means of disposal of liquid waste.

(3) (a) Whenever it is intended to carry out any work in any house for the purpose of sewerage, drainage or disposal of liquid refuse, the owner of such house shall make application in writing to the local authority for permission to do so and such application, which shall be in a form approved by the local authority, shall be accompanied by a block plan in triplicate drawn to a scale of not less than one-eighth of an inch to a foot, and a specification in triplicate. Such plan shall show:—

- (i) The position of the drains in relation to adjacent buildings.
 - (ii) The situation and designation of the various fittings, disconnecting traps and vents.
 - (iii) The place and method of the ultimate disposal of the liquid waste.
- (b) No such work shall be commenced until the said plan and specification shall have been approved by the local authority and permission for such work shall have been given by it.

- (4) (a) No person shall carry on the trade or calling of a plumber in connection with sewerage or drainage work or the disposal of liquid refuse on any house within the district of the local authority, or do any plumbing work in connection with sewerage or drainage or the disposal of liquid refuse on any house within such district, unless he is registered with the local authority as a plumber.
- (b) No person shall be registered as a plumber under the last preceding subparagraph unless the local authority is satisfied that he is a fit and proper person to be so registered and—
- (i) he produces a certificate from an examiner appointed by the local authority for the purpose that he has proved himself competent by examination to undertake all classes of plumbing work in connection with sewerage and drainage; or
- (ii) he produces a current license as a water supply and sanitary plumber issued to him by the Minister controlling the Metropolitan Water Supply, Sewerage and Drainage Department.
- (c) Every application for registration as a plumber shall be on a form provided by the local authority for that purpose.
- (d) Registration shall be effected annually, and every registration shall expire and cease to have effect on the 30th day of June following the effecting thereof.
- (e) A fee of ten shillings shall be paid for each registration and shall be lodged with the application.
- (f) Any registration may be effected subject to any special conditions made by the local authority, and such registration may be revoked by the local authority upon breach of any such condition.
- (g) No registered plumber or other person shall commence or do any work in connection with the construction or laying down of any sewer, drain or plumbing work or in connection with the disposal of liquid refuse on any house within the said district unless the approval and permission hereinbefore required has first been given nor shall he cover any work hereby required to be left exposed.
- (h) Every registered plumber or other person who does any work in connection with the construction or laying down of any sewer or drain or the disposal of liquid refuse on any house within the said district shall comply with the foregoing provisions of this by-law in so far as the same are applicable or relevant.
- (i) Any person who is registered as a plumber by the said local authority at the time of the coming into force of this by-law shall be deemed to be registered under this by-law until the 30th day of June next following that time, subject however to any special conditions upon which his registration was made.
- (5) Nothing in this by-law contained shall be deemed to refer to any sewerage or drainage work which shall, by reason of the Country Towns Sewerage Act, 1948-1951, or by-laws thereunder, be outside the control or regulation of the local authority.

Part 1—The following heading and additional by-law are inserted to follow By-law 23A.:—

Pig Swill.

23B. (1) In this by-law the term "pig swill" means residues or wastes, whether solid or liquid or part of each, from kitchens, manufacturies, shops, abattoirs or markets, which residues or wastes may be used as food for pigs.

(2) The occupier of premises upon which pig swill accumulates shall, in manner hereinafter required, provide sufficient receptacles of a kind hereinafter stipulated to take all such swill and to permit replacement of any receptacle or receptacles upon removal for disposal of the swill.

(3) Every receptacle shall conform to the following specifications:—

- (a) It shall be constructed of galvanised iron of not less than 24 gauge and shall be cylindrical with a diameter of 18 inches and a depth of 21 inches internal measurements.
- (b) It shall have two riveted carrying handles.
- (c) It shall have a tight fitting lid with a flange overlapping the top of the receptacle.
- (d) The bottom shall be reinforced with two crossed hoop-iron straps of 18 gauge, returned three inches up the side of the receptacle and riveted to the bottom and the sides.
- (e) It shall be water tight.

Provided, however, that any receptacle to be provided hereunder for any particular premises may, with the special written approval of a health inspector, be of greater capacity than that hereinbefore provided for.

Provided further that if, in the opinion of a health inspector, the provision of receptacles conforming to the foregoing specifications shall for any reason be impracticable, he may by written notice to the occupier of the premises authorise a departure from such specifications in the particulars set out in such notice, but such notice shall have effect only in respect of the receptacle or receptacles immediately provided pursuant thereto.

(4) The occupier of the premises shall provide a raised platform erected at least 18 inches above the ground level and of sufficient size, on which shall be kept the receptacles in use.

(5) The occupier of the premises shall cause all pig swill from the premises to be deposited in a receptacle provided under this by-law and shall cause the lid of such receptacle to be kept firmly in place except only when pig swill is being placed in or removed from the receptacle.

(6) The occupier of the premises shall ensure that no material other than pig swill is deposited in a receptacle provided hereunder and in particular he shall not permit the deposit therein of any metal or glass materials, paper, cardboard or wood.

(7) Except where otherwise directed by a health inspector by written notice, the receptacle or receptacles in use at any premises shall be removed daily and shall be replaced by the receptacle or receptacles provided for the purpose. In case of premises in respect of which such a direction has been made the frequency of removals shall be in accordance with the terms of the notice (which may be varied or withdrawn by a health inspector at any time) but otherwise there shall be no difference in the methods to be followed hereunder.

(8) The removal of pig swill deposited in the receptacles shall be carried out by the local authority or its contractor and the following stipulation shall be observed in such removal and the disposal of the refuse:—

- (a) The person removing a receptacle shall (except in the case of a first removal) replace the receptacle with the other receptacle provided for replacement purposes.
- (b) The receptacle removed shall be placed directly on to the removal vehicle, the lid of the receptacle being kept securely in position and no portion of the contents shall be emptied except at the place of disposal.
- (c) The contents of all receptacles removed as aforesaid shall be disposed of by the local authority or its contractor either as food for pigs or by burial at a disposal depot according to the directions of the local authority given from time to time. If buried, such contents shall be buried in a trench not exceeding two feet in depth nor two feet in width and the covering shall be a layer of clean earth, of at least six inches in depth, which shall be applied promptly after deposit.
- (d) After a receptacle has been emptied on disposal of the contents, it and its lid shall be dealt with in manner provided in paragraphs (d) and (e) of the foregoing by-law, numbered 7 for the cleansing, disinfecting and coating of sanitary pans.
- (e) Each receptacle removed shall be returned to the premises from which it was taken, on the occasion of the next removal.
- (f) The removal vehicle shall at all times be kept in good order and in a clean state and no vehicle which a health inspector shall certify to be unfit for the purpose shall be used.

(9) The occupier of premises shall mark his receptacle in a conspicuous manner so as to be readily capable of identification and he shall forthwith replace any receptacle which shall become damaged or unsuitable for its purpose.

Removal of House and Trade Refuse, etc.

23C. Whenever the local authority shall have undertaken or contracted for the efficient execution of any of the works described in section 112, subsection (1) of the Act within its district or any specified part of its district, no person shall execute or undertake the execution of the works so undertaken or contracted for by the local authority within such district or part (as the case may be) so long as the local authority or its contractor executes or continues the execution of the work or is prepared and willing to execute or continue the execution of the work.

Part IX, Section B, By-law 9, is deleted and the following by-laws are substituted:—

- (9) No such occupier shall slaughter any animal except between the hours of 6 a.m. and 12 noon on Mondays to Fridays inclusive, public holidays excepted.
- (10) No person shall sell within the district of the local authority any fresh meat of any animal slaughtered in any slaughter-house outside such district unless such slaughterhouse has been approved by the local authority or the Commissioner.

- (11) No fresh meat or carcass shall be presented for inspection by an inspector of the local authority except between the hours of 2 p.m. and 5 p.m. on Mondays to Fridays inclusive, and 9 a.m. to 12 noon on Saturdays, public holidays excepted.
