7.—Acting Work.

(a) A fireman or trainee engineman who has acted in the capacity of a driver or fireman, respectively, for three hundred and thirteen (313) days shall be appointed to the higher grade, and the date of such appointment shall, notwithstanding subsequent regression, be taken for the purpose of determining when advancements from class to class become due. To ascertain the number of days acting work performed by a worker, all acting work heretofore or hereafter shall be counted, and the total number of hours worked by him in the higher capacity up to 31st December, 1925, shall be divided by eight (8). From 1st January, 1926, to 3rd January, 1948, the total number of hours to be divided by seven and one-third ($7\frac{1}{3}$) and from 4th January, 1948, the total number of hours to be divided by six and two-thirds ($6\frac{2}{3}$).

(b) For the purpose of maintaining the present order of seniority amongst the workers, the following provisions shall obtain:—

(i) The Commission shall, as far as practicable, arrange that firemen and trainee enginemen shall have the benefit of acting work, according to seniority, and to that end shall transfer them from one depot to another, as may be necessary.

(ii) Subject as hereinafter provided, when a fireman or trainee engineman has qualified by acting work and is appointed to a higher grade under subclause (a) of this clause, each fireman or trainee engineman, as the case may be, above him on the classification shall be deemed to have similarly qualified and shall also be appointed to the higher grade: Provided, however, that the foregoing provision shall not apply to any fireman or trainee engineman who, during the preceding twelve (12) months, has lost the opportunity of himself getting the benefit of acting work by reason of his failure to accept a transfer from one depot to another.

(c) A driver or fireman may, when traffic conditions so require, be temporarily employed as fireman or trainee engineman respectively, but whilst acting in the lower grade shall be paid the rate which he was receiving as driver or fireman respectively.

(d) A review of the work performed in advanced capacity during the previous three (3) months shall be made after the close of the last period in the months of March, June, September and December. Any adjustment of the staff to date from the fifteenth day after the close of each review period.

(i) Workers appointed under subclause (a) may be regressed; provided that the total amount of advanced capacity work performed during the two (2) weeks preceding that in which such appointments became due is less than the margin stipulated in subclauses (e), (f) and (g); should the advanced capacity work performed for the same period be in excess of the margin provided in subclauses (e), (f) and (g), appointments equal to such excess shall be retained. Regressions under this subclause to be made within a fortnight of such appointments becoming due.

(j) No driver or fireman in any class shall be regressed until all drivers and firemen respectively in the classes (if any) below him shall have been similarly regressed. After such regression, and whilst doing work in the lower grade, the drivers and firemen so regressed shall be paid the maximum rates provided for firemen and trainee enginemen respectively. Notice of intention to regress to be served on the Union.

8.—Retirement and Dismissal.

(a) No worker after six (6) months' continuous service shall leave the service of the Commission until the expiration of two (2) weeks' written notice of his intention so to do, without the approval of the Commission.

Such time shall not be regarded as acting time as fireman.

39.—Discipline.

The head of the branch shall have power to reprimand, fine, suspend from duty, reduce in grade, or dismiss any worker, and to remove any driver or fireman from a locomotive footplate. When a charge has been made against any worker, he shall be supplied with a copy of such charge and any reports upon which it is based. (h) Where, owing to absence from duty of a worker through leave or illness, it is not possible to notify him within the period prescribed in sub-clause (c) that he has been reported, the provision shall be regarded as having been complied with if he is so notified within seven (7) days of his resuming duty following such absence. In such cases, the period in which the final decision as per sub-clause (d) may be made shall be extended to three (3) calendar months from the date of the worker's resumption of duty following absence.

41.—Secretary's Leave and Passes.

The Commission will grant leave without pay for a continuous period or otherwise, of thirty (30) days in each year, to the secretary (should such secretary be a railway servant) to enable him to attend exclusively to the Union work, and a free pass will be issued to the secretary, whether a railway servant or not, for that period, but may be withdrawn at the Commission's discretion; such pass to be used exclusively for Union work and not for political purposes.
