HIS Excellency the Governor in Executive Council, acting pursuant to section 12 of the Bulk Handling Act, 1935-1953, has been pleased to approve of the amendment of the Articles of Association of Co-operative Bulk Handling Ltd. as set forth in the copy of the resolution passed by the Company on 1st August, 1957, contained in the schedule hereunder.

G. K. BARON HAY,
Director of Agriculture.

Schedule.

At the extraordinary general meeting of shareholders of the Company held on 1st August, 1957, the following resolution for the Amendment of the Articles of Association of the Company was carried:—

That, subject to the consent of the Governor under section 12 of the Bulk Handling Act (1935-1953), the Articles of Association be amended as follows:—

In Article 84 (a):—

Firstly—delete the words “For the purpose of handing over to the growers and thereafter the Directors” and substitute the words “As from and including the year 1958 the nine Directors.”

Secondly—in subsection (i) delete the word “five” and substitute the word “nine.”

Thirdly—in subsection (ii) delete the words “such Directors shall be known as District Directors.”

Fourthly—in subsection (iii) delete the word “district.”

Fifthly—delete subsection (iv).

Sixthly—delete sub-section (v).

So that the Article will then read:—

84 (a). As from and including the year 1958 the nine Directors shall be elected on the following basis:—

- (i) The State shall be divided into nine districts each containing approximately the same number of shareholders. The method of division shall be a function of the Directors and may be varied from time to time as may be considered necessary.
- (ii) One Director shall be elected to represent each such district by the shareholders having their main wheat growing interests in such district.
- (iii) The qualification for Director shall be that he is a shareholder and has his main wheat growing interests in the district for which he is a candidate.

Insert the following new Article after Article 84 (b) namely:—

84 (c). The Directors in office at the commencement of the Ordinary General Meeting of the Company held in the year of 1958 shall retire at the close of such meeting but being properly qualified will each be eligible for re-election.

In Article 89:—

Firstly—delete the words and figures “One District Director elected under paragraph (ii) of Article 84 (a) and one Director elected under paragraph (iv) of Article 84 (a)” and substitute the words “During each period of five years commencing with the year 1959 two Directors shall retire in each of the first four years and one shall retire in the fifth year.”

Secondly—insert after the words “Ordinary General Meeting” the words “and if the Director vacating office as aforesaid would have been due to retire in a definite year.”

Thirdly—at the end of the Article delete the words “Provided further that as to State Directors only where on account of one or more casual vacancies two or more Directors are elected the Director or Directors to be deemed under this Article to have been elected to fill up such vacancy or vacancies shall be determined by lot, unless one of the elected Directors is a retiring Director when he shall be deemed to fill the vacancy caused by his own retirement.”

So that the Article will then read:—

89. During each period of five years commencing with the year 1959, two Directors shall retire in each of the first four years and one shall retire in the fifth year. The Directors to retire shall be those who have been longest in office since their last election. As between Directors of equal seniority the Directors to retire shall be selected by lot. A retiring Director shall be at any time eligible for re-election if properly qualified. Directors shall be elected each year to fill the vacancies so caused and also vacancies caused by the retirement of Directors appointed under Article 86 and any casual vacancies provided that where a Director is elected to fill up a casual vacancy caused by the retirement of a Director appointed under Article 86 to fill up a prior casual vacancy (or is so elected to fill up a casual vacancy which has not been filled up under the said Article) and unless the Director who vacated office and caused such prior casual vacancy (or unfilled casual vacancy as the case may be) would have been due to retire under this Article at the close of the next succeeding Ordinary General Meeting and if the Director vacating office as aforesaid would have been due to retire in a definite year then the Director so elected shall not retire under this Article until the Director vacating office as aforesaid would have been due to retire had he not so vacated office.

Approved by His Excellency the Governor in Executive Council, 18th September, 1957.

R. H. DOIG,
Clerk of the Council.
