(e) Any worker on a weekly engagement who is ready, willing and available for work shall be provided with a full week's work by the employer. (a) When a worker is sent to work from an employer's recognised place of business, the employer shall pay all travelling time from such place of business to the job, and if the worker is required to return the same day to the employer's place of business, the employer shall pay travelling time to the place of business.

(b) A worker sent to a job away from his regular place of duty shall be paid for any fares in excess of those incurred in travelling from his home to his regular place of duty and return.

(c) Where a worker is required to work before the commencement or after the cessation of public transport, the employer shall, if reasonably necessary, provide the means of transport to enable the worker to travel from his place of residence to the job or return.

#### 11.—Special Rates and Provisions.

(a) All workers called upon to clean closets connected with septic tanks or sewerage shall receive an allowance of sixpence (6d.) per closet per week up to a maximum amount of three shillings (3s.) per week. This allowance shall not apply to cleaners employed exclusively on lavatories, not to cleaners employed on piece-work basis.

(b) Workers called upon outside the ordinary working hours to wash towels shall be paid three shillings (3s.) per dozen for ordinary towels and three shillings and sixpence (3s. 6d.) per dozen where towels are rendered exceptionally dirty by grease. Dusters shall be paid for at the rate of two shillings (2s.) per dozen.

(c) (i) Any worker who is required to clean windows where it is necessary to go wholly outside the windows or to climb around an outside column at a height of more than ten (10) feet above the nearest horizontal plane shall, if the outside window or column ledge is less than twenty (20) inches wide, be paid an allowance of threepence (3d.) per window. This provision shall not apply to cleaning from a ladder resting on such horizontal plane.

(ii) When cleaning is done from a ladder and any portion of the window to be cleaned is more than twenty-five (25) feet from the nearest horizontal plane the worker shall be paid the allowance prescribed in paragraph (i) hereof. Provided that the allowance shall not be paid for cleaning from the interior of a building unless the worker is required to ascend to a height greater than twenty-five (25) feet from the nearest horizontal plane.

(iii) The allowance prescribed herein shall not be paid where adequate safety appliances are supplied. Where such appliances are supplied they must be used by the worker.

(d) Employees of the University required to provide and use their own bicycles shall be paid an additional sixpence (6d.) per day with a maximum of three shillings (3s.) per week.

(e) Employees of the University called upon to work regular shifts outside the normal working hours prescribed in this award as approved by a Board of Reference shall receive an allowance of two shillings and sixpence (2s. 6d.) per shift.

(f) Caretakers of schools where evening classes are held shall receive an additional allowance of two shillings and sixpence (2s. 6d.) per night.

(g) No female cleaner shall be permitted to ascend to a greater height from the floor or ground than three (3) feet to do any cleaning. The employer shall provide a suitable appliance for this purpose.

(h) No female cleaner shall be required, or permitted to chop wood.

(i) Wool dusters, when procurable, polishing mops, all cleaning materials and disinfectants shall be provided by the employer.

(j) In cases of urgent necessity nightwatchmen shall be permitted to leave the premises subject to their notifying the officer-in-charge at the first available opportunity and their returning to duty as soon as possible.

(k) Watchmen shall be provided with facilities for boiling water where practicable, and shall be allowed to eat their meals in some clean place protected from the weather. Every worker shall leave such place in a thoroughly clean condition.

(l) A junior worker between fifteen (15) and sixteen (16) years of age shall not be required to do work which necessitates his ascending more than eight (8) feet from the ground.

#### 12.—Public Holidays.

(a) Except as hereinafter provided, each of the following days, or the day observed in lieu thereof, shall be allowed as a holiday to all workers and be paid for, namely: New Year's Day, Australia Day (26th January), Good Friday, Easter Saturday, Easter Monday, Anzac Day, Labour Day, Foundation Day, Sovereign's Birthday, Christmas Day and Boxing Day.

(b) Whenever any holiday falls on an employee's ordinary working day and the employee is not required to work on such day he shall be paid for the ordinary hours he would have worked, or, in the case of a pieceworker, for the work he would have performed on such day if it had not been a holiday. If any worker other than a watchman or a pieceworker, is required to work on a holiday he shall be paid for the time worked as if it was an ordinary working day and shall, in addition, be allowed a day's leave with pay to be added to the annual leave or to be taken at some subsequent date if the worker so agrees.

(c) If a watchman is required to work on a holiday he shall be paid for the time so worked at the rate of time and one-half.

(d) If a pieceworker is required to work on a holiday he shall receive an extra day's wages for such day.

(e) In the case of workers working a five-day week no payment or day in lieu shall be granted for any holiday falling on a Saturday.

(f) Payment for holidays shall be in accordance with the usual hours of work.

(g) When a worker is off duty owing to leave without pay or sickness, including accidents on or off duty, except time for which he is entitled to claim sick pay, any holiday falling during such absence shall not be treated as a paid holiday. Where the worker is on duty or available on the working day immediately preceding a holiday, or resumes duty or is available on the working day immediately following a holiday, as prescribed in this clause, he shall be entitled to a paid holiday on all such holidays.

(h) The provisions of this clause shall not apply to casual workers.

#### 13.—Annual Leave.

(a) Except as hereinafter provided a period of two (2) consecutive weeks' leave with payment of ordinary wages as prescribed shall be allowed annually to a worker by his employer after a period of twelve months' continuous service with such employer, provided that in the case of Watchmen three (3) consecutive weeks' leave shall be granted.

(b) If any award holiday falls within a worker's period of annual leave and is observed on a day which in the case of that worker would have been an ordinary working day there shall be added to that period one (1) day being an ordinary working day for each such holiday observed as aforesaid.

(c) (i) Subject to paragraph (ii), when computing the annual leave due under this clause no deduction shall be made from such leave in respect of the period that a worker is on annual leave and/or holidays. Provided that no deductions shall be made for any approved period a worker is absent from duty through sickness with or without pay unless the absence exceeds three (3) calendar months, in which case deduction may be made for such excess only.

(ii) Approved periods of absence from work caused through accident sustained in the course of employment shall not be considered breaks in continuity of service, but the first six (6) months only of any such period shall count as service for the purpose of computing annual leave.

(d) In the event of a worker being employed by an employer for portion only of a year, he shall only be entitled to such holidays on full pay as are proportionate to his length of service during that period with such employer.

(e) Any worker who may resign or be dismissed from the service for any cause, other than for peculation or theft, shall be entitled to receive payment for any annual leave which may have been due up to the time of leaving the service, provided always that if the worker has been dismissed for peculation or theft no claim for annual leave shall be recognised. Misconduct herein referred to shall not affect accumulated annual leave or payment therefor.

(f) (i) When work is closed down for the purpose of allowing annual leave to be taken, workers with less than a full year's service shall only be entitled to payment during such period for the number of days' leave due to them.

(ii) All leave due to pieceworkers shall be taken during the Christmas school vacation.

(g) Workers regularly working for the Government north of South Latitude 26 shall be allowed to accumulate annual leave for two (2) years, subject to the convenience of the Department. Such workers who proceed to Fremantle and Geraldton during the period of such leave shall be allowed once in each two (2) years reasonable travelling time on the forward and return journeys between the place of their employment and either of the said Ports.

(h) "Ordinary wages" for the purpose of sub-clause (a) hereof shall mean the rate of wage the worker has received for the greatest proportion of the calendar month prior to his taking the leave.

(i) The provisions of this clause shall not apply to casual workers.

## 14.—Long Service Leave.

(a) Subject to subclause (b) hereof, the conditions governing the granting of long service leave to full-time Government wages employees generally shall apply to workers covered by this Award.

(b) This clause shall not apply to workers on a weekly engagement working less than twenty-five (25) hours per week nor to piecework cleaners in schools of less than 6,600 square feet floor space area.

## 15.—Absence through Sickness.

(a) (i) A worker shall be entitled to payment for non-attendance on the ground of personal ill health for one-sixth (1/6th) of a week's pay for each completed month of service.

(ii) If, in any calendar year any absence through sickness exceeds the worker's current entitlement, and, by service subsequent to the sickness the worker becomes entitled to further sick leave with pay, payment may be adjusted at the end of that calendar year or at the time the worker leaves the service of the employer, whichever is the sooner.

(iii) Any unused portion of the sick leave herein prescribed up to a maximum of one (1) week in respect of each calendar year shall be allowed to accumulate and may be availed of in the next or any succeeding year.

(b) This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

(c) No worker shall be entitled to the benefits of this clause unless he produces proof satisfactory to the employer, or his representative, of sickness, but the employer shall not be entitled to a medical certificate unless the absence is for more than two (2) days.

(d) No payment will be made for any absence due to the worker's own fault, neglect or misconduct.

## 16.—Preference.

Every person who is at present employed, or may at any time hereafter become employed on work to which this Award applies, shall not be continued in employment unless he or she is a member of the West Australian Cleaners, Caretakers, Lift Attendants, Window Cleaners, Attendants, and Watchmen's Industrial Union of Workers, Perth, or makes application to join the said Union within fourteen (14) days of engagement.

Provided that any person who is a member of another recognised Industrial Union shall not be required to join the Cleaners and Caretakers' Union until the expiry of his current ticket with the other Union: Provided also, that this clause shall not operate in regard to casual workers or to part-time female workers engaged for less than twelve (12) hours per week and employed outside a radius of twenty-five (25) miles of the General Post Office, Perth.

(b) (i) An amount up to a maximum of seventeen shillings per week shall be deducted from the amount of wages of a caretaker for the value of quarters light and fuel supplied by the employer. In assessing the rental value of quarters, special consideration shall be given to those caretakers who are required to occupy rooms within the building of which they are caretakers.
