Pending the hearing and determination of this appeal to

the General Manager, the appointment made shall be considered as purely temporary, so that in the event of the appeal succeeding the senior worker may be appointed to the position.

(e) After three (3) months' continuous service in a higher grade a vacancy shall be deemed to exist in such grade, and it shall be filled subject to subclause (c): Provided however that this sub-clause shall not apply where the position filled is caused by sickness, accident, long service leave, or leave without pay, or holidays of any worker.

6.—Retirement.

(a) No worker after six (6) months' continuous service shall leave the Department until the expiration of fourteen (14) days' written notice of his intention so to do without the approval of the General Manager.

(b) Except in the case of summary dismissal for misconduct, fourteen (14) days' written notice shall be given by the General Manager to any such worker whose services are no longer required, and the reason for dismissal shall be stated in such notice.

(c) In the event of either the General Manager or the worker failing to give the prescribed notice, wages shall be paid or forfeited, as the case may be, to the extent by which the actual notice given falls short of the fourteen (14) days' notice. Wages so forfeited by the worker may be deducted from any wages due to such worker up to the time of his leaving the service of the General Manager: Provided that where both parties agree to the acceptance of notice of less than fourteen (14) days, no penalty shall be imposed.

7.—Absence from Duty.

(a) Any worker losing time through sickness or injury shall, as soon as possible, notify his foreman, or other officer-in-charge, in sufficient time to permit of arrangements being made for the performance of his duties. Any such worker who fails to do so shall be treated as absent without leave.

(b) Subject to the provisions of Clause 8 (Payment for Sickness) any worker losing time through sickness or special leave shall be reduced in wages only to the extent of the time actually lost through sickness or granted as special leave.

8.—Payment for Sickness.

(a) (i) A worker shall be entitled to payment for non-attendance on the ground of personal ill-health at the rate of one-twelfth (1/12th) of the guaranteed week's work for each completed month of service: Provided that payment for such absence through such ill-health shall be limited to one (1) week in each year, but the sick leave herein provided shall be allowed to accumulate and any portion unused in any year may be availed of in the next or any succeeding year.

(ii) Payment hereunder may be adjusted at the end of each year, or at any time the worker leaves the service, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

(b) No worker shall be entitled to the benefits of this clause unless he produces proof to the satisfaction of the General Manager or his representative of sickness, but the General Manager shall not be entitled to a medical certificate unless the absence is for three (3) days or more.

(c) No payment will be made for any absence due to a worker's own fault, neglect or misconduct.

9.—Apprentices.

(a) The employment of apprentices shall be governed by the provisions of the schedule annexed hereto.

(b) Apprentices shall be allowed to the following trades:—

Mechanical Fitter, Motor Mechanics, Electrical Fitter, Blacksmith, Turner, Battery Fitter.

(c) Notwithstanding anything elsewhere contained in this Award to the contrary, an apprentice required to live away from his home shall be paid not less than the rate applying to an apprentice in his second year.

10.—Annual Leave and Holidays.

1.—Annual Leave:

(a) Every worker shall, after twelve (12) months' continuous service be entitled to two (2) weeks' leave on full pay each year, the whole of which shall, except by agreement between the General Manager and the Union to the contrary, be taken at one time in each year: Provided always that, with the consent of the General Manager, annual leave may be allowed to accumulate for two (2) years.

(b) Workers shall be paid for annual leave at their graded rates of pay when such annual leave is taken: Provided that, if immediately before such annual leave is taken the worker is acting in higher capacity, and has been so acting for a period of not less than two (2) months continuously, the annual leave shall be paid for at the rate applicable to such higher capacity position.

(c) Every worker after one (1) months' continuous service shall be entitled to the foregoing two (2) weeks' annual leave in proportion as the length of service is to the appropriate period of annual leave.

(d) No deduction shall be made from the annual leave for the period any worker is off duty through sickness unless the absence exceeds three (3) calendar months.

(e) At depots and stations where it can be conveniently done, a roster shall be posted showing the approximate dates on which each worker will go on his annual leave and resume duty. Such roster will be subject to alteration to meet the exigences of the service: Provided always that, with the approval of the head of the branch, any worker may change dates with another.

(f) When work is closed down over Christmas and New Year for the purpose of annual leave, workers with less than a full year's leave due will only be entitled to payment during such period for the number of days' leave due to them.

(g) Any worker who may resign or be dismissed from the service for any cause, other than for peccation or theft, shall be entitled to receive payment for any annual leave which may have been due to the time of leaving the service: Provided always that if the worker has been dismissed for peccation or theft, no claim for annual leave shall be recognised. Misconduct herein referred to shall not affect accumulated annual leave or payment therefor.

(h) Workers required for duty during annual leave at Christmas shall be given at least one (1) month's notice in writing of their services being required, unless such notice is waived by the worker.

2.—Holidays:

(a) In addition to their annual leave, the following days shall be observed as holidays: New Year's Day, Australia Day, Good Friday, Easter Saturday, Easter Monday, Anzac Day, Labour Day, Foundation Day, Sovereign's Birthday, Christmas Day, Boxing Day and any other day proclaimed as a general public holiday.

(b) Whenever any holiday falls on an employee's ordinary working day and the employee is not required to work on such day he shall be paid for the ordinary hours he would have worked on such day if it had not been a holiday. If he is required to work on a holiday he shall be paid for the time worked as if it were an ordinary working day and shall in addition be allowed a day's leave with pay to be added to the annual leave or to be taken at some subsequent day if the worker so agrees.

(c) In the case of workers working a five (5) day week, no payment or day in lieu shall be granted for any holiday falling on a Saturday.

(d) When any holiday falls on a Sunday, workers shall not be granted a paid holiday except where that holiday is observed on the following Monday.

(e) (i) When a worker is off duty owing to leave without pay or sickness, including accidents on or off duty, any holiday falling during such absence shall not be treated as a paid holiday. Where the worker, however, is on or is available for duty on the working day immediately preceding a paid holiday or resumes or is available for duty on the working day immediately following a holiday the worker shall be entitled to a paid holiday on such holiday.

(ii) In accordance with the long service leave agreement any holiday occurring during the period in which a worker is on long service leave shall be calculated as portion of the long service leave and extra days in lieu shall not be granted.

(f) A worker who finishes a shift not later than 4 a.m. on a holiday, and is not again booked on duty for that day, shall be treated as having had a paid holiday.

(g) If a worker is called on duty on an emergency job on a holiday outside his ordinary hours of duty for a short period he shall be paid a minimum of two (2) hours at ordinary rates. In such event the worker shall be deemed to have had a holiday and shall be paid in full for such holiday.

11.—No New Designation.

No new designation shall be introduced during the currency of this Award so as to reduce the status of any worker covered thereby.

12.—Under-rate Workers.

(a) A worker who is unable to earn the minimum rate hereby prescribed may be employed at a lower rate which shall be agreed upon in writing between the worker and the secretary of the worker's union.

(b) If within seven (7) days after being notified of the worker's desire to work at a lower rate of wage than that prescribed, the said secretary and the worker are unable to agree upon a lower rate then the worker may apply in writing to the nearest Resident or Police Magistrate to fix such lower rate of wage. The worker shall give such secretary two (2) days' notice in writing of his intention to apply to the Magistrate, and the said secretary or his agent may attend and oppose the application. The Magistrate may fix the rate of wage and his decision shall be final.

(c) Any worker whose wage shall have been so fixed may work for and be employed by the General Manager for such wage for the period of six (6) calendar months thereafter, and after the expiration of the said period until fourteen (14) days' notice in writing shall have been given him by the secretary of his Union requiring his wage to be again fixed in the manner prescribed by this clause.

13.—Shop Stewards.

Subject to the recognition of properly constituted authority, shop stewards to be appointed by the Union shall be recognised by the General Manager.

14.—Hours of Duty.

(a) Forty (40) hours exclusive of Saturday and Sunday shall constitute a week's work.

(b) No day's work shall exceed eight (8) hours without the payment of overtime.

(c) Any worker brought on duty for any purpose outside his ordinary working hours shall be paid a minimum of two (2) hours or at overtime rate, whichever is the greater provided such work exclusive of meal-time is not continuous with his shift.

(d) Ordinary hours of duty other than for shift work shall be between 7 a.m. and 4.45 p.m.

(e) Meal interval shall not exceed one (1) hour.

15.—Guaranteed Week.

(a) The General Manager shall guarantee to each worker, other than a casual, a full week's work, exclusive of Sunday work, except during such period as by reason of any action on the

part of any section of his workers, or for any other cause beyond his control, he is unable wholly or partially to carry on the running of the services. Each week shall stand by itself.

(b) The guarantee period may be reduced as follows:—

- (i) In respect of any worker under suspension: Provided that any worker suspended on a charge which is not sustained shall be entitled to the benefit of the guarantee during the period of his suspension.
- (ii) In respect of any day when, as a result of a vote taken by the workers concerned with the consent of the General Manager, or by agreement between the General Manager and the Union, a holiday is taken.
- (iii) In respect of any day a worker is absent except through sickness as provided for in Clause 8.

16.—Overtime and Sunday Time.

(a) (i) All time worked in excess of or outside of the usual working hours in any one (1) day shall be paid at the rate of time and a half for the first four (4) hours and thereafter double time: Provided that double time shall be paid for overtime on all work other than work for any department of the State or Commonwealth.

(ii) Extra rates shall be computed on the rate applicable to the day on which the time is worked: Provided that double time, i.e., twice the ordinary rate, shall be the maximum.

(b) Subject to subclause (a) (ii), time worked on Sundays shall be paid for at the rate of double time.

(c) Any worker brought on to work outside his ordinary working hours shall, except when such work, exclusive of meal time, is continuous with his ordinary shift, be paid a minimum of two (2) hours: Provided that the worker shall not be obliged to work for the two (2) hours if the job for which he has been brought on has been completed in less time.

(d) Junior workers and apprentices under the age of eighteen (18) years shall not be required to work overtime without their consent.

(e) Any worker brought on duty on a Saturday or Sunday shall be paid a minimum of four (4) hours at the rate applicable to that day, and shall not be required to work for the four (4) hours if the work for which he is brought on duty does not last that period.

Provided further that if the worker is again called out for duty within the first period of four (4) hours he shall not receive further payment until the expiration of the first four (4) hours when payment shall be made at the appropriate rate for all time worked with a minimum of four (4) hours.

(f) When overtime work is necessary, it shall whenever reasonably practicable, be so arranged that employees have at least eight (8) consecutive hours off duty between the finish of one (1) day and time of commencement on next day.

(g) An employee working overtime shall be allowed a crib time of twenty (20) minutes without loss of pay after each four (4) hours of overtime if the employee continues work after such crib time.

(h) All time worked during the usual meal time by any worker shall be paid for at overtime rates, and such rates shall continue until the worker knocks off for his meal.

(i) When a worker without being notified on the previous day is required to work overtime for more than one (1) hour after his usual knock-off time, he shall be provided with any meal required or shall be paid three shillings and sixpence (3s. 6d.) in lieu thereof.

17.—Shift Work.

(a) The Department may, if it so desires, work any part of its establishment on shifts, but before doing so shall give notice of its intention to the Union.

(b) Work other than day shift shall not be recognised as afternoon or night shift unless in either case five (5) consecutive afternoons or nights are worked, but shall be deemed to be overtime; on completion of the fifth consecutive afternoon or night's work the worker shall be deemed to have been employed on afternoon or night shift, as the case may be, during the preceding four (4) afternoons or nights, and thereafter during any subsequent consecutive afternoons or nights he is so employed. The sequence of shift work shall not be deemed to be broken under this paragraph by reason of the fact that the works are closed on a Saturday, Sunday or on any public holiday.

(c) Overtime on afternoon or night shift shall be calculated on the basis of the rate paid for afternoon or night shift respectively, provided that in no circumstances shall the maximum payment exceed double time.

(d) All shifts except the day shift shall be paid for at the rate of time and a quarter.

18.—Height Money.

Employees required to work at a height of fifty (50) feet or more above the nearest horizontal earth plane shall be paid one shilling and eightpence (1s. 8d.) per day extra.

19.—Right of Entry.

Accredited representatives of the applicant Unions desiring to enter premises of the Department must first make application to the responsible officers of the section, stating the nature of their business.

(a) In this clause the term "Unionist" means a worker who is a member of one of the applicant Unions, and the term "Non-Unionist" means a worker who is not a member of one of the applicant Unions.

(b) Unionists shall be given preference of employment and if the General Manager employs a non-unionist it commits a breach of this Award if during such employment there are unionists competent to do the work and available and ready to perform it.

(c) Notwithstanding the provisions of subclause (b) hereof, it shall not be a breach of this clause for the General Manager to employ a non-unionist if the latter, within fourteen (14) days of the commencement of his employment, makes application to join the Union and thereafter, if accepted, completes such application.

(d) Liberty is reserved to any party to this Award to apply to cancel or amend this clause at any time during the currency of the Award.

(e) If during the continuance of this Award any of the applicant Unions or the majority of the members of any of the applicant Unions shall be concerned in or take part in anything in the nature of a strike, the benefit of this clause to such particular Union or Unions, shall ipso facto cease and determine.

(f) If any employment subsists or continues to subsist in breach of this clause, both the employer and the worker concerned shall be liable to a penalty for the breach.

(7) Reasonable washing facilities shall be provided for workers and where required by a worker a suitable locker shall be provided.

(8) Use of protective articles—

- (a) The Department shall have available a sufficient supply of protective equipment (as, for example, goggles (including anti-flash goggles), glasses, gloves, mitts, aprons, sleeves, leggings, gumboots, neoprene ear protectors, helmets, or other efficient substitutes therefor) for use by the workers when engaged on work for which some protective equipment is reasonably necessary.
