(b) The normal hours of work shall be eight (8) hours from Monday to Friday inclusive, and shall be worked between 7.30 a.m. and 5.30 p.m.

(c) Lunch interval shall not exceed one (1) hour.

(d) The Minister may require any worker to work reasonable overtime at overtime rates and such worker shall work overtime in accordance with such requirements.

The Union or worker or workers covered by this Award shall not in any way, whether directly or indirectly, be party to or concerned in any ban, limitation or restriction upon the working of overtime in accordance with the requirements of this subclause.

11.—Overtime.

1. (a) All time worked (other than shift work) in excess of or outside the usual working hours on Monday to Friday inclusive shall be paid at the rate of time and a half for the first four (4) hours after the usual stopping time and double time thereafter: Provided that all work (other than shift work) after 10 p.m. on Monday to Friday inclusive shall be paid at double time up to the usual starting time: Provided also that workers called upon to start work (other than shift work) within an hour and a half of the usual starting time shall be paid at time and a half until the usual starting time.

2. Where work (other than shift work) is done on Saturdays, it shall be paid at the rate of time and a half for the first four (4) hours and double time thereafter, but if work is performed in any period after 5 p.m. on Saturday the worker shall be paid double time for all time worked after that hour.

(b) Systematic overtime shall not be worked. Overtime shall be considered systematic when two weeks' continuous overtime has been worked: Provided that this subclause shall not apply to cases where, after application to the Union has been made, extra labour is not forthwith available. No worker shall be required or permitted to work more than eighteen (18) hours overtime in any one week, except in the case of a breakdown of the employer's plant.

(c) For all work done on Sunday, double time shall be paid, with a minimum of two (2) hours.

(d) A worker called back after completing a day's work, or called out on a Sunday, shall be paid a minimum of two (2) hours at overtime rates, but if he is called out more than once within any period of two (2) hours of a call, he shall not be entitled to any further payment for time worked within the period of two (2) hours from the time when he commenced work in response to his first call.

(e) When a worker is required to continue working after knock-off time for more than one (1) hour, without being notified the previous day, he shall be supplied with any meal required, or be paid three shillings and sixpence (3s. 6d.) for such meal.

(f) When any worker is required for duty during any meal time, he shall be paid at overtime rate until he is allowed the usual length of time for a meal.

(g) Workers required to start work at 12 midnight until 6.30 a.m. and ordered back to work at 8 a.m. the same day, shall be paid three shillings and sixpence (3s. 6d.) for breakfast.

12.—Annual Leave.

(a) Except as hereinafter provided, a period of two consecutive weeks' leave with payment of ordinary wages as prescribed shall be allowed annually to a worker by his employer after a period of 12 months' continuous service with such employer.

(b) If any award holiday falls within a worker's period of annual leave and is observed on a day which in the case of that worker would have been an ordinary working day, there shall be added to that period one day being an ordinary working day for each such holiday observed as aforesaid.

(c) (i) Subject to paragraph (ii), when computing the annual leave due under this clause no deduction shall be made from such leave in respect of the period that a worker is on annual leave and/

or holidays. Provided that no deductions shall be made for any approved period a worker is absent from duty through sickness with or without pay unless the absence exceeds three (3) calendar months, in which case deduction may be made for such excess only.

(ii) Approved periods of absence from work caused through accident sustained in the course of employment shall not be considered breaks in continuity of service, but the first six months only of any such period shall count as service for the purpose of computing annual leave.

(d) In the event of a worker being employed by an employer for portion only of a year, he shall only be entitled to such holidays on full pay as are proportionate to his length of service during that period with such employer.

(e) Any worker who may resign or be dismissed from the service for any cause, other than for peculation or theft, shall be entitled to receive payment for any annual leave which may have been due up to the time of leaving the service. Provided always that if the worker has been dismissed for peculation or theft no claim for annual leave shall be recognised. Misconduct herein referred to shall not affect accumulated annual leave or payment therefor.

(f) When work is closed down for the purpose of allowing annual leave to be taken, workers with less than a full year's service shall only be entitled to payment during such period for the number of days' leave due to them. Provided that nothing herein contained shall deprive the Minister of his right to retain such workers at work during the close-down period as may be essential.

(g) "Ordinary wages" for the purpose of sub-clause (a) hereof shall mean the rate of wage the worker has received for the greatest proportion of the calendar month prior to his taking the leave.

(h) The provisions of this clause shall not apply to casual workers.

13.—Public Holidays.

(a) Except as hereinafter provided, each of the following days, or the day observed in lieu thereof, shall be allowed as a holiday to all workers and be paid for, namely: New Year's Day, Australia Day (26th January), Good Friday, Easter Saturday, Easter Monday, Anzac Day, Labour Day, Foundation Day, King's Birthday, Christmas Day and Boxing Day.

(b) Whenever any holiday falls on an employee's ordinary working day and the employee is not required to work on such day, he shall be paid for the ordinary hours he would have worked on such day if it had not been a holiday. If he is required to work on a holiday, he shall be paid for the time worked as if it was an ordinary working day and shall, in addition, be allowed a day's leave with pay to be added to the annual leave or to be taken at some subsequent date if the worker so agrees.

(c) In the case of workers working a five-day week, no payment or a day in lieu shall be granted for any public holiday falling on a Saturday.

(d) Payment for holidays shall be in accordance with the usual hours of work.

(e) When a worker is off duty owing to leave without pay or sickness, including accidents on or off duty, except time for which he is entitled to claim sick pay, any holiday falling during such absence shall not be treated as a paid holiday. Where the worker is on duty or available on the working day immediately preceding a holiday, or resumes duty, or is available on the working day immediately following a holiday, as prescribed in this clause, the worker shall be entitled to a paid holiday on all such holidays.

(f) A casual worker shall not be entitled to payment for any holiday referred to in this clause.

14.—Sick Leave.

(a) (i) A worker shall be entitled to payment for non-attendance on the ground of personal ill-health for one-twelfth of a week for each completed month of service.

(ii) The liability of the employer hereunder shall in no case exceed one (1) week's wages during each calendar year in respect of each worker.

(iii) Payment hereunder may be adjusted at the end of each calendar year, or at the time the worker leaves the service of the employer, in the event

of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred.

(b) This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

(c) No worker shall be entitled to the benefits of this clause unless he produces proof satisfactory to his employer, or his representative, of sickness, but the employer shall not be entitled to a medical certificate unless the absence is for three (3) consecutive working days or more.

(d) No payment will be made for any absence due to the workers' own fault, neglect, or misconduct.

15.—Higher Duties.

(a) A worker engaged for more than one-half ($\frac{1}{2}$) of one (1) day or shift on duties carrying a higher rate than his ordinary classification shall be paid the higher rate for such day or shift; if employed for one-half or less than one-half of one (1) day or shift he shall be paid the higher rate for the time actually worked: Provided, however, that acting time of less than twenty (20) minutes in any one (1) day or shift shall not be counted.

(b) Should any worker be required to perform work in a lower grade, his wage shall not be reduced whilst employed in such capacity.

16.—Painters—Special Provisions.

(a) Dry Rubbing Down.—No surface painted with lead paint shall be rubbed down or scraped by dry process.

(b) Washing of Hands.—The employer shall provide for workers in the painting branch of the industry, washing facilities and soap suitable as a solvent for paint mixtures in some convenient place for the use of workers before meals and after knocking off work.

(c) Spray Painting.—Where painters using sprays are employed, adequate protection for their health shall be provided by the employers. They shall also be provided with respirators.

It shall be considered a breach of this Award for spray painting operations to be carried on contrary to any orders or regulations made under or in pursuance of the Factories and Shops Act, 1920-1956.

(d) Painters shall be allowed five minutes each day before ceasing work at end of shift for the purpose of washing and cleaning up.

17.—Blowers.

Where practicable, blowers shall be installed in and around wood-working machines where dust is created and likely to affect the health of the employees.

18.—Tools.

(a) Woodworkers and other branches requiring files and hacksaw blades, bench vices, cramps (above four inches) and rasps for the execution of their work, to be supplied with same by the employer.

(b) Where the apprentice to woodworking provides his own tools other than those mentioned in subclause (a) hereof, he shall be paid an allowance of two shillings and sixpence (2s. 6d.) per week in his third, fourth and fifth years.

(c) Where the woodworker provides his own tools other than those mentioned in subclause (a) hereof, he shall be paid an allowance of five shillings (5s.) per week.

(d) A weekly tool allowance of two shillings (2s.) shall be paid to trimmers, and one shilling (1s.) to apprentice trimmers in first to fifth years inclusive.

19.—Place for Meals.

No worker shall be permitted to have a meal in any paint shop, or in such close proximity to any place where painting operations are being carried on as are likely to cause injury to his health.

20.—Shop Stewards.

Subject to the recognition of properly constituted authority, shop stewards, to be appointed by the Union, shall be recognised by the management. The management shall be notified in writing by the Union of the stewards appointed.

21.—Notice Boards.

A notice board shall be provided by the employer where, in the opinion of the officer in charge, it is considered that notices are essential to meet the convenience of the Union concerned.

22.—Under-rate Workers.

Any worker who by reason of old age or infirmity is unable to earn the minimum wage may be paid such lesser wage as may from time to time be agreed in writing between the employer and the Union.

23.—Right of Entry to Works.

On notifying the officer in charge, any officer of the Union, authorised in writing by the president and secretary of such Union, shall have the right to enter any place or premises during ordinary working hours, wherein members of such Union covered by this Agreement are engaged, for the purpose of conversing with or interviewing the workers in such place or premises.

Provided that such officer shall not hamper or otherwise hinder the workers in the carrying out of their work. The officer in charge shall determine whether workers are being hampered or hindered in their work.

24.—Board of Reference.

(1) For the purpose of this Agreement, a Board of Reference is hereby appointed, which shall consist of a chairman and two (2) other representatives, one to be nominated by each of the parties. The said Board shall have assigned to it, in the event of no agreement being arrived at between the parties to the dispute, the functions of:

- adjusting any matters of difference which may arise from time to time, except such as involve interpretation of the provisions of this Agreement or any of them;
- dealing with any other matter which the Court may refer to the Board from time to time;
- classifying and fixing wages, rates, and conditions for any occupation or calling not specifically mentioned in the Agreement.

(2) An appeal shall lie from any decision of such Board in the manner and subject to the conditions prescribed in the Industrial Arbitration Act, 1912-1952, which for this purpose are embodied in this Agreement.

25.—Apprentices.

(a) The Apprenticeship Regulations under the Industrial Arbitration Act, 1912-1952, shall apply to all apprenticeship agreements under this Agreement.

(b) Apprentices shall be allowed to the following trades: 1, Smithing; 2, bodymaking, 3, wheelwrighting; 4, machining; 5, painting; 6, trimming; 7, panelbeating (including oxywelding); 8, farriery.

(c) The proportion of apprentices to journeymen shall be one apprentice to two or fraction of two journeymen.

(d) In the case of a youth who has had previous experience in the industry as a junior worker, the five years course of apprenticeship specified in the Schedule may be reduced to such period as the examiners, taking into consideration the age and previous experience of the youth, may determine. The rates of wages to be paid in such case shall be the rates hereinafter prescribed for the years of service which the youth has yet to serve.
