Long Service Leave By-laws.

L.G. 538/57.

THE Perth Road Board, under and by virtue of the powers conferred on it in that behalf by the Road Districts Act, 1919-1956, and all other powers enabling it, doth hereby make and publish the following by-laws:—

1. In the interpretation of these by-laws, the following words shall have the meanings assigned to them hereunder:—

“Board” means the Perth Road Board.

“Continuous service” means service as a permanent full-time employee in the employment of the Board during which the employee has not been absent from the service of the Board for a continuous period of more than two days or for an aggregate period of more than 10 days without leave of absence being granted by the Board.

2. All present and future employees of the Board shall, after each period of 10 years' continuous service commencing from or after the 1st day of January, 1955, be entitled to three months' leave on full pay. For the purpose of this by-law, any continuous service of an employee prior to the 1st day of January, 1955, and since the taking of long service leave, if such has been previously taken, shall as to two-thirds of such period of service be treated as continuous service since the 1st day of January, 1955.

3. Long service leave shall be taken at a time convenient to the Board and the Board will as far as possible meet the wishes of the employee as to the time of taking his long service leave. The Board may by giving not less than three calendar months' notice to the employee direct him to take his long service leave at a time nominated by the Board, and his long service leave shall be taken accordingly.

4. Absence on account of sickness shall not be deemed to be a break in continuity of service, provided that the period of absence shall not, unless otherwise decided by the Board, exceed three months in any calendar year.

5. (1) In the event of the resignation, retirement or death of an employee who has completed a period of 10 years' continuous service in accordance with By-law 2 hereof, but who has not taken his long service leave, the Board shall pay to such employee (or in the case of death, to his personal representatives, or if there be none, to his dependants), a sum of money equal to his wages or salary for the period of the long service leave to which he is entitled at the date of his resignation, retirement or death.

(2) An employee dismissed by the Board for neglect of duty or irregular practices shall not be paid any sum in pursuance of this by-law.

(3) In the event of the death of an employee during his long service leave, the Board shall pay to his personal representatives, or if there be none, to his dependants, a sum of money equal to the unpaid wages or salary of the employee for the uncompleted period of his long service leave.

(4) In the event of an employee being believed to have died and his death not having been registered, the Board, after consideration of all circumstances, may direct that the death of the employee be presumed to have occurred on a date nominated by the Board, and may authorise payment to the employee's dependants of an amount which may be paid under this by-law to the personal representatives or dependants of a deceased employee.

6. (1) The Board shall grant long service leave to an employee of the Board who has already been granted long service leave for 10 years' continuous service if before a further period of 10 years' continuous service has been complete such employee retires from the Board's service owing to his having reached the retiring age, or is retired because of permanent inability to carry on employment.

(2) The long service leave which is to be granted under this by-law shall be for a period not exceeding one and three-tenths weeks for every completed year of continuous service since the previous long service leave and shall be on full pay.

7. An employee due to take his long service leave shall be paid his salary or wage for the period thereof at the ordinary rate of salary or wage payable in the week immediately preceding the taking of the leave. The Board may, at its discretion, either pay to an employee his wages or salary during long service leave, or pay to the employee, in advance, a sum representing the amount of his wages or salary for the period of his long service leave.

8. All public holidays which occur during the period of an employee's long service leave shall be taken in conjunction with his long service leave and the period of long service leave granted to an employee shall be reduced by the period of public holidays taken in conjunction therewith. The long service leave shall not be reduced by the period of any annual leave to which an employee may be entitled at the time of taking his long service leave.

9. (1) A grant of long service leave in pursuance of these by-laws shall be deemed to be made on the condition that the employee does not accept employment for reward during the period of long service leave.

(2) If an employee shall accept employment for reward during long service leave he shall not thereafter during such leave receive any payment on account of wages or salary from the Board.

(3) If the Board shall have paid to an employee a sum of money representing salary or wages for a period after such employee shall have engaged in employment for reward, such sum of money may be recovered by the Board from such employee.

10. The by-laws of the Board governing long service leave to be granted to employees of the Perth Road Board published in the *Government Gazette* of the 25th day of June, 1948, and the 6th day of August, 1954, are hereby repealed.
