PERTH : WEDNESDAY, 19th MARCH.

[1958.

HEALTH ACT, 1911-1957.

Department of Public Health,
Perth, 5th March, 1958.

P.H.D. 706/57.

HIS Excellency the Governor in Executive Council, pursuant to the provisions of section 107 of the Health Act, 1911-1957, has been pleased to make the regulations set out in the Schedule hereunder.

LINLEY HENZELL,
Commissioner of Public Health.

Schedule.

Regulations.

1. These regulations may be cited as the Bacteriolytic Treatment of Sewage Regulations, 1958.
2. In these regulations—
 - “Commissioner” means the Commissioner of Public Health;
 - “apparatus” includes any apparatus for the bacteriolytic treatment of sewage, and all pipes, drains, fixtures, fittings, closets, buildings, and any source of water on the premises used in connection therewith;
 - “sewage” includes any kind of sewage, and faecal matter, urine and discharge from any closet, urinal or slop hopper;
 - “effluent” means the liquid discharge from the bacteriolytic treatment tank.
3. The regulations made under the Health Act, 1911, as amended, dealing with apparatus for the bacteriolytic treatment of sewage, published in the *Government Gazette* on the 14th April, 1927, and amended by notices published in the *Government Gazette* on the 27th September, 1935, and the 22nd February, 1957, are revoked.

Applications.

4. The owner or person authorised to act on behalf of the owner of any premises whereon it is intended to construct an apparatus shall make application in the prescribed manner for permission to construct the apparatus, and shall pay the prescribed fee.
5. The application shall be in the form of Appendix A to these regulations and shall be accompanied by—
 - (a) three copies of plans and specifications of the proposed apparatus showing plan and longitudinal section to a scale of not less than half an inch to each foot; and

- (b) three copies of a block plan of the premises drawn to a scale not less than one-eighth of an inch to each foot. The block plan shall show—
- (i) the position of all buildings erected or proposed, and the position of the proposed apparatus; and
 - (ii) the position and dimensions of the closet, the position of the door and pedestal, and details of ventilation; and
 - (iii) the position of all drains, pipes, inspection openings, vents, traps and junctions; and
 - (iv) the sizes of pipes and fittings and the fall of the drains; and
 - (v) details of the effluent disposal system; and
 - (vi) the source of water supply to be used in connection with the apparatus.

Combined Systems.

6. (1) In this regulation, "combined system" means an apparatus designed to receive household and such other liquid wastes as the Commissioner may approve, as well as sewage.

(2) A person who applies for permission to construct a combined system shall, in addition to complying with the requirements of regulation 5 of these regulations, show on the block plan the position, type and proposed use of all fixtures intended to discharge into the apparatus, and shall also show particulars of all drains, pipes, inspection openings, vents, traps and junctions to be used in connecting the fixtures to the apparatus.

(3) The occupier of any premises whereon there is an apparatus shall not cause or permit any wastes from any business or industry to discharge into an apparatus except with the approval of the Commissioner.

(4) The Commissioner may forbid the discharge of any matter into an apparatus which would interfere with the efficient operation of the apparatus.

Disposal of Effluent.

7. (1) Every apparatus shall be provided with works for the disposal of effluent.

- (2) The works referred to in subregulation (1) of this regulation shall—
- (a) be constructed so as to comply with the requirements of the local authority;
 - (b) be constructed in accordance with the requirements of the Commissioner as shown on the plan and specifications issued with the permit;
 - (c) not be constructed so that effluent will be discharged into the ground at a distance less than one hundred feet from any well, stream or underground source of water intended or available for consumption by humans or animals.

Inspection and Approval to Use an Apparatus.

8. A person who constructs an apparatus pursuant to a permit issued by the Commissioner, whether as owner or contractor to the owner or otherwise, shall forthwith, after the construction of the apparatus is completed, notify the local authority for the district of the fact.

9. (1) A local authority which has received a notification in accordance with the next preceding regulation shall as soon as reasonably practicable thereafter arrange for the apparatus to be inspected with regard to its compliance with the plans and specifications which relate to the permit under which the construction was undertaken, and the standard of materials and workmanship.

(2) If the apparatus complies with the requirements of subregulation (1) of this regulation, the local authority shall grant approval for the use of the apparatus.

10. A person who gives notice to the local authority in accordance with regulation 8 of these regulations shall prepare the apparatus for inspection at the time set by the local authority or its officer, and in particular shall—

- (a) fill the treatment tank to overflow level with clean water; and
- (b) ensure that all lines of drain, fixtures and fittings are exposed to view, and all inspection openings are unsealed.

General.

- 11. A person commits an offence who—
 - (a) commences the construction of an apparatus without having first obtained the permission of the Commissioner; or
 - (b) constructs an apparatus which does not comply with the plans and specifications relating to the permits; or
 - (c) uses, or permits another person to use an apparatus which has not been inspected and approved for use by the local authority; or
 - (d) gives false or misleading information in any application; or
 - (e) by any act or omission, does or fails to do any thing forbidden or required of him, as the case may be, by section 107 of the Health Act, 1911, as amended, or by these regulations.

12. The penalty for any breach of these regulations, where not specified by section 107 of the Health Act, 1911, as amended, shall be a fine not exceeding £20.

13. All materials, fixtures and fittings used in the construction of an apparatus before being so used shall be first approved by the Commissioner, except that a fixture or fitting which has been branded in accordance with the by-laws made under the Metropolitan Water Supply, Sewerage and Drainage Act, 1905-1956, shall be deemed to have been so approved by the Commissioner for the purpose of these regulations.

Fees.

14. The fees to be paid by the applicant to the Commissioner on application for permission to construct an apparatus shall be—

- For apparatus having a capacity of 350 gallons or less—£2;
- For apparatus having a capacity of over 350 gallons—£3.

15. For each approval to use an apparatus issued by a local authority in accordance with regulation 9 of these regulations, the Commissioner shall pay to the local authority one-half of the fee paid under regulation 14 of these regulations by the applicant to the Commissioner.

16. Where a local authority undertakes a general scheme for the installation of septic tanks in accordance with Part IV of the Health Act, 1911, as amended, the local authority shall pay to the Commissioner one-half of the fees prescribed in regulation 14 of these regulations, and in such case the provisions of regulation 15 do not apply, but if the number of installations in the scheme is 100 or more, the fees to be paid by the local authority to the Commissioner shall be one-quarter of the fees prescribed by regulation 14 of these regulations, and in such case the provisions of regulation 15 do not apply.

METROPOLITAN MARKET ACT, 1926-1941.

Department of Agriculture,

Perth, 5th March, 1958.

HIS Excellency the Governor in Executive Council has been pleased, pursuant to the provisions of the Metropolitan Market Act, 1926-1941, to approve of and confirm the by-laws made by the Metropolitan Market Trust as set out in the Schedule hereunder.

(Sgd.) G. K. BARON HAY,
Director of Agriculture.

Schedule.

By-laws.

1. The by-laws made by the Metropolitan Market Trust under the provisions of the Metropolitan Market Act, 1926, published in the *Government Gazette* on the 26th June, 1931, as amended by by-laws published in the *Government Gazette* on the 20th October, 1933, the 8th March, 1935, the 28th January, 1944, the 16th May, 1947, the 11th June, 1948, the 23rd September, 1949, the 14th November, 1952, and the 12th December, 1956, are referred to in these by-laws as the principal by-laws.

2. The principal by-laws are amended by adding after by-law 35 a by-law as follows:—

35A. (1) Within the limits of the market established under the Act, a person, other than a tenant or lessee of the Trust or an agent or employee of such a tenant or lessee, shall not—

- (a) buy, or offer to buy, from any other person, nor
- (b) sell, or offer to sell, to any other person, any fruit, vegetables, meat, eggs, poultry or fish, unless that other person is a tenant or lessee of the Trust or an agent or employee of such a tenant or agent.

(2) A person, who contravenes any provision of this by-law, commits an offence against the by-law and on conviction is liable to a penalty not exceeding fifty pounds.

3. The principal by-laws are amended by substituting for by-law 49 a by-law as follows:—

49. (1) Outside the limits of the Market established under the Act, a person shall not at any place within a radius of 500 yards from any portion of those limits, sell or buy any fruit, vegetables, meat, eggs, poultry or fish, which has not or have not been obtained by him through a tenant or lessee of the Trust, unless the sale takes place on the premises of the seller.

(2) A person who contravenes any provision of this by-law, commits an offence against this by-law and on conviction is liable to a penalty not exceeding fifty pounds.

These by-laws were duly made by the Metropolitan Market Trust in accordance with the provisions of the Metropolitan Market Act, 1926 (as amended), and duly passed by resolution at a meeting of the Trust held on the 17th day of December, 1957.

F. K. WRIGHT,
Chairman.

A. J. H. WILSON,
Secretary.
