CEMETERIES ACT, 1897-1957.

Merredin General Cemeteries.

(Reserves Number 14424 and Number 24906.)

Local Government Department,
Perth, 9th April, 1958.

L.G. 953/53.

His Excellency the Governor in Executive Council acting under the provisions of the Cemeteries Act, 1897-1957, has been pleased to approve of the repeal of all by-laws heretofore made under the Act for the management of the Merredin General Cemetery, and to approve of the substitution in lieu thereof of the by-laws made by the Trustees of the Merredin General Cemeteries (Reserves number 14424 and number 24906) hereunder.

GEO. S. LINDSAY,
Secretary for Local Government.

Schedule.

By-Laws.

1. All fees and charges payable to the Trustees as set forth in Schedule A, shall be paid at the times and manner therein mentioned unless otherwise ordered.
2. The "Secretary" as referred to in these by-laws means the person for the time being employed by the Trustees as the Secretary of the Cemetery, and such person shall, subject to the Trustees, exercise a general supervision and control over all matters pertaining to the Cemetery and to the carrying out and enforcement of these by-laws, and the directions of such person, shall in all cases and for all purposes be presumed to be and to have been the directions of the Trustees.
3. The "Superintendent" as referred to in these by-laws means the person for the time being employed by the Trustees as the superintendent of the Cemetery, and such person, shall be subject to the Trustees, have charge of the general care of the Cemetery, the supervision of the erection or placing of monumental work and fixtures, also the supervision of interments, the opening, closing and dressing of graves, and such other duties as are mentioned in these by-laws or ordered by the Trustees.
4. A plan of the Cemetery showing the distribution of the land, compartments, sections, situations and numbers of graves, and a register of all certificates of "Rights of Burial" shall be kept at the office of the Trustees.
5. Any person desiring to inter any dead body in the Cemetery, shall make an application in the form contained in Schedule F.
6. All applications for interment, shall be made at the office of the Trustees in such time as to allow at least five working hours' notice being given to the Superintendent at the Cemetery prior to the time fixed for burial, otherwise an extra charge shall be made.
7. The Trustees shall cause all graves to be dug, and vaults, brick graves, or graves to be re-opened as and when required.
8. Every coffin shall have upon the lid an approved metal plate, bearing the name of the deceased stamped or otherwise indelibly inscribed in legible characters thereon. Any coffin not complying with this by-law shall not be admitted to or be interred or cremated in the Cemetery.
9. Every grave shall be at least 7 ft. deep at the first interment, and no interment shall be allowed in any grave with a less depth than 3 ft. from the top of the coffin to the original surface of the surrounding ground.
10. In the case of an application for interment in any private grave or vault to which the deceased had no claim during life, the written and verified consent of the grantee shall be handed in with the application.
11. No burial shall be allowed to take place in the Cemetery, nor shall any coffin be allowed to enter the Cemetery, unless a certificate from a District Registrar of Death that the death has been registered or a coroner's order for burial is handed to the Secretary, at the latest, upon the funeral entering the Cemetery. Should the undertaker or his representative be unable to produce the said certificate from the Registrar he shall give a written guarantee to produce same within three days, and satisfactory reasons must be given for the non-production of such certificate in the first place. In default of the production of the said certificate within the three days, the undertaker's license may be suspended until such certificate is produced. Such certificate will be retained by the Secretary, but any coroner's order shall be returned to the person delivering same.
12. No interment shall be allowed on Sunday, except on written authority of the Trustees. Where such permission is granted an additional fee of £2 shall be paid as set out in Schedule A hereof.
13. Unless otherwise ordered the principal entrance to the Cemetery shall be open daily between the hours of 8 a.m. and 5 p.m.
14. The hours for burial shall be as follows:—
 - Weekdays from 8 a.m. to 4.15 p.m.
 - Sundays from 2 p.m. to 4 p.m.

No burial shall be allowed to take place, nor any coffin enter the Cemetery at any other hour except by permission of the Trustees. No burial shall take place on Christmas Day or Good Friday.

15. The time fixed for any burial shall be the time at which the funeral is to arrive at the Cemetery gates, and if not punctually observed, the undertaker responsible shall be liable to a fine of 10s. 6d.

16. If for any reason the funeral shall, on arrival at the entrance gates of the Cemetery, remain there for more than 15 minutes prior to proceeding to the graveside, undertakers responsible shall be liable to a fine of 10s. 6d.

17. Every funeral shall enter by the principal entrance, and no vehicle, except the hearse and mourning coaches, shall be permitted to enter the Cemetery, or stand opposite the entrance gates. Vehicles shall not be allowed to proceed faster than 10 miles per hour within the Cemetery. Any driver or other person failing or neglecting to observe such directions may be forthwith expelled from the Cemetery.

18. If application be made to the Trustees to exhume any corpse for the purpose of examination or identification, or for the purpose of its being buried elsewhere in accordance with the wishes of the deceased or of his family, an order from the Governor or the warrant of a coroner or of a Justice of the Peace issued in accordance with the law authorising the Trustees to permit of the exhumation must be attached to the application forms.

19. Children under the age of 10 years entering the Cemetery must be in charge of some responsible person.

20. Smoking shall not be allowed within the Cemetery, nor may any fireworks be discharged therein.

21. No dogs shall be allowed within the Cemetery and any found therein shall be liable to be destroyed.

22. Any person violating the rules of propriety and decorum, or committing any nuisance or trespass, or injuring any tree, shrub, flower, border, grave, or any erection, or in any way infringing these by-laws shall be expelled from the Cemetery.

23. No person shall remove any plant, tree, shrub, flower (other than withered flowers which are to be placed in the receptacles provided by the Trustees for the purpose), or any article from any grave without first obtaining a permit from the Trustees or their representative.

24. No person shall pluck any tree, plant, shrub, or flower growing in any portion of the Cemetery.

25. No person shall remove, or carry out of, or attempt to carry out of the Cemetery any tree, plant, shrub or flower without the written authority of the Trustees or their representatives.

26. No person shall promote or advertise, or carry on within the Cemetery any trade, business or calling, either by solicitation, distribution of circulars, by cards or otherwise or by any other system of advertisement whatsoever without the written consent of the Trustees, and any person infringing this by-law shall be expelled from the Cemetery.

27. No person employed by or under the Trustees shall be permitted to accept any gratuity whatever, nor shall he be pecuniarily interested in any work in the Cemetery, other than the remuneration he receives from the Trustees, and any such person found guilty of accepting any gratuity or being pecuniarily interested in any such work, shall be liable to summary dismissal.

28. Any person requiring an Exclusive Right of Burial in any part of the Cemetery shall apply to the Trustees, in writing, specifying the location of the grave. If it is proposed to inter therein the remains of any already deceased person the name of such person must be shown in the application. If the application is approved by the Trustees a Grant of Exclusive Right of Burial shall be issued in the form of Schedule C.

29. No brick grave or vault shall be constructed in any plot in respect of which a Grant of Exclusive Right of Burial has been issued without the authority of the Trustees being first obtained, and subject also to the approval by the said Trustees of the plans and specifications of the proposed works and of the execution thereof.

30. Every such Grant of Exclusive Right of Burial shall be subject to the by-laws for the time being, and no interment in any such grave or vault, shall be allowed unless upon production of the Grant aforesaid, nor shall any such grave or vault be opened, unless with the consent of the Trustees.

31. Every coffin placed in any such bricked grave or vault shall be bricked in, cemented, and any space surrounding such coffin to be filled in with charcoal, dry earth or other suitable material, and covered with a slab of stone, slate or iron unless special written exemption be obtained from the Trustees.

32. In the event of such exemption being obtained from the Trustees, each coffin placed in any brick grave or vault shall be properly lead-lined and hermetically sealed.

33. If application be made for an interment in any grave or vault of the remains of any person other than the person to whom the Grant was issued, or his registered assign, the written and verified consent of such grantee or assignee shall be produced together with the Grant of Right of Burial.

34. Should the grantee be unable to produce the Grant of Right of Burial on making application for a grave to be re-opened for the purpose of interment, through having lost same, the said grantee shall make a sworn declaration to this effect, and shall pay the fee for a copy of such Grant of Right of Burial, as prescribed in Schedule A, before the interment takes place.

35. Any person desiring to place or erect, or to alter or add to any monument, tombstone, or enclosure in any part of the Cemetery must first obtain the written consent and approval of the Trustees, and otherwise comply with Section 23 of the Principal Act (61 Vic., No. 23.)

36. Every tombstone, monument or enclosure shall be placed on proper and substantial foundations, which, if required by the Trustees or their officers, shall extend to the bottom of the grave.

37. The materials used in every such erection shall be subject to the approval of the superintendent or other officer appointed by the Trustees, and any material rejected shall be immediately removed from the Cemetery by the contractor for the erection. All refuse and other rubbish remaining after any work is completed shall be immediately removed from the Cemetery by the person causing the same.

38. Should any work by masons be not completed before a Sunday, they shall be required to leave the work in a neat and safe condition to the satisfaction of the Superintendent.

39. Monumental masons and other tradesmen shall, before commencing any work within the Cemetery, deposit with the Secretary to the Trustees the sum of 10s., which shall be forfeited if the provisions of either of the two preceding by-laws be not complied with to the satisfaction of the Superintendent.

40. All material required in the erection and completion of any work shall, as far as possible, be prepared before being taken to the Cemetery and all materials required by tradesmen shall be admitted at such entrance as the Superintendent shall direct, and no vehicle, conveying any such materials with wheels less than 4 in. broad shall be permitted to enter the Cemetery.

41. No catacomb shall be allowed.

42. Monumental masons shall not be permitted to carry on work within the Cemetery during other than the hours specified for the opening and closing of the gates on week days, Saturday and Sunday excepted, when no work is to be done from noon Saturday to the opening of the gates on the Monday morning, without the written permission of the Trustees.

43. Subject to the approval of the Trustees, each applicant for an Order for Burial, shall, within three months from the date of the application, enclose the grave mentioned in such application with a kerbing of tiles, slate or stone, and shall cause to be placed thereon a number plate bearing the number of the grave or vault. Every grave, vault, monument tombstone, kerbing or any other erection, shall be maintained and kept in thorough repair and proper condition by, and at the expense of the grantee. Should the grantee's residence not be known or be out of the State, the Trustees have power to do the work and keep an account against the Grantee.

44. No wooden fence, railing, cross or other wooden erection and no mounds shall be allowed on or around any grave or vault except in the case of the graves of returned service personnel which are maintained by the Merredin Sub-branch of the Returned Sailors, Soldiers and Airmens Imperial League of Australia, hereinafter referred to in these by-laws as the "R.S.L."

45. No trees or shrubs shall be planted on any grave, except such as shall be approved by the Superintendent.

46. All workmen, whether employed by the Trustees or by any other person, shall at all times while within the boundaries of the Cemetery, be subject to the supervision of the Superintendent, and shall obey such directions as that officer may find it necessary to give, and any workman committing any breach of these regulations and by-laws, or refusing or neglecting to comply with any directions of the said Superintendent shall be removable from the Cemetery.

47. Any persons taking part in dressing or attending to any grave shall comply with the following rules:—

- (a) No rubbish, soil, sand, or other material removed in dressing a grave shall be placed on any other grave, and if placed on any adjoining ground shall be removed immediately the work is completed.
- (b) No sand, soil or loam shall be taken from any portion of the Cemetery for the purpose of dressing any grave, except with the permission of the Superintendent.
- (c) The dressing of all graves, and all wheeling and carting of any materials shall be subject to the permission of the Superintendent.
- (d) Work in all cases to be carried out between the hours of 8 a.m. to 4 p.m. on week days or from 9 a.m. to 1 p.m. on Sundays.

48. Prior to conducting any interment within the Cemetery or making use of the Cemetery for any purpose connected with interments, every undertaker shall pay to the Trustees an annual fee as prescribed in Schedule A and shall at the time of making such payment give his assent in writing to such conditions as the Trustees may deem it fit to impose. Upon such assent being given, and payment of the fee made, he shall receive a permit, in the form of Schedule G, to hold good during good behaviour and until the first day of July following, and unless in the possession of such a permit no undertaker shall be allowed to engage in or carry out any duty or work within the Cemetery.

49. The Trustees may decorate graves from time to time, when desired by the grantees to do so. If the grantees do not desire the Trustees to carry out this work, the grantees may either do it themselves or employ any person licensed by the Trustees for that purpose.

50. No person except the relatives of the deceased, the Trustees, or those licensed by the Trustees, shall be permitted to decorate any grave.

51. If for the purpose of re-opening a grave it is necessary to remove monuments, edging tiles; plants; grass; shrubs, etc., from off the grave, the person so ordering the re-opening shall pay to the Trustees the charges laid down in Schedule A, and shall remove the said monuments, edging tiles; plants; grass, shrubs, etc., so far as may be required to permit the interment, and if the monuments; edging tiles; plants; grass; shrubs, etc., are to be replaced on the grave, the person ordering the re-opening shall replace them to the satisfaction of the Superintendent, and shall remove from the Cemetery all surplus materials from around the grave at the conclusion of the work required under this by-law. If the person removing the monuments; edging tiles; plants; grass; shrubs; etc., fails to replace them to the satisfaction of the Superintendent, the Superintendent or persons directed by him may do the work and the Trustee may recover the cost of such work from the person ordering the re-opening.

52. Notwithstanding anything contained in these by-laws to the contrary, permission may be granted to the Defence Department of the Commonwealth or to the R.S.L., to erect headstones on the graves of deceased soldiers or other service personnel without payment of any fees.

53. Free ground may be granted if it is proved to the satisfaction of the Trustees:—

- (a) that the deceased was a returned soldier or other service personnel, and that he died as a result of injuries received on active service;
- (b) that the relatives of the deceased are in necessitous circumstances: Provided that such grant shall be made subject to the condition that only the remains of deceased service personnel shall be interred in the grave.

54. Any person committing any breach of any by-law or regulation or of any other rules, regulations, or by-laws, lawfully made under the authority of any Act relating to Cemeteries, shall for every such offence be liable to a penalty not exceeding Five Pounds, and in case of a continuing breach a further sum not exceeding One Pound for every day during which such breach continues.

55. Any person committing a breach of any by-law in the Cemetery shall in addition to being liable to a penalty under any by-law, be liable to be forthwith removed from the Cemetery by the Trustees or by any police constable. If such person resists removal, or if and as often as such person so removed shall unless with the consent of the Superintendent, again enter the Cemetery within 24 hours of his removal therefrom, he shall be liable to a penalty not exceeding Five Pounds.

The By-laws published in the *Government Gazette* of the 14th March, 1952 at pages 644 to 647 were repealed and the foregoing by-laws, with the accompanying Schedules were duly framed and presented to a meeting of the Board of the Trustees held at their office on the 12th day of March, 1957 and adopted.

ROAD DISTRICTS ACT, 1919-1956.

TOWN PLANNING AND DEVELOPMENT ACT, 1928-1956.

Cockburn Road District.

By-laws.—Classifying the District.

A—Preliminary.

L.G. 455/57.

1. THE Cockburn Road Board, under and by virtue of the power conferred on it in that behalf by the Road Districts Act, 1919-1956, the Second Schedule thereof, the Town Planning and Development Act, 1928-1956, and all other powers enabling it, does hereby classify and zone the whole of the Cockburn Road District as defined in the Schedule to the Cockburn Road District Act,

2. In these by-laws, unless the context otherwise indicates, the following terms shall have the meanings set against them respectively:—

“Duplex” means a single storey building comprising two dwellings, each being completely self-contained units so designed as to give the external appearance of a single dwelling.

“Extractive Industry” means an industry engaged in the quarrying or the excavation of minerals either for treatment at the source of supply or for the supply of raw materials to other industries.

“Industry” includes:—

(a) each of the following operations:—

- (i) any manufacturing process carried on for gain whether or not such process results in the production of a finished article;
- (ii) the break-up, dismantling of any goods or any article for trade, sale or gain, or ancillary to any business;
- (iii) the winning of sand, gravel, clay, turf, soil, rock, stone and similar substances;
- (iv) repairing, laundering and servicing of articles, including vehicles, machinery and buildings, but not including on site working on buildings;
- (v) any operation connected with the installation of equipment and services and the extermination of pests other than on site work on buildings, works or land, and

(b) when carried on on land upon which any of the above operations are carried on:—

- (i) the storage of goods used in connection with any of the above operations;
- (ii) the provision of amenities for persons engaged in such operations;
- (iii) the sale of goods resulting from such operations;
- (iv) any work of administering or accounting in connection with the undertaking.

"Light Industry" means an industry in which the processes do not harm the adjoining locality by reason of noise, vibration, smoke, smell, fumes, vapour or steam, dust or grit, oil, waste, water or waste products and in which the machinery used is powered by electricity.

"Offensive trade" means and includes any of the trades specified in the Second Schedule of the Health Act, 1911-1954, and any other trade or trades declared to be offensive under the provisions of the Health Act, 1911-1954, by a Proclamation of the Governor published in the *Government Gazette of Western Australia*.

"Sawmill" means a mill or premises where logs or large pieces of timber are sawn, but does not include a joinery works unless logs or large pieces of timber are sawn therein.

"Business zone" means a business zone as classified by these by-laws.

"Residential zone" means a residential zone as classified by these by-laws.

"Residential and Flat zone" means a residential and flat zone as classified by these by-laws.

"Flat" means that portion of a building not being a registered boarding or lodging house used for separate living accommodation, including cooking, toilet and bathing facilities, of one or more persons within or adjacent or attached to a building in which there is separate living accommodation, including cooking, toilet and bathing facilities, for one or more persons, and for the use of which some payment is made.

B—Zoning.

Residential Zones.

Area.

3. Those portions of the Cockburn Road District which are specified in the First Schedule hereto are hereby classified as residential zones.

Uses.

4. No person shall use any land or any building or structure in a residential zone except for one or more of the following purposes:—

- (a) a dwelling house;

(iii) Special Industrial Zone.

Area.

12. Those portions of the Cockburn Road District which are specified in the Fifth Schedule hereto are hereby classified as Special Industrial Zones.

Uses.

13. No person shall use any land or building or structure in a Special Industrial zone except for one or more of the following purposes:—

- (a) an offensive trade;
- (b) a showroom, office, warehouse or storeroom upon the premises of or adjoining a trade or industry permitted in the zone;

Industrial Zone Provisions.

14. (1) No person shall stack or place any fuel or raw materials or products or by-products or wastes of manufacture in a light industrial zone, a general industrial zone or a special industrial zone nearer to the road or street than the building line.

(2) No person shall in a light industrial zone, a general industrial zone, or a special industrial zone use the land between the building line and the road or street for any purpose other than a means of access, for parking of vehicles, for loading and unloading vehicles, or for lawns, gardens or trade display.

Facades.

15. No person shall erect or cause to be erected a building other than a residence, in a light industrial zone, a general industrial zone or a special industrial zone, unless the facade of the building be constructed of brick, stone or concrete, or in the case of frame buildings, with corrugated asbestos or aluminium cladding to a design to be approved by the Board.

16. Within a light industrial zone, a general industrial zone or a special industrial zone, a residence on land forming part of or adjoining a factory occupied by a caretaker of or an employee of a factory and set aside for exclusive use of the occupants may be allowed by resolution of the Board where it is established that such residence is necessary to the proper operation of the industry, but not more than one such residence for each factory.

Business Zones.

Area.

17. Those portions of the Cockburn Road District which are specified in the Sixth Schedule hereto are hereby classified as business zones.

Uses.

18. No person shall use any land or any building or structure in a business zone except for one or more of the following purposes:—

- (a) a shop;
- (b) a combined shop and dwelling;
- (c) an office;
- (d) a bank;
- (e) an hotel;
- (f) a club;
- (g) a theatre or cinema;
- (h) a public hall or dance hall;
- (i) a fire station;
- (j) a police station;
- (k) a workroom or workrooms or storeroom or storerooms connected with a retail business in which not more than one-half of the total floor area of such business is used as a workroom or workrooms or storeroom or storerooms;
- (l) a service station or filling station;
- (m) a doctor's or dentist's surgery;

Service Stations.

19. (1) No person shall use any parcel of land as a service station unless it is more than one-half mile from an existing service station or from a site for which a permit has been issued.

(2) In a service station no person shall use more than one-half of the floor area of the premises as a workroom.

Open Space.

Area.

20. Those portions of Cockburn Road District which are specified in the Seventh Schedule hereto are hereby reserved for public open space.

Uses.

21. No person shall use any land or buildings in an open space except for public recreation.

C—Existing Uses.

22. (1) If at the date of publication of these by-laws in the *Government Gazette* any land, building or structure is being lawfully used for a purpose or built on in a manner not permitted by these by-laws, such land, building or structure may continue to be used for that purpose or in that manner but no such building or structure shall be added to or altered unless special permission to do so is granted by the Cockburn Road Board.

(2) At the date of publication of these by-laws in the *Government Gazette* any land, building or structure is being used for a purpose or built on in a manner not permitted by these by-laws, and in such use or purpose is afterwards discontinued or changed or the building removed so that it conforms with these by-laws, no person shall thereafter use such land, building or structure for any purpose or in any manner not permitted by these by-laws.

(3) If any building or structure is at the date of publication of these by-laws in the *Government Gazette* being used for a purpose or constructed in a manner not permitted by these by-laws, and is subsequently destroyed or damaged by fire or otherwise to the extent of more than seventy-five (75) per cent. of its value, it shall not thereafter be repaired, rebuilt, altered or added to the purpose of being used for any purpose not permitted by these by-laws, unless special permission to do so is granted by the Cockburn Road Board.

D—General Provisions.

23. No land shall be built on until it is drained and provision made for the disposal of roof water or household or trade wastes as the case may be to the satisfaction of the Road Board.

24. The minimum area of a lot on which a dwelling or a shop and attached dwelling may be erected is 6,000 square feet. On any given lot a second dwelling may not be erected until such time as a subdivision has been approved by the Town Planning Board so that each dwelling shall stand on a separate lot.

Schools.

24A. No person shall use any parcel of land of less than two (2) acres for the purpose of a school.

Kindergartens.

24B. No person shall use a parcel of land of less than one-half ($\frac{1}{2}$) acre as a kindergarten.

Flats.

24C. No person shall use any building or structure as flats unless—

- (a) the parcel of land on which such building is erected is of an area of not less than ten thousand (10,000) square feet and has a frontage of not less than sixty-six (66) feet to a road or street;
- (b) the building is not more than two storeys;
- (c) the average set back to each side boundary and rear boundary is 10 feet at least;
- (d) in the case of any building of one or two storeys, the area occupied by the building and one-half of the area occupied by all out-buildings does not exceed in the case of a single storey building one-half, and in the case of a building of two storeys one-third of the total area of the parcel of land used for flats;
- (e) garages or paved parking areas are provided within the said parcel of land for as many cars as there are separate flats;
- (f) paved parking space in addition to the requirements of paragraph (e) above is provided within the said parcel of land for not less than one car for every three flats in the building.

Building Lines.

25. The building line for any building or structure shall, subject as hereinafter provided, be not less than—

- (a) for land in a residential zone—twenty-five (25) feet from the alignment of the road or street on which such land abutts;
- (b) for land in a rural zone—twenty-five (25) feet from the alignment of the road or street on which such land abutts;
- (c) for land in light industrial zones—thirty (30) feet from the alignment of the road or street upon which such land abutts;
- (d) for land in a general industrial zone—fifty (50) feet from the alignment of the road or street on which such land abutts;
- (e) for land in a special industrial zone—fifty (50) feet from the alignment of the road or street on which such land abutts;

- (f) for land in a business zone—thirty (30) feet from the alignment of the road or street on which such land abutts, except in the case of those parts of lots 5 and 6 on Plan 1700 as outlined in Schedule 6 attached hereto, where the building line shall be sixty feet (60 feet) from the Rockingham Road alignment and twenty feet (20 feet) from the southern boundary of these lots.

Curved Streets.

26. Where the road or street alignment is curved, irregular or not at right angles to the side boundaries of the land, a person may erect a building in front of the building line, provided that the mean of the greatest and least distance of the building from the road or street is not less than the distance fixed for the appropriate building line.

Corner Blocks.

27. When a parcel of land has a frontage to more than one road or street, the following provisions shall apply:—

- (a) with the approval of the Road Board, in a residential zone or a light industrial zone a person may erect a building nearer to one only of the roads or streets than the building line but not nearer than fifteen (15) feet to that road or street;
- (b) with the approval of the Road Board, in a business zone a person may erect a building nearer to one only of the roads or streets than the building line but not nearer than ten (10) feet to that road or street.

Existing Adjoining Buildings.

28. If in the case of any parcel of land buildings have been erected on the lots adjoining on both sides and one or both of these buildings is in front of the building line, the Cockburn Road Board may permit a building to be erected on that parcel of land in front of the building line but not nearer to the road or street than the foremost of the two buildings, but in any case not nearer to the road or street than ten (10) feet.

Prohibition.

29. Subject as aforesaid, no person shall erect or cause to be erected any building or structure nearer to a road or street than the building line.

E—Administration.

Compensation.

30. Claims for compensation by reason of the operations of these by-laws shall be made not later than six months from the date on which these by-laws are first published in the *Government Gazette*.

Penalty.

31. Any person who shall commit a breach of any of these by-laws shall upon conviction be liable to a penalty not exceeding twenty (20) pounds.

Schedule 1.

Residential Zones.

(a) All that land included in Jandakot Townsite as described in *Government Gazette*, 30th July, 1909, page 2331.

(b) All that land contained in Cockburn Sound Locations 416, 417 and 418.

(c) All that land contained within the area bounded by a line starting at the north-west corner of lot 1, Diagram 9206; thence in an easterly direction along the southern side of the unnamed road running along the northern boundary of Cockburn Sound 15 to the north-east corner of lot 1 of Diagram 9206; thence southerly along the western boundary of lot 11 of Diagram 9206 to its point of intersection with a road along its southern boundary; and thence southerly across this road and along the western boundary of lot 14 of Diagram 9102 to its point of intersection with the southern boundary of Cockburn Sound Location 15.
