- (b) Consideration of business arising out of the minutes.
- (c) The Chairman shall have the right of directing attention at any meeting to any matter or subject within the jurisdiction or official cognisance of the Board, by a minute signed by himself and such minute shall, when introduced, take precedence over all business before or to come before the Board, and the adoption thereof shall be put by him from the Chair, as a motion, without being seconded, but he shall confine himself to the questions contained therein.
- (d) Reading of correspondence received and despatched, and taking action as may be deemed expedient, in regard thereto.
- (e) Reports of subcommittees or officers.

- (k) General business.
- (l) Notice of motions.
- (m) Presentation of monthly statement and passing of accounts for payment.

17. In the event of any member having urgent business to place before the meeting, he may move the suspension of the Standing Orders, and if agreed to by the Board, such business shall take precedence of all other business.

18. Every petition or memorial shall be respectful and temperate in its language, and shall be presented to the Board by a member only; and any member presenting a petition or memorial shall acquaint himself with the contents thereof, ascertain that it does not contain language disrespectful to the Board; the nature or prayer of any petition or memorial shall be stated to the Board by the member presenting same.

19. Tenders for work shall be opened and dealt with when the subject matter of the tenders comes on to be considered at the meeting of the Board, or by a committee appointed for that purpose. The Board may require a deposit of 5 per cent. of the amount of each tender to accompany each tender, or the Board may require two satisfactory bonds lodged with the Board.

20. A member, when speaking, shall not digress from the subject of debate.

21. All correspondence to the Board shall be addressed to the Secretary and submitted to the Board; no letter addressed to the Board shall be presented or read by a member.

22. (a) If in a report of a committee distinct recommendations are made, the decision of the Board may be taken separately on each recommendation.

(b) Any report of a committee, or any portion of such report, may be amended by the Board, in any manner it may think fit or may be referred back to the committee for further consideration.

(c) The recommendation of any committee, when adopted by the Board, shall be a resolution of the Board.

23. When the Chairman rises in his place during the progress of a debate any member then speaking or offering to speak shall immediately resume his seat, and every member shall preserve strict silence so that the Chairman may be heard without interruption, but the member who was speaking may resume when the Chairman takes his seat.

24. In the absence of any member who has placed a notice of motion on the business paper for any meeting, any other member may at such meeting move the same, or such motion may be deferred until the next ordinary meeting of the Board.

25. Except as elsewhere provided, no motion, after being placed on the business paper, shall be withdrawn without consent of the Board.

26. No motion shall be debated unless or until it has been seconded.

27. When a motion has been proposed and seconded it shall become subject to the control of the Board, and shall not be withdrawn without the consent of the Board.

28. When a motion has been proposed and seconded, any member shall be at liberty to move an amendment thereon, but no such amendment shall be debated unless or until it has been seconded. After an amendment has been moved and seconded, any member desirous of moving a further amendment may give notice of his intention so to do, and may briefly state his proposed amendment and the effect thereof.

29. No motion or amendment shall be debated unless or until it has been reduced to writing, if the Chairman so directs.

30. In submitting a motion or amendment the Chairman shall put the question first in the affirmative and then in the negative.

31. If the amendment has been carried, the question as amended shall itself become the question before the Board, whereupon any further amendments upon such questions may be moved.

32. If an amendment, whether upon an original question or amended as aforesaid, has been negatived, then a further amendment may be moved to the question to which such firstmentioned amendment was moved, and so on until there are no further amendments, and the question is then decided by the final vote in the affirmative or in the negative: Provided that no more than one question and one proposed amendment thereof shall be before the Board at any one time.

33. No discussion shall be permitted upon any motion for the adjournment of the Board. If, upon the question being put on any such motion the same is negatived, the subject then under consideration or the next on the business paper shall be discussed, and it shall not be competent for any member to again move for adjournment until half an hour has elapsed from the time of moving the one that has been negatived.

34. On resuming any discussion that has been adjourned, the mover of such adjournment shall be entitled, if he has not already spoken on the subject under discussion, to speak first.

35. Every such question shall be put categorically and without argument.

36. No discussion shall be permitted respecting any reply or refusal to reply to any question.

37. Members shall on all occasions, when at a meeting, address the Chairman and Secretary, by their official designations such Chairman or Secretary, as the case may be, and, with the exception of the Chairman, shall rise in their places and stand while speaking, except when prevented from doing so by bodily infirmity.

Every member, other than the mover of the original motion shall have the right to speak once upon such motion, and once upon every amendment moved thereon. No member shall without the consent of the

Board speak more than once upon any one question, or for a period of more than ten minutes at any one time, unless when misrepresented or misunderstood, in which case he may be permitted to explain without adding any further observations than may be necessary for the purpose of explanation.

40. Upon a vote being taken all members present within the Board room, unless disqualified from voting, shall, upon the question being put, record their respective votes in the affirmative or negative, as each shall deem desirable, but if a member neglects or refuses to vote, his vote shall be counted for the negative.

41. (a) All questions shall, if not otherwise decided by law, be determined thus: Upon a question being put, those in favour shall say "Aye" and those against "No," the Chairman shall declare whether the "Ayes" or "Noes" have determined the question; or, if the Chairman prefers, he may call for a show of hands for and against the question. The decision of the Chairman shall be final and conclusive unless such decision be immediately challenged and two members rise and demand a division.

(b) Where there is only one dissentient, he may request that his name be recorded in the minutes as opposed to the motion, and it shall be so recorded.

42. Upon a division being called for, the question shall be put in the affirmative first and then in the negative, and the Chairman and all members present shall vote by show of hands, and the names and the votes of the Chairman and members present shall be recorded in the minutes by the Secretary. Any member of the Board present when a division is called for who does not in the manner above indicated vote on such motion, not being disqualified by law from voting shall have his vote counted in the negative.

43. The Chairman shall be at liberty to put any question as often as may be necessary, to enable him to form his opinion as to the result of voting, and declare the same.

44. Any member who at any meeting of the Board or any committee commits a breach of any by-law, or who moves or attempts to move a motion or amendment embodying any matter beyond the legal jurisdiction of the Board or committee or who in any other way raises or attempts to raise any question, or addresses, or attempts to address the Board or committee upon any subject which the Board or committee has no legal right to discuss, or who uses any language which according to the common usage of gentlemen would be held disorderly, or makes use of any expression inconsistent with good order and decorum, or who says or does anything calculated to bring the Board or committee into contempt, shall be guilty of an act of disorder.

45. The Chairman, when called upon to decide a point of order or practice shall state the rule or precedent applicable to the case, without further argument or comment, and his decision shall be final in that particular case. If the ruling of the Chairman be disagreed with, then the usual Parliamentary procedure may be adopted.

46. Any member having been called to order by the Chairman more than once for any infringement of any of the provisions of these by-laws, or for any breach of decorum, shall upon the request of the Chairman, withdraw from the Board room for the remainder of the meeting.

47. If disorder arises at any meeting the Chairman may adjourn the meeting for a period of 15 minutes, and quit the Chair. On resuming the Board shall, on the question being put from the Chair decide without debate whether the business be proceeded with or not.

48. The Board may at any time appoint one or more members as a committee to inquire into any matter, and make a report and recommendations thereon, but no committee shall incur a financial liability or in any way commit the Board to any responsibility whatever, without express and specific authority conferred by the by-laws or resolution of the Board.

50. All accounts, bills and vouchers except as hereinafter provided, shall be submitted to the finance committee meeting and the ordinary Board meeting and, after being certified as correct, shall be paid by cheque; provided that

the Board may by resolution authorise the payment of wages, emergency accounts and progress contract payments to be made by cheque between meetings; all such accounts to be placed before the finance committee at its next meeting, who shall review same, and, if satisfied with the necessity of the action taken, include same in report.

51. An account shall be opened with such bank as the Board from time to time directs, and all moneys received from whatever sources, with the exception of moneys granted by the Government, shall be paid into such bank to the credit of the Board, and no account shall be paid by other than cheque signed by the Chairman and one member of the Board and countersigned by the Secretary; providing that payments less than two pounds may be made in cash from petty cash account kept for that purpose. Such petty cash account shall be kept on the imprest system, and the amount thereof shall be decided by the Board from time to time.

52. All moneys belonging to the Board shall, within 24 hours or such time as specified by the Board, after they come into the hands of any officer, servant, or clerk be paid to the Secretary, or responsible officer directed by the Board to receive same.

1. All fees and charges payable to the trustees as set forth in Schedule A hereto shall be paid at the times and manner therein mentioned, unless otherwise ordered.

2. The "secretary" as referred to in these by-laws means the person for the time being employed by the trustees as the secretary of the cemetery and such person shall, subject to the trustees, exercise a general supervision and control over all matters pertaining to the cemetery, and to the carrying out and enforcement of these by-laws, and the direction of such person shall in all cases and for all purposes be presumed to be and to have been the direction of the trustees.

11. Should the grantee be unable to produce the "Grant of Right of Burial" on making application for a grave to be re-opened, for the purposes of interment, through having lost the same, the said grantee shall make a sworn declaration to this effect, and shall pay the fee of a copy of such "Grant of Right of Burial" as prescribed in Schedule A hereto before the interment takes place.

In default of production of the medical certificate or Coroner's order within three days the undertaker's license may be suspended until the certificate or order is produced.

13. No interment shall be allowed on Sunday except by written permission of the trustees or when it is certified in writing by a medical officer of health, or by a police magistrate, or by two Justices of the Peace, that for sanitary reasons or special religious reasons, it is necessary or advisable that the burial take place on that day.

27. No person employed by or under the trustees shall be permitted to accept any gratuity whatever, nor shall he be pecuniarily interested in any work in the cemetery, other than remuneration he receives from the trustees, except by written permission of the trustees, and any such person proved guilty of accepting any gratuity, or being pecuniarily interested in any such work without such permission shall be liable to summary dismissal.

28. Any person desiring to place or erect, or to alter or to add to any monument, tombstone, or enclosure in any part of the cemetery must first obtain the written consent and approval of the trustees and otherwise comply with section 23 of the Cemeteries Act, 1897-1946.

29. Every tombstone, monument, or enclosure shall be placed on proper substantial foundations, which if required by the trustees, shall extend to the bottom of the grave.

30. No sand, earth or other material shall be taken from any part of the cemetery for use in the erection of any monument or work, except with the written approval of the trustees.

33. No catacomb shall be allowed.

34. Monumental masons shall not be permitted to carry on work within the cemetery during other than the hours specified for the opening and closing of the gates on week days, Saturday and Sunday excepted, when no work is to be done from noon Saturday to the opening of the gates on the Monday morning, without the written permission of the trustees.

35. No trees, or shrubs shall be planted on any grave except such as approved by the superintendent.

36. All workmen, whether employed by the trustees or by any other person, shall at all times whilst within the boundaries of the cemetery, be subject to the supervision of the superintendent, and shall obey such directions as that officer may find it necessary to give; and any workman committing any breach of these regulations and by-laws, or refusing or neglecting to comply with any directions of the said superintendent, shall be removed from the cemetery.

37. Licenses for grave dressing or decorating may be issued by the trustees, such licenses to be renewed annually in the month of July.

- (d) Work in all cases to be carried on with due despatch, and only during regulation hours.

39. The trustees may decorate graves from time to time when desired by the grantee so to do. If the grantees do not desire the trustees to carry out this work, the grantees may either do it themselves or employ any person licensed by the trustees for that purpose.

40. No person, except the relatives of the deceased, the trustees, or those licensed by the trustees, shall be permitted to decorate any grave.

41. If for the purpose of re-opening a grave the trustees find it necessary to remove edging tiles, plants, shrubs, etc., from the grave, the person so ordering the re-opening shall pay to the trustees the charges laid down in Schedule A hereto.

42. Notwithstanding anything contained in the existing by-laws to the contrary, permission may be granted to the Defence Department of the Commonwealth, to erect headstones on the graves of deceased soldiers without the payment of any fee.

43. Free ground may be granted if it is proved to the satisfaction of the trustees—

(a) that the deceased was a returned soldier, and that he died as a result of injuries received in war; and

(b) that the relatives of the deceased are in necessitous circumstances:

Provided that such grant shall be made, subject to the condition that only the remains of deceased soldiers shall be interred in the grave.

44. A plan of the cemetery showing the distribution of the land, compartments, sections, situations, and number of grave, and a register of all certificates of "Rights of Burial" shall be kept at the office.

45. Any person violating the rule of propriety and decorum, or committing any nuisance or trespass, or injuring any tree, shrub, flower, border, grave, or the erection, or in any way infringing these by-laws, shall be expelled from the cemetery.
