L.G. 622/53.

THE Trustees of the Bridgetown Public Cemetery acting in exercise of the powers conferred by section 14 of the Cemeteries Act, 1897-1956, hereby make the following by-laws for the management of the Bridgetown Public Cemetery (reserve 9915) and repeal by-laws and Schedules made on 23rd July, 1909, and all subsequent amendments and schedules thereto.

By-laws.

1. All fees and charges payable to the Trustees as set forth in Schedule A, shall be paid at the times and manner therein mentioned unless otherwise ordered.
2. The "Secretary" as referred to in these by-laws means the person for the time being employed by the Trustees to act in that capacity, and such person shall, subject to the Trustees, exercise a general supervision and control over all matters pertaining to the Cemetery, and to the carrying out and enforcement of these by-laws, and the direction of such person shall in all cases and for all purposes be presumed to be and have been the direction of the Trustees. The "office" of the Trustees shall be the postal address of the person employed for the time being as "Secretary."
3. A plan of the Cemetery showing the distribution of the land, compartments, sections, situation and number of grave, and a register of all certificates of "Rights of Burial" shall be kept at the office.
4. All workmen, whether employed by the Trustees or by any other person, shall at all times, whilst within the boundaries of the Cemetery, be subject to the supervision of the secretary, and shall obey such directions as that officer may find it necessary to give; and any workman committing any breach of these regulations and by-laws, or refusing or neglecting to comply with any directions of the said Secretary, may be removed from the Cemetery.
5. Prior to conducting any interment within the Cemetery, or making use of the Cemetery for any purpose connected with interments, every undertaker shall pay to the Trustees an annual fee as prescribed in Schedule A, and shall at the time of making such payment, receive a "Permit" to hold good during good behaviour and until the 1st day of July following, and unless in the possession of such a "Permit" no undertaker shall be allowed to engage in or carry out any duty or work within the Cemetery.
6. Any person desiring to inter any deceased adult or child, or any still-born baby in the Cemetery shall make an application in the form contained in Schedule B. The Trustees shall issue an order for burial in the form in Schedule C.
7. All applications for interment shall be made at the office of the Trustees in such time as to allow at least eight working hours notice being given to workmen prior to the time fixed for burial, otherwise an extra charge shall be made.
8. The Trustees shall cause all graves to be dug, and vaults, brick graves, or graves to be re-opened as and when required.
9. Every grave shall be at least five feet deep at the first interment, and no interment shall be allowed in any grave with a less depth than three feet from the top of the coffin to the original surface of the surrounding ground.
10. Every coffin shall have upon the lid an approved metal plate bearing the name of the deceased stamped or otherwise indelibly inscribed in legible characters thereon. Any coffin not complying with this by-law will not be admitted to or be interred in the Cemetery.
11. Exhumation for reburial in any other part of the Cemetery may be permitted by the Trustees upon written application. Exhumation for any other purpose must be by order of the Governor or warrant of a coroner or of two Justices of the Peace in accordance with the law.
12. No burial shall be allowed to take place in the Cemetery, nor shall any coffin be allowed to enter the Cemetery, unless a medical certificate of death or a Coroner's order for burial is handed to the Secretary, for inspection and return, at the latest upon the funeral entering the Cemetery. Should the undertaker or his representative be unable to produce the medical certificate or the Coroner's order for burial he shall give a written guarantee to produce the same within three days and satisfactory reasons must be given for the non-production of the medical certificate or Coroner's order for burial in the first instance. In default of production of the medical certificate or Coroner's order within three days the undertaker's licence may be suspended until the certificate or order is produced.
13. No interment shall be allowed on Sunday, Saturday, or public holiday except when it is certified in writing by a Medical Officer of Health, or by a Police Magistrate, or by two Justices of the Peace, that, for sanitary or special religious reasons it is necessary or advisable that the burial take place on that day, in which case double fees shall be charged and the hour of burial shall be as directed by the Trustees.

14. The hours for burial on week days, Monday to Friday inclusive, shall be as follows:—9.30 a.m. to 4 p.m. No burial shall be allowed to take place nor any coffin allowed to enter the Cemetery at any other hour except by written permission of the Trustees.

15. The time fixed for any burial shall be the time at which the funeral is to arrive at the Cemetery gates, and, if not punctually observed, the undertaker responsible shall be liable to a fine of £1.

16. If for any reason the funeral shall, on arrival at the entrance gates of the Cemetery, remain there for more than fifteen minutes prior to proceeding to the graveside, the undertaker responsible shall be liable to a fine of £1.

17. Every funeral shall enter by the principal entrance, and no vehicle, except the hearse and mourning coaches, shall be permitted to enter the Cemetery, or stand opposite the entrance gates. Vehicles shall not be allowed to proceed faster than five miles per hour within the Cemetery, and shall proceed at and by such roads as directed by the Secretary from time to time. Any driver or other person failing or neglecting to observe such directions may be forthwith expelled from the Cemetery. No bicycle shall be ridden within the Cemetery.

18. Children under the age of ten years entering the Cemetery must be in charge of some responsible person.

19. No dogs shall be admitted within the Cemetery, and any found therein shall be liable to be destroyed.

20. Smoking shall not be allowed within the Cemetery, nor any fireworks discharged therein.

21. No person shall remove, carry out, or attempt to carry out of the Cemetery, any tree, plant, shrub, flower, earth or other material without the written authority of the Trustees or their representative. Withered flowers replaced on graves and all other rubbish must be placed in receptacles provided by the Trustees for that purpose.

22. No person shall pluck any tree, plant, shrub or flower growing in any portion of the Cemetery.

23. No person shall promote or advertise, or carry on within the Cemetery, any trade, business, or calling, either by solicitation, distribution or circulars, by cards or otherwise, or by any other system of advertisement whatsoever, without the written consent of the Trustees, and any person infringing this by-law shall be expelled from the Cemetery.

24. No person employed by or under the Trustees shall be permitted to accept any gratuity whatever, nor shall he be pecuniarily interested in any work in the Cemetery, other than the remuneration he receives from the Trustees, except by written permission of the Trustees, and any such person proved guilty of accepting any gratuity, or being pecuniarily interested in any such work without such permission shall be liable to summary dismissal.

25. Any person requiring an exclusive right of burial in any part of the Cemetery shall apply to the Trustees in writing, specifying the location of the grave. If it is proposed to inter therein the remains of any already deceased person the name of such person must be shown in the application. If the application is approved by the Trustees a grant of exclusive right of burial shall be issued in the form of Schedule E, the same to be signed by Chairman, Secretary, and one or more of the Trustees. Assignments of a grant of exclusive right of burial shall be in the form of Schedule F.

26. No brick grave or vault shall be constructed in any plot in respect of which a grant of exclusive right of burial has issued, without the authority of the Trustees being first obtained, and subject also to the approval of the Trustees of the plans and specifications of the proposed work and of the execution thereof.

27. Every such grant of exclusive right of burial shall be subject to the by-laws for the time being, and no interment in any such grave or vault shall be allowed unless upon production of the grant aforesaid, nor shall any such grave or vault be opened unless with the consent of the Trustees.

28. Every coffin placed in any such bricked grave or vault shall be bricked in, cemented, and any space surrounding such coffin shall be filled in with charcoal, dry earth, or other suitable material, and covered with a slab of stone, slate or iron, unless special written exemption be obtained from the Trustees.

29. In the event of such exemption being obtained from the Trustees, each coffin placed in any brick grave or vault shall be properly lead lined and hermetically sealed.

30. If application be made for an interment in any grave or vault of the remains of any person other than the person to whom the grant was issued, or his registered assign, the written and verified consent of such grantee or assignee shall be produced, together with the grant of right of burial.

31. Should the grantee be unable to produce the grant of right of burial on making application for a grave to be opened or re-opened for the purpose of interment, through having lost same, the said grantee shall make a sworn declaration to this effect, and shall pay the fee for a copy of such grant of right of burial as prescribed in Schedule A, before the interment takes places.

32. Any person desiring to place or erect, or to alter or add to any monument, tombstone, or enclosure in any part of the Cemetery must first obtain the written consent and approval of the Trustees and otherwise comply with section 23 of the Act (61 Vict., No. 23).

33. Every tombstone, monument, or enclosure shall be placed on proper and substantial foundations which, if required by the Trustees, shall extend to the bottom of the grave.

34. The material used in every such erection shall be subject to the approval of the Trustees, and any material rejected shall be immediately removed from the Cemetery by the contractor for the erection. All refuse and other rubbish remaining after any work is completed shall be immediately removed from the Cemetery by the person causing the same.

35. All material required in the erection and completion of any work shall, as far as possible, be prepared before being taken to the Cemetery, and all materials required by tradesmen shall be admitted at such entrance as the Secretary shall direct. No sand, earth, or other material shall be taken from any part of the Cemetery for use in the erection of any monument or work except with the written approval of the Trustees.

36. Should any work by masons or others be not completed before a Sunday, they shall be required to leave the work in a neat and safe condition and to the satisfaction of the Trustees.

37. Monumental masons and workmen who fail to comply with the provisions of any by-law pertaining to their duties shall be liable to a fine of £2.

38. No catacomb shall be allowed.

39. No wooden fence, railing, cross or other wooden erection shall be allowed on or around any grave or vault.

42. Any person taking part in dressing or attending to any grave shall comply with the following rules: (a) No rubbish, soil, sand, or other material, removed in dressing a grave shall be placed on any other grave, and if placed in any adjoining ground shall be removed immediately the work is completed. (b) No soil, sand or loam shall be taken from any portion of the Cemetery for the purpose of dressing any grave, except with the permission of the Trustees. (c) The dressing of all graves, and wheeling and carting of any material shall be subject to the supervision of the Secretary. (d) Work in all cases to be carried on with due despatch, and only during regulation hours.

43. The Trustees may decorate graves from time to time, when desired by the grantee to do so. If the grantees do not desire the Trustees to carry out this work they may either do it themselves or employ any person licensed by the Trustees for that purpose.

44. No person except the relatives of the deceased (or their deputies), the Trustees, or those licensed by the Trustees, shall be permitted to decorate any grave.

45. If, for the purpose of re-opening a grave, the Trustees find it necessary to remove the edging tiles, plants, shrubs, etc., from off the grave, the person so ordering the re-opening shall pay to the Trustees the charges laid down in Schedule A.

46. Notwithstanding anything contained in these by-laws to the contrary, permission may be granted to the Defence Department of the Commonwealth to erect headstones on the graves of deceased soldiers without payment of any fee.

47. Free ground may be granted if it is proved to the satisfaction of the Trustees—(a) that the deceased was a returned soldier and that he died as a result of injuries received in war; and (b) that the relatives of the deceased are in necessitous circumstances.

48. Any person violating the rules of propriety and decorum, or committing any nuisance or trespass, or injuring any tree, shrub, flower, border, grave or any erection, or in any way infringing these by-laws, shall be expelled from the Cemetery.
