Trusts not recognised.

8. (1) No entry of any trust shall be made in the stock ledger and the Trust and the Registrar shall be entitled to treat the person or persons whose name or names is or are inscribed in the stock ledger in respect of any stock as the absolute owner or owners thereof and accordingly shall not be bound to recognise any equitable or other claim to or interest in such stock on the part of any other person.

(2) Executors, administrators and trustees shall not be registered as such, but in their individual names without reference to any trusteeship.

Change of address.

9. Any change of address of a stockholder shall be forthwith notified by him in writing to the Registrar.

Marriage of female stockholder.

10. On the marriage of a female stockholder, her name and description shall be altered in the stock ledger with respect to stock standing in her name solely or jointly after lodgment with the Registrar of a request in the form approved by the Trust, signed by her, stating in full the name of her husband and setting forth the particulars of the stock of which it is desired to have the alteration made.

The stockholder shall, if the Registrar so desires, lodge with the Registrar for inspection her marriage certificate or a certified copy of such marriage certificate together with such proof as the Registrar may reasonably require.

Correction of mistakes in stock ledger.

11. Upon receipt of a request in writing from a stock holder to correct a mistake in the stock ledger, the Registrar may amend the stock ledger if he is satisfied that any stock has been inscribed incorrectly owing to a mistake in any document. If the Registrar so requires, the stockholder shall furnish a statutory declaration of the circumstances to support the request to amend the mistake.

Signatures of stockholders.

12. (1) The Registrar shall take all necessary steps to secure specimen signatures of all stock holders. The signatures to all forms lodged at the registry after the application for stock has been received shall be tested by comparison with the specimen signatures.

(2) Where any person is unable to sign his name, instruments required for the purpose of these regulations shall be executed by him and attested in such manner as the Registrar requires.

13. Upon satisfying the Registrar as to his identity, a stockholder, his attorney or agent authorised in writing shall be at liberty to inspect his account in the stock ledger at all reasonable times.

Inspection of stock ledger.

14. At the request of a stock holder the Registrar may issue a certificate of inscription of stock in a form approved by the Trust and such certificate shall be delivered only to the person whose name is inscribed in the stock ledger as holder of the stock for which the certificate is issued, or to his attorney, or to a member of a recognised stock exchange who represents such stock holder, or to a person authorised in writing by the stock holder to take delivery of such certificate.

Certificate of inscription of stock.

Part III.—Transfers and Transmissions of Stock.

15. (1) The Registrar shall keep at the registry books to be called "Transfer Books" wherein all transfers of stock or any part thereof shall be entered and registered, which entries shall be numbered in such manner as the Trust shall determine and all transfers shall be in accordance with Form No. 2 in the Schedule.

Transfers.

(2) The transfer shall be signed or in the case of a corporation unless executed under power of attorney, be properly sealed, by both the transferor and the transferee, each of whom shall be notified of the completion of the transaction.

(3) In the case of a transfer or transmission from or to joint owners it shall be sufficient if the person whose name is inscribed first in the stock ledger is notified of the completion of the transaction.

(4) Every party to the transfer shall sign the transfer of stock form in the presence of a witness.

(5) The witness shall be a Justice of the Peace, Commissioner for Affidavits, Commonwealth or State Commissioner for Declarations, notary public, solicitor, member of a recognised Stock Exchange, an officer of the Registry, a bank manager (who shall sign as such and add the bank stamp), or any other person approved by the Registrar. Such witness shall state the capacity in which he has attested the signature.

(6) A person (not being an officer of the Registry) shall not attest the signature to a transfer and acceptance unless the person signing is personally known to the person witnessing the transfer.

(7) Every such transfer shall pass the right to all interest becoming due and payable after the date of registration thereof so that the Trust shall not be under any necessity to apportion any such interest as between the transferor and the transferee.

16. The Registrar may at the request of any owner or his agent mark a form of transfer of stock, which has been properly executed by the owner, with the words "Stock held against this Transfer for £..... for a period of fourteen days from....." Where a form of transfer of stock is so marked the Registrar shall refuse to give effect to any dealing in stock to which the transfer relates, within the period of fourteen days in respect of the amount of the inscription so marked, except on completion of the marked transfer. Nothing in this regulation shall prevent the owner from surrendering to the Registrar a marked form of transfer of stock for cancellation within the period of fourteen days provided that the form of transfer of stock has not been executed by a transferee.

Marking of form of transfer of stock.

A form of transfer of stock may be registered at any time within fourteen days after the time the Registrar has marked it, notwithstanding that the transferor after executing the transfer has died, become bankrupt or insolvent. After the expiry of the period of fourteen days the Registrar shall refuse to register the transfer if he has had notice of the death, bankruptcy or insolvency of the transferor.

Notice of dealing.

17. The Registrar may, if he deems fit, forward to the stock holder a notice of dealing in the form approved by the Trust on any application received by him relating to stock inscribed in the name of such stock holder and the Registrar shall not register the transaction unless sufficient time has elapsed for a reply to be received.

Transfers to be lodged on a transfer day.

18. Every transfer of stock shall be lodged at the office on a transfer day; the transfer days will be Monday to Friday inclusive in each week from 10 a.m. to 1 p.m. and 2 p.m. to 3 p.m., except when any of these days fall on a bank holiday.

Entries in stock ledger.

19. (1) As soon as possible after the registration of any transfer or transmission of stock the amount of stock transferred or transmitted shall be debited in the proper account in the stock ledger and shall be forthwith credited in the ledger to the account of the person or persons to whom it shall have been so transferred or transmitted and the Registrar shall cause the said stock ledger to be compared with the transfers and applications to ascertain that all the business transacted has been duly and properly entered and recorded.

(2) Registration shall not be made of any applications for transfer, or other transactions which would affect the balance of stock inscribed, received within fourteen days prior to the date on which interest is due or during the period of twenty-one days immediately preceding the date of maturity of stock.

Deceased stockholders.

20. (1) (a) The executors, administrators or trustees of the estate of a deceased stock holder (not being one of several joint stock holders) shall be the only persons recognised by the Trust as having any title to the stock inscribed in the name of the deceased stock holder.

(b) Application for transmission shall be made in accordance with Regulation 21.

(2) (a) On the death of one of the holders in a joint account the survivor or survivors shall be the only person or persons recognised by the Trust as having any title to or interest in the stock.

(b) The death of such joint holder may be proved by the production of probate of the Will, letters of administration or certificate of death and if required by the Registrar by a statutory declaration sworn or made by a person approved by the Registrar as to the identity of the deceased as the holder.

(c) On completion of the proof of death in a joint account and on receipt of an application in writing from the survivor or survivors the stock shall be registered in the name of the survivor or survivors.

Transmission of stock.

21. (1) If any stock is to be transmitted in consequence of the death, bankruptcy or insolvency of any stock holder or for any other reason, an application for registration by transmission shall be lodged with the Registrar. The application shall be in accordance with Form No. 3 in the Schedule and shall, if the Registrar so requires, be supported by a written declaration in such form as he may approve.

(2) The Registrar shall require the signature of persons who claim transmission of stock by virtue of their appointment as executors, administrators or trustees, to be verified to his satisfaction, by a person approved by the Registrar.

(3) The probate of the Will, letters of administration or an office copy of the adjudication or order of sequestration or vesting order as the case may be or any other document which authorises the transmission under this regulation shall be produced to the Registrar.

(4) The Registrar may require all documents produced under this regulation to be left at the registry at least two clear days before the stock affected by them may be dealt with.

(5) Particulars of such documents shall be entered in a register.

22. (1) Where a person dies leaving any stock of an amount not exceeding two hundred pounds the Registrar may dispense with the production of probate or letters of administration as required by Regulation 21 and may authorise the transmission of the stock to such person as he thinks fit.

Power of Registrar to dispense with production or resealing of probate, etc., in certain cases.

(2) No person shall have any claim against the Trust in respect of any transmission in pursuance of this subregulation, but nothing in this subregulation shall relieve the person to whom the stock is transmitted from any liability to account for or deal with the stock as required by law.

(3) It is not necessary to reseal in this State any probate or letters of administration in order that a transmission of stock may be registered if, in respect of the stock, the probate or letters of administration is or are produced together with either the certificate of the Commissioner of Stamps of this State that no duty is payable under the Administration Act, 1903-1956, or his receipt evidencing that all duty payable under that Act has been paid.

23. (1) A person becoming entitled on transmission in the manner aforesaid may either himself be registered as the holder of the stock so transmitted, or instead of being himself registered may, if approved by the Registrar, make such transfer of the stock as the stock holder from whom the same was transmitted could have made, and any such transfer shall be accompanied by such evidence in proof of the title of the transferor as the Registrar may reasonably require.

Persons entitled to be registered on transmission.

(2) Where the Registrar is satisfied that stock is inscribed in the name of the person whose property is required by law to be placed in the hands of the Public Trustee or of an officer holding an equivalent position in any other State or of any other officer charged with the duty of administering estates of deceased persons or missing persons or persons under disability the Registrar may (notwithstanding the provisions of Regulations 21 and 22) authorise the transmission of the stock to the name of the Public Trustee or other officer, provided however, that the Registrar may, if he so desires, require a sufficient indemnity from the Public Trustee or other officer.

Part IV.—Issue of Debentures.

24. (1) All signatures on the face of debentures shall be made in writing.

Issue of debentures.

(2) Where a loan is issued wholly or partly in the form of debentures the transactions relating to the debentures and the coupons attached thereto shall be recorded at the registry in a general register of debentures.

(3) There shall be kept at the registry, in a form approved by the Trust, records showing particulars of the debentures received, issued, surrendered, cancelled and on hand.

(4) Debentures may be purchased by any person, but if an owner has not attained or does not appear to the Registrar to have attained the age of fourteen years, the Registrar may deliver the debentures to the parent or guardian of the owner, and the receipt of the parent or guardian shall be a valid discharge for the Trust from all actions, suits, claims and demands in respect of the debentures so delivered.

(5) Before issuing any debentures to a purchaser, any overdue interest coupons shall be detached therefrom and cancelled.

(6) Arrangements may be made by the Registrar for delivery through a bank or other agency of debentures which cannot be handed personally to the owner at the registry, and a receipt shall be obtained by the Registrar in exchange for all debentures delivered.

Delivery of debentures not exceeding £200 on behalf of deceased persons.

25. (1) Upon the death of a person who is entitled to receive from the Registrar any debentures not exceeding a face value of two hundred pounds, the Registrar may authorise the delivery of the debentures to such person as he thinks fit.

(2) No person shall have any claim against the Trust in respect of any debentures delivered under this regulation but nothing in this regulation shall relieve the person to whom the debentures are delivered to account for or deal with the debentures as required by law.

Issue of debentures in exchange for stock.

26. (1) Upon application in a form approved by the Trust for the issue of debentures in exchange for stock and if the Trust accedes to such application, the Registrar shall debit the applicant's account in the stock ledger and issue to him or his order debentures of the same currency and rate of interest for the amount of stock debited.

(2) Where debentures are issued in exchange for stock, the Registrar may demand the surrender of stock certificates or other relevant registry documents in exchange for those debentures.

(3) A receipt for debentures delivered shall be given to the Registrar by the applicant or his attorney or agent.

(4) Debentures shall not be issued in exchange for stock of which a person under the age of fourteen years or a person of unsound mind is the owner jointly with other persons not under legal disability, except in pursuance of an order of a Justice of the High Court or a Judge of the Supreme Court of a State or Territory.

(5) Debentures may be issued in exchange for stock inscribed in the name of a person of unsound mind jointly with other persons not under legal disability, upon receipt of an application in a form approved by the Trust, signed by the Master in Lunacy or such other person as may be authorised under the law of the Commonwealth or of any State or Territory to administer the estate on behalf of the person or unsound mind, and by the joint owners not under legal disability.

(6) Where an order has been made by a Justice of the High Court or a Judge of the Supreme Court of a State or Territory in relation to stock which is inscribed in the name of a person of unsound mind jointly with other persons not under any legal disability, it shall not be necessary for an application approved by the Trust for the issue of debentures in exchange for that stock to be signed by or on behalf of that person of unsound mind.

Issue of debentures in exchange for other debentures.

27. Upon application in a form approved by the Trust debentures may if the Trust agrees be surrendered at the registry in exchange for other debentures of a like amount, of the same currency and bearing the same rate of interest.

Inscription of stock in exchange for debentures.

28. Upon application in a form approved by the Trust for the inscription of stock in exchange for debentures, and if the Trust accedes to such application, the Registrar shall inscribe stock of the same currency and rate of interest and for the amount of the debentures surrendered, and shall forward a notification of inscription to the person in whose name the stock is inscribed and shall issue a receipt for debentures so surrendered.

Part V.—Payment of Interest.

Stock ledger to be closed.

29. The Registrar shall cause the stock ledger and transfer books to be closed for a period not exceeding fourteen days next before any of the days on which interest on the stock is payable and the persons who on the day the books are so closed are inscribed as holders of stock shall be entitled to receive the interest next payable thereon.

Interest on debentures.

30. Interest on debentures shall be paid on presentation of interest coupons at the place for payment of interest mentioned in the coupons, provided that the first interest due on any debentures may be paid in accordance with the conditions of the prospectus.

31. Interest on stock shall be paid by one of the following methods:—

- (1) Except as hereinafter provided or unless otherwise instructed by the stockholder, payment shall be made to the stock holder or in the case of a joint account to the stock holder whose name is inscribed first in the stock ledger by cheque sent by ordinary prepaid letter through the post, addressed to the stock holder at his address last notified to the Registrar before the closing of the stock ledger or to some person nominated in writing by the stock holder. Cheques shall be crossed "Not Negotiable" and shall be made payable to the order of the payee.
- (2) With the approval of the Trust and at the risk of the stock holder by payment into an account in a bank within the Commonwealth.
- (3) Where stock is inscribed solely in the name of an infant, interest on such stock may be paid as directed by the stock holder, or at the discretion of the Registrar, may be paid to the infant's parent or guardian whose receipt shall be valid discharge.
- (4) Where stock is inscribed in the name of an infant jointly with one or more other persons, the interest thereon may be paid to the infant jointly with that other person or those other persons or at the discretion of the Registrar, may be paid to the infant's parent or guardian jointly with that other person or those other persons.
- (5) Interest on stock inscribed in the name of an infant, or in the name of a person of unsound mind, jointly with others not under legal disability, may be paid as directed by the stockholders other than those under a disability, and without the concurrence of the infant or person of unsound mind, upon sufficient proof of legal disability being lodged with the Registrar.
- (6) Where, under the conditions of the issue of any loan, the Trust has provided that the first payment of interest on any stock shall be made to the person to whom the stock was originally allotted, then the original allottee shall for the purpose of the first payment of interest be deemed to be the stock holder or owner under this regulation.

Payment of interest on inscribed stock.

32. The receipt of any one stock holder or of his attorney or agent duly authorised by the stock holder in that behalf in the case of stock inscribed in more than one name for any interest or for any document relating to such stock shall be full and sufficient discharge to the Trust in respect thereof but with regard to the payment of principal a discharge shall be given by all stock holders in a joint account.

Receipts of joint stock holders.

Part VI.—General.

33. (1) In every case before acting on any power of attorney the Registrar shall require from the attorney a declaration that he has not received notice of revocation of the power of attorney by the death of the donor of the power or otherwise.

Powers of attorney.

(2) The Registrar may act on any power of attorney which in his opinion contains full power to act for any purpose in relation to stock.

(3) The Registrar may require a power of attorney to be left at the registry at least two clear days before it is acted upon.

(4) Particulars of every power of attorney left at the registry for notation shall be entered by the Registrar in a register.

34. Stock holders may by agreement with the Registrar arrange for repayment, when due, of the principal sum into a bank account.

Repayment of principal.

General provisions. 35. All possible precautions shall be taken by the Registrar for the security of the stock to its owner and to guard against fraud or improper transactions. Erasures shall not be made in the stock ledger. Errors shall be ruled through and correct entries made.

Secrecy. 36. No person other than the officer or officers appointed by the Auditor General to audit transactions and the Registrar and officers of the Trust immediately engaged on inscribed stock business and approved by the Registrar shall have access to any books, forms or other records.

All officers so appointed or approved shall not divulge any information coming to their knowledge in the course of their duties, except as necessary in the transaction of business or as required by law.
