Advertisement of Resolution Deciding to Prepare a Town Planning Scheme.

Perth Road Board Town Planning Scheme No. 6.
T.P.B. 853/2/20/6.

NOTICE is hereby given that the Perth Road Board, on the 5th day of August, 1958, passed the following resolution:—

Resolved that the Perth Road Board, in pursuance of section 7 of the Town Planning and Development Act, 1928-1957, prepare the above Town Planning Scheme with reference to an area situate wholly within the Road District of Perth and enclosed within the inner edge of a blue border on the plans now produced to the Perth Road Board, and marked and certified by the Secretary to the Road Board, under his hand, dated the 5th day of August, 1958 as Plan No. 1 and Plan No. 2.

Details of Scheme No. 6 (Summary).

Briefly, the purpose of the scheme is to replace the present unsatisfactory subdivision and road layout by the subdivision shown on Plan No. 2. For this purpose, the land in the scheme area shall be resumed or otherwise acquired, re-surveyed, the new roads constructed and drained, and the new lots re-allocated to the original owners on the following basis:—

- (a) Owners of lots which due to size were incapable of subdivision will be offered one new lot.
- (b) Owners of lots which were capable of subdivision will be offered two new lots for every lot originally owned by them.

(c) Replacement lots will be located, as far as possible, in the position of the land originally owned, having where possible the same amenities of view, corner position and the like.

(d) Any remaining lots will be treated as surplus lots and sold by the Board.

The net costs of the scheme (after crediting to the scheme the sale of surplus lots), including administration, survey, road construction and drainage, compensation (where owners do not accept a replacement lot or lots), and any other expenses incidental to the scheme, shall be divided among the owners of the lots which were originally capable of subdivision.

And notice is hereby further given that the Plans Nos. 1 and 2, referred to in the above resolution, have been deposited at Perth Road Board Office, Cecil Building, Sherwood Court, Perth, and will be available for inspection by all persons interested, without payment of any fee, between the hours of 9 a.m. and 4 p.m., Mondays to Fridays. Any suggestions for the inclusion or exclusion of any lands or works in or from the area of the proposed scheme should be sent in writing to the Secretary, Perth Road Board, on or before the 11th day of January, 1959.
