Western Australian Government Railways Commission,
 Perth, 22nd December, 1958.

HIS Excellency the Lieutenant Governor and Administrator in Executive Council, in exercise of the powers conferred by sections 77 and 84 of the Government Railways Act, 1904-1958, has been pleased to make the regulations set out in the Schedule hereunder.

(Sgd.) T. MARSLAND,
 Commissioner of Railways.

Schedule.
 Regulations.

1. (1) These regulations may be cited as the Government Railways Act (Senior Officers) Appeal Regulations.
- (2) These regulations shall come into force on the day fixed by Proclamation as the day for the coming into operation of the Government Railways Act Amendment Act (No. 2), 1958.
2. In these regulations "Act" means the Government Railways Act, 1904-1958, as amended from time to time.
3. These regulations apply in the case of an appeal under section 77 of the Act by a person who is the occupant of an office prescribed under section 73 of the Act as one in respect of which the exercise of any of the powers referred to in that section is subject to the Minister.
4. Notice of every appeal under section 77 of the Act to a Stipendiary Magistrate by a person to whom these regulations apply shall be in writing and shall be addressed to, and lodged with, the Commission within fourteen

days of the date of the decision appealed against, and the appeal shall be heard by a Stipendiary Magistrate within thirty days from the date of notice of appeal being so lodged.

5. Every notice of appeal shall set out the nature of the decision appealed against, the offence alleged to have been committed by the appellant, and the grounds of the appeal.

6. The Commission shall forward the notice of appeal to the Under Secretary for Law, Crown Law Department, Perth, for remission to a Stipendiary Magistrate, who, forthwith upon receipt of the notice, shall fix a time and place for the hearing of the appeal and shall advise the Commission accordingly.

7. The Commission shall cause notice of the time and place so fixed for the hearing of the appeal to be given to the appellant and, where necessary, shall direct that arrangements be made to allow of the appellant's attendance at the hearing of the appeal; provided however that the appellant shall be entitled to at least five days clear notice of the time and place of the hearing of the appeal.

8. The attendance at the hearing of the appeal of the appellant and his witnesses shall, in the first instance, and unless and until the Stipendiary Magistrate otherwise directs, be at the appellant's cost.

9. (1) Any employee of the Commission called by the appellant as a witness at the hearing of the appeal shall give at least three days clear written notice thereof to his immediate superior, who shall thereupon arrange leave to the witness for such purpose. The leave so arranged will be without pay, or shall be debited against any leave (other than long service leave) which may be due and accrued to such employee, as he may desire; provided that, where necessary under an award of the Court of Arbitration of Western Australia, the consent of a union which is party to such an award, is given.

(2) The Commission will issue railway passes to the appellant and, at the written request of the appellant, will issue passes to the appellant's witnesses, where necessary to enable the attendance of the appellant or his witnesses before the Stipendiary Magistrate.

(3) In the event of an appeal being dismissed the value of such railway passes, at ordinary fares for departmental privilege tickets, may, unless the Stipendiary Magistrate otherwise directs, be charged by the Commission against the appellant or, with the concurrence of the users thereof, may be treated as privilege passes under other regulations made under this Act.

10. (1) Allowances to witnesses for or in respect of their attendance at the hearing of an appeal under these regulations shall be paid as follows—

- (a) to witnesses employed by the Commission, at rates equal to the rates of ordinary wages or salary and travelling expenses for the time being in force under other regulations made under the Act;
- (b) to witnesses not employed by the Commission, expenses equivalent to expenses allowed under the Local Courts Act, 1904, and its amendments in respect of attendance as a witness at a local court.

(2) Allowances to witnesses under these regulations are recoverable by the witness from the party by whom, or at whose instance, they were summoned or requested to attend.

11. With respect to the procedure on any appeal under these regulations, the following provisions shall apply:—

 - (iii) by any employee of the Commission nominated by the appellant; and

(b) as to the Commission, by one of its employees authorised by it in that behalf:

Provided that no party shall be entitled to representation by a legal practitioner.

- (5) Subject to these regulations the Stipendiary Magistrate may regulate his own procedure on, or in relation to, any appeal and issue summonses for the attendance of witnesses, and shall have power to compel any witness to attend and to give evidence.
- (6) Any person who does not appear pursuant to such summons (the same having been personally served upon him, or sent by registered post as a letter addressed to him at his place of abode, and his reasonable travelling expenses according to the prescribed scale having been paid or tendered to him) and does not assign some reasonable excuse for not so appearing, or who appears and refuses to be sworn, or examined, or to produce for the inspection of the Stipendiary Magistrate, any document which by such summons he is required to produce, shall be liable, on summary conviction, to a penalty not exceeding ten pounds.
12. (1) The Stipendiary Magistrate may confirm, modify or reverse any decision appealed against, or make such other order thereon as he shall think fit, and the decision of the Stipendiary Magistrate shall be final.
- (2) The Stipendiary Magistrate may fix the costs on any appeal and direct by whom, and in what proportions, they shall be payable, and in every case costs shall be awarded against an appellant whose appeal is considered frivolous.
- (3) All costs awarded against an appellant shall be recoverable as a debt due to the Crown.
- (4) All costs awarded to an appellant shall be payable by the Commission.
