Advertisement of Resolution Deciding to Prepare a Town Planning Scheme.

Perth Road Board Town Planning Scheme No. 5—
Trigg Island (Kathleen Street and West Coast Highway).

T.P.B. 853/2/20/5.

NOTICE is hereby given that the Perth Road Board on the 2nd day of September, 1958, passed the following resolution:—

Resolved that the Perth Road Board in pursuance of section 7 of the Town Planning and Development Act, 1928-1958, prepare the above Town Planning Scheme with reference to an area situate wholly within the road district of Perth and enclosed within the inner edge of a blue border on the plans now produced to the Perth Road Board, and marked and certified by the Secretary to the Road Board, under his hand, dated the 2nd day of September, 1958, as Plan No. 1 and Plan No. 2.

Details of Scheme No. 5 (Summary).

The authority responsible for the administration of this Scheme is the Perth Road Board.

Briefly, the purpose of the Scheme is to improve and develop the land in the Scheme area to the best possible advantage, to secure suitable provision for the improvement of existing road layout, to make provision for new roads and to enable the land in the Scheme Area to be subdivided: For this purpose, the land in the Scheme Area shall be resumed or otherwise acquired, resurveyed and the roads coloured brown on the Plan constructed and drained.

The Scheme provides for the transfer of certain Crown lands in the vicinity to the Board, for inclusion in the Scheme, thus making possible the reallocation of the new lots on the following basis:—

- (a) Each individual owner will be offered a lot or lots, as nearly as may be proportionately to the area of land previously owned by him, and as nearly as may be in the same position as the land acquired from him, and where possible having the same amenities of view, corner position contour level and the like.
- (b) Any remaining lots will be treated as surplus lots and sold by the Board.

The costs of the Scheme, including administration, survey, construction of the roads coloured brown on the plan, compensation (where owners do not accept replacement lots, etc.), transfer fees, and any other expenses incidental to the Scheme, shall be divided among the owners in proportion to the number of lots reallocated to them.

And notice is hereby given that the Plans No. 1 and 2, referred to in the above resolution, have been deposited at Perth Road Board Office, Cedric Street, Osborne Park, and at the office of the Town Planning Board, 31 Malcolm Street, Perth, and will be available for inspection by all persons interested, without payment of any fee, during normal office hours. Any suggestions for the inclusion or exclusion of any lands or works in or from the area of the proposed Scheme should be sent in writing to the Secretary, Perth Road Board, on or before the 4th day of May, 1959.

TOWN PLANNING AND DEVELOPMENT
ACT, 1928-1958.

Perth Road Board.

Advertisement of Resolution Deciding to Prepare a Town Planning Scheme.

Perth Road Board Town Planning Scheme No. 7
(Frape Avenue and Riley Street, Tuart Hill).

T.P.B. 853/2/20/7.

NOTICE is hereby given that the Perth Road Board on the 2nd day of September, 1958, passed the following resolution:—

Resolved that the Perth Road Board, in pursuance of section 7 of the Town Planning and Development Act, 1928-1958, prepare the above Town Planning Scheme with reference to an area situate wholly within the Road District of Perth and enclosed within the inner edge of a blue border on the plans now produced to the Perth Road Board, and marked and certified by the Secretary to the Road Board, under his hand, dated the 2nd day of September, 1958, as Plan No. 1 and Plan No. 2.

Details of Scheme No. 7 (Summary).

Briefly, the purpose of the Scheme is to make provision for the roads coloured brown on the plan. The construction of these roads will enable the owners of abutting land to subdivide such land. For this purpose, the lands coloured brown on the plan shall be resumed or otherwise acquired for the purpose of the Scheme. The new roads will then be surveyed, constructed and drained.

The costs of the Scheme shall be apportioned as follows:—

Perth Road Board.

- (a) The costs of the survey of the new road.
- (b) Any compensation moneys arising out of the acquisition of the land required for the new roads.

The Scheme.

- (c) The administration costs of the Scheme.
- (d) The costs of construction and drainage of the new roads.

Because the Scheme makes it possible to subdivide the lots shown coloured red on the plan, and is of particular benefit to the owners thereof, the costs of Scheme (items (c) and (d) above) shall be apportioned between the owners of those lots on a percentage basis as shown circled on the plan.

The costs of the Scheme shall, upon completion of the Scheme, be due and payable to the Board by the respective owners. If any owner wishes to postpone payment until he subdivides his land, the Board will agree to such postponement, provided that payment is made upon subdivision, or on the 30th June, 1962, whichever is the earlier, and provided he gives to the Board adequate security for payment, over his lands. All costs entailed in provision of such security shall be borne by the owner concerned.

And notice is hereby given that the Plans Nos. 1 and 2, referred to in the above resolution, have been deposited at Perth Road Board Office, Cedric Street, Osborne Park, and at the office of the Town Planning Board, 31 Malcolm Street, Perth, and will be available for inspection by all persons interested, without payment of any fee, during normal office hours. Any suggestions for the inclusion or exclusion of any lands or works in or from the area of the proposed Scheme should be sent in writing to the Secretary, Perth Road Board, on or before the 27th day of April, 1959.

Dated this 21st day of January, 1959.

L. P. KNUCKEY,
Secretary.
Cedric Street, Osborne Park.
