IT is hereby notified for public information in accordance with section 7 of the Town Planning and Development Act, 1928-1958, that the Perth Road Board Town Planning Scheme No. 6 previously advertised in the *Government Gazettes* of the 10th, 17th and 24th October, 1958, and *The West Australian* of the 11th, 18th and 25th October, 1958, was approved by the Hon. the Minister for Town Planning on the 14th day of April, 1959.

Perth Road Board.

Town Planning Scheme No. 6.

Resolved that the Perth Road Board in pursuance of section 7 of the Town Planning and Development Act, 1928-1957, prepared the above Town Planning Scheme with reference to an area situate wholly within the road district of Perth and enclosed within the inner edge of a blue border on the plans now produced to the Perth Road Board, and marked and certified by the Secretary to the Road Board, under his hand, dated the 5th day of August, 1958, as Plan No. 1 and Plan No. 2.

Details of Scheme No. 6.

1. Area: This Scheme shall apply to the land contained within the blue border on the Scheme plans numbered No. 1 and No. 2.
2. General Objects: The general objects of the Scheme are to improve and develop the area to the best possible advantage and to secure suitable provision for traffic for residences and of land for building purposes and for drainage purposes.
3. Acquisition of Land: Such of the land in the area of the Scheme as is not now the property of the Board shall be resumed or otherwise acquired for the purposes of this Scheme.
4. Resurvey of Area: The area shall be resurveyed in order to improve and develop the area, to make provision for new lots and setting aside land for roads drainage reserves and easements.
5. Works to be Carried Out: The new roads will be constructed and drained.
6. Re-allocation of Lots: The lots created by the re-survey of the area will be dealt with as follows:—
 - (a) Owners of lots which due to size were incapable of subdivision will be offered one new lot.
 - (b) Owners of lots which were capable of subdivision will be offered two new lots for every such lot owned by them.
 - (c) The remaining lots will be treated as surplus lots. Each owner will be offered a lot or lots in the new subdivision as nearly as may be in the position of the land resumed from him and where possible having the same amenities of view, corner position and the like. The offer will be made subject to the owner releasing the Board from all claims for compensation in respect of the resumption of his land and where applicable to the payment by him of his proportion of the costs of the Scheme.

7. Surplus Lots: All surplus lots and all lots which have been offered to owners in manner aforesaid and rejected by them shall subject to paragraph 14 hereof be sold by the Board.

8. Method of Sale of Surplus Lots: The Board may sell the surplus lots either by public auction or private contract, as a whole or in separate lots, upon such terms and conditions as the Board shall think fit. In the event of a sale by private contract the price shall not be less than the price recommended by the Chief Valuer of the Taxation Department of Western Australia.

9. Costs of Scheme: The Scheme shall be debited with—
- the administration costs of the Scheme;
 - the costs of the survey of the area;
 - the costs of the works to be carried out;
 - all compensation payable to owners who do not accept the offer mentioned in paragraph 6 hereof and all costs and expenses of determining and settling the compensation payable;
 - all other costs and expenses incidental to the Scheme.
10. The Scheme shall be Credited with—
- the net proceeds of sale of all surplus lots or the valuations thereof;
 - the net proceeds of sale of all lots which have been offered to owners in manner aforesaid and rejected by them or the valuations thereof.
11. Apportionment of Costs: The net costs of the Scheme shall be divided between all owners of lots which due to their size were capable of subdivision prior to the Scheme, in proportion to the number of new lots offered to and accepted by them respectively. The owners of lots which due to size were incapable of subdivision will not be called upon to pay any part of the costs of the Scheme.
12. In the event of the Scheme showing a profit the surplus shall be retained by the Board.
13. Land Owned by Board: The land the property of the Board within the area shall be made available by the Board for the purpose of the Scheme free of charge.
14. Valuation of New Lots: The Board may instead of selling all the new lots mentioned in paragraph 7 hereof ascertain the value of them or of those unsold, from the Chief Valuer of the Taxation Department of Western Australia and credit the Scheme with the values so ascertained and in that event those lots shall be the property of the Board and may be retained, sold or otherwise dealt with in such manner as the Board thinks fit.
15. Claims for Compensation: In the event of any claim for compensation not having been settled at the time when the Board is ready to transfer lots pursuant to this Scheme the Board may estimate the amount of compensation payable and the costs relating thereto and debit the Scheme with the net amount so estimated. In the event of the Board doing so the difference between the estimate and the actual compensation and cost payable shall be received or paid by the Board as the case may be.
16. Encumbrances on Titles: In the event of any land in the area being subject to a registered mortgage charge or lease or to a caveat to protect the interest of the purchaser, mortgagee, chargee or lessee, the Board shall not transfer a new lot to the owner unless subject to similar encumbrances or with the consent of all persons entitled to the benefit of the encumbrances.

I certify that the foregoing is a copy of minute of ordinary meeting of the Perth Road Board held on 5th August, 1958.

That subject to the consent of the Governor under section 12 of the Bulk Handling Act, 1935-1953, the Articles of Association be amended as follows:—

Should any casual vacancy occur among the Directors the remaining Directors shall have power to fill up such vacancy by appointing a qualified person but any person so chosen shall hold office only until the close of the next ordinary general meeting when he shall retire but shall be eligible for re-election if properly qualified. Provided that the Directors may instead of themselves filling up the casual vacancy decide to hold a by-election to fill the same in which case the Directors shall, at their first meeting after the vacancy occurs, fix the time and date for the closing of nominations for the by-election and for the closing of the poll; and the provisions of Article 90 shall apply to any such by-election.

(g) Not less than thirty (30) minutes shall be allowed for a meal.

10.—Contract of Service.

Subject to section 187 (a) of the Luncy Act, 1903, as amended, and to regulations made thereunder:—

(a) No worker shall be dismissed unless he or she has received fourteen (14) days' previous notice of his or her dismissal, or pay for such period in lieu thereof.

(b) No worker shall, without the consent of the employer, resign without first having given fourteen (14) days' previous notice of his or her intention to do so, and in the absence of such notice the employer may withhold holiday or other pay to the amount of 14 days' wages.

(c) The employer may, at any time without prior notice, dismiss a worker for refusal or neglect to obey orders, or for misconduct, or if after receiving the notice prescribed in subclause (a) hereof the worker does not carry out his or her duties in the same manner as he or she did prior to such notice.

11.—Sick Leave.

(a) (i) Subject as hereinafter provided, sick leave shall be granted on the basis of ten (10) working days on full pay for each year of service.

(ii) If, in any calendar year any absence through sickness exceeds the worker's current entitlement, and by service subsequent to the sickness the worker becomes entitled to further sick leave with pay, payment may be adjusted at the end of that calendar year or at the time the worker leaves the service of the employer, whichever is the sooner.

(iii) Any unused portion of the sick leave herein prescribed up to a maximum of seven (7) working days in each year shall be allowed to accumulate and may be availed of in the next or any succeeding year.

(b) Workers in the employment at the commencement of this clause, shall be allowed an initial credit on the following basis:—

(i) Where continuous service exceeds three (3) years—forty-five (45) working days less any sick leave taken during the preceding triennial period.

(ii) Where continuous service is less than three (3) years—an amount calculated on the entitlement provided for in subclause (a) hereto, less any sick leave taken from the commencement of service to the date this amendment comes into force.

(c) No sick leave with pay shall be granted without an adequate medical certificate, provided that if in any case it is not convenient for the worker to obtain a medical certificate, sick leave may be granted on other evidence satisfactory to the employer, but such leave shall be limited to two (2) consecutive days in any one period and a total of three days in any calendar year.

(d) (i) The maximum period of sick leave allowable with pay in respect of any continuous absence shall not exceed six months.

(ii) A worker who has been granted six months' continuous sick leave with pay shall not be entitled to receive further sick leave with pay until a period on duty of not less than four weeks has been completed.

(e) Any period during which a worker is absent on leave without pay shall not be included as part of such worker's period of continuous service for the purpose of this clause.

(f) A worker who is absent on approved annual leave, long service leave, or leave without pay, shall not be eligible for leave under this clause during the currency of such approved leave.

(g) No leave on account of illness or injury shall be granted with pay if the illness or injury has been caused by the worker's own fault, neglect or misconduct.

12.—Travelling Time.

(a) A worker when travelling on duty away from his or her own home station or headquarters shall not by reason of such travelling suffer any interruption of the continuity of his or her pay for ordinary working hours in each day, but no overtime shall be allowed for time occupied in travelling.

(b) Where a worker is rostered for duty at a hospital other than his or her home station for a period of less than three (3) months, reasonable travelling time shall be allowed for the journey one way at ordinary rates of pay and such reasonable excess daily travelling costs between his or her place of residence or home station, as may be determined by the employer, and the place of employment. The words "excess daily travelling costs," for the purpose of this subclause shall mean the amount by which the cost of travelling to and from the place of employment exceeds the sum (if any) which the worker may ordinarily pay in travelling each day between his or her place of residence and his or her home station (including the return journey.)

13.—Travelling Allowance.

(a) Workers when travelling on duty outside the metropolitan area shall be re-imbursed the actual and reasonable cost incurred in such travelling. The costs of such travelling shall be computed from the time the worker leaves his headquarters or home. The cost of breakfast, lunch, dinner or bed will not be re-imbursed if the worker leaves headquarters or home after or returns before 8 a.m., 1 p.m. or 6 p.m. and midnight.

(b) If any worker, except at his own request, or on account of misconduct, is required by the employer to transfer to any station other than his home station, he shall be paid the actual reasonable cost of the removal of his household effects, unless the employer undertakes the removal.

14.—Night Duty.

Prior to going on night duty a nurse shall, wherever practicable, come off duty at 4 p.m. and go on at 11.30 p.m. the same night, provided that night duty is not to be preceded or succeeded by duty commencing after 12.30 p.m.

15.—Post Mortem Attendance.

A nurse and his assistant, carrying out mortuary duties in connection with post mortem examinations, shall be paid an allowance of fifteen shillings (15s.) and ten shillings (10s.) respectively per body.

If a worker is formally charged under section 187a of the Lunacy Act, 1903, with an offence he shall be given at least twenty-four (24) hours' notice in writing prior to the hearing in which to prepare his defence; but this shall not prejudice the power under the Act of immediate suspension. The said period of twenty-four (24) hours may be decreased upon the written request of the person charged.

17.—Uniforms.

(a) A first issue of uniforms for male nurses shall be supplied within three (3) months of being appointed, and thereafter they shall receive issues of uniforms once in every twelve (12) months.

19.—Higher Duties.

A worker called upon to perform work carrying a higher minimum rate than his regular rate of pay for a period of more than four (4) hours in the shift, shall be paid the higher minimum for the time engaged on such work.

20.—Old and Infirm Workers.

Any worker who by reason of old age or infirmity is unable to earn the wages awarded herein may be paid such lesser wage as may from time to time be agreed upon between the union and the employer or his representative, and in default of such agreement within twenty-four (24) hours after such worker shall have applied in writing to the secretary of the union stating his desire that such wage shall be agreed upon such wage as shall be fixed by the Board of Reference upon the application of such worker, after twenty-four (24) hours' notice in writing shall have been given by him to the said secretary, who shall, if he so desires, be heard by the Board upon such application. After having given notice to the secretary, and after lodging the application mentioned and pending the Board's decision thereon, the worker shall be entitled to work and be employed at the proposed lesser rate. The determination of the Board shall have effect for the period of six (6) calendar months from the date thereof, and after the expiration of the said period until the rate shall have been again fixed at the instance of the said secretary in the manner prescribed.
