HEALTH ACT, 1911-1957.

Municipality of Nedlands.

Health By-law—Eating Houses.

WHEREAS under the provisions of the Health Act, 1911-1957, a local authority may make by-laws and may amend, repeal or alter any by-laws so made: Now, therefore, the Council of the Municipality of Nedlands, being a local authority, doth hereby make the following by-law:—

Part 1.

Commencement.

- (1) This by-law shall come into operation on the 1st July, 1959.

Interpretation.

- (2) In the construction of this by-law, unless the context otherwise requires—

“Act” means the Health Act, 1911-1957, and any amendment thereof;
 “chief inspector” means the chief health inspector of the local authority and includes any person acting in that capacity;
 “dining room” means any eating house other than a tearoom;
 “eating house” as defined in Division 3, section 160 of the Health Act, 1911-1957;
 “inspector” means any person appointed by the local authority to be a health inspector pursuant to the provisions of the Act;
 “license” means a license to conduct an eating-house granted pursuant to the provisions of this by-law;
 “local authority” means the Council of the Municipality of Nedlands;
 “medical officer” means the medical officer of the local authority and includes any person acting in that capacity;
 “proprietor” means the person having the management or control of premises;
 “registered premises” means any premises which are registered as an eating house under this by-law;
 “tearoom” means any eating house where the only foods served for consumption on the premises are tea, coffee and similar beverages, sandwiches, pies, pasties and such prepared foods as are usually supplied by wholesale pastrycooks, toast, cake, biscuits, pastries, cold salads, cold meats, and prepared beef tea and other extracts or soups which are supplied by the manufacturer in tins or bottles ready for consumption, but, where no food is cooked on the premises;
 “Town Clerk” means the Town Clerk or the acting Town Clerk for the time being of the Municipality of Nedlands.

- (3) Eating houses are classified as—

(a) dining rooms;
 (b) tearooms.

Part 2.

License and Registration.

- (4) No person shall occupy or use any premises as a dining room or tearoom unless—

(a) the premises are registered under this by-law as a dining room or tearoom as the case may be; and
 (b) the proprietor of the said premises is the holder of a license issued by the local authority authorising him to conduct on the premises the business of a dining room or tearoom as the case may be.

(5) Before any premises are registered under this by-law as a dining room or tearoom the proprietor thereof shall make application in the appropriate form prescribed in the First Schedule hereto and shall forward his application together with a plan of the premises in respect of which such application is made and the prescribed fee to the Town Clerk and, if the application is approved, the local authority shall issue to the proprietor a certificate of registration in the appropriate form prescribed in the Second Schedule hereto.

(6) Before any license to any proprietor to conduct a dining room or tearoom is granted by the local authority under this by-law the proprietor shall sign an application for the same in the appropriate form prescribed in

the Third Schedule hereto and shall forward same together with the prescribed fee to the Town Clerk and, if the application is approved, the local authority shall issue to the proprietor a license in the appropriate form prescribed in the Fourth Schedule hereto.

(7) Any person who makes a false statement in connection with any application under clauses 5, 6, or 10 hereof shall be guilty of an offence.

(8) Every certificate of registration of premises registered as a dining room or tearoom and every license issued to a proprietor shall be signed by the Town Clerk and shall be duly entered in a book to be provided by the local authority for that purpose. Every proprietor of registered premises shall keep the certificate of registration, and the license on the registered premises in a position visible to the general public and shall, when requested so to do by an inspector, produce to him the certificate of registration and also the license issued to the proprietor in respect of such premises.

(9) Every certificate of registration and every license shall be in force from the day of the date of the issue thereof until and inclusive of the 31st day of December, then next ensuing, unless the same be cancelled in the meantime in accordance with the provisions of the Act.

(10) Applications for the renewal of certificate of registration and licenses shall be made annually during the month of December. Such application shall be in the appropriate form prescribed in the Fifth and Sixth Schedules hereto respectively and shall be accompanied by the prescribed fee.

(11) The fees to be paid to the local authority on the registration of premises on the issuing of a license and on the renewal of any registration or license shall be as set out in the Seventh Schedule hereto.

(12) So often as any person holding a license issued pursuant to this by-law changes his place of abode he shall, within seven days next after such a change, give notice thereof in writing to the Town Clerk specifying in such notice his new place of abode and he shall at the same time produce such license to the Town Clerk, who shall endorse thereon and sign a memorandum specifying the particulars of such change.

(13) If the owner of any registered premises sells or transfers or agrees to sell or transfer the said premises to another person, he shall, within 14 days from the date of such sale or transfer or agreement, notify the Town Clerk thereof in writing, stating the full name, address and occupation of such other person.

Structure.

(14) In all premises occupied or used or intended to be occupied or used as a dining room or tearoom the following provisions shall apply:—

- (a) The walls of all rooms shall be constructed of brick, stone or concrete suitably rendered and plastered and shall be tiled or oil-painted to a height of at least seven feet from the floor level so as to maintain a smooth, hard, durable and washable surface devoid of holes, cracks and crevices.

Partitions shall not exceed seven feet in height and they shall be flush-panelled on both sides and shall be oil-painted so as to maintain a smooth, hard, durable and washable surface devoid of holes, cracks and crevices.

- (b) Every room therein shall be properly ceiled with stamped metal, lath and plaster, fibrous plaster or asbestos sheets or other similar material and shall be constructed and maintained throughout its area and at the wall junctions free from holes, cracks or crevices.
- (c) There shall be provided adequate food storage facilities and cupboards to prevent the contamination of food, crockery and utensils by dirt, dust, flies or vermin of any kind.
- (d) There shall be provided for the use of employees and, when required by the local authority, there shall also be provided for customers sufficient and suitable lavatories with wash hand basins and all necessary appurtenances or such other lavatory system as may be approved by the local authority, and there shall also be provided for use therewith an adequate supply of water, soap, nail-brushes and clean towels, but no towel or towels shall be provided for use in common.

- (e) There shall be provided sanitary conveniences for the use of employees, and, where required by the local authority, there shall also be provided sanitary conveniences for the use of customers and in either case, when considered necessary by the local authority, separate sanitary conveniences shall be provided for each sex.
 - (f) All water closets or urinals situate on any registered premises shall be separated from the yard or building of such premises by a properly constructed ante-chamber or airlock as directed by the local health authority.
 - (g) Every room shall be properly lighted with a surface of clear glass exposed to the open air equivalent to not less than one-tenth of the floor area of the room. Where such natural lighting cannot be reasonably secured artificial lighting to the approval of the local authority shall be installed.
 - (h) Every room shall be provided with outlet ventilators corresponding with an allowance of not less than one square inch of airway for every 40 cubic feet of gross air space of every such compartment or alternatively some mechanical system of ventilation shall be installed to the satisfaction of the local authority.
 - (i) The air space between the ground surface and the floor (except in the case of concrete or other solid floors) shall be efficiently ventilated to the satisfaction of the local authority.
 - (j) In premises where wood, coal or coke is used as fuel, such wood, coal or coke shall be stored or kept in a properly constructed store with brick walls and concrete floors separating such store from the remainder of the premises.
- (15) In all premises occupied or used or intended to be occupied or used as a dining room the following further provisions shall apply:—
- (a) The floors of all kitchens, sculleries and food stores shall be constructed or adapted with concrete rendered with cement or provided with a surface applied directly to the concrete of a kind and in a manner approved in writing by the chief health inspector.
Provided that the local authority may, in its discretion, register premises as a dining room, although the provisions of this paragraph are not complied with if such premises were being used as a dining room on the 31st day of December, 1958.
 - (b) There shall be provided a kitchen, scullery and food stores to the satisfaction of the chief health inspector.
The kitchen shall have a floor area to be approved by the chief inspector and shall under no circumstances be less than 12 ft. x 10 ft. in measurement.
When any scullery, food store, or cupboard is incorporated in the kitchen then the floor space occupied by such scullery, food store or cupboard shall not be included in the floor area of the kitchen for the purpose of this clause.

Management.

- (16) The proprietor of every dining room and tearoom shall—
- (a) keep or cause to be kept clean and in good condition and repair the floors, walls, ceilings and all portions of the premises and all fittings, stoves, ranges, utensils, implements, shelves, counters, bins, cabinets, fixtures, sinks, drainboards, drains, grease traps, tubs, vessels, and things of the like description used on the premises or in connection with the preparation or storage of food thereon;
 - (b) provide all such furniture, fixture, counters, bins, sinks, drainboards, grease traps, tubs, vessels, fittings, utensils, implements and things for use on the premises as the chief health inspector may from time to time direct for the proper conduct of the business;
 - (c) construct and arrange or cause to be constructed or arranged all furniture, fixtures, counters, bins, sinks, drainboards, tubs, vessels, fittings, utensils and things in every kitchen, serving room, scullery and fish-cleaning room on the premises so that the floor in every such room or place may at all times be kept in a thoroughly clean and sanitary condition;

- (d) not keep or use any floor covering that is absorbent or in such condition as to allow of the lodgment of dirt thereunder;
- (e) keep all tables and benches used for the preparation of food at least three inches from the wall and moveable to facilitate cleansing;
- (f) provide and properly maintain at all times suitable and effective means for keeping and keep every room or compartment on the premises free from dust, rats, mice, cockroaches, flies, spiders, bugs, ants, moths, and all other vermin, and, if in the opinion of an inspector, effective means and methods of cleansing and eradication of vermin from the premises cannot be done effectively while the ordinary business of the establishment is carried on, then the local authority may order the temporary closure of the premises to the public until such time as such cleansing and eradication of vermin has been carried out to the satisfaction of the chief inspector, and the proprietor shall comply with such order. The form of order to be served is set out in the Eighth Schedule hereto;
- (g) for the purpose of keeping the registered premises free from rats, provide and maintain at least six spring break back rat traps, in good working order, properly set and baited at all times; the type and number of traps and kind of baits used and the position and locality of the traps set shall be as directed by a health inspector;
- (h) keep all portions of the premises free from any unwholesome or offensive odour arising from the premises or the operations carried on thereon;
 - (i) provide and maintain a hood over every wood, gas, or electric cooking fire, stove or boiler; the hood shall be of such size and so placed as to arrest all steam, effluvia, odours and smoke from the process of cooking or boiling; the underside of the hood shall be not more than 6 ft. 6 in. above the floor level and shall be of a size at least equal to the upper surface of the cooking stove or boiler; it shall have a flue of not less than seven inches in diameter and such flue shall discharge to the open air above the eaves of the building and at a height of not less than two feet above the eaves of any adjoining building;
- (j) provide an efficient chimney or flue to every wood, coal or coke cooking stove so that no smoke nuisance shall arise in or outside the premises;
- (k) provide and keep a sufficient number of suitable vessels or receptacles, with lids, constructed of galvanised iron or other non-absorbent and non-corrosive material to a design approved by a health inspector on the registered premises for the purpose of receiving all garbage, waste matter and other refuse arising from the business, and place and keep such vessels or receptacles in a properly constructed room with concrete floor to be fly and rat proof and efficiently ventilated or in such positions as directed by a health inspector;
 - (l) forthwith after such garbage, waste matter and other refuse is produced, place the same in such receptacles provided and kept in accordance with paragraph (k) hereof and remove or cause the contents of all receptacles containing pig swill to be removed from the premises at least once in every 24 hours;
- (m) thoroughly cleanse all such receptacles provided and kept in accordance with paragraph (k) hereof once at least in every 24 hours, and renew or repair any or all of the aforesaid receptacles as often as is necessary and when required by an inspector so to do;
- (n) provide and maintain a hot water installation of capacity to supply sufficient hot water and adequate sink facilities for the thorough cleansing of all drinking vessels, dishes, plates and other vessels, tableware, spoons, forks, knives, and any other utensils used on the premises to the satisfaction of the chief inspector;
- (o) immediately after each occasion of use cause all such vessels, and utensils, referred to in clause (n) to be thoroughly cleansed by means of washing in water at a temperature of not less than

110 deg. F. and immediately thereafter rinsed in clear hot water at a temperature of not less than 150 deg. F. and for this purpose there shall be provided two sinks;

- (p) not permit or suffer any table napkin which has been used as such or for any other purpose by any person to be placed for use by or to be used by any other person unless such table napkin shall have been thoroughly washed and cleansed since it was previously used by such firstmentioned person;
- (q) remove or cause to be removed the whole of the canned or preserved food or any food contained in a hermetically sealed container (such container not being composed wholly of glass or stoneware) intended for use on the premises from such original can or container immediately after the same shall have been opened;
- (r) not permit or suffer any food which is unsound, unwholesome, putrescent or weeviled to be used for food, or for the preparation of food or meals;
- (s) cause any food which is or has become unsound, unwholesome, putrescent or weeviled to be immediately withdrawn from sale, stock or use and placed in the waste food garbage bin;
- (t) provide adequate and efficient means of refrigeration for the preservation of food to the satisfaction of the chief inspector;
- (u) remove or cause to be removed any food which may have been served to any person or placed on any table occupied by any customer on the premises (and not then consumed or removed by him) immediately after such person shall have finished his refreshment, nor permit, suffer or allow any such food so removed to be again served to any person on the premises, and such food shall be immediately deposited in the waste food garbage bin; provided that in this paragraph food shall not mean or include the following substances, to wit: sugar, pepper, salt, mustard, vinegar, sauces, spices or condiments if such substances are contained in receptacles or containers so constructed that the contents of such containers cannot be handled by any person; provided further that in this paragraph, food shall not include bread which is placed in a glass receptacle or container of a design and so constructed that the contents are only handled as required;
- (v) not allow, permit or suffer any live animal or bird to be kept in or upon any portion of the premises (provided that a cat or cats may be allowed in the premises after all food has been covered and the premises are not open to the public) or allow or permit or suffer any animal or bird to be killed or any poultry, pigeons or game to be plucked in any part of the premises;
- (w) provide and maintain a suitable cupboard for hats, shoes and clothing of employees to the satisfaction of the chief inspector;
- (x) not permit or suffer any hat, shoes or clothing to be placed or kept on the premises otherwise than in the cupboard provided under the last preceding paragraph; provided that customers may be permitted to hang their hats and coats in any room open to the public;
- (y) not keep or permit or suffer to be kept any hamper, basket, box, trunk, case, crate or barrel which has contained wet fish or other perishable food and which has not after the last occasion of such use been cleansed and rendered inoffensive upon any portion of the premises for a period longer than 24 hours or in such a manner as to become or be likely to be or become offensive or a nuisance;
- (z) cleanse daily and at all time keep and maintain all water-closets, urinals, lavatories, catchpits, grease traps, and all other sanitary appliances on the premises in a clean and sanitary condition;
- (aa) at all times provide and maintain a notice board on which is legibly inscribed, in letters one inch high, the name of the person licensed to carry on business on the premises, and such notice board shall be fixed and maintained free from obstruction in a prominent position at the entrance of the premises.

(17) In addition the proprietor of every dining room shall—

- (a) not permit, suffer or cause any fish to be gutted, cleaned or scaled on any portion of the premises unless such portion of the said premises shall have been constructed for such purposes and approved in writing by the chief health inspector and shall not store any fish in any kitchen or food store on the premises unless such fish has already been gutted, cleaned, scaled and washed;
- (b) provide and maintain a suitable change room for employees if all of one sex or suitable separate change rooms for each sex;
- (c) not store or permit to be stored in any kitchen on the premises any petrol, kerosene, benzine, naphtha, alcohol, mineralised or methylated spirit or any volatile liquid (not being an article of food).

(18) No proprietor of any dining room or tearoom shall—

- (a) permit, suffer or cause to be made or done to or on the registered premises any alteration, addition or other work for any purpose affecting or likely to affect the suitability of the premises for the use specified in respect of such premises without the previous consent in writing of the chief health inspector;
- (b) permit or suffer any drain-pipe for carrying off faecal or sewage matter to have an opening or any gully trap to be within any roofed enclosures (not being a water-closet or urinal) on the premises;
- (c) permit, suffer or cause any spittoon or article or thing for like use to be placed on the premises;
- (d) permit, suffer or cause any structural alterations to be made to the premises or any portion thereof without first having obtained permission in writing from the local authority.

(19) No person employed on the premises shall spit or smoke tobacco in any room wherein food is being prepared for use in any dining room or tearoom and every proprietor of such premises shall exhibit conspicuously and constantly maintain in a clean, visible and legible condition in every such room a notice printed in letters of not less than 48 points face measurement to the following effect: "Spitting or smoking tobacco in this room is an offence against the by-law. Penalty not exceeding £20 (twenty pounds)."

(20) Every person engaged in any dining room or tearoom in the preparation of food shall wear a clean outer garment or overall of washable material the sleeves of which shall be comparatively short, and every such person shall immediately before beginning or recommencing the preparation of food and immediately after visiting a sanitary convenience wash his hands and every such person shall maintain his clothing and body clean. The proprietor of such premises shall provide and maintain at all times on such premises adequate and efficient means for maintaining personal cleanliness to the satisfaction of the chief inspector.

(21) No person who is suffering from any infectious, contagious or eruptive disease, suppurating wound or sore, discharging abscess or gathering, chest complaint accompanied with expectoration, or malignant growth of any kind, shall enter the kitchen or take part in the preparation or handling of food in any dining room or tearoom.

(22) (1) Every proprietor of any dining room or tearoom shall as soon as he becomes aware that any person engaged on the premises is suffering from any of the abovementioned diseases cause him to cease to be engaged on and to leave such premises without unnecessary delay and shall not allow him to be again engaged on such premises until such person shall have obtained a certificate from a qualified medical practitioner that he has recovered from or is not suffering from any such condition as aforesaid and is no longer a source of danger to others.

(2) The proprietor of any dining room or tearoom shall forthwith report in writing to the local health authority the suspension of any person engaged on the premises suffering from any disease mentioned in clause 21 of this by-law and shall send a copy of any medical certificate obtained for the purpose of this clause to the local health authority before such person shall again be engaged on the premises.

(23) Any person who shall commit a breach of any of the provisions of this by-law shall be guilty of an offence and upon conviction shall be liable to a penalty not exceeding fifty pounds and where such breach is of a continuing nature to a daily penalty not exceeding two pounds.

TRAFFIC ACT, 1919-1958.

Bridgetown Road Board.

Traffic By-law.

Police T.O. 58/393.

THE Bridgetown Road Board, pursuant to an Order in Council under section 47 of the Traffic Act, 1919-1958, published in the *Government Gazette* of the 8th May, 1959, and in exercise of the powers thereby conferred, doth hereby make the following by-law prohibiting the driving of vehicles on one way roads except in specified directions:—

No person in charge of any vehicle shall cause or permit such vehicle to be driven along Roe Street, Bridgetown, between the intersection of Roe Street with Somme Street and the intersection of Roe Street with Rowley Street and Blechynden Street where such road is divided by a median strip, except on the left hand portion of the road facing the direction of travel.

In this by-law "median strip" means a kerbed or other dividing strip which is placed on a road and divides the road to provide for one way traffic on each of the portions of the road so divided and includes a line of ornamental trees so dividing the road.

Penalty.

Any person offending against this by-law shall forfeit and pay on conviction a penalty not exceeding £2 (two pounds) for every such offence.

Passed by a resolution of the Bridgetown Road Board at a meeting held on the 15th May, 1959.

COLIN P. SCOTT,
Chairman.
ERIC MOLYNEUX,
Secretary.

Recommended—

(Sgd.) C. C. PERKINS,
Minister for Traffic.

Approved by His Excellency the Lieutenant-Governor in Executive Council this 24th day of June, 1959.

E. P. FOREMAN,
Acting Clerk of the Council.

CEMETERIES ACT, 1897.

Department of Local Government,
Perth, 22nd June, 1959.

L.G. 708/53, L.G. 552/53.

HIS Excellency the Lieutenant-Governor in Executive Council, acting under the provisions of the Cemeteries Act, 1897, has been pleased to approve of the by-laws made by the Trustees of the Busselton Public Cemetery and the Metricup Public Cemetery, pursuant to that Act, as set out in the Schedule hereunder.

(Sgd.) GEO. S. LINDSAY,
Secretary for Local Government.

Schedule.

By-laws.

1. The by-laws made by the Trustees of the Busselton Public Cemetery and the Metricup Public Cemetery, under the provisions of the Cemeteries Act, 1897, and published in the *Government Gazette* on the 9th April, 1959, are referred to in these by-laws as the principal by-laws.

2. The principal by-laws are amended by substituting for By-law 10 a by-law as follows:—

10. (i) Subject to paragraph (ii) of this by-law a person shall not bring a dead body into the cemetery unless he, or his representative, has first handed to the secretary for inspection and return a medical certificate of death or a Coroner's order for burial in respect of the body.

(ii) Where an undertaker or his representative, for a valid reason, is unable to produce a medical certificate or Coroner's order for burial, as required by paragraph (i) of this by-law, and he has given to the secretary a written guarantee to produce the certificate or order within three days, he may bring the body into the cemetery.

(iii) A burial shall not be permitted in the cemetery unless the provisions of one of the foregoing paragraphs of this by-law have been complied with.

(iv) Where an undertaker or his representative has given written guarantee as required by paragraph (ii) of this by-law and he has failed to produce the certificate or order within three days, the undertaker's license may be suspended until the certificate or order is produced.

Passed by resolution of the Busselton Road Board as Trustees of the Busselton Public Cemetery and the Metricup Public Cemetery at a meeting held on the 22nd day of April, 1959.

METROPOLITAN WATER SUPPLY, SEWERAGE AND DRAINAGE ACT,
1909-1956.

Water Supply, Sewerage and Drainage Department,
Perth, 24th June, 1959.

Ex. Co. No. 1097.

HIS Excellency the Lieutenant-Governor in Executive Council has been pleased to approve of the by-laws made by the Minister pursuant to the powers contained in the Metropolitan Water Supply, Sewerage and Drainage Act, 1909-1956, and set out in the Schedule hereunder.

B. J. CLARKSON,
Under Secretary.

Schedule.

By-laws.

1. The by-laws made by the Minister under the provisions of the Metropolitan Water Supply, Sewerage and Drainage Act, 1909 (as amended), reprinted pursuant to the provisions of the Reprinting of Regulations Act, 1954, and

published as so reprinted in the *Government Gazette* on the 25th June, 1957, and amended by by-laws published in the *Government Gazette* on the 13th August, 1957, are referred to as the principal by-laws.

2. The principal by-laws are amended by substituting for by-law 72 a by-law as follows:—

72. (1) A drainage plan may be obtained from the Minister by lodging at the office of the Under Secretary, Metropolitan Water Supply, Sewerage and Drainage Department, two copies of the plans and sections to conform with and include the detail required by by-law 74 of these by-laws.

(2) (a) A fee calculated in accordance with this sub-by-law is payable when the copies of the plans and sections are lodged.

(b) The fee to be paid in respect of a drainage plan for any house or building

(i) where it is proposed

to connect or re-connect in a new position, one
water closet,
urinal outlet,
slop hopper,
pan washer, or
trade waste outlet,

or

to alter any sewerage house connection drain if 20 feet or more of drain is involved in the alteration;

or

(ii) where it is proposed

to connect or re-connect in a new position, one
water closet,
urinal outlet,
slop hopper,
pan washer, or
trade waste outlet,

and

to alter any sewerage house connection drain if 20 feet or more of drain is involved in the alteration,

is £1 10s.

But where a drainage plan requires more than one of those fittings to be so connected or re-connected, an additional fee of 15s. is payable for each such fitting in excess of one and in that case no fee is payable in respect of a proposed alteration, if any, to any sewerage house connection drain.

(c) One copy of the plans and sections submitted shall be retained by the Minister.

(3) Copies of drainage plans obtained under the provisions of sub-by-law (1) of this by-law may be obtained on application to the Minister and payment of the fee of 10s. for each copy.

3. The principal by-laws are amended by adding after by-law 72 a by-law as follows:—

72A. A person may, upon application to the Under Secretary, Metropolitan Water Supply, Sewerage and Drainage Department, for a diagram of existing drains in any area the plans or records of which are in the custody of the Department and on payment of such sum as the Under Secretary requires, be supplied by the Under Secretary with a diagram of the existing drains in that area in accordance with those plans and records.

BREAD ACT, 1903-1949.

Department of Labour,
Perth, 18th June, 1959.

Ex. Co. No. 1065.

HIS Excellency the Lieutenant-Governor in Executive Council, acting under the provisions of the Bread Act, 1903-1949, has been pleased to make the regulations set out in the Schedule hereunder.

E. M. COPLEY,
Acting Chief Inspector of Factories.

Schedule.

Regulations.

1. In these regulations the Bread Act Regulations, 1939, published in the *Government Gazette* on the 6th April, 1939, and amended by notice published in the *Government Gazette* on the 29th June, 1945, are referred to as the principal regulations.

2. Regulation 3 of the principal regulations is amended—

(a) by deleting the passage, "which is located within the boundaries of a health district under the Health Act, 1911-1937," in lines one and two of subregulation (1); and

(b) by adding after subregulation (2) a subregulation as follows:—

(3) Where a bakehouse is located elsewhere than in a health district under the Health Act, 1911 (as amended), the applicant, or one of the applicants, shall complete the certificate contained in Form 1 in the Appendix to these regulations certifying that the bakehouse conforms with regulation 12 of these regulations.

3. Regulation 4 of the principal regulations is revoked.

4. The Appendix to the principal regulations is amended—

(a) by substituting for Forms 1 and 3 the corresponding forms respectively numbered in the Schedule to these regulations;

(b) by deleting Form 2; and

(c) by substituting for Form 8, the Form 8 with the Bakehouse License Transfer attached thereto in the Schedule to these regulations,

Regulation 12. No license for a bakehouse shall be granted unless the following conditions are conformed with:—

- (a) Where the bakehouse is located in any municipal or road district in which a local authority has been established under the provisions of the Health Act, 1911-1937, and such local authority has appointed an inspector under the Bread Act, 1903-1938, or an inspector under the Health Act, 1911-1937, the applicant for a license submits to the Chief Inspector with his application a certificate signed by an inspector certifying that the bakehouse in respect of which the application is made conforms with the requirements of such local authority and any by-laws relating to bakehouses made under the provisions of the Health Act, 1911-1937, which have been adopted by such local authority; or
- (b) where the bakehouse is located in any municipal or road district and the municipal council or road board has not appointed an inspector under the Bread Act, 1903-1938, and has not adopted any by-laws relating to bakehouses made under the provisions of the Health Act, 1911-1937, and where the bakehouse is not located within the boundaries of any municipal or road district, the applicant himself certifies in writing on his application that in his opinion the bakehouse conforms in all respects with the following requirements, that is to say, the bakehouse—
 - (i) is constructed of sound materials;
 - (ii) its situation, construction and condition are such as to render impossible contamination of any flour, dough or other materials used in connection with the making or baking of bread;
 - (iii) it is provided with a floor of concrete or other smooth impervious material, the surface of which is not less than six inches above the surface of the land adjoining or nearest to such bakehouse and is so laid and graded as to render it capable of being easily washed down and cleansed, provided that this requirement shall not apply to any bakehouse, the floor of which is of wood and which prior to the commencement of the Bread Act Amendment Act, 1938, was registered as a factory under the provisions of the Factories and Shops Act, 1920-1937;
 - (iv) the inner surfaces of all walls are constructed of materials capable of being washed down or lime-washed without injury to such walls;
 - (v) it is provided with a ceiling of smooth impervious material capable of being easily washed or lime-washed;
 - (vi) it is rain and weather-proof and the roof is of sound impervious material, suitably graded or pitched and fitted with sufficient guttering and down pipes to effectively discharge into a suitable drain, all rain water falling thereon;
 - (vii) it is provided with sufficient natural light in the ratio of not less than one square foot of window area to every ten square feet of floor area;
 - (viii) it is efficiently ventilated by through ventilation which is not less in proportion than twelve square inches of inlet and twelve square inches of outlet openings, exclusive of all bars, ornamentations or obstructions, to every 350 cubic feet of air space, such air space being calculated exclusive of all troughs, cases or other fittings;
 - (ix) every outer door giving access to the bakehouse is fitted with a self-closing fly-proof door and all windows, ventilators or other openings are rendered fly-proof;
 - (x) it is not less than 20 feet distant from any stable or shed in which any horse, cow or goat is housed;
 - (xi) it is not less than 20 feet distant from any fowlhouse or other building or enclosure in which any poultry or birds are housed or enclosed.

Postage stamps will not be accepted in payment of fee. Exchange must be added to country cheques.

If payment of fees is made by cheque the issue of a license may be delayed until the amount of cheque has been collected.
