The offer will be made subject to the owner releasing the Board from all claims for compensation in respect of the acquisition of his land, and subject to the payment by him of his proportion of the costs of the Scheme.

The remaining lots, if any, will be treated as surplus lots.

7. Surplus Lots: All surplus lots shall be sold by the Board.

11. Claims for Compensation: In the event of any claims for compensation not having been settled at the time when the Board is ready to transfer lots pursuant to this Scheme the Board may estimate the amount of compensation payable and the costs relating thereto and debit the Scheme with the net amount so estimated. In the event of the Board doing so the difference between the estimate and the actual compensation and cost payable shall be received or paid by the Board as the case may be.

12. Encumbrances on Title: In the event of any land in the Area being subject to a registered mortgage, charge or lease or to a caveat to protect the interest of the purchaser, mortgagee, chargee or lessee, the Board shall not transfer a new lot to the owner unless subject to similar encumbrances or with the consent of all persons entitled to the benefit of the encumbrances.
