(iii) After deduction has been made as provided in paragraph (ii) of this subclause, the period remaining at each rate of pay shall be the leave of absence for which the officer is eligible at the date of application, provided:—

(a) that if after such deduction an officer with less than six months' service on the date of commencement of this amended subclause would at that date have less than one week on full pay and one-half week on half pay to his credit, then his credit at that date shall be increased to those amounts:

(b) that if after such deduction an officer with not less than six months' service on the date of commencement of this amended subclause would at that date have less than two weeks on full pay and one week on half pay to his credit then his credit at that date shall be increased to those amounts, but any credit, in excess of the required minimum under the heading of either full pay or half pay shall be applied in reduction of any debit under the other heading or used to establish the required minimum credit under that heading.

(iv) The maximum period allowable with pay in respect of any continuous absence shall not exceed 39 weeks on full pay and 22 weeks on half pay.

(v) Where an officer has been granted 61 weeks' continuous leave with pay he shall not be entitled to receive further leave with pay until he has completed a period of duty not less than four weeks.

(vii) If an officer falls sick while on annual leave and produces at the time satisfactory medical evidence that he is unable to leave the house, he may, with the approval of the General Manager be granted at a time convenient to the Company, additional leave equivalent to the period of sickness falling within the rostered period of annual leave

provided that the period of sickness is at least one week. Subject to sick leave credits, the period of certified sickness shall be paid for and debited as sick leave.

(viii) An officer absent on approved long service leave, leave without pay, or an officer who is stood down in pursuance of the provisions of clause 28 of this Agreement, shall not be eligible for sick leave under this clause during the currency of such approved leave or stand down.

(n) (i) An appointee from the wages staff to the salaried staff shall be permitted to retain his sick leave credit at the time of his permanent appointment to the salaried staff or be credited with one week's sick leave on full pay and one-half week's sick leave on half pay, in accordance with subclause (m) (i), whichever is the greater credit.

(ii) In lieu of the provisions of subclause (m), paragraphs (i) to (v) Temporary Clerks, as provided for in clause 22, shall be credited with sick leave (which shall be cumulative) as under:—

(b) Except where the time for taking leave is agreed to by the employer and the worker or determined by a Board of Reference, the employer shall give to a worker at least one month's notice of the date from which his leave is to be taken.

(c) Where a worker is beyond sixty years of age at the time he becomes eligible for long service leave he shall have the option of taking actual leave under this scheme or of receiving payment in lieu thereof on retirement. Such option shall be exercised in writing addressed to the employer at the time of becoming eligible for long service leave.

(3) Subject to sub-clause b(2) any leave in the nature of long service leave or payment in lieu thereof under a State law or a long service leave scheme not under the provisions hereof granted to a worker by his employer in respect of any period of service with the employer shall be taken into

account whether the same is granted before or after the coming into operation hereof and shall be deemed to have been leave taken and granted hereunder in the case of leave with pay to the extent of the period of such leave and in the case of payment in lieu thereof to the extent of a period of leave with pay equivalent to the amount of the payment and to be satisfaction to the extent thereof of the entitlement of the worker hereunder.
