Provided that experience with hospitals not covered by this Award shall be taken into consideration by the employer in fixing a worker's rate of wage. In the event of a dispute between the employer and the Federation in relation to the foregoing, the matter shall be referred to a Board of Reference for determination.

(ii) The onus of proof of previous experience shall rest on the employee concerned, who shall produce a certificate signed by her previous employer or employers setting out the details of such previous experience.

8.—Average Occupied Beds.

The average shall be taken for the six (6) months ending 30th June and 31st December in each and every year and such average shall relate to the salary for the succeeding half-year.

(b) Where a hospital has not been open for the required period, the salary to be paid shall be that agreed upon by the employer and the Federation or, failing agreement, as determined by the Board of Reference.

9.—Hours.

(iii) At hospitals where student nurses are working a rostered forty-four (44) hours per week or eighty-eight (88) hours per fortnight, such hours for student nurses may be continued for a period of not more than one (1) year from the date of this Award with liberty to the Respondents to apply to extend that period if necessary.

Provided that this shall not apply in the case of a nurse who has received a summons for duty with any of the armed forces of Australia.

(c) An employee dismissed for misconduct shall have the right of appeal against such dismissal to a Board of Reference or to such person as may be agreed upon by her with her employer, and such employee shall be entitled to a written statement as to the reason for her dismissal from her employer within fourteen (14) days of the said employer's having received a written request for such statement.
