(ii) Entitlement to Leave.—Subject to this Agreement every worker not being a casual worker shall be entitled to long service leave on ordinary pay in respect of continuous service with the Company.

(iii) Period of Leave.—The amount of such entitlement in the case of a worker who has completed at least 20 years' continuous service with the Company shall be:—

(iv) Pro Rata Entitlement on Termination.—In the case of a worker who has completed at least 10 years' service but less than 20 years' service with the Company and whose services with the Company are terminated by the Company for any cause other than serious misconduct, or by the worker for any reason or by reason of the death of the worker, the worker shall be entitled to a proportionate amount of leave in respect of the period of completed years of such service since the commencement of his continuous service, or since the last accrual of entitlement to leave on the basis of 13 weeks for 20 years' service.

(v) Calculation of Continuous Service.—(a) For the purpose of this sub-clause the following absences (whether before or after the commencement

of this Agreement) shall not break the continuity of service, and shall, subject to any limitation herein, count as service:—

 - (ii) absence on any annual leave or long service leave;
 - (iii) absence following any termination of the employment by the Company if such termination has been made merely with the intention of avoiding obligations under this Agreement in respect of long service leave or annual leave; and
 - (iv) absence necessitated by personal sickness or injury of which not more than fifteen (15) working days a year shall count as service.
- (b) For the purposes of this sub-clause the following absences (whether before or after the commencement of this Agreement) shall not break the continuity of service, but the period of such absence shall not count as service:—
- (i) absence following any termination of the employment by the Company on any ground other than slackness of trade, if the worker be re-employed by the Company within a period not exceeding two months from the date of such termination;
 - (ii) absence during any standing down of a worker in accordance with the provisions of this Agreement;
 - (iii) absence following any termination of the employment by the Company on the ground of slackness of trade if the worker is re-employed by the Company within a period not exceeding six months from the date of such termination;
 - (iv) absence of the worker authorised by the employer at any time;
 - (v) absence arising directly or indirectly from an industrial dispute but only if the worker returns to work in accordance with the terms of settlement of the dispute.
- (c) After the coming into operation of this Agreement absence from work by reason of any cause not being a cause specified in this clause for a period in excess of 14 days shall be deemed to break the continuity of service for the purposes of this clause unless the worker notifies the company in writing of the reason for his absence.
- (vi) Service before Commencement of Award.—For the purpose of calculating the entitlement to leave, continuous service of a worker with the Company immediately prior to the coming into operation of this Agreement, shall be taken into account but only to the extent of the last 20 completed years of such service, provided that any service prior to such 20 years' service will carry such leave if the worker remains in the Company's service until his retirement.
- (vii) Time of Taking Leave.—Long service leave shall be granted and taken on the retirement of the worker provided that when a worker has completed 20 years of continuous service he will be entitled to not more than eight weeks' interim leave which will be taken at such time as may be agreed between the Company and the worker having

regard to the needs of the Company's establishment where the worker is working. Additional interim long service leave on the basis of four weeks for each additional ten years' service may be taken at such time as may be agreed between the Company and the worker.

(viii) Payment on Termination for Leave Not Taken.—Where the employment of a worker is terminated otherwise than by his death and he has an entitlement to long service leave the worker shall be deemed to have entered upon and taken the leave from the date of such termination and the Company shall forthwith pay to the worker in full his ordinary pay for the leave less any amount already paid to the worker in respect of that leave.

(ix) Payment on Death.—Where a worker dies during his employment and any long service leave to which he is entitled under this Agreement has not been taken or received in full by the worker, the Company shall, upon request by the personal representative of the worker, pay to that representative the amount due in respect of such leave providing that where no personal representative has been appointed within three months of the date of the worker's death the Company may pay to the widow or such of the next-of-kin as it considers appropriate, the said amount due. The obligation of the Company to such worker or worker's estate in respect of long service leave shall be and shall be deemed to have been satisfied by such payment.

(x) Payment for Period of Leave.—Each worker shall be paid for one week of leave his ordinary time rate of pay applicable at the date he enters upon the period of leave. Such ordinary time rate shall be for the standard hours prescribed by this Agreement but in the case of part-time workers for the number of hours usually worked up to but not exceeding the prescribed standard.

(Note: "Ordinary time rate of pay"—

(1) shall not include:—

shift premiums, overtime, penalty rates, commissions, bonuses, allowances or the like.

Payment in the case of workers employed on piece or bonus work or any other system of payment by result shall be at ordinary time rates.

(2) shall include any deductions from wages for board and/or lodging or the like which is not provided and taken during the period of leave.)
