(ii) Where an undertaker or his representative, for a valid reason, is unable to produce a medical certificate or Coroner's order for burial, as required by paragraph (i) of this by-law, and he has given to the Secretary a written guarantee to produce the certificate or order within three days, he may bring the body into the cemetery.

23. No person employed by the Trustees shall be permitted to accept any gratuity whatsoever, nor shall he be pecuniarily interested in any work in the cemetery other than the remuneration he receives from the Trustees, and any such person proved guilty of accepting any gratuity or being pecuniarily interested in such work shall be liable to summary dismissal.

No brick grave or vault shall be constructed in any plot in respect of which a Grant of Right of Burial has been issued without the authority of the Trustees first obtained, and subject also to the approval by the said Trustees of the plans and specifications of the proposed work and the execution thereof.

26. Every such Grant of Right of Burial shall be subject to the by-laws for the time being in force, and no interment in any such grave or vault shall be allowed unless upon production of the grant aforesaid, nor shall any such grave or vault be opened unless with the consent of the Trustees.

27. Every such coffin placed in any such grave or vault shall be bricked in, cemented, and any space surrounding such coffin to be filled with charcoal, dry earth, or other suitable material and covered with a slab of stone, slate or iron, unless special written exemption be obtained from the Trustees.

28. In the event of such exemption being obtained from the Trustees each coffin placed in any brick grave or vault shall be properly lead lined and hermetically sealed.

29. If application be made for an interment in any grave or vault of the remains of any person other than the person to whom the grant was issued, or his registered assign, the written and verified consent of such grantee or assignee shall be produced, together with the Grant of Right of Burial.

30. Should the grantee be unable to produce the Grant of Right of Burial, through having lost same, on making application for a grave to be re-opened for the purpose of interment, the said grantee shall make a sworn declaration to this effect, and shall pay the fee for a copy of such Grant of Right of Burial as prescribed in Schedule "A" before the interment takes place.

31. Any person desiring to place or erect, or to alter or add to any monument, tombstone, or any enclosure in any part of the cemetery must first obtain the written consent and approval of the Trustees and otherwise comply with section 23 of the Cemeteries Act, 1897-1957.

32. Every tombstone, monument, or enclosure shall be placed on proper and substantial foundations, which, if required by the Trustees or their officers, shall extend to the bottom of the grave.

33. The materials used in every such erection shall be subject to the approval of the Secretary or other officer appointed by the Trustees and any material rejected shall be immediately removed from the cemetery by the contractor for the erection. All refuse and other rubbish remaining after any work is completed shall be immediately removed from the cemetery by the person causing same.

34. Should any work by masons or others be not completed before a Sunday, they shall be required to leave the work in a neat and safe condition to the satisfaction of the Secretary.

35. Monumental masons and other tradesmen shall, before commencing work within the cemetery, deposit with the Secretary to the Trustees the sum of 10s., which shall be forfeited if the provisions of either of the two preceding by-laws be not complied with to the satisfaction of the Secretary.

36. All materials required in the erection and completion of any work shall, as far as is possible, be prepared before being taken to the cemetery, and all materials required by tradesmen shall be admitted at the main entrance and no vehicle conveying any such materials with wheels less than four inches broad shall be permitted to enter the cemetery.

37. Monumental masons shall not be permitted to carry on work within the cemetery during other than the hours specified for the opening and closing of the gates on week days, Saturday and Sunday excepted, when no work is to be done from noon on Saturday to the opening of the gates on the Monday morning, without the written consent of the Trustees.

38. The Trustees shall cause to be placed on each grave a plate bearing the number of such grave and the applicant for an Order for Burial shall pay the fee for such number plate as prescribed in Schedule "A."

39. No wooden fence, railing, cross or other wooden erection shall be allowed on or around any grave or vault.

40. No trees or shrubs shall be planted on any grave except such as shall be approved by the Secretary.

41. All workmen, whether employed by the Trustees or by any other person, shall at all times whilst within the boundaries of the cemetery be subject to the supervision of the Secretary and shall obey such directions as that officer may find it necessary to give and any workmen committing any breach of these regulations and by-laws, or refusing or neglecting to comply with any directions of the said Secretary, shall be removed from the cemetery.

42. Any person taking part in dressing or attending to any grave shall comply with the following rules:—

- (d) Work in all cases to be carried on with the due despatch and only during regulation hours specified within by-law 11 hereof.

43. Prior to conducting any interment within the cemetery or making use of the cemetery for any purpose connected with interments, every undertaker shall pay to the Trustees an annual fee as prescribed in Schedule "A" and shall at the time of making such payment give his assent in writing to such conditions as the Trustees may deem fit to impose. Upon such assent being given and payment of the fee made, he shall receive a permit to hold good during good behaviour and until the first day of January next following and unless in the possession of such permit no undertaker shall be allowed to engage in or carry out any duty or work within the cemetery.

44. The Trustees may decorate graves from time to time, when desired by the grantees so to do. If the grantees do not desire the Trustees to carry out this work, the grantees may either do it themselves or employ any person licensed by the Trustees for that purpose.

45. No person except the relative of the deceased, the Trustees or those with the written permission of the Trustees shall be permitted to decorate any grave.

46. If for the purpose of re-opening a grave the Trustees find it necessary to remove edging, tiles, plants, grass, shrubs, etc., from the grave, the person so ordering the re-opening shall pay to the Trustees charges laid down in Schedule "A."

47. Notwithstanding anything contained in the by-laws to the contrary, permission may be granted to the Defence Department of the Commonwealth to erect headstones on the graves of the deceased soldiers without payment of any fee.

- (a) that the deceased was a returned soldier, and that he died as the result of injuries received on active service; or
- (b) that the relatives of the deceased are in necessitous circumstances. Provided that such grant shall be made subject to the condition that only the remains of the deceased person as approved by the Trustees shall be interred in the grave.

49. A person who commits a breach of any of these by-laws commits an offence and shall for every such offence be liable to a penalty not exceeding five pounds and in any case of a continuing breach a further sum not exceeding one pound for every day during which such breach occurs.
