(b) Overtime on shift work shall be based on the rate payable for shift work.

(c) Notwithstanding anything contained in this Award—

(d) In the calculation of overtime rates, each day's work shall stand alone.

(e) These overtime rates shall not apply to excess time worked due to private arrangement between the workers themselves or owing to a relieving man failing to come on duty at the proper time, or where such time is worked to effect the periodical rotation of shifts.

Provided that, if by agreement between the employer and the worker or as a result of the worker's own default, only part of a day is worked by the worker on any such day, an addition shall be made to such annual leave equivalent only to the time actually worked on such day. (f) If after one month's continuous service in any qualifying 12-monthly period a worker lawfully leaves his employment or his employment is terminated by the employer through no fault of the worker, the worker shall be paid one-sixth of a week's pay at his ordinary rate of wage in respect of each completed month of continuous service.

(g) Any time in respect of which a worker is absent from work except time for which he is entitled to claim sick pay or time spent on holidays or annual leave as prescribed by this Award shall not count for the purpose of determining his right to annual leave.

(h) In the event of a worker being employed by an employer for portion only of a year, he shall only be entitled, subject to subclause (f) of this clause, to such leave on full pay as is proportionate to his length of service during that period with such employer, and if such leave is not equal to the leave given to the other workers he shall not be entitled to work or pay whilst the other workers of such employer are on leave on full pay.

(i) A worker who is dismissed for misconduct or who illegally severs his contract of service shall not be entitled to the benefits of the provisions of this clause.

- (iii) Any time in respect of which a worker is absent from work except time for which he is entitled to claim sick pay or time spent on annual leave as prescribed by this Award shall not count for the purpose of determining his right to annual leave.
- (iv) A worker who is dismissed for misconduct or who illegally severs his contract of service shall not be entitled to the benefit of the provisions of this clause.
- (v) The provisions of this clause shall not apply to casual workers.

#### 14.—Shift Work.

(c) Any worker who commences his ordinary hours between 5 a.m. and 6 a.m. in Cheese Factories and Milk Treatment Plants and between 5 a.m. and 7 a.m. in Butter and Milk Condensery Factories shall be deemed to be employed on early morning shift and be paid five per cent. (5%) in addition to his ordinary rate.

Payment hereunder may be adjusted at the end of each calendar year, or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

(b) A worker shall not be entitled to receive any wages from his employer for any time lost through the result of an accident not arising out of or in the course of his employment, or for any accident, wherever sustained, arising out of his own wilful default, or for sickness arising out of his own wilful default.

(c) No worker shall be entitled to the benefits of this clause unless he produces proof satisfactory to his employer of sickness, but the employer shall not be entitled to a medical certificate unless the absence is for three (3) days or more.

(d) Sick leave shall accumulate from year to year so that any balance of the period specified in subclause (a) of this clause which has in any year not been allowed to any worker by his employer as paid sick leave may be claimed by the worker and, subject to the conditions hereinbefore prescribed, shall be allowed by his employer in any subsequent year without diminution of the sick leave prescribed in respect of that year. Provided that the sick leave which accumulates pursuant to this subclause shall be available to the worker for a period of two (2) years but no longer from the end of the year in which it accrues.

#### 16.—Contract of Service.

(a) All employees shall be engaged either as weekly or casual employees: Provided that an employer may engage a new employee as a casual and may alter the engagement to a weekly one at any time up to the pay day immediately following the day of engagement. If an employer so alters the engagement he shall only be liable to pay the employee concerned the proportion of the weekly rate calculated on the basis of the time worked.

(b) A week's notice shall be given on either side to terminate the employment of a weekly hand or, in lieu of notice, by the payment or forfeiture, as the case may be, of a week's wages.

(c) Provided this shall not affect the right of an employer to dismiss an employee without notice for misconduct.

#### 17.—Mixed Functions.

A worker engaged for more than half ( $\frac{1}{2}$ ) of one (1) day or shift on duties carrying a higher rate than his ordinary classification shall be paid the higher rate for such day or shift. If employed for not more than half ( $\frac{1}{2}$ ) of one (1) day or shift he shall be paid the higher rate for the time so worked.

#### 18.—Right of Entry.

Accredited representatives of the Union shall be permitted to interview the workers on the business premises of the employer during non-working times or meal breaks.

In the case of a dispute between the Union and an employer which is likely to lead to a cessation of work or to an application to the Court and which involves the inspection of workers or of machines in the process of production, such union representatives shall have right of entry into the factory at any time during which the workers or machines concerned are working.

#### 19.—Time and Wages Record.

(a) The employer shall keep, or cause to be kept, a record in which shall be entered weekly:—

## 21.—Maximum Rate.

Notwithstanding anything elsewhere contained herein, the maximum rate payable under this Award shall be double time.

## 22.—Board of Reference.

(a) For the purpose of this Award, a Board of Reference is hereby appointed, which shall consist of a chairman and two (2) other representatives, one to be nominated by each of the parties. The said Board shall have assigned to it, in the event of no agreement being arrived at between the parties to the dispute, the functions of—

- (i) adjusting any matter of difference which may arise from time to time, except such as involve interpretation of the provisions of this Award or any of them;
- (ii) dealing with any other matter which the court may refer to the Board from time to time.

(b) An appeal shall lie from any decision of such Board in the manner and subject to the conditions prescribed in the regulations to the Industrial Arbitration Act, 1912-1952, which for this purpose are embodied in and form part of this Award.

## 23.—Under-Rate Workers.

(a) Any worker who by reason of old age or infirmity is unable to earn the minimum wage, may be paid such lesser wage as may from time to time be agreed upon in writing between the Union and the employer.

(b) In the event of no agreement being arrived at, the matter may be referred to the Board of Reference for determination.

(c) After application has been made to the Board, and pending the Board's decision, the worker shall be entitled to work for or be employed at the proposed lesser rate.

## 24.—Breakdowns.

The employer shall be entitled to deduct payment for any day or portion of a day upon which the worker cannot be usefully employed because of any strike by the Union or Unions affiliated with it, or by any other association or union, or through the breakdown of the employer's machinery, or stoppage of work by any cause which the employer cannot reasonably prevent.

## 25.—Junior Worker's Certificate.

Junior workers shall furnish the employer with a certificate showing the following:—

- (1) Name in full.

- (2) Such service shall include service prior to the first day of April, 1958 if it continued until such time but only to the extent of the last 20 completed years of continuous service.
- (3) (i) Where a business has, whether before or after the first day of April, 1958, been transmitted from an employer

(herein called "the transmitter") to another employer (herein called "the transmittee") and a worker who at the time of such transmission was an employee of the transmitter in that business becomes an employee of the transmittee—the period of the continuous service which the worker has had with the transmitter (including any such service with any prior transmitter) shall be deemed to be service of the worker with the transmittee.

## (4) Such service shall include:—

- (a) Any period of absence from duty on any annual leave or long service leave.
- (b) Any period of absence from duty necessitated by sickness of or injury to the worker but only to the extent of fifteen working days in any year of his employment.
- (c) Any period following any termination of the employment by the employer if such termination has been made merely with the intention of avoiding obligations hereunder in respect of long service leave or obligations under any award in respect of annual leave.
- (d) Any period during which the service of the worker was or is interrupted by service—

- (i) any absence from duty after the coming into operation of this clause by reason of any cause not specified in this clause unless the employer during the absence or within fourteen days of the termination of the absence notifies the worker in writing that such absence will be regarded as having broken the continuity of service, which notice may be given by delivery to the worker personally or by posting it by registered mail to his last recorded address, in which case it shall be deemed to have reached him in due course of post.

Provided that the period of any absence from duty or the period of any interruption referred to in placita (c) to (i) inclusive of this paragraph shall not (except as set out in paragraph (4) hereof) count as service.

(c) Period of Leave:

- (1) The leave to which a worker shall be entitled or deemed to be entitled shall be as provided in this subclause.
- (2) Where a worker has completed at least 20 years' service the amount of leave shall be—

- (i) if such determination takes place before the worker has become entitled to leave under placitum (a) of paragraph (2) hereof such proportion of 13 weeks' leave as the number of completed years of such service bears to 20 years;
  - (ii) if such termination takes place after the worker has become entitled to leave under placitum (a) of paragraph (2) hereof the leave due under such placitum and in addition such proportion of 13 weeks' leave as the number of completed years of such service after the accrual of such entitlement bears to 20 years.
- (4) Where a worker has completed at least 10 years' service but less than 15 years' service since its commencement and his employment is terminated—
- (i) by his death; or
  - (ii) by the employer for any reason other than serious misconduct; or

- (iii) by the worker on account of sickness of or injury to the worker or domestic or other pressing necessity where such sickness or injury or necessity is of such a nature as to justify or in the event of a dispute is, in the opinion of the Special Board of Reference, of such a nature as to justify such termination;

the amount of the leave shall be such proportion of 13 weeks' leave as the number of completed years of such service bears to 20 years.

- (5) In the cases to which paragraphs (3) and (4) hereof apply the worker shall be deemed to have been entitled to and to have commenced leave immediately prior to such termination.

(d) Payment for Period of Leave.

- (1) A worker shall subject to paragraph (3) hereof, be entitled to be paid for each week of leave to which he has become entitled or is deemed to have become entitled the ordinary time rate of pay applicable to him at the date he commences such leave;
- (2) Such ordinary time rate of pay shall be the rate applicable to him for the standard weekly hours which are prescribed by this award, but in the case of casuals and part-time workers shall be the ordinary time rate for the number of hours usually worked up to but not exceeding the prescribed standard;
- (3) Where by agreement between the employer and the worker the commencement of the leave to which the worker is entitled or any portion thereof is postponed to meet the convenience of the worker, the rate of payment for such leave shall be at the ordinary time rate of pay applicable to him at the date of accrual or, if so agreed, at the ordinary time rate of pay applicable at the date he commences such leave;
- (4) The ordinary time rate of pay—
  - (a) shall include any deductions from wages for board and/or lodging or the like which is not provided and taken during the period of leave;
  - (b) shall not include shift premiums, overtime, penalty rates, commissions, bonuses, allowances, or the like.
- (5) In the case of workers employed on piece or bonus work or any other system of payment by results payment shall be at ordinary time rates.

(e) Taking Leave:

- (1) In a case to which paragraph (2) of subclause (c) applies—
  - (a) Leave shall be granted and taken as soon as reasonably practicable after the right thereto accrues due or at such time or times as may be agreed between the employer and the worker or in the absence of such agreement at such time or times as may be determined by the Special Board of Reference, having regard to the needs of the employer's establishment and the worker's circumstances.
  - (b) Except where the time for taking leave is agreed to by the employer and the worker or determined by the Special Board of Reference the employer shall give to a worker at least one month's notice of the date from which his leave is to be taken.
  - (c) Leave may be granted and taken in one continuous period or if the employer and the worker so agree in not more than three separate periods in respect of the first 13 weeks' entitlement and in not more than two separate periods in respect of any subsequent period of entitlement.

  - (iii) in any other way agreed between the employer and the worker.
- (f) No worker shall, during any period when he is on leave, engage in any employment for hire or reward in substitution for the employment from which he is on leave, and if a worker breaches this provision he shall thereupon forfeit his right to leave hereunder in respect of the unexpired period of leave upon which he has entered, and the employer shall be entitled to withhold any further payment in respect of the period and to reclaim any payments already made on account of such period of leave.
- (2) In a case to which paragraph (3) or paragraph (4) of subclause (c) applies and in any case in which the employment of the worker who has become entitled to leave hereunder is terminated before such leave is taken or fully taken the employer shall, upon termination of his employment otherwise than by death pay to the worker, and upon termination of employment by death pay to the personal representative of the worker upon request by the personal representative, a sum equivalent to the amount which would have been payable in respect of the period of leave to which he is entitled or deemed to have been entitled and which would have been taken but for such termination. Such payment shall be deemed to have satisfied the obligation of the employer in respect of leave hereunder.
- (f) Granting Leave in Advance and Benefits to be Brought into Account:
- (1) Any employer may by agreement with a worker allow leave to such a worker before the right thereto has accrued due, but where leave is taken in such a case the worker shall not become entitled to any further leave hereunder in respect of any period until after the expiration of the period in respect of which such leave had been taken before it accrued due.
  - (2) Where leave has been granted to a worker pursuant to the preceding paragraph before the right thereto has accrued due, and the employment subsequently is terminated, the employer may deduct from whatever remuneration is payable upon the termination of the employment a proportionate amount on the basis of 13 weeks for twenty years' service in respect of any period for which the worker has been granted long service leave to which he was not at the date of termination of his employment or prior thereto entitled.
  - (3) Any leave in the nature of long service leave or payment in lieu thereof under a State law or a long service leave scheme not under the provisions hereof granted to a worker by his employer in respect of any period of service with the employer shall be taken into account whether the same is granted before or after the coming into operation hereof and shall be deemed to have been leave taken and granted hereunder in the case of leave with pay to the extent of the period of such leave and in the case of payment in lieu thereof to the extent of a period of leave with pay equivalent to the amount of the payment and to be satisfaction to the extent thereof of the entitlement of the worker hereunder.
- (4) An employer shall be entitled to offset any payment in respect of leave hereunder against any payment by him to any long service leave scheme, superannuation scheme, pension scheme, retiring allowance scheme, provident fund, or the like or under any combination thereof operative at the first day of April, 1958.
- (g) Records to be Kept:
- (1) Each employer shall during the employment and for a period of 12 months thereafter, or in the case of termination by death of the worker a period of three years thereafter, keep a record from which can be readily ascertained the name of each worker and his occupation, the date of the commencement of his employment and his entitlement to long service leave any leave which may have been granted to him or in respect of which payment may have been made hereunder.
  - (2) Such record shall be open for inspection in the manner and circumstances prescribed by this award with respect to the time and wages record.
- (h) Special Board of Reference:
- (1) There shall be constituted a Special Board of Reference for the purpose hereof to which all disputes and matters arising hereunder shall be referred and the Board shall determine all such disputes and matters.
  - (2) There shall be assigned to such Board the functions of—
    - (a) the settlement of disputes on any matters arising hereunder;
    - (b) the determination of such matters as are specifically assigned to it hereunder.
  - (3) The Board of Reference shall consist of one representative or substitute therefor nominated from time to time by the Western Australian Employers' Federation (Incorporated) and one representative or substitute nominated from time to time by the West Australian Trade Unions Industrial Council (A.L.P.) together with a chairman to be mutually agreed upon by the organisations named in this paragraph.
- (i) State Law:
- (1) The provisions of any State law to the extent to which they have before the coming into operation hereof conferred an accrued right on a worker to be granted a period of long service leave in respect of a completed period of 20 or more years' service or employment or an accrued right on a worker or his personal representative to payment in respect of long service leave shall not be affected hereby and shall not be deemed to be inconsistent with the provisions hereof.
  - (2) The entitlement of any such worker to leave in respect of a period of service with the employer completed after the period in respect of which the long service leave referred to in paragraph (1) hereof accrued due shall be in accordance herewith.
  - (3) Subject to paragraphs (1) and (2) hereof, the entitlement to leave hereunder shall be in substitution for and satisfaction of any long service leave to which the worker may be entitled in respect of employment of the worker by the employer.
  - (4) An employer who under any State law with regard to long service leave is exempted from the provisions of that law

as at the first day of April, 1958, shall in respect of the workers covered by such exemption be exempt from the provisions hereof.

(j) Exemptions:

The Special Board of Reference may subject to such conditions as it thinks fit exempt any employer from the provisions hereof in respect of its employees where there is an existing or prospective long service leave scheme which, in its opinion is, viewed as a whole, more favourable for the whole of the employees of that employer than the provisions hereof.

(k) Liberty to Apply:

Liberty is granted to any party to this award to apply to the Court at any time for an appropriate variation of this clause if any of the terms and conditions operating under the code of Long Service Leave being negotiated between the Australian Council of Trade Unions and Federal Employers' Organisations is varied in any way.

- (h) any reasonable absence of the worker on legitimate union business in respect of which he has requested and been refused leave;
- (i) any absence from duty after the coming into operation of this clause by reason of any cause not specified in this clause unless the employer during the absence or within fourteen days of the termination of the absence notifies the worker in writing that such absence will be regarded as having broken the continuity of service, which notice may be given by delivery to the worker personally or by posting it by registered mail to his last recorded address, in which case it shall be deemed to have reached him in due course of post.

Provided that the period of any absence from duty or the period of any interruption referred to in placita (c) to (i) inclusive of this paragraph shall not (except as set out in paragraph (4) hereof) count as service.

- (i) by his death; or
- (ii) by the employer for any reason other than serious misconduct; or
- (iii) by the worker on account of sickness of or injury to the worker or domestic or other pressing necessity where such sickness or injury or necessity is of such a nature as to justify or in the event of a dispute is, in the opinion of the Special Board of Reference, of such a nature as to justify such termination;

the amount of the leave shall be such proportion of 13 weeks' leave as the number of completed years of such service bears to 20 years.

(5) In the cases to which paragraphs (3) and (4) hereof apply the worker shall be deemed to have been entitled to and to have commenced leave immediately prior to such termination.

(d) Payment for Period of Leave:

    - (b) Except where the time for taking leave is agreed to by the employer and the worker or determined by the Special Board of Reference the employer shall give to a worker at least one month's notice of the date from which his leave is to be taken.
    - (c) Leave may be granted and taken in one continuous period or if the employer and the worker so agree in not more than three separate periods in respect of the first 13 weeks' entitlement and in not more than two separate periods in respect of any subsequent period of entitlement.

    - (f) No worker shall, during any period when he is on leave, engage in any employment for hire or reward in substitution for the employment from which he is on leave, and if a worker breaches this provision he shall thereupon forfeit his right to leave hereunder in respect of the unexpired period of leave upon which he has entered, and the employer shall be entitled to withhold any further payment in respect of the period and to reclaim any payments already made on account of such period of leave.

upon termination of his employment otherwise than by death pay to the worker, and upon termination of employment by death pay to the personal representative of the worker upon request by the personal representative, a sum equivalent to the amount which would have been payable in respect of the period of leave to which he is entitled or deemed to have been entitled and which would have been taken but for such termination. Such payment shall be deemed to have satisfied the obligation of the employer in respect of leave hereunder.

- (f) Granting Leave in Advance and Benefits to be brought into account:
- (1) Any employer may by agreement with a worker allow leave to such a worker before the right thereto has accrued due, but where leave is taken in such a case the worker shall not become entitled to any further leave hereunder in respect of any period until after the expiration of the period in respect of which such leave had been taken before it accrued due.
  - (2) Where leave has been granted to a worker pursuant to the preceding paragraph before the right thereto has accrued due, and the employment subsequently is terminated, the employer may deduct from whatever remuneration is payable upon the termination of the employment a proportionate amount on the basis of 13 weeks for twenty years' service in respect of any period for which the worker has been granted long service leave to which he was not at the date of termination of his employment or prior thereto entitled.
  - (3) Any leave in the nature of long service leave or payment in lieu thereof under a State law or a long service leave scheme not under the provisions hereof granted to a worker by his employer in respect of any period of service with the employer shall be taken into account whether the same is granted before or after the coming into operation hereof and shall be deemed to have been leave taken and granted hereunder in the case of leave with pay to the extent of the period of such leave and in the case of payment in lieu thereof to the extent of a period of leave with pay equivalent to the amount of the payment and to be satisfaction to the extent thereof of the entitlement of the worker hereunder.
  - (4) An employer shall be entitled to off-set any payment in respect of leave hereunder against any payment by him to any long service leave scheme, superannuation scheme, pension scheme, retiring allowance scheme, provident fund, or the like or under any combination thereof operative at the date hereof.
- (g) Records to be Kept:
- (1) Each employer shall during the employment and for a period of twelve months thereafter or in the case of termination by death of the worker a period of three years thereafter keep a record from which can be readily ascertained the name of each worker and his occupation the date of the commencement of his employment and his entitlement to long service leave and any leave which may have been granted to him or in respect of which payment may have been made hereunder.
  - (2) Such record shall be open for inspection in the manner and circumstances prescribed by this Award (or agreement) with respect to the Time and Wages Record.
- (h) Special Board of Reference:
- (1) There shall be constituted a Special Board of Reference for the purpose hereof to which all disputes and matters arising hereunder shall be referred and the Board shall determine all such disputes and matters,

(i) State Law:

(1) The provisions of any State law to the extent to which they have before the coming into operation hereof conferred an accrued right on a worker to be granted a period of long service leave in respect of a completed period of 20 or more years' service or employment or an accrued right on a worker or his personal representative to payment in respect of long service leave shall not be affected hereby and shall not be deemed to be inconsistent with the provisions hereof.

(2) The entitlement of any such worker to leave in respect of a period of service with the employer completed after the period in respect of which the long service leave referred to in paragraph (1) hereof accrued due shall be in accordance herewith.

(3) Subject to paragraphs (1) and (2) hereof, the entitlement to leave hereunder shall be in substitution for and satisfaction of any long service leave to which the worker may be entitled in respect of employment of the worker by the employer.

(4) An employer who under any State law with regard to long service leave is exempted from the provisions of that law as at the date hereof shall in respect of the workers covered by such exemption be exempt from the provisions hereof.

(j) Exemptions:

The Special Board of Reference may subject to such conditions as it thinks fit exempt any employer from the provisions hereof in respect of its employees where there is an existing or prospective long service leave scheme which, in its opinion is, viewed as a whole, more favourable for the whole of the employees of that employer than the provisions hereof.

(k) Liberty to Apply:

Liberty is granted to any party to this Award to apply to the Court at any time for an appropriate variation of this clause if any of the terms and conditions operating under the code of Long Service Leave being negotiated between the Australian Council of Trade Unions and Federal Employers' Organisations is varied in any way.
