The foregoing shall not apply when any of the days prescribed in sub-clause (a) hereof falls on a Saturday or on a Sunday, but in such cases any work done on such days shall be paid for at the rate of double time.

(c) Except as hereinafter provided a period of two (2) consecutive weeks' leave with payment of ordinary wages as prescribed shall be allowed annually to an officer after a period of twelve months' continuous service with the Trust provided that if any Award holiday falls within an officer's period of annual leave and is observed on a day which in the case of that officer would have been on an ordinary working day there shall be added to such officer's annual leave one day, being an ordinary working day for each such holiday as aforesaid.

(d) One month's notice shall be given of the actual date upon which leave is to be taken.

(e) An officer completing more than six months' service who may resign or be retrenched shall be granted pay in lieu of annual leave in proportion to his length of service.

(f) An officer who is dismissed for misconduct or who illegally severs his contract of service shall not be entitled to the benefit of the provisions of this clause.

11.—Long Service Leave.

(a) Any officer who has served continuously on the salaried staff for ten years shall be entitled to three calendar months' long service leave on full pay or six calendar months' on half pay. For the subsequent period of ten years the same conditions shall apply, and thereafter for every seven years similar leave shall be granted.

(b) Service prior to attaining the age of 18 years shall not count in computing long service leave.

(c) Any public holidays occurring during the period in which an officer is on long service leave will be calculated as portion of the long service leave, and extra days in lieu thereof shall not be granted.

(d) Officers regressed to the wages staff and re-appointed to the salaried staff, or appointees from wages to salaried staff, shall, for the purpose of this clause, be treated as if the whole of their service had been served on the salaried staff.

(h) A female officer resigning from the service for the purpose of getting married, and who has been continuously employed for three years and over, shall be granted payment *pro rata* of her long service leave at the date of retirement.

(i) Officers shall take their leave at a time convenient to the Trust and shall be given at least one month's notice of date upon which long service leave is to be taken.

12.—Sick Leave.

(a) An officer shall be entitled to payment for non-attendance on the ground of sickness for one-sixth of a week on full pay for each completed month of service until the 30th June next following his date of employment under the provisions of this Award.

Following the end of such period, he shall be entitled to payment for such non-attendance for two weeks on full pay and one week on half pay in each subsequent period of 12 months ended the 30th June, with such entitlement being credited to the officer at the commencement of each subsequent period of 12 months.

(b) Subject to subclause (e) hereof an officer shall not be entitled to receive any salary from his employer for any absence due through the result of an accident arising out of or in the course of his employment or for any accident or sickness arising out of an officer's own fault, neglect or misconduct.

(c) No officer shall be entitled to the benefits of this Clause unless he produces proof satisfactory to the Trust of sickness, but the Trust shall not be entitled to a medical certificate unless the absence is for three days or more, except that the Trust may require a certificate for periods of less than three days if in any year an officer has been absent on sick leave for three days which are not consecutive.

(d) Sick leave shall accumulate from year to year so that any balance of the period specified in subclause (a) hereof which has in any year not been allowed to any officer as paid sick leave may be claimed by the officer and subject to the conditions hereinbefore prescribed shall be allowed in any subsequent year without diminution of the sick leave prescribed in respect of that year provided that the maximum period allowed with pay in respect of any continuous absence shall not exceed 39 weeks on full pay and 22 weeks on half pay and any officer granted this period of 61 weeks' continuous leave with pay shall not be

entitled to receive further leave with pay until he has completed a period of duty of not less than four consecutive weeks.

(e) Any officer absent from work as a result of an accident which occurred on duty and who is in receipt of payment under the provisions of the Workers' Compensation Act shall be entitled to have such payment increased to the amount of ordinary salary to which he would be otherwise entitled. Any amount paid to an officer under the provisions of this subclause shall be deducted from an officer's entitlement.

(f) Any holiday prescribed in subclause 10 (a) hereof falling during an officer's period of sick leave shall be treated as part of that leave except where an officer resumes duty on the next working day following any such holiday.

(g) Any officer appointed from the wages staff shall be entitled to retain any sick leave entitlement which he may have accrued and from the date of such appointment he shall then be entitled to the benefits of the provisions of this clause.

13.—Termination of Service.

The contract of service shall be terminable by four weeks' written notice on either side or by the payment or forfeiture of four weeks' salary by the Trust or the officer concerned as the case may be, except for the first six months of employment when the hiring shall be by the week and may be terminated by one week's notice on either side or by the payment or forfeiture of one week's pay. Provided that by agreement between the Trust and the officer concerned the notice or payment prescribed herein may be waived either in whole or in part.

14.—Acting in Higher Capacity.

(a) When any officer performs the duty of a position higher than that in which he is designated for a continuous period exceeding one week, he shall be paid while performing any such duty at a rate not less than the minimum salary for such higher position.

(b) Any officer entitled to the payment of a higher rate under the provisions of subclause (a) hereof shall be entitled to any increment which may accrue because of his continuous service in such position. In calculating such period of continuous service, any period spent on annual, sick or long service leave shall be taken into account, provided such officer resumes duty in the higher position following such leave.

(c) Any officer entitled to the payment of a higher rate under the provisions of subclause (a) hereof for a period of at least one continuous month shall have such higher rate (or if at least one continuous month is worked on more than one occasion shall have such higher rates) taken into account when calculating the rate to be paid during his annual leave to the extent that his ordinary rate shall be increased by an amount in proportion to the time spent on such higher rate.

15.—General.

(a) Any officer required to wear a uniform shall be supplied with same free of cost.

(b) Nothing herein contained shall entitle the Trust to reduce the salary being paid to any officer under his permanent classification at the date of this Award, providing that a position is available suitable for such classification.

(c) Rosters showing the shifts to be worked during the week by officers shall be posted before noon on the preceding Friday. Nothing contained in this subclause shall prevent an officer being required to work other than as prescribed in such rosters.

(d) Any period of absence from duty without pay by leave of the Trust or for reasonable cause shall not break an officer's continuity of service, but such an absence shall not be taken into account in calculating any entitlement under the provisions of this Award.

16.—Passes.

Each officer shall be issued with a pass to be available over all routes operated by the Trust and subject to such conditions as may be prescribed from time to time by the Trust.

17.—Payment of Salaries.

(a) Salaries shall be paid fortnightly.

(b) The margin for a week shall be calculated by dividing the yearly rate by fifty-two and one-sixth weeks.

18.—Guaranteed Week.

(a) All officers shall be guaranteed a full week's work, but if during any period by reason of any action on the part of any section of the Trust's employees, or for any cause beyond the control of the Trust it is unable to carry on either wholly or partially the complete running of buses, workshops or other normal operations, the Trust shall be entitled to employ only such officers (if any) it considers can be usefully employed and for such hours as it considers necessary and during such period, no officer shall be entitled to payment except for work actually performed provided that officers who are required to attend for work and do so attend as required on any day, shall be paid a minimum of one day's pay at ordinary rates.

(b) Any officer stood down in accordance with the foregoing provision shall not lose any sick leave credits or other rights or privileges to which such officer would ordinarily be entitled under this Award providing such an officer resumes work as required after such stand-down and provided further that this provision does not entitle an officer to payment for any holiday occurring during such period of stand-down.
