By order of the Board,

J. GLENNIE,

Boundary Breaks.

It is the Board's desire that all properties have constructed completely around the boundary an efficient firebreak.

The reason for this is obvious, as, if a fire does get away on a property, there is some break from which an attempt can be made to stop fire from spreading to adjoining property.

It is the Board's earnest desire to request all property owners this year and from now on, not only to construct firebreaks as per the above order, but also to endeavour to provide an efficient firebreak around the total boundary of their property.

Your co-operation in this effort will be greatly appreciated, not only by the Board, but all concerned.

J. GLENNIE,
Secretary.
