BETTING CONTROL ACT, 1954-1959.

Betting Control Board,
Perth, 21st September, 1960.

HIS Excellency the Governor in Executive Council, acting pursuant to the provisions conferred by section 33 of the Betting Control Act, 1954-1959, has been pleased to make the regulations set out in the schedule hereunder.

H. H. STYANTS,
Chairman of the Betting Control Board of Western Australia.

Schedule.

Regulations.

1. In these regulations the Betting Control Regulations, 1955, published in the *Government Gazette* on the 6th May, 1955, and amended from time to time thereafter, are referred to as the principal regulations.

2. Regulation 97 of the principal regulations is amended by adding immediately after the paragraph designation "(b)", in line one of paragraph (b), the passage, "except as provided by rule 3 of the First Appendix to these regulations,".

3. Regulation 139 of the principal regulations is amended—
- (a) by adding, after subparagraph (iv) of paragraph (d) of subregulation (1), the following subparagraph—
 - (v) the official price of a winning horse, determined in accordance with the provisions of paragraph (j) or (l) of subrule (1) of rule 3 of the First Appendix to these regulations and the amount (if any) by which a winning bet is required to be discounted, under any of those provisions. ; and
 - (b) by adding, at the end of subparagraph (i) of paragraph (e) of subregulation (1), the passage, “and the name of any horse declared by the stewards to be a non-starter, pursuant to the provisions of paragraph (k) of subrule (1) of rule 3 of the First Appendix to these regulations;”
4. The First Appendix to the principal regulations is amended, by adding after paragraph (h) of subrule (1) of rule 3, the following paragraphs—
- (j) in the event of the stewards permitting or ordering a horse to be withdrawn from a race, after the time of scratching, and the Starting Price Officer is of the opinion that betting has not been re-opened subsequent to that withdrawal, then all Starting Price off-course winning straight-out bets shall on settlement be paid—
 - (i) at the price of the winning horse, at the time of that withdrawal, discounted, where the horse withdrawn was quoted at odds within the range set out in the table to paragraph (g) of this subrule, by the amount corresponding with the odds of that horse set out in that table; and
 - (ii) at totalisator odds, where the horse withdrawn was quoted at “odds on” and the stewards order on-course bets to be so paid. ;
 - (k) if, in the opinion of the stewards, a horse has been prevented from starting, by a mechanical failure of a starting gate, the stewards may declare that horse to be a non-starter and shall thereupon declare all bets on that horse, made on course, on the day of the race, to be off; and where the horse so declared to be a non-starter was quoted—
 - (i) at odds within the range set out in the table to paragraph (g) of this subrule, all on-course winning straight-out bets, made on the day of the race, shall be subject to deduction from their face value of the amount set out in that table; and
 - (ii) at “odds on,” the stewards shall declare that all winning on-course bets, made on the day of the race must be paid at totalisator odds. ;
 - (l) where, pursuant to the provisions of paragraph (k) of this subrule, the stewards have declared a horse to be a non-starter, all starting price off-course bets on that horse, whenever made, shall be void and where the horse so declared to be a non-starter was quoted—
 - (i) at odds within the range set out in the table to paragraph (g) of this subrule, all starting price off-course winning straight-out bets shall be discounted by the amount corresponding with the odds of that horse set out in that table; and
