LOCAL GOVERNMENT ACT.Extracts from *Government Gazette*.

UNDER section 256 of the Local Government Act, it is mandatory for a council to have copies of the by-laws of the municipality available for sale to the public.

The easiest and cheapest way to comply with section 256 is to order extracts from the *Government Gazette*. (These extracts are in every sense legal documents.)

To save councils the worry of watching for the *Gazette* in which their by-laws appear and then ordering their requirements, the Government Printer has created a "Standing Orders List."

A council which wishes to have its name recorded in this "Standing Orders List" may achieve this by forwarding to the Government Printer a request for a certain number of copies of each by-law or set of by-laws gazetted by it. The number ordered should not vary unless, of course, it is found to be insufficient.

The following prices will be charged for the foregoing extracts until further notice:—

- 1 page—
100 copies—25s.
For each additional 100—5s.
- 4 pages—
100 copies—£2.
For each additional 100—8s.
- 8 pages—
100 copies—£3 5s.
For each additional 100—15s.
- 16 pages—
100 copies—£5 10s.
For each additional 100—£1.

(f) A worker may be rostered off and granted annual leave with payment of ordinary wages as prescribed prior to his having completed a period of twelve (12) months' continuous service, in which case should the services of such worker terminate or be terminated prior to the completion of twelve (12) months' continuous service, the said worker shall refund to the employer the difference between the amount received by him for wages in respect of the period of his annual leave and the amount which would have accrued to him by reason of the length of his service up to the date of the termination of his services.
