Provided that the period of any absence from duty or the period of any interruption referred to in placita (c) to (i) inclusive of this paragraph shall not (except as set out in paragraph (4) hereof) count as service.

- (i) by his death; or
- (ii) by the employer for any reason other than serious misconduct; or
- (iii) by the worker on account of sickness or injury to the worker or domestic or other pressing necessity where such sickness or injury or necessity is of such a nature as to justify or in the event of a dispute is in the opinion of the Special Board of Reference, of such a nature as to justify such termination;

the amount of leave shall be such proportion of 13 weeks' leave as the number of completed years of such service bears to 20 years.

(5) In the cases to which paragraphs (3) and (4) hereof apply the worker shall be deemed to have been entitled to and to have commenced leave immediately prior to such termination.
