- (i) by his death; or
- (ii) by the employer for any reason other than serious misconduct; or
- (iii) by the worker on account of sickness or injury to the worker or domestic or other pressing necessity where such sickness or injury or necessity is of such a nature as to justify or in the event of a dispute is, in the opinion of the Special Board of Reference, of such nature as to justify such termination;

the amount of leave shall be such proportion of 13 weeks' leave as the number of completed years of such service bears to 20 years.

(5) In the cases to which paragraphs (3) and (4) hereof apply the worker shall be deemed to have been entitled to and to have commenced leave immediately prior to such termination.

times as may be agreed between the employer and the worker or in the absence of such agreement at such time or times as may be determined by the Special Board of Reference, having regard to the needs of the employer's establishment and the worker's circumstances.

(iii) in any other way agreed between the employer and the worker.

(f) No worker shall, during any period when he is on leave, engage in any employment for hire or reward in substitution for the employment from which he is on leave, and if a worker breaches this provision he shall thereupon forfeit his right to leave hereunder in respect of the unexpired period of leave upon which he has entered, and the employer shall be entitled to withhold any further payment in respect of the period and to reclaim any payments already made on account of such period of leave.

Such payment shall be deemed to have satisfied the obligation of the employer in respect of leave hereunder.

#### (f) Granting Leave in Advance and Benefits to be Brought into Account.

(1) Any employer may by agreement with a worker allow leave to such worker before the right thereto has accrued due, but where leave is taken in such a case the worker shall not become entitled to any further leave hereunder in respect of any period until after the expiration of the period in respect of which such leave had been taken before it accrued due.

(2) Where leave has been granted to a worker pursuant to the preceding paragraph before the right thereto has accrued due, and the employment subsequently is terminated, the employer may deduct from whatever remuneration is payable upon the termination of the employment a proportionate amount on the basis of 13 weeks for twenty years' service in respect of any period for

which the worker has been granted long service leave to which he was not at the date of termination of his employment or prior thereto entitled.

(3) Any leave in the nature of long service leave or payment in lieu thereof under a State law or a long service leave scheme not under the provisions hereof granted to a worker by his employer in respect of any period of service with the employer shall be taken into account whether the same is granted before or after the coming into operation hereof and shall be deemed to have been leave taken and granted hereunder in the case of leave with pay to the extent of the period of such leave and in the case of payment in lieu thereof to the extent of a period of leave with pay equivalent to the amount of the payment and to be satisfaction to the extent thereof of the entitlement of the worker hereunder.

(g) Records to be Kept.

(1) Each employer shall during the employment and for a period of 12 months thereafter, or in the case of termination by death of the worker a period of three years thereafter, keep a record from which can be readily ascertained the name of each worker and his occupation, the date of the commencement of his employment and his entitlement to long service leave and any leave which may have been granted to him or in respect of which payment may have been made hereunder.

(2) Such record shall be open for inspection in the manner and circumstances prescribed by this Award with respect to the time and wages record.

(2) The entitlement of any such worker to leave in respect of a period of service with the employer completed after the period in respect of which the long service leave referred to in paragraph (1) hereof accrued due shall be in accordance herewith.

(3) Subject to paragraphs (1) and (2) hereof, the entitlement to leave hereunder shall be in substitution for and satisfaction of any long service leave to which the worker may be entitled in respect of employment of the worker by the employer.

(4) An employer who under any State law with regard to long service leave is exempted from the provisions of that law as at the first day of April, 1958, shall in respect of the workers covered by such exemption be exempt from the provisions hereof.

(j) Exemptions.

The Special Board of Reference may subject to such conditions as it thinks fit exempt any employer from the provisions hereof in respect of its employees where there is an existing or prospective long service leave scheme which, in its opinion is, viewed as a whole, more favourable for the whole of the employees of that employer than the provisions hereof.

(k) Liberty to Apply.

Liberty is granted to any party to this Award to apply to the Court at any time for an appropriate variation of this clause if any of the terms and conditions operating under the code of Long Service Leave being negotiated between the Australian Council of Trade Unions and Federal Employers' Organisation is varied in any way.

In witness whereof this Award has been signed by the Conciliation Commissioner this 15th day of September, 1961.

#### 11.—Dirty or Obnoxious Work and Cleaning Vessels After Obnoxious Cargoes.

Work which is unusually obnoxious or of an objectionable nature and for which no other special rates are prescribed, shall be paid an extra amount as agreed upon between the representative of the employer and of the Union. If no agreement can be reached, the matter shall be referred to the Board of Reference for decision. No stoppage of work shall take place pending such decision. If in any case for which special rates are prescribed the Board of Reference decides that there exists any obnoxious, nauseating or objectionable feature to a degree which is exceptionally and unreasonably abnormal or unusual for such type of work, the Board may award such extra rate as it thinks fit for such work, in addition to those set out in Clause 10 of this Award.

#### 12.—Non-accumulation of Special Rates.

Except in regard to payments under subclause (e) of Clause 10 of this Award, where more than one of the disabilities entitling a workman to extra

rates exist on the same job, the employer shall be bound to pay only one rate, namely the highest, for the disabilities so prevailing.

#### 13.—Higher Duties—Permanent Workers.

Any worker carrying out work classified at a higher minimum than his ordinary work for two (2) hours in any shift shall be paid at the minimum rate for such work for the whole of that shift. Provided that such minimum is not lower than such worker's regular rate of pay. If he be employed for less than two (2) hours at work classified at a higher minimum than his ordinary rate, he shall be paid his ordinary rate for the whole shift.

#### 14.—Overtime.

(a) Except as prescribed in subclause (b) of this clause and clause 15 of this Award, overtime shall mean all time worked before or after the usual starting or finishing time of the day and shall be paid for at the rate of time and one-half for the first two (2) hours and double time thereafter, such double time to continue until the completion of the work.

(b) Subject to clause 6 of this Award, a worker required to commence work at or after midnight and before 8 a.m. on any day other than a Sunday shall be paid at the rate of double time from the time of actual commencement until 8 a.m. and thereafter at overtime rates or ordinary rates in accordance with subclause (a) of this clause and clause 4 of this Award.

#### 15.—Saturday, Sunday and Holiday Work.

(a) Except as prescribed in subclause (b) of clause 14, time worked on a Saturday shall be paid for at the rate of time and one-half for the first two (2) hours and thereafter at the rate of double time. Except for the purpose of completing a job and then only for a limit of two (2) hours, no work shall be performed between noon on Saturday and midnight on Saturday.

(b) All work done on a Sunday or on any of the public holidays prescribed for permanent workers by the next succeeding clause of this Award, whether such work be done by permanent or casual workers, shall be paid at the rate of double time.

#### 16.—Public Holidays—Permanent Workers.

(a) Except as hereinafter provided, each of the following days, or the days observed in lieu thereof, shall be allowed as a holiday to all permanent workers and be paid for, namely:—New Year's Day, Australia Day, Good Friday, Easter Monday, Anzac Day, Labour Day, Foundation Day, Queen's Birthday or Picnic Day (if held on a day mutually arranged between the Union and the employer), Christmas Day and Boxing Day.

(b) Whenever any holiday falls on a permanent worker's ordinary working day and the worker is not required to work on such day, he shall be paid for the ordinary hours he would have worked on such day if it had not been a holiday.

(c) Where Christmas Day or New Year's Day falls on a Saturday or a Sunday such holiday shall be observed on the next succeeding Monday and where Boxing Day falls on a Sunday such holiday shall be observed on the next succeeding Tuesday; in each such case the substituted day shall be deemed a holiday without deduction of pay in lieu of the day for which it is substituted.

(d) Payment shall not be made for any holiday which occurs whilst a worker is off duty owing to leave without pay or sickness, including accidents, off duty, excepting time for which he is entitled to sick pay.

(e) When a permanent worker is on duty or available for duty on the whole of the working day immediately preceding a holiday or resumes duty or is available for duty on the whole of the working day immediately following a holiday, as prescribed in subclause (a) of this clause, he shall be paid for such holiday.

## 17.—Annual Leave—Permanent Workers.

(a) Except as hereinafter provided, a period of two (2) consecutive weeks' leave with payment of ordinary wages as prescribed, shall be allowed annually to a permanent worker by the employer, after a period of twelve (12) months' continuous service with such employer.

(b) If any holiday under this Award falls within a permanent worker's period of annual leave and is observed on a day which in the case of that worker would have been an ordinary working day, there shall be added to that period one (1) day being an ordinary working day for each such holiday observed as aforesaid.

(c) A permanent worker may be rostered off and granted annual leave with payment of ordinary wages as prescribed, prior to his having completed a period of twelve (12) months' continuous service, in which case, should the services of such worker terminate or be terminated prior to the completion of twelve (12) months' continuous service, the said worker shall refund to the employer the difference between the amount received by him for wages in respect of the period of his annual leave and the amount which would have accrued to him by reason of the termination of his service.

(d) (i) Subject to paragraph (ii) hereof, when computing the annual leave due under this clause, no deduction shall be made from such leave in respect of the period that a worker is on annual leave and/or holidays: Provided that no deduction shall be made for any approved period a worker as absent from duty through sickness, with or without pay, unless the absence exceeds three (3) calendar months, in which case deduction may be made for such excess only.

(ii) Approved periods of absence from work caused through accident sustained in the course of employment shall not be considered breaks in continuity of service, but the first six (6) months only of any such period shall count as service for the purpose of computing annual leave.

(e) In the event of a permanent worker being employed by an employer for portion only of a year, he shall be entitled only to such holidays on full pay as are proportionate to his length of service during that period with such employer.

(f) Any permanent worker who may resign or be dismissed from the service for any cause, other than for peculation or theft shall be entitled to receive payment for any annual leave which may have been due up to the time of leaving the service: Provided always that if the worker has been dismissed for peculation or theft, no claim for annual leave shall be recognised. Misconduct herein referred to shall not affect accumulated annual leave or payment therefor.

(g) When work is closed down for the purpose of allowing annual leave to be taken, permanent workers with less than a full year's service shall only be entitled to payment during such period for the number of days' leave due to them: Provided that nothing herein contained shall deprive the employer of his right to retain such workers at work during the close down period as may be required.

(h) "Ordinary wages" for the purpose of sub-clause (a) hereof shall mean the rate of wage the worker has received for the greatest proportion of the calendar month prior to his taking the leave.

## 18.—Sick Leave—Permanent Workers.

(a) (i) A permanent worker shall be entitled to payment for non-attendance on the ground of personal ill-health for one-twelfth (1/12th) of a week's pay for each completed month of service.

(ii) The liability of the employer shall in no case exceed one (1) week's wages during each calendar year in respect of each worker, but the sick leave herein provided shall be allowed to accumulate and any portion unused in any year may be availed of in the next or any succeeding year.

(iii) Payment hereunder may be adjusted at the end of each calendar year or at the time the permanent worker leaves the service of the employer,

in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred.

(b) This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act, 1912-1956.

(c) No worker shall be entitled to the benefits of this clause unless he produces proof satisfactory to his employer or his representative of sickness, but the employer shall not be entitled to a medical certificate unless the absence is for three (3) consecutive working days or more.

(d) No payment shall be made for any absence due to the worker's own fault, neglect or misconduct.

(e) (i) Periods of service of less than one (1) month shall not be included as service for the computation of sick leave.

(ii) Periods of one (1) month and over shall be totalled and payment for sick leave computed on the total of such service during the year.

## 19.—Public Holidays, Annual Leave and Sick Leave—Registered Casual Workers.

(a) Registered casual workers shall be allowed such Public Holidays, Annual Leave and Sick Leave as are provided for in an Agreement in writing dated the 1st day of October, 1961, made between the Union of the first part, certain employers parties to this Award of the second part and the Fremantle Harbour Trust Commissioners of the third part.

(b) The liability under subclause (a) of this clause for the allowance of and payment for Public Holidays (not worked), Annual Leave and Sick Leave to registered casual workers shall be borne by the employer who first engages the worker concerned subsequent to the accrual to such worker of any right to such payment. Provided, however that the liability herein referred to shall be deemed to have been satisfied by the payment by the employer aforesaid at the time of engaging the worker of all moneys for the time being due and payable by such employer to the Fremantle Harbour Trust Commissioners under the terms of the said Agreement referred to in subclause (a) of this clause.

## 20.—Long Service Leave—Permanent Workers.

The conditions governing the granting of long service leave to full time Government wages employees generally shall apply to permanent workers covered by this Award.

## 21.—Rest Periods.

Subject to a period of at least sixty (60) minutes' total of actual work prior to the time mentioned and that the period calculated from the actual time of commencement or on resumption of work after any meal break to the next meal break or anticipated time of cessation of work, is at least three (3) hours—

10 a.m. to 10.15 a.m.  
8 p.m. to 8.15 p.m.  
3 a.m. to 3.15 a.m.  
3 p.m. to 3.15 p.m.  
10 p.m. to 10.15 p.m.  
5 a.m. to 5.15 a.m.

Provided that where the worker is to continue working without a meal hour break until 7 p.m. or 8 p.m., a rest period shall be given between 5 p.m. and 5.20 p.m.

## 22.—Travelling Time—Registered and Unregistered Casual Workers.

(a) Casual workers, whether registered or unregistered, engaged for work on the north side of the river or in mid-harbour shall board the launches provided by the employer in time to enable them to leave a clear five (5) minutes before the time of starting work at the ship or wharf. Workers finding their own means of conveyance shall arrive at the job at the time appointed to start work.

(b) Casual workers, whether registered or unregistered, engaged for work at places other than Victoria Quay or other than those to which conveyance is effected by water transport, shall be paid

travelling time to and from the place of employment from and to the pick-up place at which they were engaged. All fares incurred in such travel shall be paid by the employer.

(c) Casual workers, whether registered or unregistered, engaged for work on a vessel in Gage Roads shall be conveyed to and from the vessel in launches provided by the employer and shall be paid travelling time for all time involved in such travel from and to the ferry landing.

(d) Casual workers, whether registered or unregistered, transferred from one vessel to another during the course of their employment, shall be paid travelling time for all time necessarily involved in such travel.

(e) On the first day of employment of workers referred to in subclauses (b) and (c) hereof, the employer shall, when necessary, allow thirty (30) minutes paid time in order that workers may make adequate arrangements to provide themselves with a meal.

(f) All travelling time shall be paid for the actual period involved, at ordinary rates, for the classification of worker involved.

#### 23.—Attendance Money.

(a) Registered casual workers who attend at the recognised pick-up centre and who make themselves available for engagement in accordance with the terms of this Award shall, if not engaged to work on the day of such attendance, be paid twenty-seven shillings (27s.) for each such attendance.

(b) The liability for payment of attendance money for each attendance at the pick-up since the last day of employment of the said worker, and for which no engagement for work on the day of engagement occurred, shall be borne by the employer who ultimately engages the worker concerned. Provided, however, that the liability herein referred to shall be deemed to have been satisfied by the payment by the employer aforesaid—at the time of engaging the worker—to the Fremantle Harbour Trust Commissioners of all moneys for the time being payable as service charges under the regulations from time to time made or purporting to have been made in pursuance of the power in that behalf contained in the Fremantle Harbour Trust Act Amendment Act, 1957.

#### 24.—Payment of Wages.

(a) Wages shall be paid on Friday or on the last working day of each week, as the case may be, and not more than one (1) day's pay shall be kept in hand: Provided that unregistered casual workers discharged at or before 5 p.m. on the ordinary working day shall be paid on the same day. In all other cases, wages shall be paid before 11 a.m. on the following working day. Wages shall be paid within a quarter of an hour of the time specified; if paid after the said quarter of an hour has elapsed, waiting time shall be paid for at the worker's last rate for every quarter of an hour beyond the first quarter of an hour. Any fraction of a quarter of an hour shall be paid for as a full quarter of an hour.

(b) Wages shall be paid according to the scale for the time in respect to which they are payable. Broken time shall be paid to the next quarter hour.

#### 25.—Engagement of Labour.

(a) All casual labour, whether of registered or unregistered casual workers, required for work under this Award shall be engaged at a recognised pick-up centre. Such engagements shall be made between 7.45 a.m. and 9.45 a.m. on any day, Saturday, Sunday and holidays excepted.

(b) In the event of an emergency or any extenuating circumstances arising which call for the supply of casual labour outside picking-up hours, the Secretary of the Union shall, upon being requested by an employer, assist him in obtaining such labour.

(c) Nothing in this clause shall prevent the slip master from transferring workers employed on the slipway from work on one ship on the slipway to work on another ship on the slipway, as work on the slipway is deemed to be the job and not work on the ship on the slipway.

#### 26.—Contract of Service—Permanent Workers.

(a) The employment shall be weekly and a week's notice on either side shall be given to terminate the engagement or a week's wages paid in lieu. However, this shall not affect the right to dismiss for misconduct and, in such cases, wages shall be paid up to the time of dismissal only.

(b) The employer of a permanent worker shall be under no obligation to pay for any day not worked on which such worker is required to present himself for duty, except when such absence from work is due to illness and comes within the provisions of the Sick Leave Clause or such absence is on account of holidays to which the worker is entitled under the provisions of this Award. Provided further that such an employer shall be entitled to deduct payment for any day or portion of a day upon which such worker cannot be usefully employed because of any strike by the Union or Unions affiliated with it, or by any other Association or Union or through the breakdown of the employer's machinery or any stoppage of work by any cause which the employer cannot reasonably prevent.

#### 27.—Minimum Period of Engagement—Casual Workers.

Any casual worker, whether registered or unregistered, engaged for work, shall be paid for at least four (4) hours at the appropriate rate for each attendance, unless he fails to present himself for work when instructed to do so.

#### 28.—Preference.

Preference of employment shall be given to members of the Union available, willing and qualified to perform the work to be done: Provided that any permanent worker or applicant for permanent employment who is not a member of the said Union shall within fourteen (14) days of commencing employment under this Award, make and complete an application for membership with the said Union, and provided that any permanent worker who is a financial member of another recognised industrial union shall, upon the expiration of his current membership with such other union, within fourteen (14) days of such expiry, make and complete an application for membership with the said Union.

#### 29.—Working in Water.

Workers shall not be required to go into water to scrub the bottoms of vessels, nor shall they be required to commence painting on the bottom until the part of the dock or slip on which they are required to stand has been swept. Workers shall not be required to go into the tanks or punts while there is water in them, unless it is to remove or clear out the water.

#### 30.—Lighting and Ventilation.

The employer shall provide an efficient system of lighting and ventilation on all jobs, where necessary.

All manhole doors shall be removed from tanks and boilers while workers are working in them.

#### 31.—Prevention of Accidents.

(a) Workers shall not be required to use long handle brushes, rollers, brooms or scrapers on swinging stages of single plank width in dry docks or slips or on extension ladders when extended.

(b) Stage planks shall be of suitable strength and shall be fitted with life lines. Life lines shall be extended the full length of the staging.

(c) Subject to the provisions of sub-clause (e) of Clause 10, chipping machines shall be used only on the outside of vessels where there is a free current of air.

#### 32.—Protective Clothing and Equipment.

(a) Goggles and medical pads for use as respirators, oilskins, gumboots, sou' westers, overalls and gloves shall be supplied where the nature of the employment is such as to warrant their respective use.

(b) All protective clothing and equipment shall at all times remain the property of the employer and shall be returned at the finish of each job or on the occasion of a fresh issue being made.

## 33.—Accommodation.

(a) Accommodation shall be provided for workers to change their clothing and, except where the custom of the establishment otherwise provides, five (5) minutes shall be allowed the workers to clean their hands at each break and suitable material including hot water and soap or cleaning paste provided for that purpose. Hot water shall be provided at all meal times.

(b) Workers engaged in cleaning out oil tanks or bilges, when the work is of an exceptionally dirty nature, shall be allowed a reasonable time to cleanse themselves, and shall be provided with hot water for that purpose.

## 34.—Ship's Crews.

Bona fide members of the ship's crew, whether on articles or not, shall not be debarred from carrying out any duties in connection with cleaning, chipping, painting or scraping of any vessel above light float line, that they have hitherto been accustomed to perform.

## 35.—Board of Reference.

(a) For the purpose of this Award, a Board of Reference is hereby appointed, which shall consist of a chairman and two (2) other representatives, one to be nominated by each of the parties. The said Board shall have assigned to it, in the event of no agreement being arrived at between the parties to the dispute, the functions of—

(i) adjusting any matters of difference which may arise from time to time except such as involve interpretation of the provisions of this Award or any of them;

(ii) dealing with any other matter which the Court may refer to the Board from time to time.
