(1) In a case to which paragraph (2) of sub-clause (c) applies:—

- (a) Leave shall be granted and taken as soon as reasonably practicable after the right thereto accrues due or at such time or times as may be agreed between the employer and the worker or in the absence of such agreement at such time or times as may be determined by the Special Board of Reference, having regard to the needs of the employer's establishment and the worker's circumstances.
- (b) Except where the time for taking leave is agreed to by the employer and the worker or determined by the Special Board of Reference the employer shall give to a worker at least one month's notice of the date from which his leave is to be taken.
- (c) Leave may be granted and taken in one continuous period or if the employer and the worker so agree in not more than three separate periods in respect of the

first 13 weeks' entitlement and in not more than two separate periods in respect of any subsequent period of entitlement.

(d) Any leave shall be inclusive of any public holidays specified in this award occurring during the period when the leave is taken but shall not be inclusive of any annual leave.

(e) Payment shall be made in one of the following ways:—

- (i) in full before the worker goes on leave;
- (ii) at the same time as his wages would have been paid to him if the worker had remained at work, in which case payment shall, if the worker in writing so requires, be made by cheque posted to an address specified by the worker; or
- (iii) in any other way agreed between the employer and the worker.

(f) No worker shall, during any period when he is on leave, engage in any employment for hire or reward in substitution for the employment from which he is on leave and if a worker breaches this provision he shall thereupon forfeit his right to leave hereunder in respect of the unexpired period of leave upon which he has entered, and the employer shall be entitled to withhold any further payment in respect of the period and to reclaim any payments already made on account of such period of leave.

(2) In a case to which paragraph (3) or paragraph (4) of subclause (c) applies and in any case in which the employment of the worker who has become entitled to leave hereunder is terminated before such leave is taken or fully taken the employer shall, upon termination of his employment otherwise than by death pay to the worker, and upon termination of employment by death pay to the personal representative of the worker upon request by the personal representative, a sum equivalent to the amount which would have been payable in respect of the period of leave to which he is entitled or deemed to have been entitled and which would have been taken but for such termination. Such payment shall be deemed to have satisfied the obligation of the employer in respect of leave hereunder.

(f) Granting Leave in Advance and Benefits to be Brought into Account.

(1) Any employer may by agreement with a worker allow leave to such a worker before the right thereto has accrued due, but where leave is taken in such a case the worker shall not become entitled to any further leave hereunder in respect of any period until after the expiration of the period in respect of which such leave had been taken before it accrued due.

(2) Where leave has been granted to a worker pursuant to the preceding paragraph before the right thereto has accrued due, and the employment subsequently is terminated, the employer may deduct from whatever remuneration is payable upon the termination of the employment a proportionate amount on the basis of 13 weeks for twenty years' service in respect of any period for which the worker has been granted long service leave to which he was not at the date of termination of his employment or prior thereto entitled.

(3) Any leave in the nature of long service leave or payment in lieu thereof under a State law or a long service leave scheme not under the provisions hereof granted to a worker by his employer in respect of any period of service with the employer shall be taken into account whether the same is granted before or after the coming into operation hereof and shall be deemed to have been leave taken and granted hereunder in the case of leave with pay to the extent of the period of such leave and in the case of payment in lieu thereof to the extent of a period of leave with pay equivalent to the amount of the payment and to be satisfaction to the extent thereof of the entitlement of the worker hereunder.

(g) Records to be Kept.

(1) Each employer shall during the employment and for a period of 12 months thereafter, or in the case of termination by death of the worker a period of three years thereafter, keep a record from which can be readily ascertained the name of each worker and his occupation, the date of the commencement of his employment and his entitlement to long service leave and any leave which may have been granted to him or in respect of which payment may have been made hereunder.

(2) Such record shall be open for inspection in the manner and circumstances prescribed by this award with respect to the time and wages record.

(h) Special Board of Reference.

(1) There shall be constituted a Special Board of Reference for the purpose hereof to which all disputes and matters arising hereunder shall be referred and the Board shall determine all such disputes and matters.

- (a) the settlement of disputes on any matters arising hereunder;
- (b) the determination of such matters as are specifically assigned to it hereunder.

(i) State Law.

(1) The provisions of any State law to the extent to which they have before the coming into operation hereof conferred an accrued right on a worker to be granted a period of long service leave in respect of a completed period of 20 or more years' service or employment or an accrued right on a worker or his personal representative to payment in respect of long service leave shall not be affected hereby and shall not be deemed to be inconsistent with the provisions hereof.

(2) The entitlement of any such worker to leave in respect of a period of service with the employer completed after the period in respect of which the long service leave referred to in paragraph (1) hereof accrued due shall be in accordance herewith.

(3) Subject to paragraphs (1) and (2) hereof, the entitlement to leave hereunder shall be in substitution for and satisfaction of any long service leave to which the worker may be entitled in respect of employment of the worker by the employer.

(4) An employer who under any State law with regard to long service leave is exempted from the provisions of that law as at the first day of April, 1958, shall in respect of the workers covered by such exemption be exempt from the provisions hereof.

(j) Exemptions.

The Special Board of Reference may subject to such conditions as it thinks fit exempt the employer from the provisions hereof in respect of its employees where there is an existing or prospective long service leave scheme which, in its opinion is, viewed as a whole, more favourable for the whole of the employees of that employer than the provisions hereof.

(k) Liberty to Apply.

Liberty is granted to either party to this award to apply to the Court at any time for an appropriate variation of this clause if any of the terms and conditions operating under the code of Long Service Leave being negotiated between the Australian Council of Trade Unions and Federal Employers' Organisations is varied in any way.

21.—Boards of Reference.

(a) The Court hereby appoints, for the purpose of this Award, a Board of Reference. The Board shall consist of a Chairman and two (2) other representatives, one to be nominated by each of the parties.

22.—Breakdowns.

Notwithstanding anything contained in this Award, the employer shall be entitled to deduct payment for any day or portion of a day that the worker cannot be usefully employed because of any strike by the Union or Unions affiliated with it, or by any other association or Union or through the breakdown of the employer's machinery or any stoppage of work by any cause that the employer cannot reasonably prevent.
