#### Schedule.

1. The abovementioned regulations are amended by adding immediately following regulation 112 the following regulation in lieu of that superseded by the order dated the 21st May, 1952, as referred to above:—

#### 113. PROMOTIONS.

The provisions of this regulation apply to General Uniform Police as well as to the Criminal Investigation Department referred to in regulation 34 of these regulations, but do not prejudice or otherwise affect the exercise of the discretionary power—to appoint commissioned officers; or to withhold approval of the appointment of non-commissioned officers, conferred upon the Governor by sections 6 and 7 of the Police Act, 1892 (as amended), nor the exercise of the discretionary power—to appoint so many non-commissioned officers and constables of different grades as the Commissioner deems necessary for the preservation of peace and order, conferred upon the Commissioner by section 6 of that Act.

(a) There shall be a Board of Examiners, comprising a legal practitioner and two other persons, all of whom shall be appointed by the Commissioner.

(b) From time to time, at times appointed by the Commissioner, examinations shall be conducted in accordance with this regulation.

(c) There shall be promotional examinations for candidates seeking appointment to the ranks of 3rd Class Sergeant and 1st Class Sergeant, which examinations shall be in the following subjects: Statutes, Police Regulations, Gazetted Orders, Procedure and Reporting.

(d) There shall be a qualifying examination in the following educational subjects: Arithmetic, English, and Geography of Western Australia, and such examination must be completed before the candidate is eligible to sit for either of the promotional examinations.

(e) A candidate in any qualifying or promotional examination must complete that examination in three attempts, and if he fails so to do he will lose the benefit of any subject passed but must pass in all subjects of the examination afresh.

(f) A candidate will be credited with a pass if he obtains 60 per cent. of the marks allotted for each subject.

(g) A candidate is eligible to sit for the qualifying examination upon his completing twelve months' service in the rank of constable.

(h) A member of the Force shall not be eligible as a candidate for the promotional examination to qualify him for appointment to the grade of Sergeant 1st Class until he has—

- (i) passed the qualifying examination;
- (ii) completed not less than ten years' service as a constable; and
- (iii) passed the examination qualifying him for appointment to the grade of Sergeant 3rd Class.

(i) A member of the Force shall not be eligible as a candidate for the promotional examination to qualify him for appointment to the grade of Sergeant 3rd Class until he has passed the qualifying examination and has completed not less than five years' service as a constable.

(j) The Commissioner shall keep a record of candidates who have passed in each of the examinations.

(k) (i) Subject to the provisions of this regulation the following provisions of this paragraph apply in respect of appointments to the grades of Inspector (3rd Class), Sergeant (1st Class), Sergeant (2nd Class) and Sergeant (3rd Class).

(ii) A member of the Force shall not be promoted—

- (A) to the grade of Sergeant (3rd Class) unless and until he has passed the examination qualifying him for appointment in that grade;
- (B) to the grade of Sergeant (1st Class) or to any higher grade unless and until he has passed the examination qualifying him for appointment to the grade of Sergeant (1st Class);
- (C) if he is not of strictly sober habits, energetic, trustworthy and suitable in every other respect for promotion;
- (D) if being a constable or non-commissioned officer he is not prepared to be transferred to the place where his services would be required in case of his promotion.

(iii) There shall be a Promotions Selection Board comprising the Chief Inspector as Chairman and two other Inspectors to be appointed from time to time by the Commissioner.

(iv) Where an appointment is to be made, the Commissioner shall cause to be published in the *Police Gazette* notice of intention to make the appointment and inviting applications from members of the Force desirous of being considered suitable to be appointed.

(v) The Promotions Selection Board shall inquire into the qualifications of applicants, who, if required by the Board to do so, shall attend before the Board for examination and questioning as to suitability for appointment, and the Board shall recommend to the Commissioner such member or members of the Force as the Board considers most suitable for the appointment or the appointments as the case may be.

(vi) If in the opinion of the Board two or more applicants are of equal efficiency the Board shall recommend the applicant holding the higher grade.

(vii) When inquiring into the qualifications of candidates the Board shall collect all information possible from such sources as are available to the Board and when an applicant holding higher grade is rejected, shall state in writing the reasons for rejection.

(viii) While paying due regard to seniority and good conduct the Board shall give preference to applicants who have displayed superior intelligence, zeal and integrity in the discharge of their duties as members of the Force, the intention being that preference shall be given to meritorious service and efficiency rather than to seniority but less efficient service.

(ix) In this regulation, "efficiency" means special qualifications including aptitude for the discharge of the duties of the office to be filled as evidenced by merit and good and diligent conduct during previous service.

(x) The Commissioner may require an applicant to be medically examined by a Government Medical Officer and certified as physically fit to carry out his duties in any part of the State and if upon such examination the applicant is certified otherwise, the Promotions Selection Board shall not recommend the applicant.

(l) The Commissioner shall cause the names of the applicants recommended to him by the Promotions Selection Board to be published in the *Police Gazette* and within 14 days from the date of that publication an applicant who considers he should have been recommended, or the Commissioner of Police or his nominee if the Commissioner considers that a recommendation should not have been made or that a different recommendation should have been made, may appeal against the recommendation to the Promotions Appeal Board mentioned in paragraph (n) of this regulation stating the grounds of the appeal in writing and the latter Board shall thereupon, or so soon thereafter as is reasonably practicable, hear and determine the appeal.

(m) If there is no appeal, the Commissioner shall submit the recommendation of the Promotions Selection Board through the Minister to the Governor, together with the Commissioner's own recommendation regarding the Board's recommendation.

(n) (i) The Promotions Appeal Board shall comprise the Commissioner of Police as Chairman and the commissioned officers of Police for the time being available with the exception of—

(A) the members of the Promotions Selection Board;

(B) the commissioned officer in charge of the Northern Police District.

(ii) Inspectors holding brevet rank may sit on the Promotions Appeal Board and give advice and opinions, but shall not have a vote in determining the decision of that Board.

(o) (i) Each of those Boards may, subject to the succeeding subparagraphs of this paragraph, regulate its own procedure and may inform itself on any matter it considers relevant in such manner as it thinks just and may act according to equity and good conscience and the substantial merits of the case without regard to technicalities or legal forms and shall not be bound by any laws or rules of evidence.

(ii) The Promotions Appeal Board shall permit the General Secretary of the Western Australian Police Union to attend proceedings of that Board both while the appellant is presenting his case and when the Board is delivering its decision, but in the capacity of an observer only.

(iii) The Promotions Appeal Board may permit in person an applicant who has appealed—to appear before the Promotions Appeal Board; to conduct his own appeal; to question any member or members of the Promotions Selection Board as to the reason why he was not recommended; and to question an Inspector who has, in accordance with the provisions of paragraph (p) of this regulation, made a report concerning the applicant, as to its contents.

(iv) The Promotions Appeal Board shall permit the Commissioner of Police in person or his nominee—to appear before the Promotions Appeal Board; to conduct an appeal lodged by the Commissioner or his nominee; to oppose an appeal brought by an applicant; or to invite the attention of the Board to anything arising out of or in relation to any appeal to the Board which in his opinion is relevant or material to any matter to be decided by the Board.

(v) The Commissioner shall submit the decision of the Board through the Minister to the Governor together with the Commissioner's own recommendation regarding the Board's decision.

(vi) In exercise of the discretion referred to in the initial paragraph of this regulation the Governor may disregard the decision or the recommendation or both.

(p) (i) The Inspector-in-charge of a district or branch shall by frequent personal intercourse acquaint himself with the character, conduct and efficiency of every member of the Force serving under him and shall at the end of every period of three months submit to the Commissioner a separate report on every member of the Force who is serving under him in the district or branch and who appears to him to be likely to be eligible for promotion during the next period of five years.

(ii) The report shall be strictly impartial and shall deal with the member's ability, the degree of efficiency with which he discharges his duties, his character as exemplified by his conduct both when on duty and when not on duty and his degree of tact, intelligence, zeal and integrity.

(iii) The provisions of this paragraph do not preclude an Inspector-in-charge of a district or branch from forwarding at any time a special report to the Commissioner relating to any such member, whom he considers worthy of promotion because of very exceptional merit and ability.

(iv) If an Inspector-in-charge who has submitted a report discovers any cause for modification of the report, he shall immediately submit a further report to the Commissioner accordingly.

(v) If the report of the Inspector-in-charge contains anything derogatory to a member of the Force, the Commissioner shall cause it to be brought to the notice of that member so that he shall have an opportunity of refuting what is derogatory.

(vi) All such reports shall be produced at the hearing by the Promotions Appeal Board of appeals relating to a member of the Force in respect of whom the reports are made and the member shall be at liberty to peruse the report and question the Inspector-in-charge submitting the report regarding its contents.

(q) In no case shall representations from persons not connected with the Police Department have any influence in procuring the promotion of any member of the Force.

(r) Without prejudice to the provisions of the initial paragraph of this regulation—

(i) commissioned officers may be promoted to the grades of Inspector (1st Class) and Inspector (2nd Class) on the recommendation of the Commissioner to the Minister submitted to the Governor;

(ii) a member of the Force may be specially promoted on the recommendation of the Commissioner to the Minister submitted to the Governor on the grounds of the very exceptional ability and merit of the member and notwithstanding that the member has not passed the prescribed examination.

(s) A member of the Force is entitled to time off to attend sittings for examinations and hearings before the Promotions Selection Board and the Promotions Appeal Board and to the appropriate return fare if for any of those purposes he is required to travel from the place where he is stationed.

## STATE ELECTRICITY COMMISSION ACT, 1945-1959.

The State Electricity Commission of Western Australia,  
Perth, 9th January, 1961.

HIS Excellency the Governor in Executive Council, acting under the provisions of the State Electricity Commission Act, 1945-1959, has been pleased to make the regulations set out in the schedule hereunder.

ALEX. J. REID,  
Chairman, The State Electricity Commission  
of Western Australia.

Schedule.  
Regulations.

1. In these regulations, the regulations relating to the issue of Debentures and Inscribed Stock published in the *Government Gazette* on the 16th January, 1953, are referred to as the principal regulations.

2. The principal regulations are amended by substituting for regulations 24, 25 and 26 thereof regulations as follows:—

## 24.—Deceased Stock Holders.

(1) (a) The executor, administrator or trustee of the estate of a deceased stock holder (not being one of several joint stock holders) shall be the only person recognised by the Commission as having any title to the stock inscribed in the name of the deceased stock holder.

(b) Application for transmission in relation to any such stock shall be made in accordance with regulation 25 of these regulations.

(2) (a) When one of the stock holders in a joint account relating to stock dies the survivor or survivors in the joint account shall be the only person or persons recognised by the Commission as having any title to or interest in that stock.

(b) The death of that joint stock holder may be proved by the production of probate of his will, letters of administration of his estate or certificate of his death supported, if required by the Registrar, by a statutory declaration that satisfies the Registrar as to the identity of the deceased as such stock holder.

(c) On completion of the proof of death of a joint stock holder in a joint account and on receipt of an application in writing from the survivor or survivors in the joint account the stock shall be registered in the name of the survivor or survivors.

## 25.—Transmission of Stock.

(1) (a) When stock is to be transmitted in consequence of the death, bankruptcy or insolvency of any stock holder or for any reason other than a transfer under these regulations, an application for registration of the transmission shall be lodged with the Registrar.

(b) The application referred to in paragraph (a) of this sub-regulation shall be in accordance with Form No. 3 of the schedule and shall, if the Registrar so requires, be supported by a statutory declaration verifying the contents of the application.

(2) The Registrar shall require the signature of a person who claims transmission of stock by virtue of his appointment as executor, administrator or trustee, to be verified to his satisfaction.

(3) The probate of the will, letters of administration of the estate or an office copy of the adjudication or order of sequestration or vesting order, as the case may be, or any other document that authorises the transmission under this regulation shall be produced to the Registrar.

(4) The Registrar may require any document produced pursuant to this regulation to be left at the registry at least two clear days before the stock to which it relates is dealt with under these regulations.

(5) The Registrar shall enter or cause to be entered particulars of such documents in a register.

(6) Where the Registrar is satisfied that stock is inscribed in the name of a person whose property is required by law to be placed in the hands of the Public Trustee or of an officer holding a corresponding position in any other State of the Commonwealth or of any other officer charged with the duty of administering estates of deceased persons or missing persons or persons under disability (other than bankruptcy or insolvency), the Registrar may (notwithstanding the provisions of regulation 24 of these regulations and subregulations

(1) to (5) inclusive of this regulation) authorise the transmission of the stock to the name of the Public Trustee, the officer holding a corresponding position or other officer, but before doing so the Registrar may require a sufficient indemnity from the Public Trustee, the officer holding a corresponding position or other officer.

26.—Power of Commission to Dispense with Production or Resealing of Probate, etc., in Certain Cases.

(1) When a person dies leaving any stock of an amount not exceeding two hundred pounds the Commission may, on being satisfied that all duty payable in respect thereof under the provisions of the Administration Act, 1903-1961, has been paid or that no such duty is payable in respect thereof, dispense with the production of probate of the will or letters of administration of the estate as required by subregulation (3) of regulation 25 of these regulations and may authorise the transmission of the stock to such persons as appears to the satisfaction of the Commission to be lawfully entitled thereto.

(2) A person shall not have any claim against the Commission in respect of any transmission in pursuance of this regulation, but nothing in this regulation shall relieve the person to whom the stock is transmitted from any liability to account for or deal with the stock as required by law.

(3) A person is not required to reseal in this State any probate of a will or letters of administration of an estate in order that a transmission of stock may be registered under these regulations if, in respect of the stock, probate of a will or letters of administration of an estate is or are produced to the Registrar together with the certificate of the Commissioner of Probate Duties of this State that no duty is payable under the provisions of the Administration Act, 1903-1961, or his receipt evidencing that all duty payable under that Act has been paid.
