Regulation 49A.

RIGHTS IN WATER AND IRRIGATION ACT, 1914-1954.

Department of Public Works Water Supply,
Perth, 20th February, 1962.

HIS Excellency the Governor in Executive Council has been pleased to approve of the by-laws made pursuant to the provisions of the Rights in Water and Irrigation Act, 1914-1954, by the Minister for Water Supply, Sewerage and Drainage (acting as the Irrigation Board for Harvey No. 1, Waroona, Harvey No. 2 and Collie Irrigation Districts) and set out in the schedule hereunder.

J. McCONNELL,
Under Secretary for Works.

Schedule.

By-laws.

- Principal by-laws. 1. The by-laws for Harvey No. 1 Irrigation District, Waroona Irrigation District, Harvey No. 2 Irrigation District and Collie Irrigation District reprinted pursuant to the Reprinting of Regulations Act, 1954, published in the *Government Gazette* on the 6th April 1955, and amended by notices published in the *Government Gazette* on the 12th December, 1956, the 14th November, 1957, the 28th January, 1960, the 30th August, 1960, and the 17th August, 1961 are referred to in these by-laws as the principal by-laws.
- By-law 25 amended. 2. By-law 25 of the principal by-laws is amended by substituting for paragraph (c) the following paragraph—
- (c) water at the rate of two cusecs for each acre rated for a period of—
- (i) 5.4 hours in the Harvey Irrigation District; and
- (ii) 6.0 hours in the Collie River Irrigation District.
- By-law 27 substituted. 3. The principal by-laws are amended by substituting for by-law 27 the following by-law:—
- 27.—Accommodation Water Charges.
- (a) In cases where the Minister at his discretion supplies water for irrigation purposes within an irrigation district to a non-rated area, or to an acreage in excess of the rated area, or in excess of a settler's allocated quantity of water or "hours," as the case may be, the charges for watering shall be—
- (i) if the water is supplied on the basis of supply by area, 14s. 6d. per acre for each of the first and second waterings;
- (ii) if the water is supplied through a measuring device, £1 8s. 9d. for the first fifteen (15) acre feet supplied and 14s. for each additional acre foot supplied;
- (iii) if the water is supplied by the "hours" system—
- (A) in the Harvey Irrigation District, 5s. 3d. per hour for the first eighty-one (81) hours and 2s. 3d. for each additional hour;
- (B) in the Collie River Irrigation District, 4s. 9d. per hour for the first ninety (90) hours and 2s. 3d. for each additional hour.
- (b) Notwithstanding the provisions of paragraph (a) of this by-law, if surplus water is available in any irrigation district, the Minister may supply water as from the beginning of the last zonal watering period in February each year for establishing new pasture in that irrigation district

to a non-rated area, or to an acreage in excess of the rated area, or in excess of a settler's allocated quantity of water or "hours," as the case may be, at the charges of—

- (i) if the water is supplied on the basis of supply by area, 14s. 6d. per acre for the first watering and 5s. 9d. per acre for each subsequent watering;
- (ii) if the water is supplied through a measuring device, or by the "hours" system, 14s. per acre foot or 2s. 3d. per hour, whichever of those charges is applicable.

TOWN PLANNING AND DEVELOPMENT ACT, 1928-1959.

Hoarding By-laws.

T.P.B. 858/1/1, Vol. 2.

IT is hereby notified for public information that His Excellency the Governor in Executive Council has approved by-law 13 of the by-law—Control of Hoardings—made under section 30, subsection (1), of the Town Planning and Development Act, 1928, published in the *Government Gazette* on the 27th November, 1931, as amended being amended by adding after "Town of Cottesloe" in the scheme the words "Town of Claremont."

J. E. LLOYD,
Chairman, Town Planning Board.

LOCAL GOVERNMENT ACT, 1960.

The Municipality of the Town of Claremont.

By-laws Relating to Signs, Hoardings, Billposting and Blinds.

L.G. 351/58.

IN pursuance of the powers conferred upon it by the abovementioned Act and all other powers enabling it, the Council of the abovementioned municipality hereby records having resolved on the 27th day of November, 1961, to make and submit for confirmation by the Governor the following by-law:—

By-law 119.

Part I.—Repeal and Interpretation.

Repeal.

1. All by-laws at present in force within the Town of Claremont are hereby repealed in so far as they relate to the above subject matter.

2. In this by-law, unless the context otherwise requires—

"Council" means the Council of the Town of Claremont;

"illuminated sign" means a sign which is so arranged as to be capable of being lighted from within or from without by artificial light if the light is provided solely or mainly for the purpose of lighting such sign;

"pylon sign" means a sign supported on one or more piers or columns but not attached to a building;

"sign" includes signboard and clock, but not a clock which is built into a wall and which does not project beyond the face of such wall;

"street" includes footway and roadway;

"Surveyor" means the Building Surveyor or acting Building Surveyor of the Town of Claremont;

"verandah" means a verandah projecting over a street and includes balcony.

Part II.—Signs.

Division 1.—General.

Unauthorised Signs.

3. No person shall erect or maintain and no owner or occupier of premises shall permit to remain on such premises any sign over or near any street without a written license issued by the Council under this by-law, provided that no license shall be required in respect of any sign which is erected or maintained pursuant to any statutory requirement and provided further that the provisions of this by-law shall be read as subject to any such statutory requirement.

4. The sign shall be descriptive only of one or more of the following:—
- (i) The name of one or more of the occupiers of the premises to which the sign is attached.
 - (ii) The business or businesses carried on on such premises.
 - (iii) Things sold on such premises.

Fixing of Signs.

5. (i) Every sign shall, unless otherwise permitted by the Surveyor, be so fixed as to provide a clear headway thereunder of not less than nine feet.

(ii) Every sign shall to the satisfaction of the Surveyor be securely fixed to the structure by which it is supported, and safely maintained.

Glass in Signs.

6. No glass shall be used in any sign other than an illuminated sign.

Inflammable Material.

7. No paper, cardboard, cloth or other inflammable material shall form part of or be attached to any sign, provided that this clause shall not apply to posters securely fixed to a signboard.

Signs to be Kept Clean.

8. Every sign shall be kept clean and free from unsightly matter.

Illuminated Signs.

9. Every illuminated sign shall comply with the following provisions:—
- (a) Except for the insulation of electric wires the sign and any boxing or casing enclosing it shall be constructed entirely of non-inflammable material.
 - (b) If glass is used in an illuminated sign it shall be so protected that in the event of breakage (except in the case of fluorescent tubing) no part of such glass can fall on any public place.
 - (c) The electrical installation shall be constructed and maintained to the satisfaction of the State Electricity Commission and in accordance with the standard required by the Fire & Accident Underwriters Association of Western Australia.
 - (d) The sign shall be maintained to operate as an illuminated sign.
 - (e) The light from the sign shall not be sufficiently intense to cause annoyance to the public.
 - (f) The sign shall not be permitted to flash except by special permission of the Council and only in accordance with any conditions imposed by such permission.

Certain Signs Prohibited.

10. No sign shall be erected or maintained—
- (a) so as to obstruct a view from a street or public place of traffic in the same or any other street or public place or which is likely to be confused with or mistaken for a traffic light or traffic sign;
 - (b) on any land classified as a residential district under the Zoning By-laws made by the Council, except to exhibit the name and the trade or calling of the occupier of such land.

Division 2.—Particular Signs.

Signs Above Verandah Fascias.

11. Signs comprising free standing lettering only may be erected above the outer fascia of a verandah parallel to the kerb provided that such lettering shall have a standard height of 15 inches mounted on a three-inch base.

Signs on Verandah Fascias.

12. A sign fixed to the outer or return fascia of a verandah—
- (a) shall be of a maximum depth of two feet;
 - (b) shall not project beyond the outer metal frame or surround of the fascia.

Signs Under Verandahs.

13. A sign under a verandah—
- (a) shall not exceed eight feet in length, nine and one-third square feet in area and 24 inches in width;
 - (b) shall not weigh more than 120 lb.;
 - (c) shall not, if it exceeds 12 inches in width, be within four feet six inches or, where it does not exceed 12 inches in width, three feet from the side wall of the building in front of which it is erected measured along the front of such building;
 - (d) shall not, if it exceeds 12 inches in width, be within nine feet or, where it does not exceed 12 inches in width, six feet of another sign under the verandah.

Horizontal Signs.

14. (1) A horizontal sign—
- (a) shall be fixed parallel to the wall of the building to which it is attached and with no intervening space between the bottom of the sign and the wall;
 - (b) shall as to depth conform to the following scale:—
- | Minimum Distance of
Sign Above Street. | Maximum Depth
of Sign.
ft. ins. |
|-------------------------------------------|---------------------------------------|
| Less than 25 feet | 2 0 |
| 25 feet to 30 feet | 2 6 |
| More than 30 feet | 3 0 |
- Provided that the Council may permit an increase of not more than 50 per cent. of the above depths in any part or parts of a sign to permit the inclusion therein of a motif or capital letter;
- (c) shall not project more than two feet from the wall to which it is attached;
 - (d) shall not be within two feet of either end of the wall to which it is attached unless the end of the sign abuts against a brick, stone or cement corbel, pier or pilaster which is at least nine inches wide and projects at least one inch in front of and three inches above and below the sign.
- (2) There shall be not more than one line of horizontal signs on each storey of a building facing any one street.
- (3) The name of the building, owner or occupier may be placed on the facade of the building, provided that—
- (a) only one such name shall be placed on any facade;
 - (b) the letters of such name shall not exceed four feet in depth;
 - (c) the letters shall be of metal or other non-inflammable material;
 - (d) the letters may be lit or illuminated, subject to all such illuminated lettering being specially approved by the Council.

Vertical Signs.

15. A vertical sign—
- (a) shall have a minimum headway of 10 feet;
 - (b) shall project not more than three feet from the face of the building to which it is attached, provided that in the case of a sign fixed to the face of a building set back behind the face of the adjoining building, then if the latter building is within 10 feet of the former building the sign may project an additional distance not exceeding two feet or the distance which the adjoining building projects beyond the building to which the sign is fixed whichever is the lesser;

- (c) shall not be within six feet of either end of the wall to which it is attached provided that approval may be granted for such sign to be fixed at a lesser distance when the building is set back from the boundary or abuts on an intersecting street or right-of-way;
- (d) shall not project more than eight feet above the top of the wall to which it is attached nor more than five feet back from the face of such wall;
- (e) shall be at least twice as high as it is wide;
- (f) shall not be within 12 feet of another vertical sign on the same building;
- (g) on a corner of a building at a street intersection may be placed at an angle with the walls so as to be visible from both streets.

Semaphore Sign.

- 16. (1) A semaphore sign—
 - (a) shall be fixed at right angles to the wall to which it is attached;
 - (b) shall not project more than three feet from such wall nor be of a greater height at any point than three feet six inches;
 - (c) shall be fixed over or adjacent to the entrance to a building;
 - (d) shall not be fixed over or under a verandah.
- (2) Not more than one semaphore sign shall be fixed over or adjacent to any one entrance to a building.

Direction Signs on Street Poles.

- 17. A direction sign attached to a pole in a street shall not exceed six inches in depth or two feet six inches in length.

Roof Signs.

- 18. Approval for the erection of a sign on a roof of a building shall only be granted by resolution of the Council at an ordinary meeting, and where approval has been granted such sign—

- (a) shall at no part be within 15 feet from the ground;
- (b) shall not extend laterally beyond the external walls of the building;
- (c) shall, as regards height above ground and height of sign, comply with the following table:—

Height of Main Building Above Ground Level at Point where Sign is to be Erected.	Maximum Height of Sign. ft.
15 feet to 20 feet	6
20 feet to 40 feet	10
40 feet to 60 feet	15
60 feet upwards	20

- (d) shall at no part be more than 150 feet above the ground.

Pylon Sign.

- 19. (1) A pylon sign—
 - (a) shall have no part thereof less than nine feet or more than 20 feet above the level of the ground immediately thereunder;
 - (b) shall not exceed eight feet six inches measured in any direction across the face of the sign or have a greater superficial area than 43 square feet;
 - (c) shall be supported on one or more piers or columns of brick, stone, concrete or steel of sufficient size and strength to support the sign under all conditions.
- (2) Where a pylon sign is supported on two or more piers or columns the space between the piers or columns shall not be wholly or partly filled in with any material.

Clocks.

20. A clock—

- (a) if under a verandah shall have its centre coinciding with the centre line of the footway thereunder;
- (b) shall as regards size comply with the following table:—

Height of Bottom of Clock above Footway.	Maximum Diameter of Width of Clock Face and Depth of Clock Including Lettering.	
	ft.	in.
9 feet to 12 feet	1	6
12 feet to 20 feet	2	6
20 feet to 40 feet	3	6
40 feet and over	5	0

- (c) shall be fixed either parallel with or at right angles to the wall to which it is attached;
- (d) shall project from the wall to which it is attached—
- (i) if parallel to the wall, not more than one foot;
 - (ii) if at right angles to the wall, not more than six feet;
- (e) shall have a minimum headway of nine feet;
- (f) shall be maintained so as to show the correct time;
- (g) shall be illuminated from sunset to midnight;
- (h) shall not be permitted to strike between midnight and seven o'clock in the morning.

Part III.—Hoardings.

New Hoardings Prohibited.

21. No new hoardings shall hereafter be erected within the Municipality of Claremont.

Unauthorised Hoardings.

22. No person shall maintain and no owner or occupier or premises shall permit to remain on such premises any hoarding within the Municipality of Claremont without the license of the Council.

Part IV.—Bill-posting, etc.

23. (1) Subject to subclause (2) of this clause no person shall post any bill, or paint, stencil, place or affix, any advertisement on any street, or on any buildings, structure, fence, wall, hoarding, sign or post in or abutting on any street.

(2) This clause shall not apply to—

- (a) signs for which a license is in force under this by-law;
- (b) advertisements affixed to or painted on a shop window by the occupier thereof and relating to the business carried on there;
- (c) the name and occupation of any occupier of business premises painted on a window of such premises.

Part V.—Blinds Under Verandahs.

24. A blind under a verandah—

- (a) shall be hung from the outer edge of the verandah and parallel to the kerb, provided that the Council may permit a blind to be hung at a discontinuous end of a verandah;
- (b) shall be so constructed that—
- (i) it cannot hang lower than six feet eight inches above the level of the footway;
 - (ii) when lowered it is fixed rigidly in position;
- (c) shall be maintained in a proper state of repair.

25. No awning shall be erected over a street unless the awning is retractable and complies with the following conditions:—

- (a) It shall not project beyond the face of the building to which it is attached—
- (i) when below the first floor level—six feet;
 - (ii) when above ground floor level—four feet;

- (b) it shall be constructed of steel, aluminium or other incombustible material;
- (c) its lowest point shall be not less than nine feet above the footway;
- (d) it shall, when in its open position, slope downwards from the face of the building to which it is attached at an angle of not less than twenty degrees or more than thirty degrees with the horizontal;
- (e) it shall carry no sign, advertisement or artificial lighting.

Part VI.—Licenses.

Objectionable Signs and Hoardings.

26. Notwithstanding that a sign or hoarding would otherwise comply with the provisions of this by-law the Council may refuse a license therefor if such a sign or hoarding would be injurious to the amenity or natural beauty of the area.

License to be Subject to By-law.

27. Every license shall be granted and shall subsist only subject to the provisions of this by-law.

Revocation of License.

28. If any thing for which a license is issued under this by-law ceases to comply with the provisions of this by-law or if the licensee commits any breach of this by-law the Council may by written notice to the licensee revoke such license.

License to be Produced.

29. A licensee shall on demand by an officer of the Council produce his license for inspection.

Unauthorised Alteration to Avoid License.

30. If any thing for which a license is issued under this by-law is altered in its size, appearance, construction or fixing without the written permission of the Surveyor such license shall forthwith become void.

Applications for Licenses.

31. (1) An application for a license under this by-law shall be in such one of the forms in the First Schedule to this by-law as may be applicable.

(2) An application for the first issue of a license under this by-law in respect of—

- (a) an illuminated sign;
- (b) a pylon sign;
- (c) a clock;

shall be accompanied by a plan drawn to a scale of not less than one-quarter inch to a foot showing the position, design and method of construction of the thing in question.

(3) An application for the first issue of a license under this by-law in respect of a roof sign shall be accompanied by a certificate from an architect or structural engineer that the building upon which it is proposed to erect the sign is in all respects strong enough to support the sign in all conditions and that the design of the sign is itself structurally sound.

(4) The applicant for a license shall give in writing such further particulars as may be required by the Surveyor.

Licenses.

32. (1) Licenses under this by-law shall remain valid unless any alteration is made to the sign, then in such event the licensee must apply for a new license.

(2) Such licenses shall be in such one of the forms in the Second Schedule to this by-law as may be applicable.

Fees.

33. (1) The fees prescribed in the Third Schedule hereto shall be paid to the Council on the first issue of a license under this by-law in respect of the things therein mentioned. Provided that if a license therefor was issued under the by-law hereby repealed no further fee shall be charged in respect thereof.

(2) The prescribed fee shall be paid to the Council before a license is issued.

Special Permits.

34. (1) Notwithstanding anything contained in this by-law the Council may by written permit under the hand of the Surveyor allow the display of advertisements at theatres and other places of public entertainment or advertisements of meetings or other matters of public importance upon such terms and for such period as the Council shall in each case decide.

(2) The Council may revoke any such permit at any time without assigning any reason therefor.

(3) Immediately upon the expiration or revocation of such a permit the person to whom it was issued shall remove the advertisement to which it relates.

Part VII.—General.

No Obstruction to Doors, etc.

35. No sign shall be so erected as to obstruct access to or from any door, fire escape or window, other than a window designed for the display of goods.

Penalty.

36. Any person who contravenes any provision of this by-law shall be liable to a penalty not exceeding £20.

License Number.

37. Every advertising device shall bear on its face in figures legible from the nearest road or way the number of the license under which it is erected or displayed.
