LOCAL GOVERNMENT ACT, 1960.

TOWN PLANNING ACT, 1928-1958.

The Municipality of the City of Perth.

By-law No. 65.

Town Planning Classification or Zoning By-law for Land and/or Buildings in the Central Area being part of the City of Perth Municipal District.

L.G. 192/62.

IN pursuance of the powers conferred upon it by the abovementioned Acts and of all other powers enabling it, the Council of the abovementioned Municipality hereby records having resolved on the 4th day of December, 1961, to make and submit for confirmation by the Governor the following by-law to be numbered 65.

AREA, ZONES AND DEFINITIONS.

Area and Zones.

1. For the purpose of this by-law that part of The City of Perth described in the First Schedule hereto shall be known as the Central Area and shall be divided into Zones numbered 1, 2, 3, 4, 5, 6, 7, 8, 10 and 11.

The said area is delineated and shown on the plan endorsed with the title "The Central Area Zoning Plan No. 65" and countersigned by the Lord Mayor of the City of Perth and a copy thereof is available for inspection by the public free of charge at the following places:—

The office of the City of Perth, 207 Murray Street, Perth.

The office of the Town Planning Board, 33 Mount Street, Perth.

The office of the Local Government Department, 184 St. George's Terrace, Perth.

Definitions.

2. In this by-law, unless the context otherwise requires—

- “boarding and lodging houses” mean any premises registered for such purposes by the City of Perth under the provisions of the Health Act, 1911-1959;
- “parking facility” means any land and/or premises established or hereafter established in conformity with the provisions of the City of Perth Parking Facilities Act, 1956-1958;
- “dwelling” means any building or part of a building, etc., used or intended, adapted or designed for habitable use as a self-contained tenement for living purposes for one family;
- “dairy” means premises concerned with the production of milk including dairy farms but excluding premises used for the distribution, processing or storing of milk.
- “duplex house” means a building comprising two dwellings each being complete and self-contained, and so designed to have the external appearance of a single dwelling;
- “flat” means a portion of a building used or intended, adapted, or designed for habitable use as a separate tenement in a building containing two or more separate tenements for such use;
- “frontage” as applied to allotments means the width of the land facing the street, or in the case of a corner allotment the width of the land facing either street, where such width is measured at right angles to the side boundaries of the allotment;
- “noxious or offensive trades” means trades for the purposes set out in clause 6.
- “professional chambers” means any premises containing suites of rooms for medical practitioners, dentists, lawyers, consulting engineers, architects, analysts, town planning surveyors and public accountants, including offices and/or laboratories appurtenant thereto and in fact used in conjunction therewith.
- “residential flat building” means a dwelling constructed or adapted for habitable use as two or more tenements.
- “surveyor” means the Building Surveyor, Acting Building Surveyor of the City of Perth or any other qualified person authorised by the Council;
- “non conforming use” means a use of land and/or building or parts of any land or building which though lawful at the time when this by-law shall come into operation is not in conformity with the classified uses as set out in the schedule and permitted under this by-law for such land and/or buildings or parts of such land or building.

Classification of Land and/or Buildings.

3. For the purpose of this by-law, except where otherwise herein provided, allotments or parts of allotments of land and/or buildings or parts of buildings now existing or hereafter erected, altered or enlarged, shall be classified for use for the following purposes:—

Class A—Public: In this classification shall be included land and/or buildings used or intended to be used for any of the purposes referred to in Classes A1 to A7 hereunder:—

Class D1—Industries for manufacturing and processing purposes which do not create a high or offensive noise level or cause the emission of dust, smoke or noxious fumes.

Class D2—Industries for light metal or other material, fabricating and manufacturing shops and workrooms which do not create a high noise level nor including panel beating as a predominant or primary use and which do not require or include scrap iron or steel storage yards or breaking down areas, foundries, coal-fired boiler installations, blacksmithing shops, smelting furnaces or any such similar installations or appliances, nor cause the emission of fumes, dust or smoke and containing no noxious or offensive trade.

Class D3—Industrial manufacturing and processing purposes other than Classes D1 and D2 not being a noxious or offensive trade as set out in clause 6.

Class D4—Premises for the manufacture of alcoholic beverages and the appurtenant facilities relating thereto.

CLASSIFICATION OF ZONES.

Purposes of Zones.

4. The purposes of the zones included in this by-law are set out in the Second Schedule.

Use of Building, etc., Contrary to By-law Prohibited.

5. Except as provided in clause 9, no building shall hereafter be used erected, altered or enlarged and no building or land shall hereafter be used or adapted to be used for any purpose other than a purpose permitted under this by-law in the zone in which such building or land is situated or located.

Noxious or Offensive Trades.

6. (a) The following shall be deemed to be noxious or offensive trades for the purpose of this by-law:—

1. Abattoirs, slaughter houses and knackereries.
2. Bone mills and bone manure depots.
3. Chemical manufacturing works and dye manufacturing works.
4. Fellmongeries, tanneries and wool scouring works.

- (b) Premises used for the following purposes are not deemed to be used for noxious or offensive trades for the purpose of this by-law but shall be permitted in Zone 8, subject to the provisions of clause 9:—
- (i) Premises where poultry is killed, hung, plucked, dressed or cleaned.
 - (ii) Premises or land used for or in connection with the sale of live-stock.
 - (iii) Premises used for the storage or marketing of jute goods, whether new or secondhand.
 - (iv) Premises used for fish cleaning or fish canning.
- (c) Subject to the provisions of clauses 6 (a) and 6 (b), no land shall be used and no building shall be erected, enlarged, altered or used for a dairy or noxious or offensive trade as defined in this by-law.

Removal of Rubbish.

7. No building of any class shall be erected unless means of access be provided for the removal of rubbish from every separate tenement and/or shop within the building. Such access shall be provided in such a manner so that every separate tenement or shop shall have access for such removal without passing through the front entrance thereof or through any other shop or tenement.

Vehicle Parking.

8. Lands and buildings or portions of buildings required for car parking for which no charge is made, and are used in connection with and appurtenant to the classified purposes for which such land or buildings or portion of buildings may be lawfully used are hereby included in all zones at the discretion of the Council.

Non Conforming Use.

9. If at any time when this by-law shall come into operation any land and/or building or part of any land and/or building is being lawfully used for a non conforming use, such land and/or building or part of such land and/or building may continue to be used for such non conforming use, and the Council may permit subject to conformity with its by-laws, such land to be built upon or buildings to be added to or altered so as to cover so much of the allotment or allotments on which the building stands as may be lawfully built upon and on or in which the non conforming use is in fact being carried on. When a non conforming use has been discontinued or changed to a conforming use, such non conforming use shall not thereafter be recommenced.

No building which has been damaged by fire, by act of God or other casualty to the extent of 80 per cent. or more of its cubic extent, shall be repaired or rebuilt except in conformity with the provisions of this by-law, unless by permission of the Council.

Should any land and/or building to which the provisions of clause 5 of this by-law apply cease to be used for the purpose for which such land and/or building was used on the commencing date hereof and be not used for that purpose for a period of twelve (12) consecutive months, such land and/or building shall thereafter be used only in conformity with the provisions of the classification or zoning as set down in this by-law.

MISCELLANEOUS.

Breaches.

10. Any person committing a breach of any of the provisions of this by-law shall be liable on conviction for every such offence to a penalty of £20.

Minimum Distance from Street Alignment and Side Boundaries for Class A1 and A2 Buildings.

11. No Class A1 or A2 building shall hereafter be erected on any land situate in No. 1 Zone, No. 2 Zone and No. 3 Zone unless the walls of such buildings are located not less than 15 feet from any side boundary and not less than 15 feet from any street alignment in No. 1 Zone and No. 2 Zone, and not less than 10 feet in No. 3 Zone.

Minimum Frontage for Class B2 Buildings (Residential Flats).

12. Except as herein provided no land shall be used for residential flat purposes and no buildings shall be hereafter erected, altered or enlarged for residential flat purposes thereon unless the frontage of such land to any street is not less than 66 feet for a building containing two flats and not less than 79 feet for a building containing more than two flats.

Minimum Distance from Street Alignment and from Side Boundaries.

13. Except where otherwise provided, no building shall hereafter be erected on any land situated in Zone No. 1, Zone No. 2 and Zone No. 3 unless the front walls of such buildings are located not less than 15 feet from any street alignment and the side walls are located to conform with the following in respect to distance from side boundaries:—

CEMETERIES ACT, 1897-1957.

Nullagine Shire Council.

Nullagine Cemetery (Reserve 8898—10A)—By-laws.

L.G. 716/53.

BY virtue of the Cemeteries Act, 1897-1957, and all other Acts and powers in that behalf thereunto them enabling, the Trustees of the Nullagine Cemetery make the following by-laws:—

The by-laws published in the *Government Gazette* on the 17th day of March, 1911, are hereby repealed.

1. All fees and charges payable to the Council as set forth in Schedule A shall be paid at the times and manner mentioned unless otherwise ordered.

2. The "secretary" as referred to in these by-laws, means the person for the time being employed by the Council as the secretary of the cemetery, and such persons shall, subject to the Council, exercise a general supervision and control over all matters pertaining to the cemetery, and to the carrying out and enforcement of these by-laws, and the direction of such person shall in all cases and for all purposes be presumed to be and to have been the direction of the Council.

3. The "superintendent" as referred to in these by-laws means the person for the time being employed by the Council as the superintendent of the cemetery, and such person shall, subject to the Council, have charge of the general care of the cemetery, and supervision of the erection or placement of interments, the opening, closing and dressing of graves, and such other duties as are mentioned in these by-laws or ordered by the Council.

4. A plan of the cemetery showing the distribution of the land, compartments, sections, situations and number of graves, and a register of all certificates of "Rights of Burial" shall be kept at the office of the Council.

5. Any person desiring to intern any dead body in the cemetery shall make an application in the form contained in Schedule B.

6. All applications for interment shall be made at the office of the Council in such time as to allow at least eight working hours' notice being given to the superintendent at the cemetery prior to the time fixed for burial, otherwise an extra charge shall be made.

7. The Council shall cause all graves to be dug and vaults, brick graves, or graves to be re-opened as and when required.

8. Every coffin shall have upon the lid an approved metal plate bearing the name of the deceased stamped or otherwise indelibly inscribed in legible characters thereon. Any coffin not complying with this by-law will not be admitted to or be interred in the cemetery.

9. Every grave shall be at least six feet deep at the first interment, and no interment shall be allowed in any grave with a less depth than three feet from the top of the coffin to the original surface of the surrounding ground.

10. In the case of an application for interment in any private vault or grave to which the deceased had no claim during life, the written and verified consent of the grantee shall be handed in with the application.

11. If an application be made for an interment in any grave or vault of the remains of any person other than the person to whom the grant was issued, or his registered assign, the written and verified consent of such grantee or assignee shall be produced, together with the "Grant of Right of Burial".

12. Should the grantee be unable to produce the "Grant of Right of Burial" on making application for a grave to be re-opened for the purpose of interment, through having lost same, the said grantee shall make a sworn declaration to this effect, and shall pay the fee for a copy of such "Grant of Right of Burial" as prescribed in Schedule A, before interment takes place.

13. (i) Subject to paragraph (ii) of this by-law, a person shall not bring a dead body into the cemetery unless he, or his representative, has first handed to the secretary for inspection and return a medical certificate of death or a Coroner's order for burial in respect of the body.

(ii) Where an undertaker or his representative for a valid reason is unable to produce a medical certificate or Coroner's order for burial, as required by paragraph (1) of this by-law and he has given to the secretary a written guarantee to produce the certificate or order within three days, he may bring the body into the cemetery.

(iii) A burial shall not be permitted in the cemetery unless the provisions of one of the foregoing paragraphs of this by-law have been complied with.

(iv) Where an undertaker or his representative has given written guarantee as required by paragraph (ii) of this by-law and he has failed to produce the certificate or order within three days, the undertaker's license may be suspended until the certificate or order is produced.

14. No interment shall be allowed on a Sunday, or public holiday, except when it is certified in writing by a medical officer of health, or by a Police Magistrate, or by two Justices of the Peace, that for sanitary or special religious reasons it is necessary or advisable that the burial take place on that day, in which case additional fees shall be charged.
15. The hours for burial shall be as follows: Monday to Friday, 9.30 a.m. to 4.30 p.m.; Saturday, 9.30 a.m. to 12.30 p.m.; and no burial shall be allowed to take place nor any coffin allowed to enter the cemetery at any other hour except by written permission of the Council.
16. The time fixed for any burial shall be the time at which the funeral is to arrive at the cemetery gates, and, if not punctually observed, the undertaker responsible shall be liable to a fine of 10s. 6d.
17. If for any reason the funeral shall, on arrival at the entrance gates of the cemetery, remain there for more than fifteen minutes prior to proceeding to the graveside, the undertaker responsible shall be liable for a fine of 10s. 6d.
18. Every funeral shall enter by the principal entrance, and no vehicle except the hearse and mourning coaches, shall be permitted to enter the cemetery, or stand opposite the entrance gates. Vehicles shall not be allowed to proceed faster than five miles per hour within the cemetery, and shall proceed at and by such roads as directed by the superintendent or other officer of the Council from time to time. Any driver or other person failing or neglecting to observe such directions may be forthwith expelled from the cemetery. No bicycle shall be ridden within the cemetery.
19. If application be made to the Council to exhume any corpse for the purpose of examination or identification, or for the purpose of its being buried elsewhere in accordance with the wishes of the deceased or of his family, an order from the Governor or the warrant of a Coroner or of a Justice of the Peace issued in accordance with the law authorising the Council to permit of the exhumation must be attached to the application form.
20. Children under the age of ten years entering the cemetery must be in the charge of some responsible person.
21. Smoking shall not be allowed within the cemetery, nor any fireworks discharged therein.
22. No dogs shall be admitted into the cemetery, and any found there shall be liable to be destroyed.
23. No person shall remove any plant, tree, shrub, flower (other than withered flowers, which are to be placed in the receptacles provided by the Council for same), or any article from any grave without first obtaining a permit from the Council or their representatives.
24. No person shall pluck any tree, plant, shrub or flower growing in any portion of the cemetery.
25. No person shall remove or carry out or attempt to carry out of the cemetery any tree, plant, shrub, flower, earth or other material without the written authority of the Council or their representatives.
26. No person shall promote or advertise or carry on within the cemetery any trade, business, or calling, either by solicitation, distribution of circulars, by cards or otherwise, or by any other system of advertising whatsoever, without the written consent of the Council and any person infringing this by-law shall be expelled from the cemetery.
27. Any person desiring to place or erect, or to alter or add to any monument, tombstone, or enclosure in any part of the cemetery must first obtain the written consent and approval of the Council, and otherwise comply with section 23 of the Act.
28. Every tombstone, monument, or enclosure shall be placed on proper and substantial foundations, which if required by the Council or their officers, shall extend to the bottom of the grave.

29. The materials used in every such erection shall be subject to the approval of the superintendent or other officer appointed by the Council, and any material rejected shall be immediately removed from the cemetery by the contractor for the erection. All refuse or other rubbish remaining after the work is completed shall be immediately removed from the cemetery by the person causing the same.

30. If any work by masons or others be not completed before a Sunday, they shall be required to leave the work in a neat and safe condition, to the satisfaction of the superintendent.

31. All material required in the erection and completion of any work shall, as far as possible, be prepared before being taken to the cemetery. No sand, earth or other material shall be taken from any part of the cemetery for use in the erection of any monument or other work except with the written approval of the Council.

32. No catacomb shall be allowed.

33. No wooden fence, railing, cross or other wooden erection shall be allowed on or around any grave or vault except by special permission of the Council.

34. No trees or shrubs shall be planted on any grave except such as shall be approved by the superintendent.

35. All workmen, whether employed by the Council or by any other person, shall at all times whilst within the boundaries of the cemetery, be subject to the supervision of the secretary, and shall obey such directions as that officer may find it necessary to give; and any workman committing any breach of these regulations and by-laws, or refusing or neglecting to comply with any directions of the said secretary, shall be removed from the cemetery.

36. Licenses for grave dressing or decorating may be issued by the Council, and licenses to be renewed annually in the month of July.

37. Any person taking part in dressing or attending to any grave shall comply with the following rules:—

(a) No rubbish, soil, sand, or other material removed in dressing a grave shall be placed on any other grave, and if placed in any adjoining ground shall be removed immediately the work is completed.

(b) No sand, soil or loam shall be taken from any portion of the cemetery for the purpose of dressing any grave, except with the permission of the secretary.

(c) The dressing of all graves, and wheeling and carting of any material shall be subject to the supervision of the secretary.

(d) Work in all cases to be carried on with due despatch, and only during regulation hours.

38. The Council may decorate graves from time to time, when desired by the grantee to do so. If the grantees do not desire the Council to carry out this work, the grantees may either do it themselves or employ any person licensed by the Council for that purpose.

39. No person, except the relatives of the deceased, the Council, or those licensed by the Council, shall be permitted to decorate any grave.

40. If for the purpose of re-opening a grave, the Council find it necessary to remove the edging tiles, plants, shrubs, etc., from off the grave, the person so ordering the re-opening shall pay to the Council the charges laid down in Schedule A.

41. Notwithstanding anything contained in these by-laws to the contrary, permission may be granted to the Defence Department of the Commonwealth to erect headstones on the graves of deceased soldiers without the payment of any fees.

42. Free ground may be granted if it is proved to the satisfaction of the Council—

(a) that the deceased was a returned soldier, and that he died as a result of injuries received in war; and

(b) that the relatives of the deceased are in necessitous circumstances.

Provided that such grant shall be made subject to the condition that only the remains of deceased soldiers shall be interred in the grave.

43. Any person violating the rules of propriety and decorum, or committing any nuisance or trespass, or injuring any tree, shrub, flower border, grave or any erection, or in any way infringing these by-laws shall be expelled from the cemetery.

44. Any person committing any breach of any by-laws or regulations or any other rules, regulations or by-laws lawfully made under the authority of any Act relating to cemeteries, shall for every such offence be liable to a penalty not exceeding five pounds, and in case of a continuing breach, a further sum not exceeding one pound for every day during which such breach continues.

45. Any person committing a breach of any by-law in the cemetery shall, in addition to being liable to a penalty under any by-law, be liable to be forthwith removed from the cemetery by the Council or the superintendent or other employee of the Council, or by any police constable. If such person resists removal, or if and as often as such person so removed shall, unless with the consent of the superintendent, again enter the cemetery within 24 hours of his removal therefrom, he shall be liable to a penalty not exceeding five pounds.

46. Grants of Right of Burial shall be in the form of Schedule C.

The foregoing by-laws, with the accompanying schedules, were presented to a meeting of the Nullagine Shire Council held at Nullagine on the 18th day of February, 1962, and adopted, and the previous by-laws of the Nullagine Cemetery were repealed.

ARCHITECTS ACT, 1921-1960.

WHEREAS by section 28 of the Architects Act, 1921-1960, The Architects' Board of Western Australia, constituted under that Act, is empowered to make by-laws for the purposes of the Act: Now, therefore, the said Board doth make the following by-laws:

By-laws.

1. In these by-laws, the by-laws published in the *Government Gazette* on the 20th January, 1950, and amended by by-laws published in the *Gazette* from time to time thereafter are referred to as the principal by-laws.

2. The principal by-laws are amended by substituting for by-law 2 the following by-law:

2. (1) The Board shall appoint a day in the month of January, in each year, for the election of members in place of those two of its elected members retiring pursuant to the Act; and shall appoint a day to be the last day for the receiving of nominations for that election.

(2) On the day the result of the election is declared pursuant to by-law 7 of these by-laws, the two elected members, and the appointed member, retiring pursuant to the Act shall, unless re-elected or re-appointed (as the case may be), retire from the Board.

3. By-law 3 of the principal by-laws is amended, by inserting, after the word "appointed", in line three, the words "to be the last day".

Passed by a resolution of The Architects' Board of Western Australia at its meeting held the 6th day of March, 1962.

R. SUMMERHAYES,
Chairman.

E. G. SIER,
Registrar.

Confirmed by His Excellency the Governor in Executive Council this 9th day of May, 1962.

R. H. DOIG,
Clerk of the Council.
