Before The W.A. Coal Industry Tribunal held at Collie.

Application No. 87 of 1961.

Between Amalgamated Engineering Union of Workers, Collie Branch, and Australasian Society of Engineers, Collie River District Branch, Applicants, and Griffin Coal Mining Co. Ltd. and others, Respondents.

Application for increased margins.

(Application No. 87 of 1961 of the W.A. Coal Industry Tribunal.)

Decision.

BY this application the Unions sought all-round increases in the classifications set out in clause 6—Wages, of Award No. 1 of 1953. The new marginal rates asked for are summarised hereunder:—

	Per Shift		
	£	s.	d.
Tradesmen	1	13	3
Skip repairer	1	11	0
Assistants and others	1	0	11

The claim arose out of an alleged anomaly and loss of wage relationship as between engineers and members of the Miners' Union due to increases recently granted to the latter workers. (See applications numbered 31, 46, 69, 76 and 78 of 1961.)

After hearing argument and receiving documentary evidence the Tribunal adjourned to enable the parties to confer with a view to the applicant unions making concessions, which would tend to result in more mobility and efficiency in the handling of work and labour, in return for increased margins. Such conferences had been highly successful in the case of other unions, in arranging mutual concessions, which had resulted in substantially increased productivity.

Following the adjournment conferences were held with some measure of success, but final agreement was not achieved.

Members of the Tribunal being unable to agree and evenly divided, the Chairman gave the decision of the Tribunal granting an all-round increase of 4s. 9d. per shift. In return certain concessions were allowed to the employers, which followed their requests and which were designed to promote smoother working.

Classifications have been amalgamated into groups and will carry common seniority within each group. One classification, skip repairer, will disappear, likewise one special rate of minor importance, to wit, the welding allowance. The Unions will be required to prepare a composite seniority list to be submitted to the Tribunal for confirmation. Increases will be retrospective to the recommencement of work after the last Christmas holidays.

The Tribunal hereby awards, orders and prescribes that Award No. 1 of 1953 of the W.A. Coal Industry Tribunal, as amended, be further amended in the following manner:—

A.—Clause 6.—Wages.

Subclause (a).—Delete the schedule of classifications and insert in lieu thereof the following new schedule:

Col. 1 No.	Col. 2 Classification	Col. 3 Margin Per Shift
		£ s. d.
1.	Blacksmith, welder	1 7 0-5/11
2.	Fitter, turner, machinist, motor mechanic	1 7 0-5/11
3.	Millwright	1 7 0-5/11
4.	Fitter's assistant, blacksmith's striker, lamproom mechanic	18 8-3/11

Delete subclause (c).

B.—Clause 9.—“Definitions.”

Subclause (iv).—Insert after the word “joiner” the words “skip repairer.”

C.—These amendments shall be deemed to have taken effect on and from 15th January, 1962.

It is further ordered that the Unions, parties to this Award, shall compile and submit to the Western Australian Coal Industry Tribunal not later than 31st August, 1962, a composite seniority list compiled in accordance with the amended schedule of classifications contained in subclause (a) of clause 6 of this Award, and further that the Tribunal may confirm and record the seniority list submitted subject to the hearing of objections by any party to this Award and subject to any variations made by the Tribunal. Liberty to apply is granted to any party to the Award affected by this order.

Before the W.A. Coal Industry Tribunal Held at Collie.

Applications Nos. 25 and 27 of 1962.

Between Australian Collieries Staff Association, Collie, and Federated Engine Drivers and Firemen's Union of Workers, Collie, Applicants, and Griffin Coal Mining Co. Ltd. and others, Respondents.

Applications to fix the extra week's leave in August each year.

(Applications Nos. 25 and 27 of 1962 of the W.A. Coal Industry Tribunal.)

Decision.

BY the decision in applications Nos. 21 to 26 of 1960, the W.A. Coal Industry Tribunal granted to all mine workers at Collie an extra week's annual leave, following a decision of the Coal Industry Tribunal in New South Wales (C.R. 1407). The matter of the time of taking annual leave was reserved for further consideration. For the year 1961, by mutual agreement, the extra week's leave was taken, or paid for but not taken at the option of the worker (see decision part 2, No. 21 of 1960). The applications now before the Tribunal seek to place the period when the workers take their leave on a permanent basis. No variation is desired regarding the Christmas and Easter periods, but the month of August is sought as the time for taking the extra week, the commencing date to be agreed.

The employers agree with the Unions proposal which is confirmed by the Tribunal.

The Tribunal hereby awards, orders and prescribes that the undermentioned Awards of the W.A. Coal Industry Tribunal as amended, be further amended as stated:—

A. Collieries Staff Association Award No. 62 of 1955.—Clause 11—Annual Leave:

(i) Add to subclause (b) the following new paragraph:—

(iii) In a period of one week commencing at an agreed date in August of each year.

Renumber paragraphs (a) and (b) as (i) and (ii).

B. Federated Engine Drivers' & Firemen's Union Award No. 61 of 1954.—Clause 11—Annual Leave.

(1) Add to subclause (b) the following new paragraph:—

(iii) In a period of one week commencing at an agreed date in August of each year.

Renumber paragraphs (a) and (b) as (i) and (ii).

- (2) Delete the last sentence in paragraph (i) of subclause (a) commencing "Annual Holidays for each year . . .".

C. These amendments shall take effect forthwith.

Before The W.A. Coal Industry Tribunal held at Collie.

Applications Nos. 29, 30 and 31 of 1962.

Between Coal Miners' Industrial Union of Workers of W.A. Collie, Applicants, and Griffin Coal Mining Co. Ltd. and others, Respondents.

Increased margin for Miner Composite Duties, Western No. 2 and 4, and new classification Borer-Shotfirer and Faceman.

(Applications Nos. 29, 30 and 31 of 1962 of the W.A. Coal Industry Tribunal.)

Decision.

THE applications numbered 29 and 30 covered claims for amendments of subclause (c) of Clause 6, Wages, of Award No. 4 of 1953, by the insertion of the following new classifications:—

	Margin Per Shift
No. 29 of 1962— Borer-shotfirer	30s. 1-1/11d.
No. 30 of 1962— Faceman	31s. 3-6/11d.

Application numbered 31 covered a claim for an increased marginal rate for the classification, Miner composite duties—Western No. 2 and 4 mines, from £1 9s. 11-1/11d. to £1 16s. 2-1/11d.

Retrospective payment was claimed in each case as from 7th March, 1962.

Applications numbered 29 and 30, which were opposed, related to employees of the Griffin Company and application numbered 31, which was not opposed, related to employees of Western Collieries. There was no agreement, however, on the commencing date.

Evidence submitted by the Union showed that there had been a substantial increase in productivity at the mines operated by both companies since the year ended 31st December, 1960. The Union contended that the men affected by the proposed amendments were the key men in production and that their value to the industry should be recognised in higher margins than those payable to the remainder of workers on production. The Tribunal's attention was also directed to the probability that an anomalous situation would be created by paying workers on composite duties at the Western Company's mines approximately 11s. 2d. per shift more than facemen at the Hebe Mine operated by the Griffin Company. The existing difference in margins payable, in recognition of the performance of composite duties, was approximately 5s. It was also contended that a like anomaly would arise in the case of borer shotfirers at the Muja open cut, who were likewise production men.

The Tribunal made inspection of the places under working conditions at both Western No. 2 and Hebe Mines.

Members of the Tribunal were unable to agree and evenly divided regarding applications numbered 29 and 30, and similarly in regard to the commencing date of increases granted in all cases. The Chairman gave the decision of the Tribunal granting an increase of 5s. 2d. per shift in each case in dispute. This amount would result in the facemen at the Hebe Mine receiving a daily margin which would bear the same ratio to the margin payable to miners on composite duties at the

Western Mines as it did formerly. The agreement between the parties in application No. 31 was approved. The Chairman decided that all increases should take effect as from 28th May, 1962.

The increases were granted on the clear understanding that the management had the right to choose the most efficient men for the classifications affected, after consultation with the Union, irrespective of seniority. The increases would not have been granted had it not been for increased efficiency in production on both sides. Such efficiency must be maintained for the benefit of all.

The Tribunal hereby awards, orders and prescribes that clause 6 (c) of Award No. 4 of 1953, as amended, be further amended in the following manner:—

1. Increase the margin per shift shown opposite classification No. 30, Miner—composite duties—Western No. 2 and 4 Mines, from £1 9s. 11-1/11d. to £1 16s. 2-1/11d.

2. Insert the following new classifications:
No.; Classification; Margin per Shift.

23(xvii) Faceman—
Hebe Mine £1 10s. 2-6/11d.

24(x) Borer and shotfirer £1 9s. 0-1/11d.

3. These amendments shall be deemed to have taken effect as and from 28th May, 1962.

(4) Such service shall include—

(a) any period of absence from duty on any annual leave or long service leave;

(b) any period of absence from duty necessitated by sickness of or injury to the worker but only to the extent of fifteen (15) working days in any year of his employment;

Provided that the period of any absence from duty or the period of any interruption referred to in placita (c) to (i) inclusive of this paragraph shall not (except as set out in paragraph (4) hereof) count as service.

(3) Where a worker has completed at least fifteen (15) years' service since its commencement and his employment is terminated—

(a) by his death;

(b) in any circumstances otherwise than by the employer for serious misconduct;

the amount of leave shall be—

(ii) if such termination takes place after the worker has become entitled to leave under placitum (a) of paragraph (2) hereof the leave due under such placitum and in addition such proportion of thirteen (13) weeks' leave as the number of completed years of such service after the accrual of such entitlement bears to twenty (20) years.

(4) Where a worker has completed at least ten (10) years' service but less than fifteen (15) years' service since its commencement and his employment is terminated—

(i) by his death; or

(ii) by the employer for any reason other than serious misconduct; or

(iii) by the worker on account of sickness of or injury to the worker or domestic or other pressing necessity where such sickness or injury or necessity is of such a nature as to justify or in the event of a

dispute is in the opinion of the Special Board of Reference, of such a nature as to justify such termination;

the amount of leave shall be such proportion of thirteen (13) weeks' leave as the number of completed years of such service bears to twenty (20) years.

(5) In the cases to which paragraphs (3) and (4) hereof apply the worker shall be deemed to have been entitled to and to have commenced leave immediately prior to such termination.

(d) Payment for Period of Leave.

(1) A worker shall subject to paragraph (3) hereof, be entitled to be paid for each week of leave to which he has become entitled or is deemed to have become entitled, the ordinary time rate of pay applicable to him at the date he commences such leave;

(2) Such ordinary time rate of pay shall be the rate applicable to him for the standard weekly hours which are prescribed by this award, but in the case of casuals and part-time workers shall be the ordinary time rate for the number of hours usually worked up to but not exceeding the prescribed standard.

(3) Where by agreement between the employer and the worker the commencement of the leave to which the worker is entitled or any portion thereof is postponed to meet the convenience of the worker, the rate of payment for such leave shall be at the ordinary time rate of pay applicable to him at the date of accrual or, if so agreed, at the ordinary time rate of pay applicable at the date he commences such leave.

(4) The ordinary time rate of pay—

(a) shall include any deductions from wages for board and/or lodging or the like which is not provided and taken during the period of leave;

(b) shall not include shift premiums, overtime, penalty rates, commissions, bonuses, allowances or the like.

(e) Taking Leave.

(1) In a case to which paragraph (2) of subclause (c) applies—

(a) leave shall be granted and taken as soon as reasonably practicable after the right thereto accrues due or at such time or times as may be agreed between the employer and the worker or in the absence of such agreement at such time or times as may be determined by the Special Board of Reference, having regard to the needs of the employer's establishment and the worker's circumstances;

(b) except where the time for taking leave is agreed to by the employer and the worker or determined by the Special Board of Reference, the employer shall give to a worker at least one (1) month's notice of the date from which his leave is to be taken;

(c) leave may be granted and taken in one continuous period or if the employer and the worker so agree in not more than three (3) separate periods in respect of the first thirteen (13) weeks' entitlement and in not more than two (2) separate periods in respect of any subsequent period of entitlement;

(d) any leave shall be inclusive of any public holidays specified in this award occurring during the period when the leave is taken but shall not be inclusive of any annual leave.

(e) payment shall be made in one of the following ways:—

(i) in full before the worker goes on leave;

(ii) at the same time as his wages would have been paid to him if the worker had remained at work, in which case payment shall, if the worker in writing so requires, be made by cheque posted to an address specified by the worker; or

(iii) in any other way agreed between the employer and the worker.

(f) No worker shall, during any period when he is on leave, engage in any employment for hire or reward in substitution for the employment from which he is on leave, and if a worker breaches this provision he shall thereupon forfeit his right to leave hereunder in respect of the unexpired period of leave upon which he has entered, and the employer shall be entitled to withhold any further payment in respect of the period and to reclaim any payments already made on account of such period of leave.

(2) In a case to which paragraph (3) or paragraph (4) of subclause (c) applies and in any case in which the employment of the worker who has become entitled to leave hereunder is terminated before such leave is taken or fully taken the employer shall, upon termination of his employment otherwise than by death pay to the worker, and upon termination of employment by death pay to the personal representative of the worker upon request by the personal representative, a sum equivalent to the amount which would have been payable in respect of the period of leave to which he is entitled or deemed to have been entitled and which would have been taken but for such termination. Such payment shall be deemed to have satisfied the obligation of the employer in respect of leave hereunder.

(f) Granting Leave in Advance and Benefits to be Brought into Account.

(1) Any employer may by agreement with a worker allow leave to such a worker before the right thereto has accrued due, but where leave is taken in such a case the worker shall not become entitled to any further leave hereunder in respect of any period until after the expiration of the period in respect of which such leave had been taken before it accrued due.

(2) Where leave has been granted to a worker pursuant to the preceding paragraph before the right thereto has accrued due, and the employment subsequently is terminated, the employer may deduct from whatever remuneration is payable upon the termination of the employment, a proportionate amount on the basis of thirteen (13) weeks for twenty (20) years' service in respect of any period for which the worker has been granted long service leave to which he was not at the date of termination of his employment or prior thereto entitled.

(3) Any leave in the nature of long service leave or payment in lieu thereof under a State Law or a long service leave scheme not under the provisions hereof granted to a worker by his employer in respect of any period of service with the employer shall be taken into account whether the same is granted before or after the coming into operation hereof and shall be deemed to have been leave taken and granted hereunder in the case of leave with pay to the extent of the period of such leave and in the case of payment in lieu thereof to the extent of a period of leave with pay equivalent to the amount of the payment and to be satisfaction to the extent thereof of the entitlement of the worker hereunder.

(g) Records to be Kept.

(1) Each employer shall during the employment and for a period of twelve (12) months thereafter, or in the case of termination by death of the worker, a period of three (3) years thereafter, keep a record from which can be readily ascertained the name of each worker and his occupation, the date of the commencement of his employment and his entitlement to long service leave

and any leave which may have been granted to him or in respect of which payment may have been made hereunder.

(2) Such record shall be open for inspection in the manner and circumstances prescribed by this award with respect to the time and wages record.

(h) Special Board of Reference.

(1) There shall be constituted a Special Board of Reference for the purpose hereof to which all disputes and matters arising hereunder shall be referred and the Board shall determine all such disputes and matters.

- (b) the determination of such matters as are specifically assigned to it hereunder.

(3) The Board of Reference shall consist of one representative or substitute therefor nominated from time to time by the Western Australian Employers' Federation (Incorporated) and one representative or substitute nominated from time to time by the West Australian Trade Unions Industrial Council (A.L.P.) together with a chairman to be mutually agreed upon by the organisations named in this paragraph.

(i) State Law.

(1) The provisions of any State Law to the extent to which they have before the coming into operation hereof conferred an accrued right on a worker to be granted a period of long service leave in respect of a completed period of twenty (20) or more years' service or employment or an accrued right on a worker or his personal representative to payment in respect of long service leave shall not be affected hereby and shall not be deemed to be inconsistent with the provisions hereof.

(2) The entitlement of any such worker to leave in respect of a period of service with the employer completed after the period in respect of which the long service leave referred to in paragraph (1) hereof accrued due shall be in accordance herewith.

(3) Subject to paragraphs (1) and (2) hereof, the entitlement to leave hereunder shall be in substitution for and satisfaction of any long service leave to which the worker may be entitled in respect of employment of the worker by the employer.

(4) An employer who under any State Law with regard to long service leave is exempted from the provisions of that law as at the first day of April, 1958, shall in respect of the workers covered by such exemption be exempt from the provisions hereof.

(j) Exemptions.

The Special Board of Reference may subject to such conditions as it thinks fit exempt any employer from the provisions hereof in respect of its employees where there is an existing or prospective long service leave scheme which, in its opinion is, viewed as a whole, more favourable for the whole of the employees of that employer than the provisions hereof.

(k) Liberty to Apply.

Liberty is granted to any party to this award to apply to the Court at any time for an appropriate variation of this clause if any of the terms and conditions operating under the code of Long Service Leave being negotiated between the Australian Council of Trade Unions and Federal Employers' Organisations is varied in any way.

21.—Under-Rate Workers.

(1) Any worker who by reason of old age or infirmity is unable to earn the minimum wage may be paid such lesser wage as may from time to time be agreed upon in writing between the Union and the employer.

(2) In the event of no agreement being arrived at, the matter may be referred to the Board of Reference for determination.

(3) After application has been made to the Board and pending the Board's decision, the worker shall be entitled to work for and be employed at the proposed lesser rate.

In witness whereof this Award has been signed by the President of the Court and the Seal of the Court has been hereto affixed this 7th day of June, 1962.

(c) Whenever any holiday falls on a worker's ordinary working day and the worker is not required to work on such day he shall be paid for the ordinary hours he would have worked on such day if it had not been a holiday. Work performed on these days and on Sundays shall be paid for at double ordinary rates.
