18.—Overtime.

(a) All work done outside the daily spread provided in clause 8 or beyond eight hours in any one day or beyond forty (40) hours in any one week, shall be deemed overtime.

(b) Overtime shall be paid for at the rate of time and a half, provided that any overtime in excess of four (4) hours in any one week shall be paid for at the rate of double time.

(c) Notwithstanding anything contained in this award—

(i) an employer may require any worker to work reasonable overtime at overtime rates and such worker shall work overtime in accordance with such requirement;

(ii) no organisation party to this Award, or worker or workers covered by this Award, shall in any way, whether directly or indirectly, be a party to or concerned in any ban, limitation, or restriction upon the working of overtime in accordance with the requirements of this subclause.

19.—Weekly Wage.

(a) Wages shall be paid at least weekly. No employer shall hold more than one day's wages in hand.

Provided that where by reason of this provision, wages become payable on a Sunday or a public holiday such wages may be held in hand until the next following day.

(b) Workers whose weekly holiday or half day off falls on a pay day shall be paid their wages upon a request from the worker to the employer, prior to the worker taking the day or half day off.

(c) Except for casual workers and part-time workers the contract of service shall be on a weekly basis: Provided that one day's notice of termination of service may be given on either side, or one day's pay in lieu of same.

20.—Roster.

(a) A roster of the working hours shall be exhibited in the office of each establishment and in such other place as it may be conveniently and readily seen by each worker concerned.

(b) Such roster shall show—

(i) the name of each worker;

(ii) the hours to be worked by each worker each day and the breaks in shifts to be taken.

(c) (i) The roster in the office shall be open for inspection by a duly accredited representative of the Union at such times and place as the record book is so open for inspection.

(ii) A duly accredited representative of the Union shall be permitted to inspect the roster available to the workers not more than once in any week during the times the record book is so open for inspection. Provided that the duly accredited representative must notify the employer before entering the place where the roster is kept.

(d) Such roster shall be drawn up in such manner as to show the hours of each worker for one week in advance of the date of the roster, and may only be altered on account of the sickness or absence of a worker, or on account of any contingency that the employer could not reasonably foresee.

(e) The provisions of this clause shall only apply to "caterers" in respect of full-time workers.

21.—Record.

(a) The employer shall keep, or cause to be kept on his business premises, or at each of them if more than one, a time and wages book wherein shall be entered the name, occupation, and in the case of junior workers, the age on his or her last birthday, the time he or she commences and finishes work each day, the total hours worked each week, and the wages paid to each worker.

(b) The record shall be entered up from day to day.

(c) The word "book" for the purpose of this clause shall include loose leaves if bound together and numbered consecutively.

(d) The employer and the worker shall be severally responsible for the proper daily entering of the record, which shall, if correct, be initialled by the worker daily. The hours shown as worked in the record book shall be *prima facie* evidence of the correctness thereof in any proceedings for the enforcement of this Award.

(e) The book shall be open for inspection at a convenient place on the premises of the employer by an accredited representative of the Union on days other than Saturday and Sunday, between the hours of 9 a.m. and 5 p.m. (except from 12 noon to 2 p.m.) except in the case of establishments which are open only after 5 p.m., when the book shall be open for inspection during all working hours.

22.—Holidays.

(a) All work done on any day observed as New Year's Day, Australia Day, Good Friday, Easter Saturday, Easter Monday, Anzac Day, Labour Day, State Foundation Day, Christmas Day, or Boxing Day, shall be paid for at the ordinary rate and an additional day on full pay shall be added to the amount of annual leave to which the worker is entitled under clause 23 for each day or part of a day so worked. Provided that, if as a result of the worker's own default, only part of a day is worked by the worker on any such day, an addition shall be made to such annual leave equivalent only to the time actually worked on such day.

Provided that workers who are employed for less than one (1) month shall be paid double time for each holiday worked.

(b) On any public holiday not referred to herein, the employer's establishment or place of business may be closed, in which case a worker need not present himself for duty, and payment may be deducted, but if work be done ordinary rates of pay shall apply.

(c) The provisions of this clause shall not apply to casual workers, or part-time workers.

23.—Annual Leave.

(a) Except as hereinafter provided, a period of two consecutive weeks' leave with payment of ordinary wages as prescribed shall be allowed annually to a worker by his employer after a period of twelve months' continuous service with such employer.

(b) If any award holiday falls within a worker's period of annual leave and is observed on a day which in the case of that worker would have been an ordinary working day, there shall be added to that period one day, being an ordinary working day for each such holiday observed as aforesaid.

(c) If after one month's continuous service in any qualifying twelve-monthly period a worker lawfully leaves his employment, or his employment is terminated by the employer through no fault of the worker, the worker shall be paid one-sixth of a week's pay at his ordinary rate of wage in respect of each completed month of continuous service.

(d) Any time in respect of which a worker is absent from work, except time for which he is entitled to claim sick pay, or time spent on holidays or annual leave, as prescribed by this Award, shall not count for the purpose of determining his right to annual leave.

(e) In the event of a worker being employed by an employer for portion only of a year, he shall only be entitled, subject to subclause (c) of this clause, to such leave on full pay as is proportionate to his length of service during that period with such employer, and if such leave is not equal to the leave given to the other workers he shall not be entitled to work or pay whilst the other workers of such employer are on leave on full pay.

(f) (i) A worker who is justifiably dismissed for misconduct shall not be entitled to the benefit of the provisions of this clause.

(ii) In special circumstances and by mutual consent of the employer, the worker and the Union concerned, annual leave may be taken in not more than two periods.

(g) The provisions of this clause shall not apply to casual or part-time workers.

24.—Absence Through Sickness.

(a) A worker shall be entitled to payment for non-attendance on the ground of personal ill health at the rate of one-twelfth (1/12th) of a week's pay for each completed month of service: Provided that subject to subclause (g) hereof payment for absence through such ill health shall be limited to one (1) week's pay in each calendar year.

(b) Payment hereunder may be adjusted at the end of each calendar year or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred.

(c) This clause shall not apply when the worker is entitled to compensation under the Workers' Compensation Act.

(d) A worker shall not be entitled to receive any wages from his employer for any time lost through any accident not arising out of or in the course of his employment or for any accident wherever sustained arising out of his own wilful default or for sickness arising out of his own wilful default.

(e) No worker shall be entitled to the benefits of this clause unless he produces proof satisfactory to his employer of sickness, but the employer shall not be entitled to a medical certificate unless the absence is for three (3) days or more.

(f) Notwithstanding the provisions of subclause (e) hereof, a worker who has already been allowed paid sick leave on one occasion, shall not be entitled to payment for any further absence unless he produces to the employer a medical certificate stating that he was unable to attend for duty on account of personal ill health.

(g) Sick leave shall accumulate from year to year so that any balance of the period specified in subclause (a) of this clause which has in any year not been allowed to any worker by his employer as paid sick leave may be claimed by the worker and subject to the conditions hereinbefore prescribed, shall be allowed by his employer in any subsequent year without diminution of the sick leave prescribed in respect of that year: Provided that sick leave which accumulates pursuant to this subclause shall be available to the worker for a period of two (2) years but no longer from the end of the year in which it accrues.

(h) The provisions of this clause shall not apply to casual workers, or part-time workers.

25.—Uniforms.

Where uniforms are required to be worn they shall be supplied, laundered, and remain the property of the employer, provided that in lieu of the employer laundering same, the worker shall be paid three shillings (3s.) per week for such laundering.

26.—Change and Rest Rooms.

Adequate change and rest rooms shall be provided by the employer where such are reasonably practicable.

27.—Higher Duties.

Any worker performing work for more than two (2) hours in any day on work carrying a higher prescribed rate of wages than that in which he is engaged, shall receive such higher wage for the time so employed.

28.—Travelling Facilities.

Where a worker is detained at work until it is too late to travel by the last ordinary bus, train or other regular public conveyance to his or her usual place of residence, the employer shall provide proper conveyance to the worker's usual place of residence free of charge.

This clause shall not apply to a worker who usually has his or her own means of conveyance.

29.—Climbing Ladders and Cleaning of Public Lavatories.

(a) No female worker shall be permitted or compelled to climb ladders for the purpose of cleaning electric fans, fanlights, walls or windows.

(b) No female worker shall be required to clean out men's public lavatories or men's lavatories within the employer's establishment.

30.—Preference of Employment.

(a) In this clause the term "unionist" means a worker who is a financial member of the industrial union of workers party to this Award but does not include a casual worker other than such worker employed under clause 13 (c).

(b) In engaging or dismissing labour, preference of employment shall be given to unionists, provided that such unionists are adequately experienced in the class of work to be performed and are otherwise competent to perform the work: Provided further that it shall be a defence on the part of an employer charged with engaging a worker other than a "unionist" when a "unionist" was available for such engagement, that the employer, having made enquiries from the appropriate Union, did not know that any "unionist" competent to perform the class of work involved was available.

(c) Any worker whose application for membership of the Union has been refused shall be so advised by the Union in writing and shall have the right of appeal within seven days of being so advised to the Industrial Registrar whose decision on such matter shall be final. Such worker who

has exercised his right of appeal shall, pending the decision of the Industrial Registrar, have the same rights under this clause as a "Unionist."

(d) Subject to subclause (e) hereof, workers who are not "unionists" shall within seven (7) days of being supplied with the necessary application form for membership and a copy of this clause, by an accredited representative of the applicant Union, apply in the prescribed manner for membership and, if accepted as a member, maintain financial membership whilst employed by a respondent to this Award.

(e) Exemptions:—

(i) Any worker may apply in writing to the Industrial Registrar, Court of Arbitration, Perth, (whose decision shall be final) for exemption from this clause.

(ii) An applicant for exemption shall detail in the application to the Industrial Registrar his reasons for desiring exemption, and such application shall only be valid and considered by the Industrial Registrar if it is forwarded by registered post within seven (7) days of the applicant's receipt of the application for membership as prescribed in subclause (d).

(iii) The Industrial Registrar in the exercise of his discretion may grant exemption with such conditions as he deems desirable—

(a) if the applicant is a financial member of any other registered industrial union;

(b) if the worker objects on the grounds of conscientious religious belief to becoming a member of any industrial union;

(c) for any other reason which the Industrial Registrar deems sufficient.

(iv) A worker refused exemption by the Industrial Registrar shall, within seven (7) days of the decision, make application for membership of the applicant Union and, if accepted as a member, maintain financial membership whilst employed by a respondent to this Award.

(f) No employer shall, while to his knowledge adequately experienced unionists competent to perform the class of work are available, retain in his employment any worker for a period of more than seven (7) days after being advised by the Union that such worker has not complied with either subclause (d) or paragraph (iv) of subclause (e) of this clause, or for a period of more than seven (7) days after a conviction for a breach of this clause in reference to the employment of such worker, or for a period of more than seven (7) days after the employer has been advised by the Union that the worker has not exercised his right of appeal under subclause (c) hereof following the rejection of his application for membership or having exercised such appeal has had such appeal rejected by the Industrial Registrar.

31.—Junior Workers' Certificate.

(a) Junior workers upon being engaged shall furnish the employer with a certificate containing the following particulars:—

(i) Name in full.

(ii) Age and date of birth.

(iii) Name of each previous employer.

(iv) Class of work performed for each previous employer.

(b) No worker shall have any claim upon an employer for additional pay in the event of the age of the worker being wrongly stated either on the certificate, or, if no such certificate is furnished, verbally to the employer. If any junior worker shall wilfully mis-state his age, either verbally to the employer, or in the certificate, he alone shall be guilty of a breach of this Award, and in the event of a worker having received a higher rate than that to which he was entitled he shall make restitution to the employer.

32.—Board of Reference.

(a) For the purpose of this Award, a Board of Reference is hereby appointed, which shall consist of a chairman and two (2) other representatives, one to be nominated by each of the parties. The said Board shall have assigned to it, in the event of no agreement being arrived at between the parties to the dispute, the functions of:—

- (i) adjusting any matters of difference which may arise from time to time except such as involve interpretation of the provisions of this Award or any of them;
- (ii) dealing with any other matter which the Court may refer to the Board from time to time.

(b) An appeal shall lie from any decision of such Board in the manner and subject to the conditions prescribed in the Industrial Arbitration Act, 1912-1961, which for this purpose are embodied in this Award.

33.—Breakdowns.

The employer shall be entitled to deduct payment for any day or portion of a day upon which the worker cannot be usefully employed, because of any strike by the Union or Unions affiliated with it, or by any other association or union, or through the breakdown of the employer's machinery or any stoppage of work by any cause which the employer cannot reasonably prevent.

34.—Under-Rate Workers.

(a) Any worker who by reason of old age or infirmity is unable to earn the minimum wage, may be paid such lesser wage as may from time to time be agreed upon in writing between the Union and the employer.

(b) In the event of no agreement being arrived at, the matter may be referred to the Board of Reference for determination.

(c) After application has been made to the Board, and pending the Board's decision, the worker shall be entitled to work for and be employed at the proposed lesser rate.

35.—Long Service Leave.

All dates referred to in this clause in respect of workers other than workers who would have been covered by Award No. 40 of 1951, shall be deemed to read the 24th December, 1958.

(a) Right to Leave.

A worker shall as herein provided be entitled to leave with pay in respect of long service.

(b) Long Service.

(1) The long service which shall entitle a worker to such leave shall, subject as herein provided, be continuous service with one and the same employer.

(2) Such service shall include service prior to the 1st April, 1958 if it continued until such time but only to the extent of the last twenty (20) completed years of continuous service.

(3) (i) Where a business has, whether before or after the coming into operation hereof, been transmitted from an employer (herein called "the transmitter") to another employer (herein called "the transferee") and a worker who at the time of such transmission was an employee of the transmitter in that business becomes an employee of the transferee—the period of the continuous service which the worker has had with the transmitter (including any such service with any prior transmitter) shall be deemed to be service of the worker with the transferee.

(ii) In this subclause "transmission" includes transfer, conveyance, assignment or succession whether voluntary or by agreement or by operation of law and "transmitted" has a corresponding meaning.

(4) Such service shall include—

- (a) Any period of absence from duty on any annual leave or long service leave.
- (b) Any period of absence from duty necessitated by sickness of or injury to the worker but only to the extent of fifteen (15) working days in any year of his employment.

(c) Any period following any termination of the employment by the employer if such termination has been made merely with the intention of avoiding obligations hereunder in respect of long service leave or obligations under any award in respect of annual leave.

(d) Any period during which the service of the worker was or is interrupted by service—

- (i) As a member of the Naval, Military or Air Forces of the Commonwealth of Australia other than as a member of the British Commonwealth Occupation Forces in Japan and other than as a member of the Permanent Forces of the Commonwealth of Australia except in the circumstances referred to in section 31 (2) of the Defence Act, 1903-1956, and except in Korea or Malaya after June 26, 1950;
- (ii) As a member of the Civil Construction Corps established under the National Security Act, 1939-1946;
- (iii) In any of the Armed Forces under the National Service Act, 1951 (as amended).

Provided that the worker as soon as reasonably practicable on the completion of any such service resumed or resumes employment with the employer by whom he was employed immediately before the commencement of such service.

(5) Service shall be deemed to be continuous notwithstanding—

- (a) the transmission of a business as referred to in paragraph (3) hereof;
- (b) any interruption of a class referred to in paragraph (4) hereof irrespective of the duration thereof;
- (c) any absence from duty authorised by the employer;
- (d) any standing-down of a worker in accordance with the provisions of an Award, Industrial Agreement, Order or Determination under either Commonwealth or State law;
- (e) any absence from duty arising directly or indirectly from an industrial dispute if the worker returns to work in accordance with the terms of settlement of the dispute;
- (f) any termination of the employment by the employer on any ground other than slackness of trade if the worker be re-employed by the same employer within a period not exceeding two months from the date of such termination;
- (g) any termination of the employment by the employer on the ground of slackness of trade if the worker is re-employed by the same employer within a period not exceeding six (6) months from the date of such termination;
- (h) any reasonable absence of the worker on legitimate union business in respect of which he has requested and been refused leave;
- (i) any absence from duty after the coming into operation of this clause by reason of any cause not specified in this clause unless the employer during the absence or within fourteen (14) days of the termination of the absence notifies the worker in writing that such absence will be regarded as having broken the continuity of service, which notice may be given by delivery to the worker personally or by posting it by registered mail to his last recorded address, in which case it shall be deemed to have reached him in due course of post.

Provided that the period of any absence from duty or the period of any interruption referred to in placita (c) to (i) inclusive of this paragraph shall not (except as set out in paragraph (4) hereof) count as service.

(c) Period of Leave.

(1) The leave to which a worker shall be entitled or deemed to be entitled shall be as provided in this subclause.

(2) Where a worker has completed at least twenty (20) years' service the amount of leave shall be—

- (a) in respect of twenty (20) years' service so completed—thirteen (13) weeks' leave;
- (b) in respect of each ten (10) years' service completed after such twenty (20) years—six and a half (6½) weeks' leave.

(3) Where a worker has completed at least fifteen (15) years' service since its commencement and his employment is terminated—

- (a) by his death;
- (b) in any circumstances otherwise than by the employer for serious misconduct;

the amount of leave shall be—

- (i) if such determination takes place before the worker has become entitled to leave under placitum (a) of paragraph (2) hereof such proportion of thirteen (13) weeks' leave as the number of completed years of such service bears to twenty (20) years;
- (ii) if such termination takes place after the worker has become entitled to leave under placitum (a) of paragraph (2) hereof the leave due under such placitum and in addition such proportion of thirteen (13) weeks' leave as the number of completed years of such service after the accrual of such entitlement bears to twenty (20) years.

(4) Where a worker has completed at least ten (10) years' service but less than fifteen (15) years' service since its commencement and his employment is terminated—

- (i) by his death; or
- (ii) by the employer for any reason other than serious misconduct; or
- (iii) by the worker on account of sickness or injury to the worker or domestic or other pressing necessity where such sickness or injury or necessity is of such a nature as to justify or in the event of a dispute is in the opinion of the Special Board of Reference, of such a nature as to justify such termination;

the amount of leave shall be such proportion of thirteen (13) weeks' leave as the number of completed years of such service bears to twenty (20) years.

(5) In the cases to which paragraphs (3) and (4) hereof apply the worker shall be deemed to have been entitled to and to have commenced leave immediately prior to such termination.

(d) Payment for Period of Leave.

(1) A worker shall subject to paragraph (3) hereof, be entitled to be paid for each week of leave to which he has become entitled or is deemed to have become entitled, the ordinary time rate of pay applicable to him at the date he commences such leave.

(2) Such ordinary time rate of pay shall be the rate applicable to him for the standard weekly hours which are prescribed by this award, but in the case of casuals and part-time workers shall be the ordinary time rate for the number of hours usually worked up to but not exceeding the prescribed standard.

(3) Where by agreement between the employer and the worker the commencement of the leave to which the worker is entitled or any portion thereof is postponed to meet the convenience of the worker, the rate of payment for such leave shall be at the ordinary time rate of pay applicable to him at the date of accrual or, if so agreed, at the ordinary time rate of pay applicable at the date he commences such leave.

(4) The ordinary time rate of pay—

- (a) shall include any deductions from wages for board and/or lodging or the like which is not provided and taken during the period of leave;
- (b) shall not include shift premiums, overtime, penalty rates, commissions, bonuses, allowances or the like.

(5) In the case of workers employed on piece or bonus work or any other system of payment by results payment shall be at ordinary time rates.

(e) Taking Leave.

(1) In a case to which paragraph (2) of subclause (c) applies—

(a) leave shall be granted and taken as soon as reasonably practicable after the right thereto accrues due or at such time or times as may be agreed between the employer and the worker or in the absence of such agreement at such time or times as may be determined by the Special Board of Reference, having regard to the needs of the employer's establishment and the worker's circumstances;

(b) except where the time for taking leave is agreed to by the employer and the worker or determined by the Special Board of Reference, the employer shall give to a worker at least one (1) month's notice of the date from which his leave is to be taken;

(c) leave may be granted and taken in one continuous period or if the employer and the worker so agree in not more than three (3) separate periods in respect of the first thirteen (13) weeks' entitlement and in not more than two (2) separate periods in respect of any subsequent period of entitlement;

(d) any leave shall be inclusive of any public holidays specified in this award occurring during the period when the leave is taken but shall not be inclusive of any annual leave;

(e) payment shall be made in one of the following ways—

(i) in full before the worker goes on leave;

(ii) at the same time as his wages would have been paid to him if the worker had remained at work, in which case payment shall, if the worker in writing so requires, be made by cheque posted to an address specified by the worker; or

(iii) in any other way agreed between the employer and the worker.

(f) No worker shall, during any period when he is on leave, engage in any employment for hire or reward in substitution for the employment from which he is on leave, and if a worker breaches this provision he shall thereupon forfeit his right to leave hereunder in respect of the unexpired period of leave upon which he has entered, and the employer shall be entitled to withhold any further payment in respect of the period and to reclaim any payments already made on account of such period of leave.

(2) In a case to which paragraph (3) or paragraph (4) of subclause (c) applies and in any case in which the employment of the worker who has become entitled to leave hereunder is terminated before such leave is taken or fully taken the employer shall, upon termination of his employment otherwise than by death pay to the worker, and upon termination of employment by death pay to the personal representative of the worker upon request by the personal representative, a sum equivalent to the amount which would have been payable in respect of the period of leave to which

he is entitled or deemed to have been entitled and which would have been taken but for such termination. Such payment shall be deemed to have satisfied the obligation of the employer in respect of leave hereunder.

(f) Granting Leave in Advance and Benefits to be Brought into Account.

(1) Any employer may by agreement with a worker allow leave to such a worker before the right thereto has accrued due, but where leave is taken in such a case the worker shall not become entitled to any further leave hereunder in respect of any period until after the expiration of the period in respect of which such leave had been taken before it accrued due.

(2) Where leave has been granted to a worker pursuant to the preceding paragraph before the right thereto has accrued due, and the employment subsequently is terminated, the employer may deduct from whatever remuneration is payable upon the termination of the employment, a proportionate amount on the basis of thirteen (13) weeks for twenty (20) years' service in respect of any period for which the worker has been granted long service leave to which he was not at the date of termination of his employment or prior thereto entitled.

(3) Any leave in the nature of long service leave or payment in lieu thereof under a State Law or a long service leave scheme not under the provisions hereof granted to a worker by his employer in respect of any period of service with the employer shall be taken into account whether the same is granted before or after the coming into operation hereof and shall be deemed to have been leave taken and granted hereunder in the case of leave with pay to the extent of the period of such leave and in the case of payment in lieu thereof to the extent of a period of leave with pay equivalent to the amount of the payment and to be satisfaction to the extent thereof of the entitlement of the worker hereunder.

(g) Records to be Kept.

(1) Each employer shall during the employment and for a period of twelve (12) months thereafter, or in the case of termination by death of the worker, a period of three (3) years thereafter, keep a record from which can be readily ascertained the name of each worker and his occupation, the date of the commencement of his employment and his entitlement to long service leave and any leave which may have been granted to him or in respect of which payment may have been made hereunder.

(2) Such record shall be open for inspection in the manner and circumstances prescribed by this award with respect to the time and wages record.

(h) Special Board of Reference.

(1) There shall be constituted a Special Board of Reference for the purpose hereof to which all disputes and matters arising hereunder shall be referred and the Board shall determine all such disputes and matters.

(2) There shall be assigned to such Board the functions of—

- (a) the settlement of disputes on any matters arising hereunder;
- (b) the determination of such matters as are specifically assigned to it hereunder.

(3) The Board of Reference shall consist of one representative or substitute therefor nominated from time to time by the Western Australian Employers' Federation (Incorporated) and one representative or substitute nominated from time to time by the West Australian Trade Unions Industrial Council (A.L.P.) together with a chairman to be mutually agreed upon by the organisations named in this paragraph.

(i) State Law.

(1) The provisions of any State law to the extent to which they have before the coming into operation hereof conferred an accrued right on a worker to be granted a period of long service leave in respect of a completed period of twenty (20) or more years' service or employment or an

accrued right on a worker or his personal representative to payment in respect of long service leave shall not be affected hereby and shall not be deemed to be inconsistent with the provisions hereof.

(2) The entitlement of any such worker to leave in respect of a period of service with the employer completed after the period in respect of which the long service leave referred to in paragraph (1) hereof accrued due shall be in accordance herewith.

(3) Subject to paragraphs (1) and (2) hereof, the entitlement to leave hereunder shall be in substitution for and satisfaction of any long service leave to which the worker may be entitled in respect of employment of the worker by the employer.

(4) An employer who under any State Law with regard to long service leave is exempted from the provisions of that law as at the first day of April, 1958, shall in respect of the workers covered by such exemption be exempt from the provisions hereof.

(j) Exemptions.

The Special Board of Reference may subject to such conditions as it thinks fit exempt any employer from the provisions hereof in respect of its employees where there is an existing or prospective long service leave scheme which, in its opinion is viewed as a whole, more favourable for the whole of the employees of that employer than the provisions hereof.

(k) Liberty to Apply.

Liberty is granted to any party to this award to apply to the Court at any time for an appropriate variation of this clause if any of the terms and conditions operating under the code of Long Service Leave being negotiated between the Australian Council of Trade Unions and Federal Employers' Organisations is varied in any way.

In witness whereof this Award has been signed by the Conciliation Commissioner this 22nd day of June, 1962.

10.—Termination of Employment.

Except in the case of casual workers, when one (1) hour's notice given on either side shall suffice, the employment is terminable by one (1) week's notice given on any day, or by the payment or forfeiture of one (1) week's pay. (ii) A worker (other than a casual worker) who works so much overtime between the termination of his ordinary work on one day and the commencement of his ordinary work on the next day that he has not at least eight (8) consecutive hours off duty between those times shall, subject to this sub-clause, be released after completion of such overtime until he has had eight (8) consecutive hours off duty without loss of pay for ordinary working time occurring during such absence.

(iii) If, on the instructions of his employer, such a worker resumes or continues work without having had such eight (8) consecutive hours off duty, he shall be paid at double rates until he is released from duty for such period and he shall then be entitled to be absent until he has had eight

(8) consecutive hours off duty without loss of pay for ordinary working time occurring during such absence.

(b) When a worker is recalled to work after leaving the job he shall be paid for at least three (3) hours at overtime rates.

(c) When a worker is required to hold himself in readiness for a call to work after ordinary hours, he shall be paid at ordinary rates for the time he so holds himself in readiness.

15.—Worker Missing Usual Conveyance.

Whenever the finishing time of any worker working overtime is of such as to cause him to miss his usual means of conveyance home, he shall be conveyed home in a suitable manner without delay, at the expense of the employer. Provided that this clause shall not apply to a worker who usually has his own means of conveyance.

16.—Meal Period.

(a) The minimum time allowed for meals shall be one (1) hour for day workers and half ($\frac{1}{2}$) an hour for night workers: Provided that by agreement with the Union the period may be reduced to not less than half ($\frac{1}{2}$) an hour.

Work done on any of these days shall be paid for in accordance with Clause 13 (Overtime).

(b) On any public holiday not prescribed as a holiday under this Award, the employer's establishment or place of business may be closed, in which case a worker need not present himself for duty and payment may be deducted, but if work be done, ordinary rates of pay shall apply.

(c) Except as hereinafter provided, a period of two (2) consecutive weeks' leave with payment of ordinary wages as prescribed shall be allowed annually to a worker by his employer after a period of twelve (12) months' continuous service with such employer.

(d) If any Award holiday falls within a worker's period of annual leave and is observed on a day which in the case of that worker would have been an ordinary working day, there shall be added to that period one (1) day being an ordinary working day for each such holiday observed as aforesaid.

(e) If after one (1) month's continuous service in any qualifying twelve-monthly period, a worker lawfully leaves his employment or his employment is terminated by the employer through no fault of the worker, the worker shall be paid one-sixth ($\frac{1}{6}$ th) of a week's pay at his ordinary rate of wages in respect of each completed month of continuous service.

(f) Any time in respect of which a worker is absent from work except time for which he is entitled to claim sick pay or time spent on holidays or annual leave as prescribed by the Award shall not count for the purpose of determining his right to annual leave.

(g) In the event of a worker being employed by an employer for portion only of a year, he shall only be entitled, subject to subclause (e) of this clause, to such leave on full pay as is proportionate to his length of service during that period with such employer, and if such leave is not equal to the leave given to the other workers he shall not be entitled to work or pay whilst the other workers of such employer are on leave on full pay.

(h) (i) A worker who is justifiably dismissed for misconduct shall not be entitled to the benefits of the provisions of this clause.

(ii) In special circumstances and by mutual consent of the employer, the worker and the Union, annual leave may be taken in not more than two (2) periods.

(i) The provisions of this clause shall not apply to casual workers.

20.—Sick Leave.

(a) A worker shall be entitled to payment for non-attendance on the ground of personal ill health for one-twelfth ($\frac{1}{12}$ th) of a week's pay for each completed month of service: Provided that, subject to subclause (g) hereof, payment for absence through such ill health shall be limited to one (1) week's pay in each calendar year.

(b) Payment hereunder may be adjusted at the end of each calendar year or at the time when the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred.

(c) This clause shall not apply when the worker is entitled to compensation under the Workers' Compensation Act.

(d) A worker shall not be entitled to receive any wages from his employer for any time lost through the result of an accident not arising out of or in the course of his employment, or for any accident, wherever sustained, arising out of his own wilful default, or for sickness arising out of his own wilful default.

(e) No worker shall be entitled to the benefits of this clause unless he produces proof satisfactory to his employer of sickness, but the employer shall not be entitled to a medical certificate unless the absence is for three (3) days or more.

(f) Notwithstanding the provisions of subclause (e) hereof, a worker who in any calendar year has already been allowed paid sick leave shall not be entitled to payment for any further absence unless he produces to the employer a medical certificate stating that he was unable to attend for duty on account of personal ill health.

(g) As from the date of this Award, sick leave shall accumulate from year to year so that any balance of the period specified in subclause (a) of this clause which has not been allowed in any year to any worker by his employer as paid sick leave may be claimed by the worker and, subject to

the conditions hereinbefore prescribed, shall be allowed by his employer in any subsequent year without diminution of the sick leave prescribed in respect of that year: Provided that sick leave which accumulates pursuant to this subclause shall be available to the worker for a period of two (2) years, but no longer, from the end of the year in which it accrues.

21.—Long Service Leave.

(a) Right to Leave.

A worker shall as herein provided be entitled to leave with pay in respect of long service.

(b) Long Service.

(1) The long service which shall entitle a worker to such leave shall, subject as herein provided, be continuous service with one and the same employer.

(2) Such service shall include service prior to the 1st April, 1958 if it continued until such time but only to the extent of the last 20 completed years of continuous service.

(3) (i) Where a business has, whether before or after the coming into operation hereof, been transmitted from an employer (herein called "the transmittor") to another employer (herein called "the transmittee") and a worker who at the time of such transmission was an employee of the transmittor in that business becomes an employee of the transmittee—the period of the continuous service which the worker has had with the transmittor (including any such service with any prior transmittor) shall be deemed to be service of the worker with the transmittee.

(ii) In this subclause "transmission" includes transfer, conveyance, assignment or succession whether voluntary or by agreement or by operation of law and "transmitted" has a corresponding meaning.

(4) Such service shall include—

- (a) Any period of absence from duty on any annual leave or long service leave.
- (b) Any period of absence from duty necessitated by sickness of or injury to the worker but only to the extent of fifteen working days in any year of his employment.

- (d) Any period during which the service of the worker was or is interrupted by service—

- (i) As a member of the Naval, Military or Air Forces of the Commonwealth of Australia other than as a member of the British Commonwealth Occupation Forces in Japan and other than as a member of the Permanent Forces of the Commonwealth of Australia except in the circumstances referred to in section 31 (2) of the Defence Act, 1903-1956, and except in Korea or Malaya after June 26, 1950.
- (ii) As a member of the Civil Construction Corps established under the National Security Act, 1939-1946.
- (iii) In any of the Armed Forces under the National Service Act, 1951 (as amended).

Provided that the worker as soon as reasonably practicable on the completion of any such service resumed or resumes employment with the employer by whom he was employed immediately before the commencement of such service.

(5) Service shall be deemed to be continuous notwithstanding—

- (a) the transmission of a business as referred to in paragraph (3) hereof;

- (b) any interruption of a class referred to in paragraph (4) hereof irrespective of the duration thereof;
- (c) any absence from duty authorised by the employer;
- (d) any standing-down of a worker in accordance with the provisions of an Award, Industrial Agreement, Order or Determination under either Commonwealth or State law;
- (e) any absence from duty arising directly or indirectly from an industrial dispute if the worker returns to work in accordance with the terms of settlement of the dispute;
- (f) any termination of the employment by the employer on any ground other than slackness of trade if the worker be re-employed by the same employer within a period not exceeding two months from the date of such termination;
- (g) any termination of the employment by the employer on the ground of slackness of trade if the worker is re-employed by the same employer within a period not exceeding six months from the date of such termination;
- (h) any reasonable absence of the worker on legitimate union business in respect of which he has requested and been refused leave;
- (i) any absence from duty after the coming into operation of this clause by reason of any cause not specified in this clause unless the employer during the absence or within fourteen days of the termination of the absence notifies the worker in writing that such absence will be regarded as having broken the continuity of service, which notice may be given by delivery to the worker personally or by posting it by registered mail to his last recorded address, in which case it shall be deemed to have reached him in due course of post.

Provided that the period of any absence from duty or the period of any interruption referred to in placita (c) to (i) inclusive of this paragraph shall not (except as set out in paragraph (4) hereof) count as service.

(c) Period of Leave.

(1) The leave to which a worker shall be entitled or deemed to be entitled shall be as provided in this subclause.

(2) Where a worker has completed at least 20 years' service the amount of leave shall be—

- (a) in respect of 20 years' service so completed—13 weeks' leave;
- (b) in respect of each 10 years' service completed after such 20 years—six and a half weeks' leave.

(3) Where a worker has completed at least 15 years' service since its commencement and his employment is terminated—

- (a) by his death;
- (b) in any circumstances otherwise than by the employer for serious misconduct;

the amount of leave shall be—

- (i) if such determination takes place before the worker has become entitled to leave under placitum (a) of paragraph (2) hereof such proportion of 13 weeks leave as the number of completed years of such service bears to 20 years;
- (ii) if such termination takes place after the worker has become entitled to leave under placitum (a) of paragraph (2) hereof the leave due under such placitum and in addition such proportion of 13 weeks' leave as the number of completed years of such service after the accrual of such entitlement bears to 20 years.

(4) Where a worker has completed at least 10 years' service but less than 15 years' service since its commencement and his employment is terminated—

- (i) by his death; or
- (ii) by the employer for any reason other than serious misconduct; or
- (iii) by the worker on account of sickness or injury to the worker or domestic or other pressing necessity where such sickness or injury or necessity is of such a nature as to justify or in the event of a dispute is in the opinion of the Special Board of Reference, of such a nature as to justify such termination;

the amount of leave shall be such proportion of 13 weeks' leave as the number of completed years of such service bears to 20 years.

(5) In the cases to which paragraphs (3) and (4) hereof apply the worker shall be deemed to have been entitled to and to have commenced leave immediately prior to such termination.

(d) Payment for Period of Leave.

(1) A worker shall subject to paragraph (3) hereof, be entitled to be paid for each week of leave to which he has become entitled or is deemed to have become entitled the ordinary time rate of pay applicable to him at the date he commences such leave.

(2) Such ordinary time rate of pay shall be the rate applicable to him for the standard weekly hours which are prescribed by this award, but in the case of casuals and part-time workers shall be the ordinary time rate for the number of hours usually worked up to but not exceeding the prescribed standard.

(3) Where by agreement between the employer and the worker the commencement of the leave to which the worker is entitled or any portion thereof is postponed to meet the convenience of the worker, the rate of payment for such leave shall be at the ordinary time rate of pay applicable to him at the date of accrual or, if so agreed, at the ordinary time rate of pay applicable at the date he commences such leave.

(4) The ordinary time rate of pay—

- (a) shall include any deductions from wages for board and/or lodging or the like which is not provided and taken during the period of leave;
- (b) shall not include shift premiums, overtime, penalty rates, commissions, bonuses, allowances or the like.

(5) In the case of workers employed on piece or bonus work or any other system of payment by results payment shall be at ordinary time rates.

(e) Taking Leave.

(1) In a case to which paragraph (2) of sub-clause (c) applies—

- (a) Leave shall be granted and taken as soon as reasonably practicable after the right thereto accrues due or at such time or times as may be agreed between the employer and the worker or in the absence of such agreement at such time or times as may be determined by the Special Board of Reference, having regard to the needs of the employer's establishment and the worker's circumstances;
- (b) Except where the time for taking leave is agreed to by the employer and the worker or determined by the Special Board of Reference the employer shall give to a worker at least one month's notice of the date from which his leave is to be taken;
- (c) Leave may be granted and taken in one continuous period or if the employer and the worker so agree in not more than three separate periods in respect of the first 13 weeks' entitlement and in not more than two separate periods in respect of any subsequent period of entitlement.

(d) Any leave shall be inclusive of any public holidays specified in this award occurring during the period when the leave is taken but shall not be inclusive of any annual leave;

(e) Payment shall be made in one of the following ways—

- (i) in full before the worker goes on leave;
- (ii) at the same time as his wages would have been paid to him if the worker had remained at work, in which case payment shall, if the worker in writing so requires, be made by cheque posted to an address specified by the worker; or
- (iii) in any other way agreed between the employer and the worker;

(f) No worker shall, during any period when he is on leave, engage in any employment for hire or reward in substitution for the employment from which he is on leave, and if a worker breaches this provision he shall thereupon forfeit his right to leave hereunder in respect of the unexpired period of leave upon which he has entered, and the employer shall be entitled to withhold any further payment in respect of the period and to reclaim any payments already made on account of such period of leave.

(2) In a case to which paragraph (3) or paragraph (4) of subclause (c) applies and in any case in which the employment of the worker who has become entitled to leave hereunder is terminated before such leave is taken or fully taken the employer shall, upon termination of his employment otherwise than by death pay to the worker, and upon termination of employment by death pay to the personal representative of the worker upon request by the personal representative, a sum equivalent to the amount which would have been payable in respect of the period of leave to which he is entitled or deemed to have been entitled and which would have been taken but for such termination. Such payment shall be deemed to have satisfied the obligation of the employer in respect of leave hereunder.

(f) Granting Leave in Advance and Benefits to be Brought into Account.

(1) Any employer may by agreement with a worker allow leave to such a worker before the right thereto has accrued due, but where leave is taken in such a case the worker shall not become entitled to any further leave hereunder in respect of any period until after the expiration of the period in respect of which such leave had been taken before it accrued due.

(2) Where leave has been granted to a worker pursuant to the preceding paragraph before the right thereto has accrued due, and the employment subsequently is terminated, the employer may deduct from whatever remuneration is payable upon the termination of the employment a proportionate amount on the basis of 13 weeks for twenty years' service in respect of any period for which the worker has been granted long service leave to which he was not at the date of termination of his employment or prior thereto entitled.

(3) Any leave in the nature of long service leave or payment in lieu thereof under a State Law or a long service leave scheme not under the provisions hereof granted to a worker by his employer in respect of any period of service with the employer shall be taken into account whether the same is granted before or after the coming into operation hereof and shall be deemed to have been leave taken and granted hereunder in the case of leave with pay to the extent of the period of such leave and in the case of payment in lieu thereof to the extent of a period of leave with pay equivalent to the amount of the payment and to be satisfaction to the extent thereof of the entitlement of the worker hereunder.

(g) Records to be Kept.

(1) Each employer shall during the employment and for a period of 12 months thereafter, or in the case of termination by death of the worker a period of three years thereafter, keep a record from which can be readily ascertained the name of each worker and his occupation, the date of the commencement of his employment and his entitlement to long service leave and any leave which may have been granted to him or in respect of which payment may have been made hereunder.

(2) Such record shall be open for inspection in the manner and circumstances prescribed by this award with respect to the time and wages record.

(h) Special Board of Reference.

(1) There shall be constituted a Special Board of Reference for the purpose hereof to which all disputes and matters arising hereunder shall be referred and the Board shall determine all such disputes and matters.

(2) There shall be assigned to such Board the functions of—

- (a) the settlement of disputes on any matters arising hereunder;
- (b) the determination of such matters as are specifically assigned to it hereunder.

(3) The Board of Reference shall consist of one representative or substitute therefor nominated from time to time by the Western Australian Employers' Federation (Incorporated) and one representative or substitute nominated from time to time by the West Australian Trade Unions Industrial Council (A.L.P.) together with a chairman to be mutually agreed upon by the organisations named in this paragraph.

(i) State Law.

(1) The provisions of any State law to the extent to which they have before the coming into operation hereof conferred an accrued right on a worker to be granted a period of long service leave in respect of a completed period of 20 or more years' service or employment or an accrued right on a worker or his personal representative to payment in respect of long service leave shall not be affected hereby and shall not be deemed to be inconsistent with the provisions hereof.

(2) The entitlement of any such worker to leave in respect of a period of service with the employer completed after the period in respect of which the long service leave referred to in paragraph (1) hereof accrued due shall be in accordance herewith.

(3) Subject to paragraphs (1) and (2) hereof, the entitlement to leave hereunder shall be in substitution for and satisfaction of any long service leave to which the worker may be entitled in respect of employment of the worker by the employer.

(4) An employer who under any State law with regard to long service leave is exempted from the provisions of that law as at the first day of April, 1958, shall in respect of the workers covered by such exemption be exempt from the provisions hereof.

(j) Exemptions.

The Special Board of Reference may subject to such conditions as it thinks fit exempt any employer from the provisions hereof in respect of its employees where there is an existing or prospective long service leave scheme which, in its opinion is, viewed as a whole, more favourable for the whole of the employees of that employer than the provisions hereof.

(c) Any worker whose application for membership of the Union has been refused shall be so advised by the Union in writing and shall have the right of appeal within seven (7) days of being so advised to the Industrial Registrar whose decision on such matters shall be final. (b) Whenever any holiday falls on a worker's ordinary working day and the worker is not required to work on such day, he shall be paid for the ordinary hours he would have worked on such day if it had not been a holiday. If he is required to work on a holiday, he shall be paid for the time worked as if it was an ordinary working day and shall, in addition be allowed a day's leave with pay to be added to the annual leave or to be taken at some subsequent date if the worker so agrees.

(c) In the case of workers working a five day week, no payment or a day in lieu shall be granted for any public holiday falling on a Saturday.

(d) Payment for holidays shall be in accordance with the usual hours of work.

(e) Payment shall not be made for any holiday which occurs whilst a worker is off duty owing to leave without pay, or sickness, including accidents, off duty, excepting time for which he is entitled to sick pay.

10.—Annual Leave.

(a) A period of two (2) consecutive weeks' leave with payment of ordinary wages as prescribed shall be allowed annually to a worker by the employer after a period of twelve (12) months continuous service with the Department. Such leave shall at all times be granted at the convenience of the Department and shall be taken in accordance with a roster prepared each year.

(b) If an Award holiday falls within a worker's period of annual leave and is observed on a day which in the case of that worker would have been an ordinary working day, there shall be added to that period one day being an ordinary working day for each such holiday observed as aforesaid.

(c) A worker may be rostered off and granted annual leave with payment of ordinary wages as prescribed prior to his having completed a period of twelve (12) months' continuous service, in which case should the services of such worker terminate or be terminated prior to the completion of twelve (12) months' continuous service, such worker shall refund to the Minister the difference between the amount received by him for wages in respect to the period of his annual leave and the amount

which would have accrued to him by reason of the length of his service up to the date of the termination of his service.

(d) (i) Subject to paragraph (ii) when computing annual leave due under this clause no deduction shall be made from such leave in respect of the period that a worker is on annual leave and/or holidays: Provided that no deduction shall be made for any approved period a worker is absent from duty through sickness, with or without pay, unless the absence exceeds three calendar months, in which case deductions may be made for such excess only.

(ii) Approved periods of absence from work caused through accident sustained in the course of employment shall not be considered breaks in continuity of service, but the first six months only of any such period shall count as service for the purpose of computing annual leave.

(e) In the event of a worker serving continuously for one month or more, but less than twelve months, he shall be entitled only to such holidays on full pay as are proportionate to his length of service during that period with the employer.

(f) Any worker who may resign or be dismissed from the service for any cause other than for peculation or theft, shall be entitled to receive payment for any annual leave which may have been due up to the time of leaving the service: Provided always that if the worker has been dismissed for peculation or theft, no claim for annual leave shall be recognised. Misconduct herein referred to shall not affect accrued annual leave or payment therefor.

(g) When work is closed down for the purpose of allowing annual leave to be taken, workers with less than a full year's service shall only be entitled to payment during such period for the number of days' leave due to them: Provided that nothing herein contained shall deprive the Minister of his right to retain such workers at work during the close-down as may be required.

(h) Workers regularly working for the Government north of south latitude 26 shall be allowed to accumulate annual leave for two years, subject to the convenience of the Department. Such workers who proceed to Fremantle and Geraldton during the period of such leave shall be allowed once in each two (2) years reasonable travelling time on the forward and return journeys between the place of their employment and either of the said ports.

(i) "Ordinary wages" for the purpose of sub-clause (a) hereof shall mean the rate of wage the worker has received for the greatest proportion of the calendar month prior to his taking the leave.

(j) A worker other than a worker referred to in subclause (h) hereof who has been required to work in some locality 50 miles or more from his home shall, if he so requests and he is working at such locality immediately prior to the commencement of annual leave, be provided with a return fare to his original place of employment on a reasonably expeditious mode of public transport, and shall be provided with sleeping berth if night travelling is involved and the public transport utilised provides such sleeping berths.

(ii) The liability of the employer shall in no case exceed one week's wages during each calendar year in respect of each worker, but the sick leave

herein provided shall be allowed to accumulate and any portion unused in any year may be availed of in the next or any succeeding year.

(b) The clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act, 1912.

(c) Payment hereunder may be adjusted at the end of each calendar year, or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred.

(d) No worker shall be entitled to the benefit of this clause unless he produces proof satisfactory to his employer or his representative, of sickness, but the employer shall not be entitled to a medical certificate unless the absence is for three (3) consecutive days or more.

(e) No payment shall be made for any absence due to the worker's own fault, neglect or misconduct.

13.—Records.

The employer shall keep or cause to be kept a record of the times during which each worker has been on duty, including the time of commencing and finishing duty by each worker on each day, and the payments made to each worker including wages, overtime payments and all allowances paid to him, and a duly accredited official of the Guild shall be permitted by the employer to inspect such record at reasonable times during the office hours of the employer at his place of business.

14.—Contract of Service.

(a) Workers shall be deemed to be engaged on a fortnightly basis, and a fortnight's notice shall be given on either side to terminate such engagement: Provided the worker may be instantly suspended or dismissed without notice for insobriety, misconduct or neglect of duty.

(b) If the engagement is terminated by the employer elsewhere than at the place of engagement, the employer shall, if requested, convey the worker thereto: Provided that notwithstanding anything herein contained, when a worker is dismissed for insobriety, misconduct or neglect of duty, the employer shall be under no obligation to convey the worker to the place of engagement.

(b) Where the period of employment under sub-clause (a) hereof exceeds seven (7) days and the employer supplies accommodation and bedding, the allowance shall be reduced by four shillings (4s.) per day.

Where the employer supplies a mess and cook, the allowance shall be further reduced by one shilling and sixpence (1s. 6d.) per day.

19.—Meal Intervals.

(a) Employees not working on shift shall be allowed intervals for meals of not less than forty-five nor more than sixty consecutive minutes, or of such less number of minutes as may be agreed upon between the Guild and the employer.

(b) If the meal interval of a worker be curtailed by the requirement of the employer, or by reason of the fact that the vessel is under way, the worker shall be paid for every half-hour or fraction of a half-hour of the curtailment, as for half an hour's overtime at the rate of time and a half, but none of the time of curtailment and none of the payment therefor shall count as part of the ordinary day's or week's work or wage.

(c) Unless the circumstances make it impracticable workers shall be entitled to leave the vessel for the whole time of an interval for a meal.

(d) Except as hereinbefore provided, present existing conditions as to meals and intervals for meals shall continue, subject to any variation made thereafter by the Court upon application.

(e) Upon the vessel being put under way, a meal interval already commenced shall be regarded as having been curtailed to the extent of the time thereof during which the vessel is under way (with a minimum period as of a quarter of an hour per day) within the meaning of subclause (b) and no meal period shall be commenced while the vessel is under way.

(f) Should an engineer be instructed to attend fires, boiler or machinery during his meal interval, his meal interval shall to the extent of the time so spent (with a minimum period as of a quarter of an hour per day) be regarded as having been curtailed within the meaning of subclause (b).

- (iv) Notwithstanding anything else contained herein a worker who is required on any day to commence or finish duty at some place other than the normal starting point for the current job, shall be paid for any fares and travelling time as are in excess of that which would have normally been incurred by him had he commenced or finished duty at the normal starting point for the current job on that day.
