(i) No payment will be made for any absence due to an officer's own fault, neglect or misconduct.

(k) When an officer is absent as a result of an accident which occurred on duty and is entitled to compensation in accordance with the provisions of the Workers' Compensation Act, and is due for sick leave on full pay, half ($\frac{1}{2}$) the period of absence only shall be debited against sick leave. Officers due for sick leave on half ($\frac{1}{2}$) pay shall not be granted sick leave when in receipt of compensation.

(l) Sick leave may be granted in one (1) or more periods, but the aggregate amount of leave on pay provided for must not be exceeded.

On completion of six months' service on permanent staff	1	$\frac{1}{2}$
On completion of twelve months' service on permanent staff	2	1

(ii) To determine the sick leave for which a permanent officer is eligible, the sick leave that has been granted during his permanent service at rates of full pay and half pay respectively shall be deducted from the periods ascertained under the provisions of paragraph (i) of this subclause, provided that in the event of departmental records not being available right back to the commencement of an officer's salaried service, the figure to be used as the amount of sick leave granted to such officer during the service of which there is no record, shall be ascertained by applying a formula agreed between the Commission and the Union.

(iii) After deduction has been made as provided in paragraph (ii) of this subclause, the period remaining at each rate of pay shall be the leave of absence for which the officer is eligible at the date of application, provided—

(a) that if after such deduction an officer with less than six months' service on the date of commencement of this amended subclause would at that date have less than one week on full pay and one half week on half pay to his credit, then his credit at that date shall be increased to those amounts;

(b) that if after such deduction an officer with not less than six months' service on the date of commencement of this amended subclause, would at that date have less than two weeks on full pay and one week on half pay to his credit, then his credit at that date shall be increased to those amounts, but any credit in excess of the required minimum under the heading of either full pay or half pay shall be applied in reduction of any debit under the other heading, or used to establish the required minimum credit under that heading.

(vii) If an officer falls sick while on annual leave and produces at the time satisfactory medical evidence that he is unable to leave the house, he may, with the approval of the Commission, be granted at a time convenient to the Commission, additional leave equivalent to the period of sickness falling within the rostered period of annual leave: Provided that the period of sickness is at least one week. (viii) An officer absent on approved long service leave, leave without pay, or an officer who is stood down in pursuance of the provisions of clause 29 of this Award, shall not be eligible for sick leave under this clause during the currency of such approved leave or stand down.

(n) (i) An appointee from the wages staff to the salaried staff shall be permitted to retain his sick leave credit at the time of his permanent appointment to the salaried staff or be credited with one week's sick leave on full pay and one-half week's sick leave on half pay, in accordance with subclause (m) (i), whichever is the greater credit.

(ii) In lieu of the provisions of subclause (m) paragraphs (i) to (v), temporary clerks, as provided for in clause 23 and those temporary officers covered by clause 33, shall be credited with sick leave, (which shall be cumulative) as under:—

(a) Officers with six (6) or less than six (6) months' service—Nil.

(b) Officers with more than six (6) months' service—one week on full pay for each completed six (6) months' service.

(o) Sick leave shall be paid at the officer's permanent classified rate of pay provided that an officer who has been acting in the one higher capacity position and has been paid for such higher capacity for not less than two (2) months continuously immediately prior to his ceasing duty on account of illness, will be paid at the rate applicable to the higher position provided that the officer resumes duty in the same higher position.

(p) The provisions of subclauses (m) and (n) became effective from 21st day of September, 1951, by Order No. 5 of 1951.

21.—Promotions.

(a) Promotion and the selection of an officer to act in a higher position shall be governed by relative ability, suitability, record and experience. If everything else is deemed equal, the senior officer shall be selected for promotion.

(b) As a general rule, officers and employees of the branch in which the vacancies occur will be promoted to the higher position, but the Commission may, when it considers it advisable, for the good of the service, select an officer from one branch for a position in another, either in the same or in a higher class.

(c) When considered necessary, a person from outside the service may be appointed to any position in the service: Provided that there is not an officer in the service capable of filling the position.

At the end of such period the head of the branch shall report to the Commission as to the fitness of the officer for the higher position; if the report is satisfactory, the appointment will be confirmed as from the date of taking up duty. If unsatisfactory, the officer will be provided for at the same salary as he was in receipt of prior to the period of probation in the higher position and shall revert to his previous position on the seniority list.

(ii) When an officer has acted in a higher capacity for such period that he is entitled to payment in advance of the minimum salary of such position, he shall if subsequently appointed to the class next in advance of his normal classification be credited, for the purpose of salary payments only, with such acting time.

Any officer who considers that he has been unjustly passed over and has no right of appeal under the Government Employees' (Promotions Appeal Board) Act, 1945, may appeal, in the first place to the head of his branch, and if not satisfied with the latter's reply, may then appeal to the Commission, whose decision shall be final. The head of the branch or the Commission shall reply to the appeal within twenty-one (21) days, but no appeal will be considered unless forwarded so as to reach the head of the branch within fourteen (14) days after the receipt of the *Weekly Notice*, and the Commission within fourteen (14) days after date of receipt of the reply from the head of the branch.
